First Football Game of the Year will be in the Stadium Next Saturday at 2:30 p.m.

PFRANSIS FLAPPER DIFFER FROM AMERICAN

The flapper of Paris is bolder than the student flapper of Miss Anna Crasper who with a large entourage is proceeding to Europe. "One can see her sitting out on the sidewalks drinking champagne from a smoking cigarette and altogether appearing very dash-ingly.

The large cities abroad are very similar to those in our own country. However, one is apt to find quaint old places which we do not have now. Then there are also the frame buildings, all being built of stone and brick masonry.

"The French people are very bit- ter against the Germans because of self-preservation of the war indemnity. Their conviction is that Germany could pay if she would.

She is developing a great part of northern France and Belgium is almost be- yond description. Work of rebuild- ing has almost come to a halt since the money which France was to receive has not been paid. One French gentleman told me that he expected his occupancy in the Rhône was the only thing that saved their country from another Ger- man invasion.

"Wines and other beverages are very expensive and are a part of man's need. In order to get good wine which one knows is pure, an extra charge of twelve cents is added. This water is bottled and sold.

In the opinion of Miss Crasper the mountain range and especially Mt. Tacone, are far more beautiful than even the well known Alps.

When we visited England we found the cities crowded with life and there were a million men without jobs. Civil war and the battle-front. The four women who have been in the days of '15 are now being entertained.

Miss Crasper spent the entire summer abroad, leaving Tacoma June 6th and arriving home on September 15th. She reports a very enjoyable trip but thinks that the U.S.A. is a permanent place to live.

By then. 2:30 p.m. next Sat- urday, Tacoma Stadium.

TICKET SALE IS PROGRESSING

The season ticket sale is going in great style, and it is up to us to keep up to our expectations in a style that be of credit to the old school. Re- members! Get your second ticket for free this season. The pillow case for second and the big dampen as third prize. Those plans are not in any way. If you have no tickets to sell now, you will be left with the big damn.

We have got the old fight and album cover but this is necessary if the college goes across now, let's go and show them what C. P. S. can do.

BE LOYAL TO YOUR TEAM

The football game that our boys will play Saturday is the first game of the season. Every one must be there and support the team. If you don't get started right at the first game it is hard for you to come up to the other games. The team needs your presence and they deserve your support. They work hard and are loyal to give their best, and our part is to come to all the games and give them our loyal support. Everybody be sure and be at the game Saturday—it will be well worth your time and effort.

THE SCRAP

The scrap is on and we are glad to see that both the Sophs and Frosh are a peppy enthusiastic crowd, but we are more delighted to see a spirit of fair play in the whole affair. Good sportsmanship is much to be desired and we are glad to see so much displayed on both sides.

DEBATE

Debating is getting an early start this year and if the present enthusiasm and "pug" which has been chosen is; Resolved: thusiasm and "pep" can be kept up to this banquet. It is quite probable old C.P.S. will be assured of one of the dates for the annual Philo-

The Stone-Fisher Co. Extends Best Wishes to The Editorial and Business Staffs of VOLUMES II, NO. 1 OF THE TRAIL

Last year’s staff hung up a fine record of achievement, but all records are made to be broken, and we believe you can do it—go to it. We hope your publication grows in number and influence, and if individuals or groups give this store a fair share of their patronage.

SEEKING GOD

Man is the one animal who leads a dissatisfied life. He is continually seeking something, but he does not know what that something is. Man may be likened unto the Athenians, of whom the Apostle Paul tells us, who had an altar dedicated to an Unknown God. This God they were seeking, but not knowing the nature of Him. Man is seeking to complete his being—to gain the highest degree of perfection. Unknowingly he is seeking God. Is it the God in "seizing the Max in God."

Having been told of the coming of God, Man find out, "When shall the Kingdom of God come?" And when shall the Kingdom of God come? God answers, "The Kingdom of God is within you." Why should Man be asks for that which may find within? Since the King-

the sinner.

of the sounds that come from the Chapel Annex third Tuesday and Thursday, the Vitalist circuit will be a real con-

umn, under course, would be if they could enter, taking the course under proper guidance. Having this fall, it is said that they are training on such words as eat, eat, eat, etc.

Remember the context is open to everyone. Now is the time to step in and see what it is possible for you to collect $75.00 next spring. It is the time when it is possible for you to win in the oratory class get it. Come on, gang! Let's show some real C.P.S. pep, just like the victorious University of Washington is going to lick Washington University October 27th.

CHAPEL NOTES

On Friday, Sept. 21, Dr. Rhodes, pastor of the First Methodist Church, spoke on the subject, "Is the World Growing Better?" Dr. Rhodes said he believes that the world was both growing better and growing worse at the same time, but he would not want anyone in the oratory class get it. Oratorical contest will be a real contest this year.

Dr. Rhodes said he sometimes thought that the school was growing better and growing worse at the same time, but he would not want anyone in the oratory class to have it. The process of seeking God may be undertaken successfully in number of ways. One way is, "Do something that God does." In this way man can find God by talking to him—by praying. God is a good and faithful servant, God is within you." Why should Man be asks for that which may find within? Since the King-

the sinner.

Kappa members in this school year are Dorothy Daniels, president; Allison Wattson, vice-president; Mrs. Lynette Hevoid, Sec. -Treas.; Bette Donaldson, Librarian; "Jayne" Ed Newell, Harlem Notary; Ralph Brown, Secretary; and Mr. Stevens, who comes to us from the College of the Pacific.

The first regular meeting was held at 7 P.M. Thursday, Nov. 12th, in the chapel, Mr. Henry Brown, assistant professor of English, presiding. The meeting was opened by the singing of "The Ohio State University Marching Band." Mr. Brown introduced the speakers for the night. Mr. Brown gave a brief history of the Amphion, and read a syllabus of the organization. It was then decided that the Kappa members would hold the meeting every other Thursday evening at 7 P.M. at the College of the Pacific.
