WELCOME

School days are here again and with them comes the fall Rush and regularity which marks the turnout of all the old school life re-introduced from yesterday. Because of such work, because of a common loyalty, faculty and students join in that happy greeting of "Welcome Home Again."

Yet in the flux of student life one can have progressed to take the place of the Freshman Class, more familiarly known as "the Freshmen." This is the group of students who have moved from the Freshman Class to the Sophomore Class.

Helen Ann Monroe; Those all year. Two of the students to enter the school this fall are the Freshmen Class, more familiarly known as "the Freshmen." This is the group of students who have moved from the Freshman Class to the Sophomore Class.

THE CRY "THUNDER"

They top of a mighty great sound to swell and fill a moment, and then settle in the city of thunder as a mere screeching breeze. The cry "Thunder!" breaks through the city with a mighty roar, and the city in return sends back a sound that is more like a roar than a yell. And...

GENIUS OF C. P. S.

The genius of a man or an institution is conceived to be an unen, ruling spirit. The genius of C. P. S. is the spirit of the school. It is unrepeatable. It is one that should be understood. It is in the organization and functioning of the school, in the development of the student, in the power of the teacher, in the social relations of the students, in the organization and functioning of the college, in the training of the student body, in the kind of leadership. The genius of C. P. S. is the spirit of the school.

The genius of C. P. S. is the spirit of the school. It is unrepeatable. It is one that should be understood.
