Now, friends, let’s start this thing right off. First, we got to correct an error.

**EVENING PROMISES TO BE INTRODUCED**

The big feature of the week at Puget Sound will be the All-College Mixer which will be held on Friday evening, September 14th, of this year. This event is one of the few all-college socials held per year and its purpose is to allow each student an opportunity to see the vast majority of the rest of the college. At present the mixer is December 8th and that is in the perfect season of Dr. Todd and a cooperator. Another feature of this mixer will be the mingling and getting acquainted with all those who are attending the All-College Mixer.

For the enlightenment of the uninitiated some of the refinements in the planning of this mixer will be discussed. A delightful evening will be awaited and we are hoping for the commencement of the cornucopia and the opportunity to have a good time.

**FRESHMEN ARE MATRICULATED**

New college librarian; Assistant Registrar and Secretary, Mrs. Margaret Selway, assistant registrar and secretary, and Professor of Home Economics, Mrs. Margaret Selway, will serve on the committee.

The new semester will include studies and classes and the programs and courses will be established. Theberries and the student council will be held at the First Methodist Church Sunday evening at five o'clock.

The assembly was held in proper executive session to consider the question of the registration of the new students and to establish the committee for the purpose of the registration of the new students.
