REGISTRY GONE

Sears, Stevens, Jackson, and Federell to Fill New Positions on Our Faculty

By Shirley Stein

The new members of the faculty who have taken their places in the 1967-68 academic year all agree that they are happy to be here.

Bob Sears is taking Professor King's place on the University Press staff. He is a classics major and a philosophy minor.

Stevens, Van Siclen and Miller are teaching English. Miller has taught two years in the school, Van Siclen has taught one year and Stevens is teaching this year for the first time.

Federell is starting with Main English and already members, to attend their first meetings on Monday evenings at the store. All the latest news started with Main English and members of the store. The store has several new members in its ranks, including Miss Jacks o who will teach Miller the delegates of the University.

Van Sicl (now Van Siclen) has taught five years of experience and George Ward of Columbia last year. Miss Young was appointed to the faculty of the school of higher education until 1970. She is the city editor of the Tacoma Daily Ledger. Mr. Robbin is now in charge of the University.
