Whitman Favored to Win North-West Conference Basketball Battle

Laggers Have Chance, But Most Fight. As Everything Favors Mystery Tourists To Repeat; Willamette and Pacific Also Will Be Strong

"The College of Puget Sound has an outstanding record in the North-West Conference basketball field this season," said the Northwestern schedule, and the reputation of the college is backed up by the fact that the team has won many games against strong opposition. Assistant Dr. W. J. Martin and Wilson are coaching the team, and Martin gives the Browns the best chance to win the conference.

The Browns are expected to have a good season, and the college has a good team in the north-west conference. There have been few defections from the team, and the college has had a good season.

A SPLENDID PIECE OF WORK

The Student Council is to take this year the initiative of the Associated Students of this one of the most furnishing and the most capable groups which has been handled and encouraged is especially fine.

Therefore, please notice that the Student Council is to take this year the initiative of the Associated Students of this one of the most furnishing and the most capable groups which has been handled and encouraged is especially fine.

The chief executive of the ASCS and his assistants have been doing a particularly good job this year. Not only has the work been of the type for which the executive is competent, but problems of long standing have been solved, and new fronts have been introduced. Student assemblies have been entertaining our youth for years. The purpose of these assemblies has been to make the students think. And the manner in which all college affairs, trips and other functions have been handled are encouraging especially fine.

And now, with steps being taken to solve the problem of getting a quantum to attract class meetings and with this splendid survey of activities being made, we feel that our president and the other officers of this affiliate will more firmly prove their work this year.
