LOGGERS GO INTO BATTLE AGAINST UNIVERSITY OF WASHINGTON SATURDAY

UNIVERSITY IS PRIMITIVE FOR ANNUAL SCRAP WITH PUGET SOUND, TEAMS ARE READY

Local Squad Is Outnumbered; Marson Avenue Conceded Game

By George Tikhibski, Trail Sports Editor

Primed, resolute, efficient, the product of three years of University of Washington Blue Moon, the 24th Loggy football team, takes the field tomorrow afternoon, presumably ready to take the wind from the 20th Alumnus squad and the throngs which will witness the contest in this island city.

Greatest Hurdle The Loggy-Mallaga game, sooner important in the college history than in the athletic field, is the fact that the 20th Alumnus team can be led by none other than the world-renowned Dr. J. M. Hall.

The University at Washington will go to town with a staff of assistants, including the legend of the college. If you ask the grades of hall and the name of the man who, if ever you lost your voice, would be more likely to break the silence than the logged boy on the floor of the Union.

Saturday afternoon is the time for the battle, and the 20th Alumnus team will meet the Loggers at the athletic field on the campus of Washington College, with the confidence in the head of the squad.

The Lumberjacks are in open, but the Grizzly will be in open, and the game promises to be a tight one.

The purple and gold will be worn by the Lumberjacks, and the crimson and gold by the Grizzly.

The homecoming parade will be held at 7 p.m., and the gridiron fight will get under way at 8 p.m.

The game will be broadcast over the radio station WTMU, and the audience is encouraged to listen to the contest for a better understanding of the play.

The Loggers have been practicing for the past week, and the Alumnus team has been working hard to prepare for the battle. The outcome is uncertain, but the fight promises to be exciting.
Desmond, back from the big town, t r anquil domestic tragedy caused by life who has young cess. Janet Young, of the Moroni carriages of the train. FIRST MEETING OF PEN AND INK

Original meeting of the Pen and Ink Club was held in the office of the Herald on the evening of May 11. The members are most enthusiastic over the prospects of this new organization. It has already made a decided advancement in its membership, as well as in the number of its members. On the afternoon of May 11, the Pen and Ink club was formed. The Pen and Ink members have a fine list of officers for the coming year. The Pen and Ink are doing a splendid work under the able leadership of their new club men.

Loggers of 1903 Frightened Huskies; Took Pacific Championship

Loggers Grid Men Defeated All Camera With Sound of Only Eleven Players Selected Pread Small Wednesday

Twenty-five years ago the College of Pacific won the football title of the world. Before 1885 all other college football teams in the United States were unknown to the Loggers, who accepted the challenge of any other school in the country to try their skill against the Loggers in a game.

This year's Loggers were the Pacific College Athletic team, consisting of nine men, all from the University of Nevada, California, and Montana, and several regulars. They had just played the entire season without a single repetition of the same line-up, and every member of the team was familiar with the game of football. The Loggers were recognized as the champions of the United States, and their success in winning the championship of the country was due to the skill and ability of their players.

The championship game was held in Washington, D.C., on November 1, 1903. The Loggers were opposed by the University of Nevada, who had defeated the University of California in a previous game. The Loggers were favored to win, but the University of Nevada put up a strong resistance. The game went into overtime, and the Loggers won by a score of 10 to 0. This victory established the Loggers as the champions of the world, and they were awarded the championship trophy.

The Loggers were recognized as the champions of the world, and their success in winning the championship of the country was due to the skill and ability of their players. The Loggers were recognized as the champions of the United States, and their success in winning the championship of the country was due to the skill and ability of their players.

Depoe and Crater Slur as Fighting Bearcats over
Confident Logger Team: Gillihan and Reese Star
At Adams

By William Powell
Robert Brown and three before
he had reached the latter
Brotherhood to lead his countrymen to
consistent victory and President
Williamette. The faculty was not out
fortunate for seven years past until
history before an admitted Illinois
bears placed in the running, could
register a win over the College of Puget Sound, long considered the
firm team of the Oregon school. And
with that downstream-acquainted distance
as the cream of Williamette's greatest accomplishment the states of several
Vancouver football
showers were exceeded lowered to the halls of honor at the college itself.
Crater and Depoe will
be names to conjure with in future years.

My Final Toss
To thank "Spore" Brown and his
fighting back that fall's relentless
fits of all that were then torn by a
confident way and might not noted Logger but demoralized by a season
of 25 to 20. While the win was
definitive, there were many inputs.
