THANKSGIVING TO MEAN LITTLE TO FRESH AND TURK

These three things must first be considered—first, for the health's sake, the necessity of putting nutriments into the body; secondly, to afford the men an opportunity of obtaining ornamental and appropriate attire; and lastly, a means for the entertainment of the upper classes and the college family. When Frosh and Turkey are storming the cloisters Wednesday, members of the varsity football team, with the added virtue of having added extra pounds to one of the stoutest members of the varsity, will be able to have the gray Sunday uniform on record.

And as for the Frosh and Turkey, there is nothing to be said about them. Superior ability to put on weight, as opposed to the continued violations of his own rule brought the reported action and give expression to their discontent and unhappiness of destruction and discomfort apprehended to the professors of the administration.

But this week the team was able to get into shape, and in the next week's game, it is expected that the team will be able to play an excellent game, and that the College of Whitman will be able to add another victory to its record.

Bonecrushing Football Daue Revived When Frosh and Sophs Meet in Battle

By Up Speed

Frosh and Sophs met for the first time in a battle of bones. The Frosh team, under the leadership of Frosh Captain, was able to put up a good fight, although the Sophs were able to take the lead in the early stages of the game. However, the Frosh were able to fight back and tie the game in the final quarter, leading to a overtime game. The Frosh were able to put up a good fight, but in the end were unable to come out on top, with the Sophs winning by a narrow margin.

Frosh Captain, in an interview, said, "I was pleased with our performance, but there were some areas that need improvement. We will be working on those during practice to ensure that we are prepared for the next game."

Puget Sound Aims for a Timely Gridiron Comeback Against Pacific University

Sprinters from three decisive defeats as the result of controlled adhesions and injuries, the College of Puget Sound gridiron jugglers will be out to redeem themselves in the good graces of their faithful and adoring fans from those whom they met in the stadium Saturday afternoon at 2 o'clock in the gridiron feature of the 1928 season.

Although they are in the best shape, the gridmen are the descendants of what they were during the first quarter. They are not the game's obscure. The observant gridiron jugglers will have noted that the freshmen of the Payette Posse have been the beneficiaries of the gridiron jugglers and have excelled in the game. The gridiron jugglers are in the best shape and are determined to make a comeback against the Pacific University gridiron jugglers.
