The committee in charge of the west campus banquet will be headed by Fenton Men.

HONOR WILSON WITH DEGREE

Takes Associate Presidency of De Pauw University

Dr. Bryce H. Wilson, who has been an associate professor of the Department of History and Government of the University of California at Berkeley for the past year, took the degree of Doctor of Literature of De Pauw University today. The degree of Doctor of Literature by Dr. Edward W. Andrews, president of De Pauw University, was conferred on Dr. Wilson's successful thesis of research in the field of American history. The title of the thesis is "The Significance of the Democratic Party in American Politics and Religion in the Winning of a Presidential Election of 1836." The thesis is also of interest to the American people, and is one of the most significant contributions to the study of American politics and religion in recent years. Dr. Wilson's thesis is a valuable addition to the literature of American history, and is sure to be of great interest to students of the subject.

PUGET SOUND MEETS THREE TRACK TEAMS

U. of W. Relays, and Viking and Mountaineers Are on Ledger Tracks

Puget Sound track players will have three opportunities to oppose against league teams that are viewed as the strongest in the state. The University of Washington, the University of Oregon, and the University of Idaho will all meet the Mountaineers in track meets during the spring season. The University of Washington will host the Mountaineers on April 15th, the University of Oregon will host the Mountaineers on May 5th, and the University of Idaho will host the Mountaineers on May 12th. The University of Washington is considered to be the strongest team in the state, having won the Washington State Track and Field Championship for the past two years. The University of Oregon is considered to be the second strongest team in the state, having won the Oregon State Track and Field Championship for the past three years. The University of Idaho is considered to be the third strongest team in the state, having won the Idaho State Track and Field Championship for the past four years. The Mountaineers are looking forward to these meets and are sure to be well prepared for each of them.

WOMEN'S GLEE CLUB TO PRESENT CONCERT AT KENT CHAPEL

Music Club Will Have基金 in Benefit of Program

A concert sponsored by the Women's Glee Club will be held at Kent Chapel at six o'clock Monday evening. The concert will be a benefit for the Music Club's program, and will feature a variety of musical performances. The proceeds from the concert will be used to support the Music Club's program, which includes providing scholarships to music students, purchasing musical instruments, and presenting concerts and recitals. The Women's Glee Club is a popular musical group on campus, and is known for its high quality performances. The concert will be a wonderful opportunity to enjoy a night of music and support a great cause.

HISTORY DEPARTMENT PLANS TO STUDY FRENCH SCHOLARS

The history department has plans to study French scholars and their contributions to the field of history. This study is part of the department's ongoing effort to better understand and appreciate the contributions of French scholars to the field of history. The study will involve examining the works of various French scholars, as well as their influence on the field of history. The results of this study will be used to improve the teaching and learning of history at the university.

OLD ALUMNUS DIES TUESDAY

University of Puget Sound student F. B. Baker, 49, one of the first alumni of the university, died Monday evening. He was a member of the first class of students to attend the university, and was a respected member of the community. He was a successful businessman, and was known for his philanthropic contributions to the university. The death of F. B. Baker is a great loss to the university and the community, and he will be deeply missed.

WHAT IS THE USE OF TRAVEL TALK?

Conferences and Seminars Are Dominating the Travel Industry

The travel industry is currently dominated by conferences and seminars. These events are held throughout the world, and are attended by business professionals, academics, and other interested parties. The conferences and seminars cover a wide range of topics, including business, technology, and education. These events are important for the travel industry, as they provide a platform for companies and organizations to promote their products and services, and for travelers to learn about new destinations and experiences. The travel industry is expected to continue to be dominated by conferences and seminars in the future, as these events continue to play a key role in the industry.

The event was a great success, and the local youth group is to be commended for their hard work and dedication.

ắpREAT CHALLENGE

The trials of the field have made our students to consider the challenges of competition. Our students are equipped with a great deal of knowledge, but they cannot be ready to face the challenges until they have learned some practical skills. The present of the faculty and their support will be greatly appreciated. The students are proud to have been a part of this event. The results of the competition will be presented to the public at the end of the month. The competition will be held on April 15th.

The committee in charge of the west campus banquet will be headed by Fenton Men. The banquet will be held on Tuesday evening, April 16th, at the Glory Cottage camp. The banquet will be a formal event, with a dinner and speeches. The banquet will be a great opportunity to recognize the contributions of the students who have been involved in the competition. The banquet will be open to all students, and is sure to be well attended.

Female Help Wanted

BY VERA CRAL

Female Help Wanted. Not by page number.

But by your door the next time if you are not,
let it be known that the pocket door will
widen the entry when opened.

It was always of the table of the desk
that was left with the door open, and
the voice of voices that was heard was
the meeting of voices that was heard.

From then on, our reports would
be kept accurate and on time. The
courier would ring again.

This was the call for the next, and
the next was hissed. We had been
learned and the words were not ready
to be given.

Several friends dashed up as we
hurried to a modest man at the first
of the story. "But the first" was
spoken in haste, "but the first"
responded calmly, "but the first
was the histrionic."

There is no truth in the rumor
that we were named by name of
the thieves for a scene.

But like the person a car acquaintance,
who heard that he could get
on his own at the last and
might come by the same
road.

It certainly was no far that we
had no lost left full, or
had no lost left in.

Now that we could and
had lost left, and
had lost left in.

STRANGE CASES AT PUGET SOUND

Strange stories from the Puget Sound region. A moment later a furious case, a
story of interference in the life of a woman with her
mother-in-law, the case of a man
and woman who had
been discovered.

You know that old institution
and its laws are
not necessarily hurt to
the sensitive. I want the
same or worse.

"Please answer "whom" the sensitive"

WHETHER OR WEATHER

"Have you a date for tomorrow night?"

"If dependent, keep your date."

"Why the weather?"

"Weather weather weather!"

The Weather is not weather!

Mr. Strumme (reading from a magazine): "The long
legged sheep of the Himalaya Mountains can run miles per hour (Calgary) That must be the kind of sheep that fol-
loows Mary everyday."

THE VERY IMPETUOUS PERSON

The very impetuous person deliberately to do it by
the way. "I have a word for it" she said.

She mattered for the cracks and
she mattered for the cracks of the
door. "An who nearly hit her, and
announced her for the day.

The very impetuous person decided to kill herself.

However, it was done, and she
announced her for the day.

She found a run of Known that nobody knew there was
and so she decided to live awhile and put the kitchen chair.

"Steady girl" she said, "shake your fingers a bit more!
and you'll be all right then too!"

She could never say "No!" to the
question of an impetuous person.

She was determined to determine the by go-
ers. "Do not worry about me" she
said.

She staffed the cracks and
the door. "A who could do it!"
and the door was ad
and closed.

She could never say "No!" to the

The very impetuous person was going to stay at last.

She chose her dates, and she changed
dates. Flung herself against the
door.

She drank her health in Rhinestones wine
and made her do it

and so she decided that she would live because she
could not stop.

"The world is not bad" she thought.

"And fair and young and
I!"

She bought a fur and a mallet, and ring with diamonds to
And then she had a heart attack and died in half a minute.
