LOGGERS DROP TWO IN INITIAL BASKET SERIES

Whitman Missionaries Beat Puget Sound In Two Garching Plays; Shows Improvement

Play in the Northwest Conference for the first time in many years was held Thursday and Friday on the College of Puget Sound court, and today Whitman leads the six-team circuit with two wins and no reverses due to the victory scored over the Loggers.

The Loggers showed a great deal of play in both exhibitions through the scores of 54 to 35 and 14-13, respectively, which proved to be too much for the locals and Washington. Over the Loggers.

In both of the games, Whitman scored first and never gave them a chance to overtake the score. The first half of the game lasted about the same time as the second, and both were won by Whitman.

According to sources of information available at the time, the Loggers were handicapped by the absence of two key players, who were unable to be present due to illness.

NEW ABSENCE SYSTEM PASSED

Beginning with the spring semester, all college students must pass the absence system test. The test will consist of a written portion, which will be administered by the registrar's office.

The absence system is designed to prevent students from missing classes without adequate reason. Students who fail to pass the test will be required to take a make-up test, which will be administered by the registrar's office.

The new absence system is expected to improve the overall academic performance of students at Whitman.

SHINE-iest head—well—I—NEVER I

I says. Then he began to look what a雕.Difficulties were placed on his head; the speaker looked nervous and took note. He continued:

"It is a good idea to have a look through the score, winning the game from the Loggers. The Loggers played in a team, but we decided to make a change and play in a team of our own. We have been working hard on this game and it is a good one to have. We have a lot of confidence in ourselves and I think we will do well.

"It is important to have a good look through the score and see how it is going. We have been working hard on this game and it is a good one to have. We have a lot of confidence in ourselves and I think we will do well.

**SPORTS BULLOYNY**

Gorge's Cup

This week we look at the Pacific Northwest Conference to find out which college is the best. This season we have decided to look at the University of Oregon, as it has had more than twenty-five years of experience in the conference. From this experience, Walter H. Hiltz has built a team that is second to none in the conference. The team is led by star fullback F. T. Thomas, who has been named as the most valuable player in the conference. The team is composed of players from all over the country, including stars from the University of California, Stanford, and the University of Washington.

The team's offensive line is composed of All-Americans, and their defense is led by star fullback F. T. Thomas. The team is ready to face any challenge and is expected to win the conference.

**FOOTBALL BLOTTER CONTRACTED WITH CHEMICALS**

The contract for the leasing of the stadium to the chemical company has been signed. This will provide funds for the Maroon to continue its operations.

College and Choirs Girls

In the course of our last year's periodical, ereccion of the Advertiser and the Chronicle, our two semi-annuals, we have tried to do the best possible job of reporting the activities of the student body. We have attempted to give a balanced view of the different groups and organizations that make up the college, and to provide a forum for the expression of student opinion. In this issue, we continue our efforts to bring you the latest news and developments on campus.

College regulations are strict, and the administration is determined to maintain order and discipline at all times. As a result, some students have found themselves in trouble with authorities for violating rules and laws. We extend our sympathy to those who have been affected by this situation.

In the world of sports, our football team has had mixed results this season. While we applaud their efforts and support their cause, we also recognize the challenges they face in competing against other teams in the league. Keep up the good work, Bronc!

In other news, the debate team is preparing for its upcoming competition. We wish them all the best of luck as they face off against their opponents.

As always, we encourage our readers to continue to support and engage in the campus community. Your participation and input are vital to the success of our institution.

Thank you for reading, and we look forward to sharing more updates with you in future issues. We hope you have a great day!
