CLASSICS

must be present, the students walking along the sidewalks. The school had been closed since April 25.

Junior section of the Student Council were members.

MUST WE SPIDET AGAIN?

When the last bell rings, it means that the day has ended and the students are free of the educational leash. The children hurrying home get ready to go out and enjoy the freedom that the day has provided.

On Campus Day, April 25, the entire student body turned out to watch the parade. They walked along the sidewalks, and their individual existence as unimportant was recognized.

The activities included taking part in a track meet, and the students were asked to show up for the event.

Miss Patricia Enter's Work in Exhibition

Thursdays, May 9 to 15. Miss Patricia Enter, a prominent figure in the Student Council, will be presenting her work in the exhibition.

INSECT-PEST PLANT

For the composition of the Fly against the plant, we have used the natural method of trapping the pests.

SPOIL THE EDIBLE

In our garden, we have planted the vegetables that are best suited for the educational purpose.

Biology Classes Will Go to Beach

In order to study animal behavior, students will take a trip to the beach to observe the behavior of marine life.

School Printing

Our complete equipment for typesetting and printing is available to all students.

SCHOOL PRINTING

Where the Need for Printing Meets the Need for Knowledge

Not only are we a printing company, but we are also a school that provides the necessary tools for students to learn and grow.

The Puget Sound Trail

An exciting trip to the beach will provide an opportunity for the students to learn about marine life.

Her Majesty's Lust

A play about the life of a queen will be performed for the students.

NIGHT AND A FAST TRACK!

The night will bring a fast track for students who are interested in faster learning and development.

A track team will tell you that success is when the track is fast. This book of wisdom will be a guide for students who want to succeed in their studies.

G.E. Research Institute

G.E. Research Institute, a leading company in the field of technology, will sponsor a fast track for students.
