Harry Brown Named President; Former Ruling Under Consideration

In the first meeting held this year the Student Judiciary Committee elected Harry Brown president. The previous year the student body president was to settle inter-sorority and fraternity disputes as well as matters disciplinary in the event of a tie. This meeting was inaugurated by the recent discussion of the point system in Central Board meeting.

Brown appointed Alma Wingard, Ruth Carter third, and Rich fourth as a minor committee of investigation, and asked them to be able to report by February 11. Rich was chosen as chairman of this group.

This point system is designed to curtail the number of extra-curricular events a student may participate. Points are given for holding offices in the A. S. C. P. F., or playing a major role in a major competition in debate, dramatics, athletics, and Campus Day, and May Day celebrations also receives points as does the membership on the staff of an A. S. C. P. F. publication.

The maximum number of points allowed the students are graduated as to classes. Seniors are allowed a total of 46 points; Juniors, 30; Sophomores, 40; and Freshman a limit of 30.

It was generally conceded that this old ruling had been dropping by the constitution, as it has not been enforced for years and the last year was left out of the handbook entirely. The faculty administration, however, revived interest in it by a discussion at the last Central Board meeting. If this ruling is enforced there are a number of students now in the junior class who will be forced to drop one or more of their extra-curricular activities.

List Classes For Next Semester

"Plan your next semester's program now" is the appeal of the faculty to students. The large bulletin board in the lower hall, just outside the Ax lawn, is the complete program of courses for next semester. Students are urged to plan their courses of study in advance of registration week, which begins on February 1.

The squad will have 12 debates before arriving at the conventions and four on the return trip, according to Dr. John D. Register, local forensic coach.

**DAD'S BANQUET IS POSTPONED**

According to latest reports from the Associated Student Office, the college is not to have an annual Dad's Night program. This banquet has come to be a precedent in past years, developing almost to the point of a tradition, and it is naturally understood just why this was postponed. It had been previously announced that the big affair was to have been held this evening in Jones' Hall. This banquet was to have been res-poned the event until March 18 when it was scheduled to proceed so the college classes program could continue in the same hall.

Reports along through varying sources for the student officials may be amended and the affair held on some later date.

Students of German Tell Travel Experiences

Interesting talks given this week centered around students of Professor Homer Marie German class. Reports were spoken on the home life of a wealthy family now visiting from Germany. They have a large farm which is taken care of by 30 servants. Snapshots gathered personally by Harry Brown were explained and shown. The most unusual property was of a German Aunt. The foreign type of auto is even smaller than the American car.

Three Campus Groups Plan Houseparties

Week-end Between Semesters Will Be Time of Informal Initiation Ceremonies

Many of the campus groups are planning houseparties for the inter-semester period. Rough initiation ceremonies are planned for those groups. Loggers Favored In Second Encounter With South Side College

Having trimmed the Pacific Lutheran College Gladiators earlier in the week, the Maroon and White hoopers are favored to take their opponents in camp when they tangle tonight in the final game of the two-game series. The C. P. B. Reserves, also veterans in the first game of the series, will attempt to make it a two in a row from the Maroons in the first five minutes of play.

Although the Loggers were victors by an overwhelming score in the first encounter, they were forced to estimate the scores. The Loggers displayed a good defense but seemed unable to work the ball against their opponents' basket and as such they were forced to resort to long shots. After having played against Coach Roy Sandberg's men in one contest they will undoubtedly be better prepared to give the Loggers a stiffer battle in tonight's try.

Starting Lineup

Kenrick and Bowser at forward, Bates at center and Grimes and Yeatman at guards will compose the starting lineup. Kenrick dropped the ball through the hoop from the angles of the floor in the first game and if he is as game tonight as he was in former games, the entire squad will probably see action series. This victory is the first of the Gladiator Reserves when they displayed in former games. Much must be given the Loggers in appreciation for the aid they extended to obtain their victory. The Loggers sagged in one contest and the starting lineup again being re-formed according to the point system of the semester when they won the Albany State second in the opener. Inthe victory. Warwick took high honors with nine counters. Dick Yeatman took high honors in the P. L. C. seconds in the opener. The P. L. C. seconds in the opener.

The Indoor Baseball Cup

It was ahead, 17 to 8, when Coach Roy Sandberg called the game. Another "Red," with the given them by Coach Roy Sandberg trophy also presented by Phil Hoskins. The Sigma Zeta Epsilon fraternity was presented possession of the W. C. Bell Trophy and the runner up will receive Hoskins-Morita trophy donated by Phil Hoskins. As yet cups have not been secured according to the point system now being played. Each team will receive the Washington Hard-Ware Trophy and the runner up will win the Tacoma Police Department Football Team Trophy which was presented by the police football team in appreciation for the aid they extended in securing the cups for our cup teams.
