Miss Van Norden Studies at Oxford

For the entire summer, Miss Linda Van Norden, associate professor of English, will study in England at the noted Oxford and University. Miss Van Norden announced her intention to return to the U.S. early this winter.

The purpose of the trip will be to further her knowledge for her doctor's degree in literature. In addition to study in literature, Miss Van Norden will also take a short course in London. Miss Van Norden has been with the College of Puget Sound for two years and expects to return next fall, after completing her seminars at Oxford.

The College of Puget Sound announced that Dr. Todd will be on a tour of the East starting the first of May, according to Christian Miller, registrar. Plans were made during the past week, and the trip will go to Allston's soon.

The first stop will be in Raymond O. Brown, editor-in-chief of the publication, which will be a one-week tour for the students who are part of the junior class and to the students who will be in the sophomore class next year. The tour will take place on Sunday, April 29, and the students will be given an opportunity to visit the various colleges and to see the different aspects of college life.

At the end of the tour, the students will return to the College of Puget Sound and will be given an opportunity to hear the results of the tour and to hear the students' reactions to their experiences.

Your sweetest thought of MOTHER will be expressed by a beautiful bouquet of flowers—a token that will portray your fondest wishes.
PACIFIC BADGERS TO MEET LOGGERS IN CINDER AFFAIR

C.P.S. Favored to Win in Saturday's Encounter; Class "B" High School Clash Placed Also

Tomorrow at 1:30 when the C. P. S. track stars pit their strength against Cinder artists from Pacific University, they will be slight favorites in the dual affair. The events will be a combination of the popular decathlon with the high school meet, sponsored by the C. P. S. Lettermen's Club.

Puget Sound's attempts in the track event, exhibited last Saturday against Ellensburg Normal, is advanced as the big factor in the victory forecast for Logger triumph. The Cinder squad, however, will come in to make the match a real one. Both teams have been affected somewhat by the sloppy track and field, which has prevented running of the hurdle relay, pole vault, high jump and broad jump.

It was all that Jack Killian, former state high school championship pole vault, could do to run in the 23.2, however, so perhaps the work of Jesse Primus had something to do with the marks turned in. Other Pacific track men performed as follows: Thwaite, second in a 56.4 1/2 mile, however, so perhaps the work of Bob White and Turner, winner of a 5:29 mile, and second in a 56.4 1/2 mile.

SEASON OPENS IN PLAY BALL

First Week Uneventful; Easy Wins Chalked Up

Intramural playground ball opened up this week with three games played. In the first the Delta Pi against Alpha Chi and Chi Nu played on fairly even terms, the Omi-

WOMEN'S TEAM CONSIDERS TOUR

With the return of sufficient good weather for tennis, games and tournaments are once again in full swing, with interest high because of a contemplated trip of Oregon for the women, mostly valley girls.

The ladder tournament received only one major change this week when Jean Raleigh moved up to number two on the basis of the four runs that she beat. Still the Loggers are in second place in the standings, 6-3, 6-7.

All beginners and doubles first round matches must be played by tomorrow, April 30. Matches played to be played and recorded by the team captains.
