CPS QUINTET BREAKS EVEN

On the return trip Coach Sandberg's charges did not fare so well and dropped two games. The Columbia outfit, which CPS had defeated earlier in the week, reversed the tables and defeated the Loggers 45 to 29. In the final encounter of the trip the Chehalis town team barely nosed out the locals by a 45 to 42 count.

Stan Bates, reliable center, led the local sharpshooters in scoring during the trip and amassed a total of 41 points in three of the four games played. THREE TEAMS UNDEFEATED

Omicrons, Zetes and Chi Nus Tied

In the first game last week the Omicrons defeated the Delta Kappa Phi team by the score of 33 to 17. Scoring honors went to Fred Miminit of the Omicrons with 12, while Sterling of the Omicrons and C. Zittel of the Delta Kapps collected six each. Sigma Mu Chi downed the Barbarians to take the second game last Tuesday, 34 to 15. Haas took scoring honors with 18 points while Piercy led the independent team with eight.

ZETES VICTORS

Thursday the Sigma Zeta Epsilon outfit won from the Peter Pugets 37 to 14. The Zetes took a 23 to 10 lead at the half. Winsberg took honors for the winners with 16 while Topping played the best game for the Peter Pugets.

In the best game of the week the Sigma Mu Chi outfought the Alpha Chi Nu team before going down 17 to 12. The Chi Nu took a lead of 9 to 7 at the half. With only a few minutes to go the Mu Chi came within one point of the winners. Innis took honors with nine for the Mu Chi while the Chi Nu scores were evenly divided.
CAST YOUR BALLOT

Student elections again. Groups gather in secluded corners and the political pot boils and simmers. If this election follows in the same channel as previous ones only 60% of the students will vote. Unless the remaining 40% cast their ballots there can be no grounds for objection to the rule of the 60%. This group of non-voters is strong enough to elect any candidate for which it votes if it will appear at the polls and cast ballots. It is the duty of every student to go to the polls and vote for the candidate he wishes to see elected. Whether the man he supports is elected or not he will have expressed his opinion in the manner prescribed.

In a school as small as Puget Sound no student administration can be completely successful when individuals or groups are discontented with the student government. In order to have a successful year it will be necessary for the students as a whole to support the victorious candidates. With the deficit looming for next year the new officers will have enough difficulty guiding student affairs without both.

APPORTIONMENTS COMPARED WITH PREVIOUS YEARS

With departmental funds having been curtailed in an effort to decrease the deficit, it is interesting to note the apportionments received several years ago.

The Central Board minutes for April 14, 1929, showed that a Mrs. Hovious received $150 for coaching the all-college play! In the same year athletics were slighted and only received 18% of the student body fees. Trail was granted 15%, Debate 30%, Dramatics 9%, Music 4%, Banquet 16% and Incidents 8%.

In 1917 the "sports" committee was very generous in allotting 28% to The Trail. Athletics received 30%; the Banquet 15%; Oratory and Debate 10%; Music 7% and Incidents 10%.

In September 27, 1916, the board provided for the Chapel Choir by giving them 3%; the Glee Club with 5% and the Band with 5%.

WAA CHANGES RULES

Changes in hiking rules for this semester will be announced at a meeting of the Women's Athletic Association at 12:10 Thursday, March 2, in the gymnasium. It is very important that all members be there.

ORGANIZE POETRY CLUB

In order to promote the writing of verse student and faculty poetry lovers met and organized a Poetry club. The club is open to all students interested in the writing.

Others who have filed for office are: Delmore Martin and Rudolph Anderson for Editor of Tamanawas; Lorraine Sander and Bunice Allen for Music Manager.

According to Katherine Mann, present secretary of the student body, there are five candidates being unopposed. They are: Kathryn St. Clair for vice president; Kenneth Powers, for Dramatic Manager; Charles Thomas, for Business Manager of Tamanawas; Dick Zehnder, for Business Manager of Tamanawas, and Frank Heuston for Debate Manager.

DR. TODD CONGRATULATED

In the Trail for the week of February 13 Dr. Edward H. Todd was erroneously quoted as having been congratulated for our recognition by the Association of American Colleges. This should have read the Association of American Universities. For several years the college has been recognized by the American College group but only recently has the institution received approval from the Association of American Universities.
