Bonfire, Play, Parade, Game Will Be High Lights of Annual Event

Plays for the annual Homecoming event will be announced later this week. The activities will start Saturday, November 3 and 4, are progressing rapidly according to Miss Margaret James, chairman of the arrangements.

To Burn Green Caps
The program will get under way Friday evening with the traditional bonfire at which the freshmen will burn their green hats. After the bonfire, a march will be formed to head the floats in the first all-college play of the season, "The Black Flamin-"ers," a mystery drama.

Saturday morning the annual Homecoming breakfast, unless it is to advertise Homecoming and the football with a special menu, will be staged. All of the fraternity and sorority events are planned to enter Sitcom in this parade, since there is a prize to be given for the parade float with the best music and noise and generally advertising the game.

Half Time Entertainment
Many features are planned for entertainment between halves of the game. Following the half time there will be the annual alumni dinner, which will be held at some downtown hotel to be named later. The climax of the affair comes Saturday night with an all-college dance in the gymnasium at which the alumni will be the honored guests. The winner of the final parade contest will be announced and presented with the prize for the contest.
