CPS Track Men Meet Harbor AC In Home Contest

Annual High School Encouter Planned With Final Local Meet

CPS trackmen will engage in the last meet of the season when they meet Gyps Harbor A. C. Saturday, April 21 at 1:45 o'clock. In conjunction with this meet, a dual meet the annual high school invitational meet is also to be held.

Coaches O. F. Hite and Raymond D. Bewley are faced with a difficult task in putting up a winning team amidst the schedule.

The A. C. team is composed of former college and high school stars re- siding in the Harbor district. Included among the star performers wearing the green and yellow are former state high school championship hurdlers John L. Secklser and Doug Allward, formerly of the UW who dose over 12 feet on the pole vault and better than 100 feet in the discus.

Need Field Men

The lean lineups at the walking wall are facing a pressing need for men to handle the field events and spring the present time. Great in the shot-out, discus and javelin may be expected to account for some notable points of a dual meet. The pole vault and high jump come in strong by Maroon and White. As yet, no spring men have shown a threat in either on the 100 or 220 In the hurdles.

The boys have been working hard and will rest, sheltered by a canopy constructed of large stone, two great iron gates will inaugurate the memory of Professor Hanaford and the name of Bianca Saroya who sings Aida in the opera of that same April 21 in the Civic Auditorium in Seattle.

Opening Diamond Game Tomorrow

Coach Sandberg will send his high school basketball players through the hoop rags of the City League tomorrow afternoon on the Logier field in the final practice game of the season. The team has had a work of pre-season drilling and "drudgy" wants to see if it will shape up under the strain.

Captain Jim Bosie or Jess Dawless will be the plate catcher for Smith or Brooks. On first base will be Art Harkom or Bill Ernsen. Second base will be taken by Wil- liam Weeks. Wednesday, Weisman will probably get the starting spot and Brooks will be used on short with Harold Deil as an emergency. Tor- es Karunia is rolling into a solid performer on third. In the outfield Vaughn, Scott, Mullen and probably Willison will be shuffled by Archie Cox, Or Burdette.

Sandberg has been drilling the players in hitting. The main weak- ness of the team seems to lie in their offside ability. Stoffel, Ross, Weeks and Welander are probably doing most of the heavy hitting.

Sandberg will continue prac- tice games this week and try to play against the back seven in turn to give his boys actual experience in the fine art of hitting. Among the team new equipment for hitting is one of the best batting cages on the coast.

Coed Diamond Teams Selected Wednesday

Wednesday noon all coed baseball teams will be chosen. As there are not enough juniors and seniors to care for the separate league teams they can be combined into one squad. The games will be required by Wed- nesday.

In the final play-off for bas- ketball the following students qualified for the sophomore team: the seniors blonde the team 16 to 14.

At the U. of Nevada, seniors only are privileged to wear coed and moving.

Rules Announced For Remainder of Mural Sports

Scheduled Posts on Bulletin Board by Bookstore

For Season

Golf, tennis, track, baseball and swimming are the remaining sports on the intramural calendar for this week. Baseball and golf are slated to be run beginning this week with tennis to follow shortly, and the program of swimming and track and swimming meets to be held again later in May. The schedule will be posted on the bulletin board by the book store.

The manner in which all of these scheduled sports are to be run off are:

Golf

Each team is to be represented by the best four men from each team. The listings of the respective teams shall be posted, the corresponding men will play during the week and the winning team will be posted to the scores of Len Erski or Howard Clifford. All play will be in the high school gymnasium. Scoring will be whatever is printed in the books.

Tennis

The tennis teams will consist of nine men and each team will play with two singles and one doubles, play during the week the same as in golf. Winning managers are to turn in scores of either Len Erski or Howard Clifford.

Baseball

Drastic changes have been made in the baseball rules. Fifty feet bases will be used instead of the sixty-five for the first time. The pitcher and the fielders will be allowed from the bases. No scores will be kept during the week, but by ball for the week. Among the team new equipment for hitting is one of the best batting cages on the coast.

New Football Rules Will Speed Up Game

Coach Roy H. Sandberg has charged the intramural director to rule-governing football as a "step in the right direction." They do in any way materialize the game, the same as the intramural director, play is speeded up for the spectators. Elimination of the linebacker position for an inseason game over the goal-line especially will lessen the play in scoring territory.

Eliminate Penalty Plays

The second change is considered as a benefit was the stopping of the five-yard penalty formerly imposed on a team for the second incom- pleted pass in the same series of downs. Originally slated to prevent a leading team from wasting time in the closing minutes of the game, this rule failed because the five-yard loss was of little consequence. Not important, but nevertheless has been, has been the alteration permitting a player to hold the ball above the ground while another player was attempting to kick. This type of kick has been used by all teams in the country and is only restricted

The"Hikers" was named at center because of his height and jumping and scoring ability.

Coach Zetil, Delta Kappa Phi, was appointed the outstanding center of the week. Zetil was closely pressed by Dick Dickens of the Omicrons, who both were considered to have a slight edge.
