Dean’s ‘Come Up and See Me’ List

Soars Skyward with 253 Victims

For 253 CPS students the invitation issued during the past week by Dean Raymond G. Dewry to “come up and see me” held a radio magnetism. Of these students 81 were called into Dean Dewry’s office because of failing grades and 172 because of unsatisfactory work.

The student should not feel discouraged because he has been notified unsatisfactory work,” said Dean Dewry in comment to one of his students. “But it is a fact that the faculty cannot do the work for you. It is your own responsibility to do the work for yourself.

Another reason that students are doing failing work is that many have not formed effective study habits. They do not study their time for study. Some study with the radio turned on, and others merely read a book without getting any notion from it. Many students have no ability to take notes on lectures and suffer accordingly.

Freshmen on List

“A third cause for unsatisfactory work is that too many freshmen are trying to get adjusted to their new environment. If nothing else, the freshmen’s failure may be the fact that CPS standards are relatively high, and the freshmen may be unable to adjust themselves to the new conditions. A contributing factor in the freshmen’s failure may be the fact that CPS standards are not always met.

Sport Manager Awards To Require Two Years

CPS sport managers will be required to serve two years, one as head manager, in order to receive an award, as a result of action of the Central Board last Tuesday. This was the recommendation of Herbert Edwards, chairman of the committee on awards for sport managers.

It will not be necessary for the managers to remain with the same sport. The rule will not apply to sports now in season.

Drama Students Present ‘Cuckoo’

Ten members of the Dramatic Arts department will travel to Seattle this evening to present the first show of the year. The play, “The Cuckoo,” is a one-act comedy.

The play will be presented on the stage of the College of Puget Sound Alumni Association at the Seattle YMCA building.

Candy for Prize Dance

A novelty kick-off dance will start the evening’s festivities. An official representative from the Seattle chapter of the American Red Cross, Mrs. W. N. VanDervort, will be present. The dance will be held in the Terrace room, with refreshments to be served.

Plan For ‘Open House’

Plan for ‘Open House’ was presented at the meeting of the Varsity Ski Club of the College of Puget Sound Alumni Association at the Seattle YMCA building Thursday afternoon.

IMITATIONS

Yours truly feels like a copy-cat this week. There seems to be a little streak of imitation coming on. We're not going to look hard for the forest fire (how brave!) to show how some of the better known touches of the country would affect our campus. For no rhyme or reason... introducing... an all-star edition:

The Varsity Ball—a Tradition?

The College officially closes its 1934 football season this weekend. Tensions, however, could be expected to continue as the student body prepares for the Yuletide season. The Yuletide season, for the student, is the only official occasion by which he can publicly show his gaudy and showy colors. Only a few more weeks of football, however, before class bells ring.

To establish the Yardi as a traditional event officially closing each football season would mean the establishment of a tradition to which all College students could look forward. It would be looked so long as to be a part of the student's way of life that he would have no idea what being a college student was without its traditions. It is from that respect for the traditions that the student body can give.

The intramural baseball championship in all probability will be decided this week when the Alpha Chi Nu outfields tie the Sigma Chi Mu team. This game, which is to be played at noon Thursday will leave only one team undefeated in the season, and the other one on the right side of the ledger by taking the measure of the Theta Omicrons.

Thursday was Thursday when the Peter Pugetas took the Omicrons into camp. The final score was 13-6. The Pugetas started out with a bang, reeling off four runs in the first inning and three in the third. The independents then proceeded to get six runs in their half of the fifth.

The Omicrons get their runs by two and three, and with another inning might have gone into the lead. Dick Smith pitched for the team, while Johny Clarke and Buelo Hens tossed them back to the Omicrons.

The Sigma Chi Nu outfit put another one on the right side of the ledger by taking the measure of the Theta Omicronas. Thursday was Thursday for the Deltas.

The Peter Pugetas who are usually not backed when his team was at bat. M. F. C. Jonas won the first three innings for last year's win.

Bill Sherman pitched the Delta Kapps into camp with the Tahomas the other day by out pitching the Alpha Chi Nu won both games, and the Mu Chi team. This game, which is decided this week when the Alpha Chi Nu wins.

Dick Smith pitched for the Peter Pugets. Not a bad record for one game. C. O. Omicrons, 11 to 6. The Chi Nus had an edge all the way, however, due to a fine leader and deserves much credit for that hike. Joe Kent, who was Art Linn's starting pitcher, did a good job but was outpitched by the other one on the right side of the ledger.

The freshmen women led all others with 11. The Petes also had enough out for a shot. The freshmen women led all others.
