Relief Administrator

Speaks to Sociologists

Speaking Thursday to social work- ers of the Union of Social Work, Miss Ada M. Conner, emergency re- lief administrator of the third dis- trict of five counties of the state of Washington, spoke to "Who is in the Field of Government Relief for Social Workers," especially con- centrating the future of the college tutors and trained workers.

In regard to the future social worker, Mr. Conner stated that the work divided itself into two distinct fields, namely, relief given to such as the unemployed and social problems such as deterioration of the family.

In this latter field the college trained worker is demanded. Mr. Conner pointed out the difficulty in coordinating the relief activities of the state and federal relief administration.

Adelphians Present

Handling’s Messiah

The Adelphian Choral society will give a recital of Handel’s ‘Messiah,” January 4 at the First Presbyterian church, Bremer- ton for the initial out-of-town pro- gram of this school year.

This choral society gave the “Mes- siah” twice yesterday at Jones hall last Saturday at 3 p.m. and at 8 p.m. and at 8 p.m. Both performances were received with much enthusiasm.

During chapel period tomorrow, a group of Christmas carols will be sung to the College.

We wanted to produce a super play production for this week but misinformation2 overturned us at every turn. No one star player struck up and every thing in readiness to start work but it seems that we must have passed up a regiment of black cast.

First of all, Janet Cooke is dazing for the cast and back from the back drink drinking. So we all Arthur to comfort him but Dicky Tuck away the south and there is nowhere to comfort him. So Carl kicked him off. We put Ted "Swan" in Alv. Winter-home and Bob's Lynx in Ted's Kitchen but they ran away. They asked Catherine Spencer into sub-mission. So for safety first purposes, we cap them with the Boons River boys until we find a square which is too bad for the animals. Then we find a bright idea that we would like to co-star Bill Dodds and Al Swan but, oh, for the Halls of academ-would anyone think of such a thing?" This reminds us that there is only one that can and that is all our Hardy boys but Joe simply Kent do it!

So we decide not to have a super play produc-

Conference Grid

Elenon Plucked by Sports Staff

Since the closing of the grid season, everyone has been picking all-American teams. The following is a selection of the things men were placed on the mythical eleven.

Powerful Backfield

In the backfield, the candidates were selected by their worth and value to their team, with the addition to the position they played on their squad. Consequently it may seem to the casual observer that there is an over-abundance of fullbacks.

While this shifting does not give an accurate balance of teams, yet the transferring of men from one position to another makes the grid interesting. Backfield selections were Otterbein, Weisgerber, Douglas and Weigerber who were picked without a dissenting vote.

Hank H. Brown, Joe Brown, Jack Helms, and John Helms were picked for the team in the city including the CPS league leading Alpha Chi Nu team. The league leading Alpha Chi Nu team will go into their final tilt next Tuesday with the Southwestern. Opponents are the second place Zetes, and the game will determine which of these two teams are winners in an un-deputed claim to the mural title for the Chi Nu.

The Mu Chi squad, however, had a clean slate was given the award on the wrong side of the ledger. The Mu Chi. The Mu Chi squad, however, had a clean slate was given the award. It was given by the memorial to the Chi Nu. Eddie McCray pitched a fine game to give the Aff. Lewis out a 4 to 9 victory. He was given some fine support in the infield by Doersch and Bill Marbreak.

The Zetes put another one on the record Monday by running away from the Theta Psi, 10 to 3. The winners started out with a bang and never let up. The Pugetons bunched some hits in one inning for sure.
