Student Group Arranges Annual Life Emphasis Week with Voluntary Chapel

The program of the annual Christian Life Emphasis Week, which commenced today, has been entirely arranged this year by a CPS student committee, and will have no compulsory attendance at every meeting. At the suggestion of the Rev. D. Beach of the First Methodist church, the administration agreed to complete freedom to the student committee in formulating its own plans, and, as was stated by the committee, giving the AAUW an opportunity to show that compulsory attendance at chapel is unnecessary. If a student group is successful this year in presenting Life Emphasis Week, it is probable that they will be called upon to do so in the future, according to Jack Green, chairman of the committee.

To Hold Questionnaires
De. Beach will speak Wednesday and Thursday in the auditorium on topics based on the questions of the Tuesday and Thursday discussion groups. The CPS student group will be held in the reception room.

Dr. Beach will lead in discussing questions placed in the question box, which is in the outer office of Dr. Edward H. Todd’s office. Art Linn will preside at each meeting.

Under the direction of Prof. John Paul Bennett, the Adelphian Choral Society left Thursday afternoon on its fourth annual tour. The group will present concerts in 24 cities throughout Washington, Idaho and Oregon in its 18-day trip.

A customary feature of the Adelphians is that the trip is made entirely on a non-profit basis. All admission is charged at any performance since the group depends entirely on voluntary collections to defray expenses. The Adelphians always have proved sufficient to cover the cost of the trip.

In addition to Professor Bennett, founder and director of the Choral Society, the group is accompanied by Mrs. Edna Warren Cheney in the capacity of companion and R. T. Short of the Tacoma Times, who is this year handling publicity.

The Adelphians will wind up their tour with their annual home concert in Jones Hall Monday evening, April 8.

Advertising Your College

The College of Puget Sound is this week and next being advertised throughout Washington and parts of Oregon by Professor Charles S. Smith, Puget Sound College Society—advertized in a commendable way. Last week the local chapter of Pi Kappa Delta, a junior college debate tournament here, contributed most of the money spent in the advertising campaign. One of the fields by the gyme about two dozen men may be seen in spring football practice, practicing the fundamentals of the game and learning which of the two teams will employ next fall to continue advertising the College.

There is another advertisement of the College, an advertisement not so much published, as not so well known to the laymen. That is the advertisement of College scholarship in which the College already stands high, but ever seeks to improve. Fair scholarship is a prerequisite for the Adelphian, for Pi Kappa Delta, national debate fraternity, at a Week in College: Matilda DeBord's birthday. One of the guests gave him a clothes line and partyed Bobbie Summers last night, honoring his 19th birthday. One of the guests gave him a clothes line for a birthday present. She said he needed a new line!

GREETINGS AND SALUTATIONS: Trails have been sent this week to the Adelphian Choral organization on tour in Eastern Washington—so, to them, we say "hello" and "good luck." Along with them all the students and the team will employ next term to continue advertising the College, which is considered one of the leading institutions of the world in the fields of scientific study.

Backstage at a Week in College: Matilda DeBord's birthday and fund-raising affair at the College of Puget Sound. George Graham should have known better than to ask Helen Pumphrey or Millie Kleeper still finds consolation in Ralph Dungan. It pays to let people know about your birthday. Your friends come surprise partyed Bobbie Summers last night, honoring his birthday. One of the guests gave him a clothes line for a birthday present. She said he needed a new line!

Lumberjack Track and Field Squad Invades Vanderbilt for First Meet

Whitman, Schneider, Command Mainstays of CPS Team

In their first meet of the 1935 season, the Lumberjack track team will take on the Vanderbilt Commodores on Wednesday for a meet with the University of British Columbia squad.

Coach Raymond S. Sward will take 15 men on the trip to the Nashville campus. He has scheduled two other meets this season, the first of which will be hosted by the University of British Columbia on Thursday. All women interested are asked to meet in the gym.

Miss Perma Collins will be at the practices to help those who have had no previous experience. All equipment will be provided but personal equipment also can be used. A practice will also be held Friday afternoon from 3 to 6:30.

**TODAY'S GAME**

The Commodores will be coached by Coach Harry Banks. The Commodores have had no previous experience with this type of competition. However, their schedule is not so heavy that they will not be able to give a good account of themselves. The Lumberjack track team is favored to win.

**Zetes, Chi Nu**

Tied To Decide

As intramural basketball swings into its last week, Alpha Chi Nu and Sigma Zeta Epsilon remain deadlocked for first place in the soccer pool. Coach with a record of 10 games won and 2 lost.

Last week's play was featured by Babe Gutterson of the Commodores, Friday, forcing the latter out of a three-way tie for the top spot and leaving them with only one outside chance to tie for the league championship.

Each team has a record of 9 games won and 3 lost. The Zetes and Sigma Zeta Epsilon, however, are in the lead, with Alpha Chi Nu and Sigma Zeta Epsilon tied for second place. The Zetes and Sigma Zeta Epsilon have each won two games, with Alpha Chi Nu and Sigma Zeta Epsilon each winning one.

**Wednesday's Game**

Either the Chi Nu or the Zetes should have ended the season in a marginal cage rule by the end of this week, although there is still a possibility of a tie involving either one or both of these quintets and the Commodores.

Topping the final week's schedule is Tuesday's clash between the Chi Nu and Zetes, now tied for the league lead. Each team has another half in the league playoffs at San Diego, Calif., but either can capture the championship. If the Zetes win the title, they should be able to do so. However, if the Chi Nu win the title, they will be able to do so.

The Chi Nu wind up their schedule with Delta Kapps on Friday, while the Zetes face the Delta Kapps in their final game Thursday. Delta Kapps and Peter Pugetas have sprang major upsets in previous contests, and either may complicate the outcome by winning its last contest.
