Plan To Send CPS Student To Germany

An exchange of scholarships between the College of Puget Sound and some as yet unnamed German university has been approved by the college board of trustees last Tuesday, according to an announcement made by President Edward H. Todd. The plan is similar in many respects to the one announced for the 1936-37 term.

The CPS students who participate in this arrangement will be chosen by the administration, and must be either a graduating senior or have a likely time of graduation at the time the appointment is made.

The 1936-accepted list compiled by the Institute of International Education, through which nationals for the exchange are being carried on, states that CPS will hold the first institution in the Pacific Northwest, regardless of size, to offer an exchange Fellowship with a foreign country. The list also shows that CPS has 18 foreign students in attendance, that more

Whitman Wins
Two Contests From Loggers

MISSIONARIES SAVE OF TIE FOR TITLE; SITES ARE 59-38, 38-34

Quiting at least a tie for the 1931 Northwestern Conference title, Whitman defeated favored league schedule with a pair of upsets over Puget Sound Friday and Saturday evenings on the Loggers. The Missionaries won by scores of 38-36 and 59-38.

Four field goals in the last two minutes of Saturday's tilt wiped out a slight CPS lead and gave the Missionaries their second win, enabling the Missionaries of an ever-breaking first conference standing with Lindfield, whom they did not play this year.

Unlikely Friday's victory, the Saturday contest was a slick and skill affair throughout, with the ball changing hands over seven times. At the end of the first quarter, the Lindfield had an easy advantage, leading 9 to 5 in the first five minutes. The Missionaries tied the score at 11-11 and were tied at 15-15 at the half.

The Lindfield scored the score 34-34 in the second half and opened a 4-point edge with two minutes to go, but four quiet goals and a free throw by Whitman clinched the game on the return, sharp-shooting Missionaries, back opening honors with 16 points. While Captains Brown and Becker contributed a pair of goals, respectively, to the Lindfield total.

The early CPS lead, which was never headed in Friday against game, leading 27 to 17 at the half, French Clark, Missionary guard, tapped screens with 14 points, and Lindfield's Steve Paul led with 12 points.
