Semifinals: In Hoop Play Are This Noon

Mu Chi vs. Chi Nu, Zetas vs. Omicrons Is Schedule

In the semifinals of the intramural elimination basketball tourney being conducted preliminary to the regular schedule, two hillbilly teams will be together. Alpha Chi, Beta Nu and Sigma Mu Chi in the opener, and Delta Pi Omicron and Sigma Seta Epsilon in the second contest.

With nothing at stake but prestige, the two winners will settle the issue Thursday noon.

All of the four semifinalists came through last week's round-of-eight with decisive victories, with the Zetas bringing the Delta Rho by 40 to 36 in a contest that became interesting in the last few minutes. Alpha Chi, Beta Nu and Sigma Mu Chi in the opener, and Delta Pi Omicron and Sigma Seta Epsilon in the second contest.

After last week's round-of-eight mutual elimination has let basketball alone after the first All-Contest team. At one or the other positions is Bill Egee, All-Pacific Coast man last year. At the forward center are Chuck Warner and Ed Jastrow, a duo of high scorers on the team last season. Laverick was named to the second All-Contest team, and the squad was given honorable mention.

Dick Voelker, lanky soph, at center, and Jack Gaine, who played the other backcourt berth, complete the Hoosiers' winning combination. But the Morro and White team will face other.big teams in the final game with Ellensburg Normal next week when a hot pass led the hoors and Ellensburg scored. The Normal five crashed the Loggers securely in the second half, 27-11.

The stong Virginia, Dzodama, who has been the starter, played the Wheeler-Odell good first, lost by a 9-3 score to the CSP quintet in the highlight of the season.

Girls' Tumbling

Allowing regular practice has not demoralized the girls who have been tumbling for a game of ten for the past week. They have been practicing the entire time, but tumbling started in earnest last night when the mats arrived fresh and clean from the cleaners. More girls, however, are needed to make successful group stunts.

University of Washington to Invade CPS Friday; Play at Seattle Saturday

The royal purple of the kings of the mat, the University of Washington stateizes, will come the college gym next Friday night in the first of the home-and-home series. Coach Joey Meyer and the Morors are preparing a suitable welcome for their distinguished opponents.

Young visiting athletes of the college number one racking up a score of any kind last year, the Loggers are expected little better than a chance of making the style matter.

A return game will be played Saturday night at the University pavilion.

The Morors and White five that will face Washington at the opening shakeup will not be definitely known until after the week's last practice Thursday afternoon. Coach Meyer is starting from scratch. The squad will start all over again and begin working on fundamentals in checking and threshold. The five who show the best effort during the next few days, will get a chance. If so, Coach Joey has to see Smith, Tolaison and Hellickson on the bench.

The only Logger backboard has been far from satisfied with the showings of his charges on this practice dates to date and predicates a complete smashup in his combination unless the starting five can learn to keep from throwing the ball with critical attempts.

"We'll play any team that likes it. We can beat 'em," said Jack Fuller CPS is assured of getting as many points as it can play, added Fuller, but it's up to the squad to do the rest.

Those turning out are Blank Otis, Tom Parker, Vause, Dorothy, Frank Kerr, Jack Poley, Walt Egan, John Herber, Bob Griswold, Ed Paulson, and John Alhuri, Chuck Fricket.
