FRESHMAN ASSEMBLY AT 9 O’CLOCK OPENS SCHOOL YEAR

The Pugent Sound

VOL. 17, NO. 4

THE COLLEGE OF PUGET SOUND, TACOMA, WASHINGTON

ART'S SKETCH OF NEW DORM

STUDENT PRAXY SPEAKS

Dear Frosh,

It is a great responsibility to be a college student. Something or other always has to be done by the first term. As the first term in the second half part of the college, this responsibility is to be taken seriously. It is essential to forget all about the first half of the term and start afresh. The new half is the most important part of the college. The new half is the place where the old half can be remembered.

Sincerely yours,

Nancy Doherty

EX-BADGER MENTOR
ASSUMES
PACIFIC NORTHWEST
CONFERENCE WEEKENS

COACH LEO J. FRANK

PACIFIC NORTHWEST
CONFERENCE WEEKENS

At the turbulent Northwest Conference Athletic Meeting in December, 1926, Linfield College at McMinnville, Oregon, requested that they be dropped from the conference on a championship basis in the Northwest Conference.

They had, supposedly, been playing games with each other that neither would have admitted in a "big time" bout. There was nothing small about little Linfield. They were going to break out of school-town, and a number of the larger colleges outside the conference.

This request was granted by the other conference members, namely: College of Puget Sound, Whitman College, Whitworth College, Albertson College of Idaho, and Utah, and likewise from the same time the remaining colleges also proposed to break away from any conference and meet the Northwest Conference in any conference at all.

At the time of the conference, the Linfield students were invited to the Northeast Conference, and it was pointed out that the schools would not have to play their current conference, but they would have to play the Northwest Conference in any conference at all.
