Goes National!

Phi Delta Theta
The Messiah...

Three alums of CPS, a student, and a teacher will be the leading soloists of the Christmas portion of Handel’s oratorio, “The Messiah,” which will be presented Sunday, Dec. 7 at 4:00 p.m. in the Fieldhouse.

These soloists are: Suzanne West, soprano; Willard Norman, tenor; Don Hazel, baritone; Katherine Standifer, soprano; and Margaret Myles, contralto. Choirs from a number of Tacoma churches, the Adelphians and the Collegiate Singers will form a massed chorus. Bruce Rodgers will direct and the Tacoma-CPS symphony orchestra will play the score.

The program will be complimentary to the public.

Orators Vie for Cash...

Contestants will gather for an all-school oratorical contest Thursday to vie for prizes in the annual Burmeister oratory.

A. O. Burmeister, attorney of Tacoma supporting the contest, is offering $30 to the respective men’s and women’s divisions represented in the event.

Students will compete in preliminaries, judged by faculty members, and the best orations will be given in an open forum for a final decision of outside judges.

“We’ve got to give the boys a chance in the event,” Professor Basinger amusingly explained as the reason for the two division for men and women. The groups will not compete against each other.

Freshmen entering the contest were inspired with these words, “Freshmen are known to win, in fact during the past years they have walked off with several of the prizes.”

Fourteen co-eds and twenty-eight collegians are expected to compete in the contest.

Geologists Cram, Civil Service Exam...

Thanksgiving found many students not only cramming with turkey but also with knowledge for the coming Geological Civil Service examination. Physics, Chemistry and Mathematics are a few of the related subjects that such an exam is likely to touch on. A sample question may be:

“A block of wood floating in water projects 5 cm. above the water level and 19 cm. below. How high will it float in alcohol?” or

“Which of the following animal remains are most likely to cause a high content of PO4 in the rock in which they are abundant? Crustaceans, Crinoids, Corals, Bryozoa, Pelecypods.” Civil Service exams are open to anyone.

The start of it all—DKs go East to petition for a charter to Phi Delta Theta.

DK's Become Phi Delts...

Following the initiation today and Saturday of the alumni and active members of Delta Kappa Phi fraternity to Washington Delta of Phi Delta Theta, the 60 charter members wearing the Sword and Shield of Phi Delta Theta will be formally installed Saturday as the 114th chapter of the International Fraternity of Phi Delta Theta.

Held from 2 p.m. until 3:30 p.m., the installation will be held at the First Congregational church. Accepting the charter on behalf of the college will be John D. Regester, dean of the College of Puget Sound. Dr. Fisk of the First Congregational church will participate in the ceremony. All friends of the fraternity are invited to attend the event.

Following the installation a reception and open house which will be open to the public is set to take place from 4 p.m. to 5 p.m. at the fraternity house, located at 3722 No. 8th St.

Performing the initiation ceremonies will be an initiation team consisting of Paul C. Beam, executive secretary of Phi Delta Theta; Ray Gardner, member of the General Council of Phi Delta Theta; George Housser, immediate past president of the General Council of Phi Delta Theta, and Frances Pearson, president of Tau Province of Phi Delta Theta. The initiation is being carried out at the University Union club.

Tonight at 6:30 a buffet dinner, sponsored and served by the Mothers' club, is scheduled by the fraternity at their house.

Saturday noon a luncheon at the University Union club is slated for all Delta Kappa Phi members and for all Phi Delta Theta members in Pi Province.

Saturday evening at 6:30 a formal dinner-dance will be held at the Tacoma Country Club by the fraternity. Honored guests will be Dr. and Mrs. R. Franklin Thompson, and Dr. and Mrs. Raymond L. Powell.

It was in 1922 that a fraternity composed of men with the purpose of promoting scholarship, leadership, and brotherhood was founded as Delta Kappa Phi from a group known as the Philomatheon Literary Society.

In 1946 Delta Kappa Phi purchased their present house. During this year DK's began to work towards affiliation with Phi Delta Theta.

Not until August of this year was that goal reached. At the General Conference of Phi Delta Theta at French Lick Springs, Ind., approval for a charter was granted to Delta Kappa Phi.

Instrumental in obtaining the affiliation approved were Ray Gardner, member of the General Council of Phi Delta Theta, and Frank Neal, Golden Legionnaire. Present at the convention were DK alumnus Nick Nickolas and DK active members Don Charleson, Jack Brown, and George Pearson, chairman of the nationalization committee.

Present officers of Delta Kappa Phi are Richard Lane, president; George Pearson, 1st vice president; Don Boesel, 2nd vice president; Fred Utter, recording secretary; Jack Brown, treasurer; Duane Wegner, corresponding secretary; Don Dixon, historian, and Dick Sharman, sergeant-at-arms.

Meeting with the DK's during their last few meetings has been John Darnell. Darnell, a past president of the Phi Delta Theta alumni group in Tacoma, will be the first adviser to the new Phi Delt chapter.

Phi Delta Theta fraternity was founded on December 26, 1848, at Miami University, Oxford, Ohio. It is a member of the original Miami Triad, which consists of Beta Theta, Pi, Sigma Chi, and Phi Delta Theta.

—Terry Schick.
Seniors Sponsor Archway...

Beginning Monday the senior class of CPS will sell facsimile bricks for an entrance archway to Sutton Quadrangle, announced Duane Wegner, senior archway committee chairman.

Sponsored by the senior class, the archway will cost approximately $3,000. College of Puget Sound President Dr. R. Franklin Thompson has promised $1,500 to be contributed by the school if the Associated Students will raise an equal amount.

Cost of the bricks, which may be purchased from senior students, is one dollar each. For those who desire to contribute more, a special "gold brick" costing $5.00 will be available. Approximately $300 is expected from last year's senior class, originators of the project.

To be constructed of brick and ornamental iron, the archway will be in keeping with the modified Tudor architecture of campus buildings. Architect of the archway is Silas Nelson of Tacoma.

If there is cooperation with the senior class in selling enough bricks, construction on the archway should start sometime this spring, Wegner pointed out.

Other members on the senior archway committee are Marjorie Hayward, Joanne Ryan, John Van Zonneveld, Ted Stubb, Ruth Wallen, Sall Hendricks, Maurine Gerards, Don Dixon, Bernadine Budil, and Fredda Lamp.

Delores Jordahl and Jolly Johnston (Jrs.) fondle the traditional hatchet. The girls were kidnapped by the seniors—who have the hatchet stowed away in safekeeping.

Debate...

Big news in debate this week was the good showing CPS made at the Inland Empire tournament at Pullman. There were 92 teams from Oregon, Montana, Idaho and Washington. Bob Zelasko and Arlis Johnson took second place for CPS. Winners were the St. Martin's West Point team.

December 13 St. Martin's is having a tournament for junior division only. Representing CPS will be the teams of Huston-Walker, Erickson-Johnson, Barta-Pitts, Norton-Rocky, Conklin - Mackoy, Swall - Jungert, Clapper-Arnold, Griffith - Chapman, Muir - Harader, Strickland - Price, Eierman-Jordahl-Hawkins.

Those seniors who have not yet had their pictures taken for the graduation section of the Tamana-was will have one last chance to do so on December 10 at Richard's Studio, 734 Pacific Ave.

Christmas Tea Next Wednesday...

During the last week, students in Howarth Hall have been standing outside the door of the foods lab "drooling" over the smell of the variety of cookies being made in the foods classes. No matter how much they "drooled" the girls would not part with a single cookie. However, next Wednesday afternoon they will get to sample some of these cookies. The Home Ec Club is holding its annual Christmas Tea in the dining room of Howarth Hall, from three until five.

The faculty, their wives and children, the administration and the students are cordially invited to attend.

Barbara Kidder is the general chairman of the tea.

Spurs Kidnap Knights...

A surprise breakfast was held recently by the Spurs in honor of the Knights. The Spurs kidnapped the Knights at 7 a.m. and took them to Scotty's for breakfast.

CENTRAL BOARD MINUTES
November 20, 1952

The meeting was called to order by the president, George Fossen. Roll call was taken and the minutes were approved as read.

DEPARTMENTAL REPORTS

Men's Intramural—All interested students are invited to attend the Men's Intramural All-Star football game Monday, November 24.

Women's Athletic Association—The Hockey team won all three of their games at the conference in Oregon last Saturday. The Gammas won the Women's Badminton tournament on campus. Volleyball season started November 19.

Music—John H. Walters is to be presented in recital on Friday, November 21 at 8:15 p.m. The annual SAI concert will be presented November 23.

STANDING COMMITTEE REPORTS

Finance Committee—The minutes of Finance Committee's meeting of November 18 were read and it was recommended by the committee that Deep Creek be given the privilege of drawing from their balance of $85.84 from last year's budget to apply on the purchase price of the portable ski tow. Don Boesel moved that Central Board accept the minutes and approve the recommendation as set forth by the committee. The motion was seconded and carried.

Rally Committee—Basketball games will be played both November 28 and 29 on the CPS home floor. Rally Committee requests that the college be well represented and the team be given good support at these games.

SPECIAL COMMITTEES

Campus Chest—A net total of $320.40 has been collected. Expenses amount to $10.68, thus leaving a balance of $309.72. President Fossen, in behalf of Central Board and the ASCPS, thanked Don Rogers and Ruth Nicholson for their work in the Campus Chest campaign.

Insurance Committee—The names of John Chapman, Janet Vroman, and Don Pirie were presented to compose the three students at large who are to work on the insurance committee. Dick Lane moved that these people be accepted as members of the committee. The motion was seconded by Warren Hunt and carried.

OLD BUSINESS

Discussion of future Homecoming recommendations was resumed. The tabled motion stating that Central Board accept the report of the Homecoming Committee was brought to the attention of the Central Board. Question was called. The motion as stated and seconded was "that Central Board accept and approve the report of Wally Tonstad and special thanks be given Wally and JoAnne Wood, co-chairmen of the 1952 Homecoming. The motion carried.

NEW BUSINESS

Dick Graham read a statement requesting $100 for the Ski Team for transportation to the various ski meets. The matter was referred to the Finance Committee for consideration and recommendation.

ANNOUNCEMENTS

George announced that any interested students were invited to attend a meeting of presidents and executive officers of the Evergreen Conference to be held in Ellensburg on November 22.

The meeting was adjourned.

Respectfully submitted,

SARA JAEGER,
ASCP S Secretary.

Central Board Notes...

Should members of the varsity ski team have to furnish all their own equipment and transportation while representing CPS in intercollegiate ski meets? This was the big question at Central Board's last meeting. It seems that the ski team has been furnishing all of their own money for equipment and transportation and the Board was requested for $100 to help meet expenses. The representative who asked for the money said he realized that the money should come from the intercollegiate athletic fund but that they had been asked and had turned it down. Actually the situation seems to be that they didn't ask at the right time. The budget for the school year is made up the preceding spring and all requests must be in then. Dr. Sprenger who is giving his services freely to the team has been advised of the procedure for getting the funds. As for this year the Board will probably vote on the money for this year at the next meeting.

Just after Homecoming this year there was a loud wail that many of the Homecoming rules were not followed and hint was made that violation of these rules gave some an advantageous position when it came to awards. In the Homecoming report to Central Board there was a suggestion that a rules committee be set up to screen all house decorations and floats to see that they conform to the rules. The report was accepted but this doesn't mean that the committee will be formed. To those who feel that this is necessary, now is the time to make your self heard, not next year when you feel you have been mistreated.

The insurance problem is still kicking around, a committee of three Board members and three members from the student body were chosen to investigate the matter further. The three student body members were added to try and get a wider opinion. This is very commendable and it is to be hoped that this kind of thinking will prevail. The meeting closed with President Fossen giving Jim Nelson a few words of congratulations on his marriage.

—Richard Dunn.

FARLEY'S

Flowers for all
Occasions
MA 1129
2706 6th Ave.
Big things are being planned at our meetings lately! We'd like to have even more people in on them, so all you Indees be sure to poke your heads in on our meetings, at least—they're every Monday night and we really want and need your help, plus your enthusiasm!

At the rate things are going now, we'll have our room furnished in no time. Some beautiful drape material was donated, and our sewing bees are due to begin at any time—to get them made up. This is a good time for the gals to acquire what they need to get them made up. This is a good time for the gals to acquire their domestic abilities for the future. How 'bout it?

Our group seems to be all fired up about earning money for our room furnishings. Honest, kids, nearly everyone is willing to work quite a few hours, so they can turn the money into Indees. We're planning to put together the alumni magazine "Color Post," next week. All those who wish to help, contact any active Indee for further information. Bob Benson, Jim Hamilton and Phil Gleb saw that posters advertising "The Messiah" were distributed in the shopping districts around town. With the help of many others, we earned more money and worked for the school, also. Someone mentioned that we could sell ads for The Trail to help our financial status. We're all behind that idea now, too—and we know there are some pretty good salesmen in the crowd. Other projects are under way—and we are proud of the wonderful cooperation we've been getting from everyone!

The pictures of our Sadie Hawkin's Day Dance are on the bulletin board (everyone looks so happy) and anyone who wants them can sign up for them there. The ones who attend.

The suggestion was made to have a Valentine Sweetheart Ball, and many tremendous ideas were presented. But they will be kept secret for a while, so if you want to know all about them, come out to the meetings.

Bob Dunn, who was in charge of seeing when we could have a swimming party, told us the available dates. We decided that we will go to the YMCA on Saturday the 7th of February, and at least 30 of us should have the privilege of going.

### GREEKS

**Theta Chi...**

Theta Chi has a new cook substituting for Mrs. Gabois, who is ill. Wally Tonstad has taken over the duties of chief chef with the assistance of Chuck Goforth. Any loss of weight to the members will be due purely to their lack of appreciation of the fine art of opening cans.

Mrs. Gabois was taken ill last Friday and will spend her vacation resting. It is hoped that she will return next January.

Marc Dean was formally initiated into the fraternity last Monday and has already made plans to hold a party at the Yacht club in the near future.

**Sigma Nu...**

Cupid must be working overtime, because two good men bit the dust last month. Congratulations go out to Jim Nelson who was married Nov. 23, and to Jerry Murdock who took the vows Nov. 26.

Sunday, Nov. 23, a work party of both members and pledges went up to Deep Creek.

Monday night the annual Gamma, Sigma Nu exchange was held at the fraternity house. Both organizations turned out in force. Community singing followed a short skit put on by the Gamma pledges. Following that there was dancing, refreshments, party games, and the watching of a play on our new 17-inch table model TV. Everybody showed signs of having a good time.

The date for the Tri Delta, Sigma Nu Christmas dance has been set for Dec. 13. It is to be held at the Fircrest Golf and Country Club.

Oh yes! Wally Erwin surprised everybody by passing cigars. He is pinned to Vicky Kerr.

**Delta Alpha Gamma...**

The pledges were congratulated on their very original "Gay Nineties" dance.

After a brief Monday meeting, the Gammas were entertained at a fireside with the Sigma Nus. Games, singing and dancing provided an evening of activity and fun for everyone.

Saturday, December 27, has been set for our annual Christmas dance. Greenwood Manor has been chosen once more for this dance.

**Lambda Sigma Chi...**

"Candyland" will be the destination of the Lambdas and their dates on Friday, Dec. 13, as they search for the "magic" world of gum drops and candy canes. The Lambda dinner dance, being held at the University Country Club, promises an enjoyable evening of dining and dancing for those who attend.

The members have somewhat "slipped" this year as far as the passing of chocolates is concerned, so pledge Sharon O'Brien passed a box of cookies announcing her pinning to Sigma Chi Louis Siegler.

**Kappa Sigma...**

The K-Sigs will hold their annual Founder's Day banquet Friday the 12th of December in Seattle. There will be entertainment from both the Beta Psi chapter of the University and the Epsilon Lambda chapter of CPS. The main speaker will be Doctor Thompson.

The night after the banquet, Dec. 13, the Kappa Sigs will have their ice-skating party. It is to be held at the Lakewood Ice Arena. Everyone is to bring brooms, as well as dates, as there will be a short game of broom hockey during intermission.

The construction of the new room is now complete, with the new showers as their next project. The Blue Room is still in the process of being remodeled.

This year the Kappa Sigs will carol with their sister sorority, the Pi Phis, on the last Monday of the year. The main objective will be the Toby Jones Home.

Plans have been almost completed for the annual Black and White. The dance will be held either at Lake Wilderness Lodge or at the Tacoma Country Club, on the 7th of Feb. Favors will be given to all dates.
**GREEKS**

**Sigma Chi...**
The Sigma Chis are having a fireside with the Tacoma General Hospital Nurses this evening from 7 to 9.

We had a double header last Monday night with Louie Siegler announcing his pinning to Lambda Sharon O'Brien and Cal Davidson to Veda Hoskins of Sumner.

The Mother's Club is having a Xmas party and a big feed for the Sigs and their fathers Monday night, December 8. The function will be held at the House.

The annual Alumni Christmas party will be held Wednesday, December 10, at the Towers. The Alums have invited the actives and are planning a big surprise for us.

**Pi Beta Phi...**

Last week we were pleased to have as our guest, the newly elected province president, Mrs. Ryan. The girls, who honored her at a dessert supper Sunday night, Nov. 23 at the home of Mrs. Edward Cooper, found her both charming and full of enthusiasm for her work.

The first meeting of the Pi Phi Mothers' Club was held Thursday night, Nov. 20, at the home of Mrs. J. P. Fullagar. Plans were made for a Christmas party to be held Dec. 11 at the home of Mrs. Chisolm. It is hoped that all pledge mothers will come and meet the mothers of the actives and alums. Mrs. Edward Cooper will be a guest speaker at a meeting in the near future.

She is a past province president of Pi Beta Phi.

Jo Anne Neff was chosen as "girl of the week" Nov. 24 by the pledge class and presented with the sterling silver bracelet for the week by Liz Regester, pledge president.

The next important date on the Pi Phi calendar is the Mother-Daughter tea to be held on Dec. 14 from 2 until 4 p.m. Co-chairmen for the affair are Pat Murphy and Marilyn Ruchty. Working under them are Mary Hjort and Joan Piper.

This past week the bracelet was handed on to Shirley Campbell, outstanding girl for this week.

**SAE...**

Open House will be held at the SAE house December 5th from 7:00 till 10:00. Everyone is welcome to come and see what their new house looks like and see the work that has been done and the work that will be done. Refreshments will be served.

Doug Muir, social chairman, has announced that the Figi Island Dance previously scheduled for December 5, will be changed to December 12.

Mr. Mrylyn Jones, national assistant chapter supervisor for SAE, has been the guest of the local chapter during the past week. Mr. Jones was much impressed by the improvement in the new house over the old one.

**Theta Chi...**

Theta Chi pledges pulled a successful sneak last Monday in retaliation for the members of the week before. The pledges are planning their pledge dance to be held near the middle of December.

The members and pledges held a going away party for Brother Ralph Shauff last week. Ralph reported to Air Cadet school last Wednesday.

Ed Edland announced his engagement to Wilma Nelson at a party held after the Homecoming Dance and he is now planning to go swimming at the Yacht Club in the near future.

Dutch Cox was welcomed into the pledge class.

---

**Female Olympians Needed...**

A letter has been received by the Trail sports department urging that all girl's schools and co-ed colleges cooperate in the development of more girl athletes. The reason is that in the 1952 Olympic games, Russian women athletes piled up a large lead which the American men were barely able to overcome. In order to maintain our world supremacy in the field of athletics our women are going to have to regain their position of 1932, when they dominated the distaff events at the Olympics.

Mr. Daniel J. Ferris, secretary-manager of the Amateur Athletic Union said that 30 years ago schools like Vassar, Bryn Mawr, the U. of California, and Florida State College for Women had women's track teams. This effort paid off, but now our women are not being given the chance to develop into track stars.

Mr. Ferris states that we have been failing the girls by not giving them the opportunity to develop in track and field, as they have in swimming, golf and tennis. He also says that when 1956 rolls around, the U.S.'s chances in the Olympics will largely depend on the ability of our women to collect points in the track and field events.

So all of you gals that feel that you might want to take a trip down to Melbourne, Australia in 1956, to compete for Uncle Sam, start your training program right now.

**Judiciary Council...**

The Judiciary Council finished their primary study of the constitution at their December 2nd noon meeting. The council met again Tuesday night to give ideas to the Finance committee who will make suggestions, after study, of how the money of the associated students can be redistributed. The section of the constitution which is now ready will be presented to Central Board.

Jean Tippie, co-ed at the College of Puget Sound in 1950, has been named supervisor of stewardess service for United Air Lines at Seattle, according to R. M. Wainwright, superintendent of stewardess service.

Miss Tippie, a graduate of Muskogee (Okla.) Central High School, became affiliated with Delta Alpha Gamma and Kappa Phi in college. Before joining United two years ago she was assistant health education director at the YWCA.

In her new position Miss Tippie will assist in supervising flight activities of more than 80 United stewardesses based at Seattle.

FTA...

The Future Teachers of America will meet for a party in the SUB lounge, 7:30 p.m., Dec. 10. David Stokesberry will report on the WEA assembly. Dave was the CPS delegate. President of PTA Les Nelson urged all those interested in the teaching field to come and enjoy the games, singing, refreshments and entertainment.

FLORIST...BUDIL'S
2616 6th Ave.
Phone MA 310

The IFC held its regular meeting November 19, at the Delta Kappa Phi house, with IFC president Dick Albertson presiding. Warren Perry, CPS librarian, was present to explain library policies and exhibit plans for the new library building.

A Greek HELP WEEK will be scheduled again this semester for fraternities and their pledge classes, with a civic project planned for the week. Dick Sharman and Dave Schweinler were elected Help Week co-chairmen.

CPS President, R. Franklin Thompson, IFC advisor; Dr. Raymond Powell, Dr. Charles Battin, Lyle Jamieson, Kenneth Walker, fraternity advisors, were present for the meeting and the discussion period which followed.

Faculty Recital...

Next Wednesday night at 8 p.m., Bruce Rodgers, director of the music department, will be presented in his first Tacoma voice recital in the Jones Hall auditorium. He will be accompanied by Leonard Jacobsen, professor of piano. Assisting at the recital will be the college trio composed of Leonard Jacobsen, piano; Kathryn Vaught, cello, and Raymond Vaught, violin.

This program is complimentary.

Student Wives Organize...

A new organization is forming at CPS—it's the Student Wives Club. Women whose husbands are students at the college or married women who are themselves students are eligible for membership in this group.

The first meeting was held on November 15, with the next meeting scheduled for Friday evening, December 12. Speaker for the program will be Mr. Jamesieon, CPS home economics instructor, who will show color slides of the latest modern architecture and interior decorating.

Student wives interested in attending the December meeting may phone Mrs. Patrick Moriarty, PR 5372, for information.

PROCTOR CAFE
say hi to all students and invite you to stop in and get acquainted.

Career Conference plans being laid. Left to right: E. S. Ostberg, Tacoma Boys’ Club Executive Director; A. H. Mellish, chief chemist at Tacoma Smelter; Joanne Lowry, AWS president; Fredda Lamp, conference chairman; and Wm. D. Smith, consulting engineer, Smith and Murray—Photo by Dunn.

Commerce Club...

Another interesting program is in store for the members of the Commerce Club next week. The meeting will be held Dec. 10 at the University Union club. The time is 8:00 p.m. Guest speaker is Mr. L. Evert Landon who is president of Nalley’s and president of the Chamber of Commerce. He will speak on the industrial and civic aspects of Tacoma and the surrounding area. He will be accompanied by Mr. Arthur L. Abel, executive assistant to Mr. Landon at Nalley’s. In view of Tacoma’s interest in new business which seems to be reviving after a long sleep these two men should give some very interesting information.

Navy Helicopter To Visit...

Weather permitting, a Navy HTE-2 helicopter with a Naval Aviation Cadet training team aboard will set down on the Athletic Field at about 9:30 a.m. on December 10. Students are invited to be at the field to witness the landing and to inspect the aircraft.

A flight demonstration of the whirlly-bird is tentatively scheduled for over the athletic field during the noon hour. LCDR W. A. Townsend and Aviation Pilot R. L. Karls, ADC, will put the aircraft through its paces and be on hand to explain its mechanism. LCDR Townsend, a resident of Tacoma, is commanding officer of the Naval Air Reserve helicopter squadron based at Sand Point.

The Naval Aviation Cadet recruiting team (composed of Commander George F. Hoppe, Lt. E. T. McNamara, and B. A. Monette, YN1), will be at the Student Union building during the day to interview young men interested in the Navy flight program. The helicopter is a new area of specialization for Naval Aviation Cadets.

NAVCADs must have two years of college, 20/20 vision, be from 18 to 27 years of age, unmarried, and able to pass the Navy flight physical examination.

Vocational Conference Tuesday...

Prospective teachers, occupational therapists, lawyers, nurses and everyone else will have a chance to become better acquainted with their major subject this coming Tuesday at the Vocational Conference.

Fredda Lamp, chairman of the Vocational Conference, announced that twenty-six speakers will speak in the various discussion groups. President Thompson will begin the Conference with a talk at 10 a.m. The discussion groups will follow at 10:30 and end at noon. All 11 o’clock classes are cancelled.

During the noon hour a luncheon in honor of the guest speakers will be held in the SUB.

The speakers are A. H. Mellish, chief chemist at Tacoma Smelter; L. J. Frank, geologist; James E. Klahn, psychologist of Tacoma public school; C. G. Trimble, M.D., CPS school doctor; L. G. Rhodes, Weyerhaeuser Timber Co. supervisor of office services; Bill O’Mara, KING Sports Editor; A. H. Hooker, Sales manager of Hooker Chemistry Co.; E. S. Ostberg, Tacoma Boys’ Club Executive Director; William D. Smith, Consulting Engineer of Smith & Murray; Ray Warren.

Others are Herbert R. West, Boy Scout Executive; John T. Moore, Asst. Prof of Music at the U of W; Mrs. Robert Schmid, Home Ec. teacher; Bertha P. Hartzell, Trinity Methodist Church Education director; Jim Faber, KTAC; Suzanne M. Coffee, Director of O.T. at Spastic Pre-School and Clinic; Ruth Bethel; John A. Manchester, Interior Designer; Mrs. Mariam Whiting, Social case worker; Mr. Wallace Burch, research; F. W. Ralston, F.B.I.; John J. O’Connell, Prosecuting Atty.; Leslie L. Hoar, Asst. Supt. of Tacoma Public Schools; Wm. Calahan, Olympia Methodist Minister.

Other chairmen for the Conference are Speakers, Janet Erickson; Discussion groups, Doris Caldwell; Luncheon, Ruth Nicholson; Conversation arrangements, Jolly Johnston.
All Conference...

The United Press has announced selections for positions on an Evergreen all-conference football team. CPS placed Ned Conley, tackle, and Joe Retallick, end, on the all-conference first team. Dick Hartnett, tackle; Wally Erwin, halfback, and Art Viafore, quarterback, were CPS choices for the all-conference second team.

Evergreen All-Conference Selections

1st Team

Jim Ball, PLC End
NED CONLEY, CPS Tackle
Petie Swanson, Whitworth Guard
Bob Hibbard, Central Center
Bay Barnes, PLC Guard
Ollie Magnuson, PLC Tackle
JOE RETALLICK, CPS End
Glenn Huffman, PLC Back
Don Waney, Western Back
Bill Karwaski, Western Back
Art Swanson, PLC Back

2nd Team

Pete Muir, Western End
Chuck Forsland, PLC Tackle
Dick Pangeno, Western Guard
Doug Smothers, Western Center
Bill Repensher, Central Guard
DICK HARTNETT, CPS Tackle
Don Bauer, Eastern End
WALLY ERWIN, CPS Back
Bill Karwaski, Western Back
ART VIAFORE, CPS Back
Art Buchert, Whitworth Back

CPS defeated St. Martin's 68 to 52 Wednesday night at the CPS Fieldhouse. In winning, the Loggers showed sparks of brilliance only at those times when the Rangers narrowed the scoring gap.

The Logger hoopers moved ahead in the opening quarter and were never behind thereafter. St. Martin’s Sunstrom and Killiam connected repeatedly toward the end of the first half, however, to bring the score at halftime to CPS 35, St. Martin’s 33.

In the third quarter the Loggers increased their lead to 10 points and appeared to be hitting their stride. The third quarter ended with the score 48 to 38, Loggers.

The Rangers put a scare into the Loggers in the beginning of the fourth quarter, striking for six quick points to close the gap to four, but Captain. Jake Maberry and Tom Names began to connect for CPS and the Loggers won going away—final score CPS 68, St. Martin’s 52.

Logger Bucketeers Start Fast...

The 52-53 edition of the Logger basketball team got off to a roaring start with two wins last weekend. The victims were the Seattle Pacific College Falcons and the Universal Motors of Hawaii.

The Logger starting team consisted of veterans of Dan Inveen and Warren Mayles at forwards, Freshman Bud Clark at center, and Bill Medin and Captain Jake Maberry at guards. Russ Wilkerson, Don Maitland and Clarence Tiessen also saw a lot of service for CPS.

In the season’s opener last Friday, the veteran Loggers simply outclassed the inexperienced Falcons from Seattle Pacific and ran away with the game. The final score was 87-62. Capt. Jake Maberry led the scoring with 24 points and CPS’s long-range sharpshooter Bill Medin was next with 18. The Loggers led at half-time 45-23.

The Seattle Pacific Jayvees dumped the CPS seconds by a 65-56 count. On Saturday the Loggers emerged victorious over the Universals, the A.A.U. champions from Hawaii. The score was 73-57. The Loggers led from the start but a rally by the Hawaiian quint cut the deficit from 12 points down to four early in the fourth quarter. However, CPS managed to put on a rally of their own and finished 16 points in front. Again the Maberry-Medin combination led the scoring with 20 and 19 points respectively. Glenn Kinney, former Oregon State hooper, led the Universals with 15 points while Jim Ramsted, ex-Stanford cager, was close behind with 14. In the preliminary the CPS Jayvees outdistanced the Tacoma Naval Station Seahawks 36-28.

Coach John Heinrich was pleased with the Logger performances, especially with Medin and Maberry. In Medin, Heinrich has the long-range scorer which any successful ball club must have. Maberry, the nation’s leading free throw artist, hit six out of six on Friday and 10 out of 11 on Saturday for 84.1 per cent. Dan Inveen also showed well getting 14 points in each game.

Skating Party...

The Women’s Athletic Association is sponsoring an ice skating party out in the Lakewood ice arena tonight at 19:30.

All-Star Game...

On Monday afternoon, the 23rd of November, the best of CPS’s Intramural football players met in combat.

The temperature dropped close to freezing, but nonetheless it was a nip and tuck battle all the way. Both teams showed great defensive power but failed to gain consistently on offense.

About midway in the last half the four o'clock All-Stars received their big break as Wright intercepted a Schweinler aerial on the enemy 15 yard line. Three plays later, with fourth down and ten yards to go Thompson fired a pass to Miller, who was all alone in the end zone, for the big six points. The extra point was added as Miller tossed to Boesel successfully.

The three o’clock stars made a valiant attempt to come back but were unable to make the grade. As the final whistle blew, the late afternoon boys were still clinging to their 7-0 lead, and victory.

All in all it was a good season with some fine football being played. It is hoped that the next ten intramural events come off as well.
Evergreen Conference Report...

Registrar Dick Smith and Assistant Coach Joe Hemel, CPS representatives to the Evergreen conference meeting held in Spokane last weekend, have returned with a report of changes made in conference rules.

Effective immediately, all colleges in the conference will adopt a standard of a minimum 1.75 grade point average for all athletes—a standard which CPS has maintained for a number of years.

The conference rescinded the rulings prohibiting photographing moving pictures of games and scouting; increased player allowances in football from 25 to 30 and in basketball from 10 to 12; and moved the basketball starting practice date back 15 days to Oct. 15—despite the protests of CPS and PLC.

The conference approved, in principle, the rules of the National Association of Intercollegiate Athletics in respect to aid for athletes. A committee was appointed to study the rules of the N.A.I.A. and is expected to report back in May with information necessary to find a workable solution to the problem of aid to athletes.

A change in the jaycee transfer rule now permits transfers from junior colleges to participate in sports without being forced to establish one year of residence, as was dictated under former regulations.

John Lindtweed, Seattle Times sports writer, was engaged as conference publicity man.

Logger Hoopsters in Northern Tournament... 

The Logger hoop squad moves northward to battle in the UBC Invitational Basketball tournament to be held Friday and Saturday at Vancouver, B.C. Other teams to be there are Western, UBC, and a top-flight Canadian amateur club.

The tournament will consist of two games for each team—opponents to be decided by a drawing after the teams reach UBC. The winners of the Friday night contests will battle for the crown on Saturday night.

Western Washington is the defending champion, having defeated PLC for top honors in last year's tournament. The Lutes are not entered.

UBC and Western appear to be about even this year. In games last weekend UBC defeated Western in the first game 73 to 58, only to have Western come back to win the next night 58-51.

It looks as if UBC may have its most successful season since joining the Evergreen conference. In past years they have been used consistently as Evergreen cannon-fodder. Western has already been surprised, possibly more of the same is forthcoming.

Epworth Bowling Party Tomorrow Night...

Epworth Fireside is having a bowling party Saturday night. Cars will leave from Anderson Hall at 6 p.m. Everyone is invited. Come and bring a friend. Contact Marge Strand at Anderson Hall or call MA 7254 for reservations.

Sunday night we are going caroling. Cars will leave from Anderson Hall at 6 p.m. Anyone interested is welcome.
Meet George Fossen...

Do you know George Fossen, student body president at CPS? You don't? May I introduce him to you as the kind of person who loves people, who is extremely friendly, and who is very devoted to his family. This fellow has a wonderful and unselfish philosophy of life which is to help people, widen their knowledge, and make them, glad to be alive. So far George has succeeded, and he will continue to succeed with the future that he has planned for himself.

You've heard the saying "Let George Do It." George has done it. He's done a lot during his 21 years which began in Kolon, Panama. When George was a boy, he did much traveling with his family because his father had made his career in the army. The Fossens lived some time in Hawaii and in Colorado and moved out here in 1945. George went four years to Clover Park high school. During those years he was a member of the DeMolays, co-captain of the football squad, president of the senior class, and he received the Inspirational Award in baseball.

Perhaps his main reason for coming to CPS was because of an appeal made by John Heinrick, for George to play varsity football. George did play, and he received a scholarship. It was in George's first year here that he pledged Sigma Chi fraternity, and last year he was their Inter-Fraternity Council representative. He was a member of the French club, the Intercollegiate Knights, and the Axemen, which is the letterman's club here at CPS. He has been chairman of the following: the Chapel committee, the Campus Day committee, School Spirit Night, and he has worked on the Religious Emphasis Week program. Last year he was president of the junior class and this year president of the student body. George was mentioned in the Future Teachers of America, and was in Who's Who in American Colleges and Universities last year and this year.

The Herman Kleiner scholarship, given to the student who has notably emplifed and fostered the spirit of friendliness and broad human brotherhood in the student community, was received by George last year.

During the past year George has held more responsibility—that of earning money and has had several jobs—one as a chauffeur and gardener which he worked at last summer and another job. If someone had told him several years ago that he would be working in a mortuary, he would not have believed it. He not only works in one, but he lives there as a caretaker for emergency calls during the night, and he finds working there quite morbid at times—especially when he's alone with "them" all night.

One accomplishment which George is very proud of, is that of being an Eagle Scout. He has always taken an interest in scouting and last year he was able to teach young Boy Scouts, something he really enjoyed doing.

George's major is history in which he practically has a straight "A" average, and his minor is education. For the past three years he has been a cadet teacher, and he feels that he has gained much experience in education by actually experiencing it. He teaches U.S. history and several other history courses at St. Andrew high school. In the Lakewood district George has been instructing a religious youth group which has greatly increased in the number of pupils attending during the past year.

The future life that George has planned, lies in the ministry. (This is not because of his present job). He hopes to spend three years in preparation for the ministry back east at Princeton, a Presbyterian college. He is greatly inspired by teaching and feels that his place in society is in religious instruction and not so much in preaching. When he does go into religious work, he intends to be broadminded and not bigoted as some persons are whom he has come in contact with throughout his life.

George says that he owes so much to his family for all the help they have given to him and for all the wonderful things they have done for him. He couldn't have a mother or father any more wonderful. Without their help he feels that he couldn't have come as far as he has. He is very devoted to his younger brother and two married sisters—one living in Florida and the other in Indiana. His remaining family is now residing in Tucson, Ariz.

George believes that if he goes into the ministry he will be doing what he loves—working with people, being around them, helping them, and teaching them. He has a warm feeling for all the faculty and appreciates all that they have done for him.

George Fossen has been an exceptionally fine student and leader. So much has been left unsaid of what he has done for the college and the students, and so much is unknown by many. How anyone can emote so much friendliness, warmth, and unselfishness is puzzling. One should really meet and become acquainted with George to realize what a grand fellow he is, or perhaps what he has accomplished so far and hopes to accomplish will prove that.

—Diane Seeley.
