Commerce Club
To Hold Clinic

Last Friday the Commerce club held an informal meeting to discuss plans for the Business clinic, which the group will sponsor in March. This clinic will be for businessmen, but students may attend.

The clinic is the club's project for this year and it is hoped it will be continued as an annual event.

Kappa Phi to Hold Dinner

Kappa Phi will hold a dinner meeting Tuesday. This meeting will be open to all girls who are interested in Kappa Phi, women's Methodist Preference organization on campus.

All girls interested in Kappa Phi are asked to come to the SUB lounge at 5 p.m., Tuesday, February 17.

Last Tuesday, after the short 'Lights Out,' period, Kappa Phi members met in the SUB lounge. The race relations problems was discussed and later the members joined in singing Kappa Phi songs.

Tudor, Battin Nominated For Council Positions...

Two CPS faculty members, Dr. Charles T. Battin and Prof Hugh J. Tudor, were among the 18 city council nominees named by Tacoma voters in Tuesday's primary election. Nine of the 18 will be elected to the council in a final election March 10.

Dr. Battin and Professor Tudor played leading roles on the city freeholders' committee which drew up a new Tacoma charter last summer. The charter, providing for a city manager form of government, was approved by the voters Nov. 4 and will go into effect June 1.

Playcrafters to Produce Douglas' Book "The Robe"

The Campus Playcrafters will produce a dramatization of Lloyd C. Douglas' novel, The Robe, for their annual spring play, according to Martha Pearl Jones, head of the speech and drama department. The CPS production on March 20 and 21 will be the first release granted in the Northwest for production of the play.

All interested members of ASCPS are urged to try out for The Robe, whether or not they have had previous acting experience. All those interested may come to Jones hall, room 212, at any one of the following times:
- Monday, Feb. 16, at 1 or 2 p.m.
- Tuesday, Feb. 17, at 2 or 3 p.m.
- Any student wishing to try out, who can not come at one of these times, should see Jones or Wilbur Baisinger.

Interesting Program Laid Out for Religious Life Emphasis Week

Religious life emphasis will be stressed at CPS from February 24 to February 27.

Rex Jones and Ruth Klovee, co-chairmen of religious life emphasis week, announced that the theme for this year's program will be "Man Must Choose," stressing that religious beliefs must be deciding factors in the many choices that man must make during his lifetime.

The program will include chapel addresses by the Rev. Chester B. Fisk, pastor of the 1st Congregational Church of Tacoma, Mrs. Chester B. Fisk's interpretive dancing group, the CPS a cappella choir under the direction of Don Rogers, the Choral Readers under the direction of Martha Pearl Jones, a debate on the religious aspect of fair employment practices, and Christian life study classes conducted by Dr. Magee.

Colombini Named Air Cadet Colonel; Promotions Due

Dick Colombini, senior education student, has been promoted to the rank of cadet colonel and named commanding officer of the CPS Air Force cadet corps, Lt. Col. Fred H. Newman, professor of air science and tactics, announced this week.

Colombini, former star halfback on the college grid squad, will graduate in June.

Promoted to cadet lieutenant colonels were Jack M. Nesbit, Jack H. Sandstrom, Michael D. Sheean and Wilbur J. Woodruff.

Colonel Newman explained that these students will plan, organize and direct all student leadership and drill training for the spring semester at the college. The cadet corps will be organized in much the same manner as an Air Force Group. It will make plans and conduct its own administration in the same manner as a regular Air Force unit.

This training will equip the students with basic practical knowledge in administration and planning and the knowledge will better prepare them for active duty upon graduation from college and commissioning as second lieutenants, Air Force reserve.

Cadet Col. Colombini said his first official act after assuming command would be to see that those cadets who were deserving would receive promotion and assignments.

Ruth Klovee and Rex Jones have been working with Dr. Magee and a committee of 25 students to arrange the week's program designed to stimulate widespread interest within the student body.

Next week's Trail will carry a complete calendar of events for religious life emphasis week.
AWS Annual Tolo
To Be Held Feb. 28

For those unfortunate females who missed their chance to nab a man during leap year, here is their chance to catch up in one respect. The annual tolo dance being sponsored by the Associated Women Students will be held Feb. 28. "King of Hearts," is the theme for the affair.

The dance will be informal with music being supplied by Wendal Kinney's band. The dance will take place in the SUB which will be decorated in quite a unique fashion. Tickets, incidentally, will dent your billfolds to the tune of $1.50.

The man to reign over the dance will be chosen by the girls during chapel Feb. 19. The Indees and other various fraternities will supply the candidates. Kathy Jones and Elberty Conklin are in charge of the candidates.

Other committees for the tolo are chaperones, Shirley Skinner; tickets, Margie Strand; decorations, Donna Dettrich; publicity, Janet Yroman; refreshments, Glee Callahan; and last but not least, program, Barbara Combs.

The Washington Territorial Commemorative stamp pictured above will go on sale in Olympia March 2, the official opening of the Centennial program.

ORDERS TO TAKE OUT
CPS to Hold Tyro Tournament

The College of Puget Sound debate team is playing host to entrants from twenty-five junior colleges, and universities in the states of Washington, Oregon, Idaho, and Montana this weekend during the Tyro tournament directed by Tom Stanfield.

Dr. Charles T. Battin, director of forensics, said that sixteen contestants from CPS will compete for honors in the men's division while fourteen will compete in women's division. There will be competition in debate (university and one man style), oratory, extemp, after-dinner speaking, interpretative reading and discussing.

This tournament will emphasize contests for novices, freshmen and sophomores regardless of past experience, and juniors and seniors with no intercollegiate experience prior to the 1952-53 season.

Subjects for the contests will be the following: the debate question, "Resolved: that the Congress of the U.S. should enact a compulsory fair employment practice law"; the extemporaneous speakers topic, "The expansion of Federal Power," and the after-dinner speaking topic is, "Religion vs. Statesmanship."

Those who will represent CPS in the annual tournament are: Milton Williams, Chehalis; David Griffith, Manson; John Huston, Yakima; Ken Storman, Olympia; Bob Clapper, Bremerton; Arlis Johnson, Bob Zelasko, Aberdeen; and Tacomans Ed Durocher, Dick Dunn, Peter Zelasko, Aberdeen; and Tacomans Nadean Taylor, Mary Ann Norton, Pat Price, Suzanne Swayne, Delores Jordahl and Barbara Swall.

Todd Hall Elects Officers

The men of Todd hall have elected their new officers for the spring semester. They are: president, Clyde Cooper; junior; vice-president, Peter Misner, sophomore; secretary, Lewis Dibble, freshman, and historian, Bob Corbin, sophomore. These new officers replace the former officers, President, Ray Gosney; Vice-President, Bob Higley; Secretary, Peter Misner; Treasurer, Don Higley; and Historian, Ming Cheng.

The first house meeting of the new semester, presided over by President Cooper, dealt in part with the problem of non-resident parking in Todd hall parking area. This parking area restriction will be enforced in the future and violators will be subject to a $1 fine.

A ruling passed by Todd hall residents was that all non-resident students, while Todd hall guests, must be accompanied by a resident.

A television set is to be added to the recreational facilities already on hand. The set will be installed in the immediate future. Also, new hours for recreation room use will be from four o'clock to eleven o'clock in the evening.

Bob Dunn, Bill Couch and Les Nelson were elected first, second and third floor representatives, respectively.

Trimble Moves Offices...

"I don't think the students are taking full advantage of the facilities offered by our clinic," is the opinion of Dr. C. G. Trimble, CPS medical adviser. That is one of the reasons, he states, that he has moved his offices, formerly in the Medical Arts building, to the new shopping square at 6th and Washington. Hours at the clinic, G-201, remain at 12:30 to 1:30 p.m., Monday and Friday, with Marion Smith, the college nurse, on duty at other hours during the week.

The clinic, fostered originally by the college to provide medical care for students living on campus, is available to all students. Enough medical supplies are kept on hand to provide for emergencies, and prescriptions can also be written if necessary.

Dr. Trimble's office is open to students at other times during the week. "Although," he pleaded, "I do wish they would call for an appointment first." His telephone is Proctor 7783.

By moving his offices closer to the college he hopes to be more accessible to the students.
Indee News, Views and Cues

IT'S HAPPENED! The Indee room is finally furnished—not finished, but furnished! There is still loads to do, but the first basic step has now been taken. This furniture, recently purchased from the First Congregational Church, is the beginning of the realization of the 1953 goal of the Independents. Within the few months the Indee room will be comparable to any on the campus. Our sincere and very grateful thanks go to Mr. John Blake, who made this purchase possible, and who has been of immeasurable help in all our projects this year.

Saturday morning the cleaning crew moved in and gave the room a good old-fashioned scrubbing it will never forget. The walls were washed, the floor washed and waxed, the rugs cleaned, and the furniture polished and arranged. Last Saturday night, the seventh, was our first big social event of the semester—the Indee swimming party. It was held in the YMCA from 8 till 10 p.m. and everyone had a swell time! It was BOB DUNN who expended so much time and energy in organizing this party, and we all owe him many thanks. At Monday's meeting, president PHIL GLEB was elected "King of Hearts," candidate for the AWS Tolo, Feb. 28th. C'mon, you Indee girls, get behind your boy! This Saturday night, the 14th, we will stage our Valentine party for the boys at the Service Center. Any Independent girl or boy who would like to spend a very enjoyable evening while serving the boys in the kaiki are invited to meet at the SUB, 6:40, to join the crowd.

Delta Delta Delta...

All the members and pledges of Tri Delta attended church last Sunday to commence the beginning of Delta week which honors the pledges. The Trident Degree of initiation will be given Friday at the First Congregational Church and Sunday the pledges will receive the Stars and Crescent degree. Last Monday night the members of the sorority celebrated their first year as members of a national group. A large cake was given to them and after the meeting members of the other sororities were served cake and coffee.

The Tridelta candidate for White Rose queen this year is Kathy Musgrove. Tuesday night the Trideltas and Sigma Nus went together to the CPS-Seattle U game.

Phi Delta Theta...

This Sunday the Phi Delts will initiate into active membership the pledge class of the fall. Following the initiation ceremonies in the afternoon, there will be an open house and reception for the new members. This will be the first pledge class initiated into Phi Delta Theta by Washington Delta chapter.

Featured along with the new Phi Delt chapter at Colorado A & M, the CPS Phis will appear in the March issue of the Scroll, their national publication. Plans are also being made for a quarterly alumni paper to be compiled by the local Phi Delts for distribution to alums and friends of the fraternity.

Sigma Nu...

Nineteen pledges survived the rigors of inspiration week. These are Charles Arnold, Dale Bailey, David Bullet, Robert Burglin, Larry Catuzo, Matthew Clapp, Clark Duvall, Joel Diven, Richard Goschke, Edward Johnson, Dale Klint, Wesley Kroger, Charles Kruger, Mitchell Lundquist, Dale Meshke, Thomas Ohrbeck, Wallis Thompson, and Wayne Willis. Following a formal initiation ceremony Sunday morning the entire membership attended church.

Queen candidates for the annual White Rose dinner dance have been chosen by dance committee chairmen Bob Clapper and Willis Peacock. They are Cathy Musgrove, Tri Delt; Lynn Green, Gamma; Joanna Wilson, Pi Phi; Bess Rutledge, Indee, and Joann Huchttoen, Lambda.

Replacing Chuck Caddy as alumni contact is brother Jack Nelson. Brother Dick Albertson replenished the cigar supply by announcing his pinning to Joyce Babcock, a Tri Delt from Whitman College.

Lambda Sigma Chi...

The Lambdas were glad to welcome Joanne Marshall who came to visit and to announce her forthcoming marriage to Gordon Henrickson this Saturday.

Neon Knoebel has been chosen as chairman of our annual parents' banquet to be given March 2 at the Farm. The Sigma Nus announced that Lambda Joeann Huchttoen has been chosen as a candidate for the White Rose of Sigma Nu.

SIGMA ALPHAS EPSILON...

The short rest between semesters found the SAEs busy working on their pipe dream, the installation of new plumbing in their recently acquired house. It is to be noted, however, that even though reconstruction is in progress, the gold and purple bricks carried by the pledges this week do not mean that the house will ever have a brick covering.
GREEKS

Sigma Chi...

Sigma Chi's annual Northwest Province convention is slated to be held here in Tacoma on March 7th and 8th. The Sigs, together with the Tacoma alumni chapter, will play host to the convention. The best of luck to brothers Al Boyer and Cal Davidson, who both left for the Army a short time ago.

Our new davenport, a gift of the Mother's club, is a comfortable and welcome addition to the living room.

Pi Phi News...

Congratulations go to Dolores Kaiser for being chosen "Spur of the Moment" by the Knights.

The pledge class gave Mary Ann Jugovich the bracelet as their "girl of the year."

Monday, February 16, the Pi Phis are invited to a fire side with the Phi Delts.

Bother's club presented us with new cabinet window seats. Thank you very much.

Congratulations to Joanna Wilson who was picked by the Sigma Nus as Pi Phis' candidate for Sigma Nus' White Rose queen.

The following officers were elected and installed at our last meeting: President, Marilyn Ruchty; vice president, Bonnie Boze; corresponding secretary, Marilyn Rosso; recording secretary, Marilyn Selander; treasurer, Donna Dettrich; assistant treasurer, Robin Enschede; scholarship chairman, Shirley Campbell; pledge supervisor, Joanna Wilson; assistant rush captain, Joni Piper; Panhellenic president nomination, Mary Ann Jugovich; historian, Dolores Kaiser; assistant historian, Martha Wegner; program chairman, Doris Caldwell; activity chairman, Janet Gerhard; Panhellenic delegate, Pat Murphy; and the censors, Doris Caldwell and Marilyn Wagner.

Theta Chi...

Theta Chi pledges ended Help Week with a second degree at Fox Island. Last Monday night the fraternity was treated to cigars before the game and soon after followed the traditional party at the Yacht club, sponsored by Al Birkland and Charles Goforth, who announced their pinnings to Barbara Johnston and Joanne Olson respectively. After a terrific battle against overwhelming weight and numbers the two found themselves swimming in the ice cold bay. The membership serenaded Joanne at her home and Barbara at Anderson Hall.

Several functions were planned at Monday night's meeting. Among these were the fire side for this Friday night and a program for Religious Life Emphasis week.

Mrs. King was welcomed as the new cook at the Theta Chi house.

MSM Sees Film

The first official combined Methodist Student Movement group meeting was held Sunday evening in the SUB. The combined group is scheduling meetings on a trial basis.

Sunday night's program included a movie, "One God," depicting the differences and likenesses of the three primary Christian religions. After the picture, which was shown in Jones hall, a brief worship service was held in the chapel and members met for a friendship circle to end the evening.

Central Board Notes

Central Board held a short meeting just before finals. Rally committee explained the faculty viewpoint on putting up posters to advertise games. It seems that as no one takes them down after the games the school looks like a shanty town.

At the meeting Feb. 5 some of the committees formed last semester began to show results. The Rugby committee is looking for a book of rules on the game.

A committee formed to have the SUB open evenings has seen many of the powers that be and are now trying to overcome some of the difficulties.

Nat Burwell was recommended as the new TRAIL editor. Central Board, cautious over past problems concerning Trail editors, reserved final decision until Nat could appear before the board.

The insurance committee, which has put in a lot of work on their project, gave the first report. They have come up with a reasonable plan which will give considerable coverage. Some details were not clear so a further report will be made in the near future.

The policy, put out by the United Pacific Insurance Co., has been adopted by many of the elementary and high schools in the district. The plan, if adopted, will be compulsory, at a cost of $1.25 per semester.

Six Students to Present Music Recital Tonight

Tonight at 8:15 a formal recital will be given by six advanced students of music in the Jones hall auditorium at CPS. The six, who are students of John Cowell, Leonard Jacobsen, Raymond Vaught and Ivan Rasmussen, will present a program of instrumental and vocal selections.

Marchud’s “Plein jeu,” and Saint Saens’ Rhapsody No. 3 on Breton melodies will be played by organist Marjorie Newhouse. Don Lemon, baritone, will sing Mozart’s “Non piu andrai,” from “Le Nozze di Figaro” and “Shenandoah,” accompanied by Rasmussen.

Still more on the program will be Frank Marks, pianist, playing the first movement of Mozart’s Sonata in A major, and Ardys Reed, violinist, playing Corelli’s “La Faliana,” while Nina Kuehl accompanies.

Another organist, J’Anna Sharrad, will play two Pachebel selections, “Vom Hirnem hoch da kommt’s ich her,” and “You Raise the Flute to Your Lips.”

Closing the program will be Miss Suzanne West, soprano, who will be accompanied by Frank Marks while she sings “Si mi chiamano Mimi,” from “La Bohème,” and Puccini and Verdi’s “Caro Nome,” from “Rigoletto.”

The recital is complimentary, and anyone who is interested is cordially invited to attend.

Central Trimmed...

The Loggers took to the road on January 16, and dumped Central’s Wildcats, 70 to 61. Although always tough at home, the boys from Ellensburg couldn’t cope with the clutch foul shooting of Warren Mooyles and Jake Mayberry. These two sharpshooters combined to score on 10 out of 11 tries at the free throw line in the fading minutes to provide the margin of victory.

Maberry was high-for the evening with 20 points, while Mooyles and Tiessen followed with 16 and 15 respectively.

Dr. Thompson Speaks At Girls’ Dorm Meet...

Dr. R. Franklin Thompson, CPS President, was guest speaker at Anderson hall dorm meeting this month. He spoke on the new addition to Anderson hall. After having been shown blue prints of the new building, the girls were asked to make suggestions of improvements in the new dorm. It is scheduled to be completed by the fall of 1955.

Dr. Thompson also discussed briefly the plans for the new library, to be situated southwest of the dormitory.

During the evening Marie Rowe was installed as president of the dorm. Other officers were Jan Swenson, vice president; Ruth Klovee, secretary; Marcia Wallin, treasurer; Marjorie Carebier, sergeant-at-arms; Bess Rutledge, historian; Millie Buttao, song leader; Lynn Green, courtesy chairman; Bonnie Case, scholarship chairman, and Shirley Rutledge, publicity chairman.
On the Limb

Evergreen Conference games this week-end and possible, but not probable, outcomes:

TONIGHT

Eastern at PLC—The Eastern Express should keep rolling, right past the Lutes. If PLC was at full strength, the story might be different, but their galaxy of guards have been nearly completed. Could be closer, but despite the fact that the Lutes catch them on their home floor—Eastern over PLC, by 10 points.

Western at UBC—Give the Thunderbirds a couple of more years and they might be a conference threat. Although they beat Western in a non-conference game once this year, the Canadians haven’t completely mastered this American born game yet. Western over UBC by eight.

Whitworth at CPS—The Loggers beat them in Spokane, they should also do it in Tacoma. I say this while at the same time remembering that the Pirates scored 55 points in the second half to come from behind and beat Western last week-end. Watch this Jim Doherty. He is the conference’s leading scorer and high man for Western.

Whitworth at PLC—The Pirates should come roaring back and take out their wrath on the Lutes. An upset is not impossible, because no one beats PLC easily in the Lutheran gymnasium. Whitworth over PLC—eight points.

UBC at Western—Same story as the night before, providing no show of over-confidence on the part of the Vikings. Western by 10.

Eastern at CPS—The Loggers lost by the margin of two points on Eastern’s floor. The “wee-je” board says they’ll win by two here. CPS on the long end by two Maberry free throws.

CPS Intra-Mural Basketball Play Opened Last Week...

Hoop play last week saw Phi Delta Theta, Kappa Sigma, Sigma Chi, and Sigma Nu win victories the ‘A’ league to touch off the beginning of the 1953 intramural basketball season at CPS.

Kappa Sigma beat Todd hall men by a final tally of 57-35. High scorer for Kappa Sigma was Tom Glump, who poured a total of 18 counters through the hoop. High man for Todd hall was Phil Gleb with 13 points.

In a tilt played in the women’s gym, Phi Delta Theta’s five trounced SAE by a score of 66-29. Jim Miller was high scorer for the Phi Deltas, with 21 markers to his credit. A total of 10 points give Cisco Eguiluz high point honors for the SAE quint.

Sigma Chi slaughtered Theta Chi in a lop-sided contest ending with a 65-6 score. Hoopster Jon Torgerson of Sigma Chi netted 27 points to place him at the top of the scoring column. High man for Theta Chi was Dave Nicholson with 4 points.

A strong Sigma Nu team vanquished the Independent five by an 18 point advantage with a final score of 55-37. High man for the Sigma Nus was Bruce Jorgenson with 24 points. Joe Karpach was high for the Indee’s team, scoring a total of 15 buckets.

In ‘B’ league play Kappa Sigma defeated ROTC 42-17, Sigma Nu beat Indee’s 55-37, Sigma Chi whipped Theta Chi 26-15, and Phi Delta Theta received a forfeited game from SAE.

Seven o’clock is the starting time for ‘A’ league games, and eight o’clock for teams in the ‘B’ circuit. Schedule Announced.

Games scheduled for next week are the following:

Thursday, February 19

Theta Chi vs. Sigma Nu (North end of Fieldhouse); Sigma Chi vs. Independents (girls’ gym); Kappa Sigma vs. SAE (Maint court in Fieldhouse); Phi Delta Theta vs. Todd hall (A team) (South end of Fieldhouse); Phi Delta Theta vs. ROTC (B team) (South end of Fieldhouse).

LOGGERS ENTERTAIN LUTES NEXT WEDNESDAY...

The CPS basketeers will receive their chance to settle the score with Pacific Lutheran next Wednesday night at the CPS Fieldhouse.

This will be the last meeting in the regular season for these two teams. They have met twice before and have split, each team winning on their home floor.

This game promises to be another typical Lute-Logger tooth puller. Depending on the outcome of the week-end's games, this one could very well be the decider as to who will play in the post season tournament at Cheney. The winner of this tournament will represent this district in the NAIB tournament back East this spring.

I don’t want to sell the Lutes short, but this corner will have to string along with the Loggers. They’ll be on their home floor, and they won’t be playing the same Lute ball club that beat them at Parkland. CPS on top—anywhere from one to 31.

Johnny O'Brien and guys named Stan, Ed, and Jack filled the air with basketballs at the CPS Fieldhouse last Tuesday night. The result was that our Loggers were tumbled before the sardine-packed 5,500 hootin’ and hollerin’ fans who were fortunate enough to squeeze themselves through the doors.

It was not with ease, however, that Seattle U won their twelfth straight victory. The Heinrick-men had their moments. They had several of them in the second and third quarters, when they out-scored the nationally ranked Chieftains. Except for a phenomenal first quarter by O’Brien and company, things could possibly have turned out differently. It was in that fatal first quarter that the Chieftains jumped to a 30 to 15 lead. The closest the pressing Loggers got after that was in the fourth quarter, when they closed the gap to nine points.

Johnny O’Brien collected 32 points for the evening, 22 of them in the first half, to pace all scorers. Logger Jake Maberry was second high with 25. Diminutive Russ Wilkerson, who teamed with Maberry to hold John O’Brien to 10 points in the second half, was next in line for CPS with 14. Moyles and Medin also scored in the double figures.

The Chieftains hit the hoop for a 49.3 percentage, from the floor, while the Loggers were connecting for 35.8.

The Seattle U JVs also came out in the black. They whipped the CPS reserves 85 to 61.
Loggers Gain Recognition

Individually and as a team, the 52-53 edition of the Loggers are receiving national recognition among small college basketball.

Jake Maberry, of course, is currently ranked third amongst the free throw percentage leaders. Jake has sunk 143 out of 173 attempts for an 82.6 percentage. The Logger captain is also forty-first in scoring with 30 points. They are dropping them through 52-53 edition of the Loggers are amongst small college basketball.

They stand in twenty-first place in rebounds. Dan is swiping the spotlight as he is ranked in the evergreen Conference with 13 buckets.

The Loggers pulled out all the stoppers in the second half against Central last week-end and came out on the long end of a 73-56 score. The game was marked by the phenomenal shooting of Jake Maberry. The CPS captain hit on 11 or 17 attempts from the floor and on 8 out of 10 free throws for a total of 30 points.

The rebounding of Clarence Tiesken was also notable. The bespeckled Logger pivot-man garnered the ball off the board 17 times during the course of the evening.

CPS HAMMERS CENTRAL

Loggers Dump Whitworth

Defeat Loggers

CPS played host to the traveling Loyola of Los Angeles basketball team and came within nine points of handing them their third defeat in as many games in the Seattle-Tacoma area. Loyola, which was beaten twice in two torrid battles with Seattle University the previous week-end, proved to be a hustling, ball-hawking opponent. It was mainly on the basis of these qualities that they beat the Loggers.

Maberry again led all scorers with 17 points. Moyles and Maberry followed with 14 each for the Loggers.

Kappa Sig's Take Top Spot

In Ping-Pong Tournament

Winning two more games than second place Todd hall, Kappa Sigma fraternityopped the 1953 intramural table-tennis championship with a total of 11 victories and four losses.

Duane Wilson, Kappa Sigma, was the only undefeated player in the tournament. Other Kappa Sigma team members were Bud Olsen, Walt Espland, Charles Roe, and Russ Wilkerson.

Final standings are the following:

With the end of ping-pong, the race for the intramural trophy grew tighter. Sigma Nu edged out in the front with 333½ points with Sigma Nu and Phi Delta Theta close behind with 332 points each.

CPS Loses to Eastern

Although out-scoring Eastern from the floor 19 to 16, the Loggers committed 32 fouls to enable the Savages to grasp victory from the CPS hands with only two seconds left on the clock.

A substitute Eastern forward was fouled while shooting, after Jake Maberry tied the score with 18 seconds left in the contest. The Savage sub stepped to the foul line and dropped both shots through the net to keep Eastern's conference record clean.

Dan Inveen led the Logger scoring with 17 points. Moyles and Maberry followed with 14 each.

Loggers Dump Whitworth

The Loggers surprised the previously unbeaten in conference competition Whitworth five by edging them 75 to 73 on their own floor. The maroon and white scored 26 points in the second quarter to overcome an eight deficit and were forced to stave off a desperate fourth quarter Pirate rally in winning their third conference game.

Maberry again hit for twenty to lead the CPS quint in scoring. Inveen, Moyles, and Medin each tallied with 13 buckets.

Finding School Jobs

When June rolls around, the first worry to cross the brow of the newly graduated student will be, "Where will I find a job?," but not so the graduates of the Education department. For already Dr. E. Delmar Gibbs, head of the Teacher Placement Bureau is on the prowl, finding jobs for his soon-to-be-graduated seniors.

Ever since the early years of the college there has been some sort of placement bureau for education graduates. Even department head Dr. Raymond Powell doesn't know when it started—and he came in 1936. Every February the wheels start turning in the cramped office in lower Jones hall and pamphlets, pictures and brochures by the hundreds pour out to all school superintendents in the state. This known to some in the field as the "slave trade," has, with few exceptions, provided positions for all graduating teachers ever since the bureau's inception.

Owing to the wartime birth increase and the draft, the demand for elementary teachers is tremendous, and even secondary teachers are becoming scarce.

Here's your chance, students, a job waiting for you upon graduation—the only qualification is that you must first major in education.

It's Happened Again

Claudette Colbert fans will have their inning Thursday night, Feb. 19, at the weekly CPS Film society presentation at 7:30 in Jones hall. The society will present "It Happened One Night," a high comedy which broke long run records in many an American theater back in the 1930's. Co-star, girls, is Clark Gable.
