Candidates File for ASCPS Elections
Yell Leader Tryouts...

Rally Committee wishes to remind those who are turning out for Yell Leader that they must meet the following general requirements:
1. Not on probation.
2. Must be available for all home games.
3. Must be available for one hour practice a week.

Tryouts will take place on Thursday, March 12th, at 10 a.m. The place will be announced in Chapel.

Chinook Shows Ski Film

Last Thursday Chinook members and CPS students thrilled to the showing of a film featuring skiing in the Swiss Alps entitled "Arosa Ski Holiday."

Ski day, held by Chinook club annually on Washington's birthday, was attended by approximately 150 persons from CPS. Reigning over the day's events was Ski King Fred Schmidt.

Future meetings of Chinook club are slated to include films of various other outdoor recreational sports.

Choral Readers Perform at Capitol

The Choral Readers, together with a portion of the CPS-Tacoma Symphony presented a historical narrative, "The Centennial Trail," in the House Chambers of the state capitol in Olympia last Monday.

The Choral Readers were directed by "Teach" Jones, and the orchestra by Professor Bruce Rodgers. The libretto was written by Chapin Foster, CPS Trustee, and president of the Washington State Historical Society while the background music was composed by CPS music professor John R. Cowell.

The college groups' performance was a portion of the opening of the Washington Territorial Centennial, and was broadcast on a network hook-up throughout the entire state,

Campus capers call for Coke

Parties click when the mood is right. With enough Coke on hand you can set the scene for a gay session . . . anytime.

DRINK Coca-Cola

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY
COCA-COLA BOTTLING, INC. — TACOMA, WASH.
The Sigma Chi chapters of the Northwest Province will hold their annual convention this Friday and Saturday in the Crystal Ballroom of the Winthrop Hotel. The chapters to be represented are from the University of Washington, and CPS.

The topics that the delegates will be faced with are: Scholarship, rushing, alumni relations, pledge training, campus activity, and interfraternity relations. Also of importance is the awarding of the H. H. Whithead trophy, to the chapter in the province best emulating the ideals of Sigma Chi. CPS was fortunate enough to win the award last year, the first year it was presented.

The program consists of meetings during the afternoons; and Saturday evening will feature the annual "Sig's Sing," with a banquet to follow.

Spring Vacation Dates Set

After several weeks of debate, the date for Spring Vacation has been finally set according to word received from Dean John D. Regester Wednesday. CPS spring vacations are usually arranged to coincide with the Tacoma Public Schools so that education majors at the college will not have to disrupt their vacations to keep up their practice teaching.

This year the college authorities were not able to discover the date of the city schools vacation prior to publication of the schedule in the catalogue. As a result the college had vacation slated for March 28-April 5, while the city schools are listed for one week later.

Adelphians to Start Annual Tour March 19

Thirty-two singers, three soloists, a chaperone, and a director will climb aboard a Greyhound bus Thursday morning, March 19. Fifteen days, 2,400 miles and three states later they will return from CPS's annual Adelphian tour.

Appearing in 28 concerts in that time, the choir, under the direction of Professor Bruce Rodgers, will present numbers ranging from 16th century liturgical hymns to contemporary American folk songs. They will appear in 17 church concerts and in 11 high schools.

The choral group will take part in three regular church services during the trip. The Spokane Central church will be visited on March 22, and performances will be given at two services on Palm Sunday in Kennewick.

Farthest reaching places on the tour itinerary include Moscow, Ida., The Dalles, Ore., and the Grays Harbor area.

Appearing as soloists with the group are Ardys Reed, violinist, a student of Prof. Raymond Vaught, and Miss Margaret Myles, well known Pacific Northwest contralto, and a member of the voice staff at CPS. She will appear at the evening sacred concerts and Miss Reed in the high school performances.

Director Bruce Rodgers has emphasized his pleasure in the choir's work so far this year, and will present the group in a Tacoma home concert on April 10.

Following discussion over education students, Adelphian tour, and the college program schedule, it was finally decided to keep spring vacation at the originally planned date.

There are some sad faced students on campus; they're the "unfortunate," "oppressed" education majors.

Candidates File For Coming ASCPS Elections

Thirty-seven candidates have tentatively been presented by the ASCPS Election Board for the filling of offices in the general election, March 17 through March 20.

For president of ASCPS: Donald Boesel, Phi Delta Theta; Warren Hunt, Sigma Chi; Doug Muir, Sigma Alpha Epsilon, and Wally Tonstad, Theta Chi, have been nominated.

Tom Baker, Sigma Chi, and Jolly Johnston, Delta Alpha Gamma, are vice presidential nominees.

For secretary of ASCPS, Joyce Anderson of Delta Alpha Gamma; Fran Ellertson of Lambda Sigma Chi, and Madeline Williams, Delta Delta Delta, have been named.

One representative to the Central Board will be chosen from each of the following year's senior, junior, and sophomore classes. From the senior class have been named Fred Fontana, Mary Ann Jugovich, Elaine King, George Pearson, Dorothy Powell, Will Peacock, Don Rogers, J'Anna Sharrard, Doris Soder, and Jon Torgerston.

The following are running for election to ASCPS from the junior class: Jim Hicker, Spike Schrette, Kenneth Kinzel, Bob Higley, Phil Glab, Lu Bradley, Donna Lillis, James Nelson, and Janet Swenson.

Sophomore class candidates are Rick Martinez, Richard Dodds, Charles Holtzinger, Carla Isaacson, Barbara Gonia, Mary Lu Mackey, Warren Wotten, Charles Arnold, and Suzanne Swayze.

From one of the following a May Queen will be chosen: Janet Carlson of Delta Alpha Gamma; Mercedes Cox, Ineedes; Joanne Lowry, Delta Delta Delta, and Marilyn Planje of Lambda Sigma Delta. The girls who receive fewer votes than the May Queen will be her attendants.
There is a tall red-haired fellow who can often be seen around South Hall. Who is he? LeRoy Ostransky, former house painter, ex-barroom piano player; today Composer in Residence at CPS and one of the nation's foremost contemporary composers and musicologists.

Professor Ostransky has recently completed work on music for the Territorial Centennial, having composed a piece in five movements "Western Star" for symphony orchestra, and orchestrated the score to "Eliza," the Centennial play. "Western Star," the official Centennial composition, has been booked for performance by orchestras in Bellingham, Everett, Walla Walla, and Richland. It will receive its premier performance with the CPS-Tacoma Symphony in an April 21 concert. "Western Star," based upon a poem by Stephen Vincent Benet, is dedicated to the spirit of those pioneers who came here in 1853. The five movements are entitled: 1. "Americans are always moving on," 2. "Birds calling in the morning," 3. "Pick up the fiddle, rosin up the bow," 4. "When the gospel train rolls in," 5. "Americans are always trying to explain."

"Eliza" will be performed through-out the state and will be taken in the near future on a nation-wide tour.

When asked about his duties as Composer-in-Residence, Ostransky explained that just as schools subsidize scientific research so does CPS subsidize music. He is obligated to compose a certain number of selections each year for the college ensembles. The object is to make the people in the U.S. aware of CPS as a music center.

Ostransky has in the last two years done a multitude of work. He has composed a String Quartette and a Violin Concerto commissioned by Carroll Glenn, wife of Eugene Liszt, the pianist who played for Truman and Stalin at Potsdam. He has written works on Education Music used in the study of instruments and the training of ensembles. Best known of his recent works is the "Handy Aid" for theorists and composers published two years ago. His choral works are at the present time being published by the Boston Music Co. He has been asked to contribute his string quartette to a program planned by the New Music Quartette, a New York group dedicated to the performance of contemporary music exclusively.

Recognized by many students as the outstanding lecturer on campus, Professor Ostransky is appreciated by the faculty as an entertaining feature at the faculty lunch table. In the words of one distinguished professor, "He's a riot."

As a summation of Ostransky we quote a statement from one of his contemporaries, "A high brow low brow."
Central Board Passes Compulsory Insurance

Compulsory insurance for all students is here, and it looks like it'll stay for a long time.

In a somewhat confused and poorly attended meeting, Central Board passed on the controversial issue that has plagued the school since last fall. All that remains now is ratification by the School Finance committee, and the Board of Trustees. It is expected that there will be no opposition in either of these groups.

Chief bone of contention was the obvious disapproval of the measure by the average student. In a poll taken in Convocation last semester, the students showed definite antagonism to the idea. The proposal as it now stands does not provide any exceptions for students having their own accident policies. Annual assessment will be $2.50 per student.

Another debated issue was a proposal made to include IFC as well as an AWS representative on Central Board. Much haggling back and forth was made over the merits of fraternities, but perhaps the most vitriolic statement of the day was made by Faculty Representative Prof. Capen who declared that, "The Inter-Fraternity group is an aristocratic group—," and that "You can not have the aristocratic group and the democratic group functioning together—."

No vote was taken on this measure because of the time limit, but it looks as though future Central Board meetings will prove quite interesting.

World Traveler to Speak At MSM Meeting Sunday

This Sunday evening, March 8 at 7 p.m., MSM will present a program of special interest entitled "With UNRA in China." The speaker is Bob Joyce, now a forestry major at the University of Washington. Several years ago Joyce and two other students went to China under the UN's UNRA program.

There they tried to stave off famine, and somehow get a crop out of the arid and desolate land left by the Yangtze floods. When UNRA folded, the boys stayed to finish the job, working wherever they could, until they were finally pushed clear out of China by the Communists.

Joyce found himself in Hong Kong with little more than his Leica camera, and from here he hitchhiked home to Kansas through India, Arabia and Europe. During the three years he was in China, Bob took several thousand Kodachromes. Some of the choicest of these will be shown Sunday night.

There will also be singing and refreshments, of course. MSM cordially invites everyone to the meeting.

Melvin, are you spitting in the gold fish bowl?
No, Ma. but I'm coming pretty close.

F. Pease Finishes Third In Recent Ski Race

Placing third in the slalom race held last Saturday and Sunday at Kimberley, B. C., was CPS ski team member Fred Pease, reports Dr. Robert Spranger, adviser for the team.

Winner of the meet, which had nine northwest colleges participating, was WSC.

Other members of the ski team are Chuck Raper, Tom Orbeck, Sandy deCarteret, Jim Gourley, and Buzz Pease.

Scheduled for March 14-15 at Spout Springs, Oregon, is the last race to be entered by the College of Puget Sound slatsmen. They will enter the downhill, slalom, and cross-country races.

Sigma Nu Fraternity Members Donate Blood

Sigma Nu fraternity has done something about the need for emergency blood for CPS students and graduates.

Sheila Ryan, former CPS debater and a '52 graduate, is at present a patient in St. Joseph's Hospital in Tacoma. Sheila has required two major operations and a total of 21 pints of blood in the last five months. She has not yet recovered her health, and is still in need of transfusions.

Sigma Nu men who heard of Sheila's need decided it was time to lend a helping hand. Next Tuesday, a group of volunteers will contribute a pint of blood each. This blood will be credited to Sheila's account by the Pierce County Blood Bank. The goal to replace blood for Sheila is 21 pints.

Sheila will be remembered by CPS students as a member of Dr. Battin's household during her college career. She is now a postulant in the novitiate of the Sisters of St. Francis, Philadelphia foundation.

Pi Beta Phi...

Pi Phi's received nine pledges into membership at initiation services held last Sunday afternoon. The nine are: Janet Brinkman, Lou Bradley, Barbara Goniz, Barbara Hagen, Pat Lewis, Sally Nelson, Liz Regester, Rita Richardson, and Bette Shaffer.

Following the initiation a banquet was held at the Towers at which time Bette Shaffer was given the award for the outstanding pledge of the year. The evening was climaxed with the announcement of the engagement of Dolores Kaiser to Eldon Flahaut of Olympia.

Sharon Walker was pledged to Pi Phi at the Monday evening meeting.

A Phi Delta fireside held Monday, Feb. 15, provided a setting for the announcement of the pinning of Doris Caldwell to Don Snider.

Delta Alpha Gamma...

Delta Alpha Gamma initiated 11 girls in a formal ceremony in mid-February. The new members are Carol Barr, Sharon Campbell, Bonnie Case, Mary Gibbs, Bonnie Jordahl, Lynn Green, Janice Johnstone, Audrey Steinholm, Beverly Jones, Elizabeth Terrien and Alta Weseman.

Gamma candidates for Sweet heart of Sigma Chi are Bonnie Jordahl and Janice Johnstone.

The sorority's annual dinner dance has been scheduled for April 25.

Other social events on the calendar are a fireside with the Theta Chis and the actives' entertainment of the alums, scheduled for Monday.

Sigma Nu...

Sigma Nu enjoyed a prosperous weekend on the slopes over the holidays last week. In the races at Chinook pass, Buzz Pease took individual honors, while the fraternity team took second place. Reigning over the day's activities was brother Fred Schmidt who was elected Ski King.

Wearing the crown at the AWS Tolo last Saturday night was brother Dale Meshke, who was chosen by the girls as their king.

The fraternity played host to its White Rose Queen candidates Monday night. The girls were invited down for dinner and television and were then escorted to their respective sorority meetings.

Brother Clarence Engell is now our chief alumni representative. He is taking the place of brother Jack Nelson who has recently joined the navy.

Phi Delta Theta...

Plans are being made for the commemoration of Founders' day with a banquet scheduled for March 19 for the members of Washington Delta chapter and the local alums. The Founders' day celebration is an annual affair with Phi Delts and was inaugurated to commemorate the six men who founded the fraternity 104 years ago at Miami University, Oxford, Ohio.

This Sunday the chapter will go to the First Congregational church in a body as is the custom several times during the year. The minister of First Congregational is Rev. Chester Fiske, who was the principal speaker during Religious Emphasis week, and is a Phi Delt from Washington Delta chapter. Following church the fraternity will enjoy Sunday dinner at the house.

Terry Schick has been appointed editor of the "Phi Phyre," a quarterly news bulletin that will be sent to alums and friends of the chapter. At the meeting last Monday Larry Lamb announced his pinning to Marilyn Hanson with the passing of cigars. The Phis were delighted to receive a gift of ashtrays and printed matchbook covers from the Pi Phis. Dagwood, the fraternity mascot, also received a curry comb from the Pi Phis causing considerable jealousy among the members.

Ralph Whiting was pledged to Phi Delta Theta last Monday, thus bringing the strength of the pledge class to four.
GREEKS

Lambda Sigma Chi...

Monday night, the Lambdas gave their annual banquet in honor of their parents. It is becoming tradition to go to the “Farm” for a fried chicken dinner.

Entertainment featured Mr. Planje’s reading “What Is a Girl?” by Alan Beck, followed by two flute duets, and “Blue Tango” performed by Maurine Gerards and Marjorie Hayward, accompanied by Shirley Demko.

Because the Trail was not published one week, we were not able to announce the engagement of Patty Novak to Larry Engle and the pinning of Barbara Johnston to Theta Chi Al Birkland.

Delta, Delta, Delta...

Dawn Planta, new pledge for Tri Delt, was formally pledged last Monday. Preceding pledging, the sorority had a formal meeting which the junior members attended.

Last Sunday the Tri Deltas spent an enjoyable afternoon bowling with the Lambdas.

Delores Keller and Diane Siler are our candidates for the Sweetheart of Sigma Chi.

Next Monday night the sorority will attend a fireside at the Theta Chi house.

Indees News, Views and Cues...

The Indees’ annual cruise will be held May 2 aboard the cruise yacht Gallant Lady. Destination of the voyage has not been announced, but reservations are already being taken.

Joan Warren reported at Monday’s meeting on her weekend visit to Willamette University in Oregon as CPS representative to the regional convention of independent students. She returned with several new ideas for promoting Indee social and political activities on the campus.

It has been announced that a CPS delegate will represent all Pacific Northwest small colleges at the national Indee convention this year.

All non-Greeks interested in participation in the annual Song Fest, slated for later this spring, are asked to contact Marjorie Newhouse for details of Indee plans for entries in the competition.

April 23 Last Date
For Selective Service Test

National headquarters of selective service today reminded college students that applications for the April 23, 1953 selective service qualification test must be postmarked not later than midnight March 9.

The deadline is necessary to allow the administrators of the test, the educational testing service at Princeton, N. J., time to process the applications and assign each applicant to the testing center, of which there are 1,000, requested by the student—or to the closest possible alternative center. This will be the last test given during the current academic year.

Application blanks may be obtained by students from the nearest local board. They do not have to return home to the local board which has jurisdiction over them.

To be eligible to take the selective service qualification test, an applicant, on the testing date (1) must be a selective service registrant who intends to request deferment as a student; (2) must be satisfactorily pursuing a full-time college course—undergraduate or graduate—leading to a degree; (3) must not previously have taken the test.

The present criteria for consideration for deferment as a student are either a score of 70 or better on the selective service college qualification test or class standing among the male members in the upper half of the freshman class, upper two-thirds of the sophomore class or upper three-fourths of the junior class. Seniors accepted for admission to a graduate school satisfy the criteria if they are among the upper half of the male members of their senior class, or they make a score of 75 or better. Students already enrolled in graduate schools may be considered for deferment so long as they remain in good standing. Presumably, these criteria will be tightened “all up and down the line.”

Letters to The Editor:

Who is eligible to compete for the scholarship trophy?

As I understand it, each Greek organization’s scholastic average is based on the grades of the members only. The “Indeepends” is also an organization in its own right, in which the members pay dues and maintain it.

In previous years, our G.P.A. has been based on the grades of all non-Greeks. Why should we have to include anyone who is not a member of the Indees? Do the Greeks?

I would like to see the “Independents” acknowledged as a definite membership group, and be accorded the same consideration in this competition.

Let’s be fair!

“Independently” yours,

Bob Keller

The students get the paper.
The college gets the fame.
The printer gets the money.
But the editor gets the blame.

Sojourn to Oregon

Two big events in two weeks promise to keep members of the CPS debate squad busy. Last Wednesday the squad left for McMinnville, Oregon to attend the Linfield tournament. This tournament is an annual event considered the largest west of the Mississippi.

It is an opportunity for forensic students from most of the Northwest colleges to meet formally and socially. One of the outstanding events of the tournament is the stunt night. Each school presents a series of skits which are judged on originality and humor.

Representing CPS will be Milton Williams, David Griffiths, John Huston, Ken Stornans, Bob Clapper, Arlis Johnson, Bob Zelasko, Ed Dierocher, Duane Erickson, John Crawford, Franklin Johnson, Chuck Arnold, John Chapman, Mary Lu Mackey, Elberta Conkin, Delores Jungert, Beth Rutledge, Donna Bell, Millicent Bulataxo, Ellen Inkstad, Nadean Taylor, Suzanne Swayne, Delores Jordahl, Barbara Swall, Laureen Sakugawa and John Bartanetti.

Next Thursday CPS will be host to over 700 high school students when the forensic department holds the 20th annual high school tournament. All high schools in this area are invited. Many come from Oregon and Eastern Washington.

Students will be able to participate in debate, discussion, extemp speaking after dinner speaking, and other forensic activities. Members of the CPS debate squad will act as judges.

Records Fall by Wayside
In Intramural Hoop Tilts

The intramural games for the week of February 20 found several high scoring contests. In fact the Sigma Nu's "A" team shattered the marks made by the Independents a week earlier. They rolled up 125 points 18 for their Theta Chi opponents. During the game Don Murdock dunked 67 counters through the hoop. Other "A" league games on the same night found the Phi Deltas breezing by Todd Hall 55-40. Ehrenhein was high for the Phis with 21 while Glebb picked up 15 for the losers. The Independent's breezed by the Sigma Chis, 30-16. SAE forfeited to the Kappa Sigs.

In the "B" league games for the same evening, Sigma Nu edged Theta Chi 51-18; Independents, led by Schmidke's 20 points, Waltzed by Sigma Chi 54-24. Elsewhere the Kappa Sigs took measure of SAE 83-25 with McDonough's 24 points high for the winner and Billy Baird's 15 was high for the losers. Phi Deltas took a 32-20 victory from RTO to climax the week's play.

During the past week the teams have been having their mid-season rest as the State B high schools have taken over the Fieldhouse. Next week action will resume with Sigma Nu-SAE, Theta Chi-Kappa Sig, Todd Hall and RTOC-Sigma Chi, and Independents-Phi Deltas. Games will begin at seven on March 11.

Ski Day

On February 23, Chinook held Ski day and the intramural department held its ski races. The Sigma Chis came out on top for the third year in a row to gain permanent possession of the trophy. Sigma Nu ran a close second with Phi Deltas and Kappa Sigs following. Members of the winning team were Tabor, Torgerson, Mackey, Benscotter, and Price.

Operation of CPS Fieldhouse

The CPS Fieldhouse is managed by Ted Droettboom under the supervision of Bursar Gerard Banks. Droettboom, former 6th Avenue businessman, in his fourth year at the college, is both Fieldhouse manager and assistant business manager of intercollegiate athletics.

The Fieldhouse, completed in the summer of 1949 at a cost of $431,000, seats 5,000 spectators and the adjacent parking area provides parking facilities for 1,500 cars. Except for the U of W and WSC plants, the CPS Fieldhouse is the largest in the state.

The income of the Fieldhouse stems from rentals, which bring about $12,000 a year, and a percentage from the concessions amounting to an additional $2,500 a year. Some of the yearly expenses include: Heat, $1,800; light, $2,200; student help and extra help, $3,600; repairs, $1,700; supplies, $250. The rental price for the Fieldhouse is $300 a night. However, school functions are charged only $100, which just about covers expenses of heat, light, and cleaning up. In order to keep the Fieldhouse books in the black, a $75 charge is made to intercollegiate athletics for each basketball game played in the Fieldhouse. This charge is only made when there are gate receipts; no charge is made for practice sessions.

Because of official policies considered wise by the governing bodies of colleges under church auspices, CPS does not rent the Fieldhouse to promoters of professional boxing or wrestling. (The administration has not yet succumbed to the Chuck Davey influence.) Neither is the Fieldhouse available for dances other than school dances.

Even though the Fieldhouse is engaged about 120 nights a year, most of the rentals are the "expense only" variety. Only 10 to 15 rentals a year are in the $300 class.

The Fieldhouse has yet to show a surplus on a yearly basis, but the picture is looking brighter each succeeding year. In the first full year of operation, 1949-50, expenses were approximately $30,000 compared to an income of $24,500. The 1950-51 year showed expenses of $26,500 and an income of $24,000. Last year expenses dropped to $14,800 and income was $14,300, despite an outlay of $1,500 for plywood to protect the gym floor.

It is too early to accurately forecast the success of this year's operation, but Manager Droettboom says that things look favorable.
CPS Student Wins Skating Title

Bill Nick, a senior art and education major, is the new Pacific coast senior men's figure skating champion. Bill's Seattle victory was but the latest in a line of successful competitive contests.

In January of this year, skating for the Northwest senior men's title in Portland, Bill took the title, the Jackie Boyle award for free style skating, and placed second in the dance event.

Bill will be on his way to even greater skating laurels when he leaves the latter part of this month for Hersey, Pa., where he is to compete in the national skating meet in the junior skating competition. Bill captured fourth place in last year's national tourney held at Colorado Springs.

Bill Nick, in 1951, first came into Northwest prominence by winning the "gold medal" tests for both the United States and Canada. His present ambition is to win a place for himself on the U.S. team which will compete in the world's skating tournament this winter.

The soothing murmur of the air hammer in front of the SUB Monday and Tuesday was breaking a way for the sewage system from the new Music building.

Talent Tryouts Scheduled

The Women's College League is arranging a carnival in the CPS Fieldhouse April 17 to raise funds for the furnishing of the new Music building. Central Board is sponsoring a one hour talent show as part of the carnival entertainment.

Jack Gallaher, chairman of the talent show, announced that tryouts will be held Saturday, March 21, in Jones Hall auditorium. All talented students are asked to sharpen up their talents and bring them to the tryout.
"Old Automatic" ...

Jake Maberry, the Logger basketball captain the last two seasons, ended up with 516 points for the year. This total, spread over 27 games, gives Jake a 19.1 average.

The Logger reliable is resting in fifth place among the point getters of the entire Northwest. This is especially remarkable when it is remembered that Jake plays all of his basketball at a guard spot and is not especially thought of as THE man to score the points. Others who surpass his average include such men as the "well-fed" Bob Houbregs, Johnny O'Brien, and Jim Doherty.

Possibly the CPS captain would have scored many more if he had played his ball 10 or 15 feet closer to the hoop. That might well have been true, but by most it was considered more important that he use his superior ball-handling ability out front, where his generalship could also be better utilized.

When looking over the last two basketball years, one game always comes to my mind. It was the last game played at PLC a year ago. The contest was drawing to a close, and it began to look like for the first time in eight Lute-Logger games that CPS was going to come out on top.

The Lutherans were employing a full court press, and no less than twice when Jake was bringing the ball down the court, he set the man guarding him directly on the bottom of his britches. That's right, square on the bottom. He used neither a shove nor a poke, but with his clever left to right, back and forth, forward and backward dribbling he had his defensive man so confused that the only place he could go was down.

There have been other things worth remembering these last two years. Dan Inveen's sky rocketing rebounds and Warren Moyle's swirling left handed lay-ins, to name a couple. But as time goes by and the edges grow foggy as clear as a ten-spot on the sidewalk, will be the ludicrous sight of a man on the seat of his pants, at mid-court in the PLC gymnasium.

—Nelsorinni.
Loggers Lose in NAIA...

Gonzaga University won the right to represent the Washington district in the NAIA basketball tournament at Kansas City by bowling over both the Tacoma entries on successive nights, this week.

On Tuesday night the CPS Loggers succumbed to a terrific second half rally which saw the Bulldogs score 57 points. The final score was 93 to 63.

Jake Maberry kept the CPS contingent in the ball game the first half by scoring 14, but as the game progressed it became evident that the Loggers were giving away too much height and bench strength. The Gonzaga five, which handed Seattle U. one of their two defeats this season, held only a seven-point half time advantage, but put the game on ice early in the third quarter with a flurry of two pointers.

Noticeably lacking was the board strength of last year’s CPS Inspirational winner, Don Inveen. Inveen, who was the Logger’s top rebounder and second highest scorer, suffered a broken hand in the last CPS-Seattle U. game.

Jake Maberry led the Logger scorers with 19 points. Also on Tuesday, PLC upset the Evergreen conference champs, Eastern Washington, 61 to 54 to move into the finals with Gonzaga.

On Wednesday night the under-rated Lutes extended Gonzaga by pressing them into an overtime, only to lose 71 to 67. This game was won at the free throw line as the Bulldogs copped 31 gift points to PLC’s 11.

CPS also lost the consolation game to Eastern, 72 to 66. It was anybody’s ball game up until the fourth quarter when the Savages poured the coal to the stoker, outscoring the Loggers 20 to 14. Although they were headed most of the way, the CPS five fought their way to a 52-52 score at the end of the third quarter.

Maberry again led the Loggers with 15 points. This brought his season’s total to 516.

As a rule it doesn’t take long for the man with the push to pass the man with the pull.

Pirates Placed On Probation

Whitworth College found themselves on a year’s athletic probation following an Evergreen Conference meeting at which complaints against their athletic policy were aired by other members of the league.

It was brought to the attention of the representatives that Whitworth had played three more basketball games than prescribed by the conference as the maximum limit. As a special exception, they were to be allowed one extra game, but when it was discovered that they were playing two more than this, and that they had been playing an ineligible basketball player all season, a mixed feeling of resentment among the other colleges arose.

It is thought, in some quarters, that there were suspicions of Whitworth’s using ineligible football players last fall, and of carrying more players on the squad than is allowed by conference rules. It is possible that these unspoken suspicions might have had some bearing on the decision.

The penalty invoked upon Whitworth means nothing more than this: If the Pirates had finished among the top three in conference basketball this year, they would have been allowed by conference rules. It is more players on the squad than is allowed conference for the ball game this year, they would have been allowed to represent the Evergreen in the NAIA district tournament this past week; and if they should violate any of the conference rules within the next year, sterner action will be taken, possibly expulsion from the league.

All persons interested in turning out for the golf team, see Mr. Goman as soon as possible.

Sigma Nu’s Ahead In Intramural Race

The all-year intramural race is becoming one of the closest in a number of years. With five sports completed and six more to go, the Sigma Nus hold a slim margin in the battle for the all-year trophy. Phi Delts and Kappa Sigs are close behind.

The present standings are:

CPS Musicians to Attend National Convention

Three students and one faculty member will represent the College of Puget Sound at the regional convention of the National Music Educators Association in Bellingham March 19, 20 and 21.

Professor Raymond Vaught, CPS string instructor, and director of the CPS-Tacoma symphony will represent Departmental Director Rodgers, and Gary Aleshire, Scott McArthur and Bonnie Joy Thompson will perform with the 200 piece virtuoso band under the baton of Dr. Raymond Dvorak of the University of Wisconsin.

This band will contain representatives from colleges in Washington, Oregon, Idaho, Montana, and Wyoming, and probably will be the outstanding symphonic band event in the western United States this year.

Aleshire, for several years associated with dance orchestras in the Tacoma area is a freshman transfer from U. of Wash., and a member of the Tacoma civic orchestra. McArthur, a junior at CPS, has long been related to instrumental musical activities in Tacoma, also performing in the civic orchestra group. All three are members of the college band, and the CPS-Tacoma symphony.

Mrs. Vaught Recital Well Received

In a well performed, personable concert, Kathryn Kennard Vaught, college, cello instructor, assisted by John Cowell, CPS piano professor, presented an evening of well diversified and excellently interpreted music. Raining from 18th century Bach to 20th century Converse the program showed a well rounded selection.

Commencing with Pergolisi’s sweet and relaxing “Nina,” Mrs. Vaught played next in her first group, the “Adagio” from “Toccata in C Major for Organ” by Bach-Siloti. Finishing her first group was the Menuetto by Bounoncini, whose very flashing and intricate passages contrasted pleasingly with the warm feeling of the “Adagio.”

The major work of the evening, in the opinion of this writer, was the “Concerto in A Minor” by Saint-Sans. This was truly the highlight of the evening and showed Mrs. Vaught’s many hours of careful preparation.
