Decisions.
With each new choice
we grow a little
or digress a little.
Difficult as they may be,
refusing to make them
solves nothing;
only postpones
the inevitable.
There is no one
who can make them for us;
only we ourselves.

All our lives decisions have been made for us; but now the responsibility lies in our hands. When we were small our clothes were chosen for us. We went to church because we were told that was the thing to do. In school our counselors told us what classes we had to take; and if we did not attend class we were severely punished. Our parents even told us who we could or could not go out with, and dictated the standards to set our friendships by. For some of us even the choice of which college to attend was made by others. But now we are here and there is no one to lead us by the hand.
For all of us comes the decision of whether it is better for us to "go Greek," or to remain a member of Gamma Delta Iota. It is the individual's discretion and only the individual can decide.

If the decision is to join the Greek system — what sorority — what fraternity? How do we determine which is best for us? Once the choice is made are we going to bury ourselves, or will we take active interest in campus life?
Every fall and spring we face new academic decisions. We don't have a major yet, so we must decide which courses will lead us to make the right choice. We decide to register for religion because it is a requirement everyone must meet; and a science, let's not forget that, but what else will help us make up our minds?

Of course we have an advisor, and a “brother” or “sister” is always willing to suggest courses, but they cannot tell us what we are interested in; we are alone in our decisions. Once our schedule is planned what do we do if a class is closed? Pressures hit, and by the time we are through registration most of our energy is sapped.
On opening day of classes we are faced with the learning situation. If we don't like the prof will we stick it out or will we drop the class, try to find another, more exciting professor? Maybe we have an "easy" class; the lectures follow the book exactly. Will we go to class, or attempt to cover the material on our own time? Then another question—are we here to learn, or only to get a credit? This, also, is our decision and only we can make it.
Are we participants, or are we spectators? There are many activities on campus. Will we join any? Will we learn something of the community of which we are a part, or will we sit back and watch the rest of the campus interacting? Perhaps we will go to the other extreme and join as many committees as possible; get our names well known; have an "in" with the campus community. Then we will flunk our courses because we had no time to study; become known as one who could not make it on his own.
We had a good team in almost every competitive sport this year — how well were they supported? A team is for group participation, each supporting the other, but in actual competition the player is alone to make snap decisions, right or wrong. There are pressures in these decisions, because everyone is watching. An athlete must also decide if an education is important, or maybe he is just here to "play ball." He must decide what kind of future he wants. Life isn't all fun and games, but it is his life to do with as he will.
There are also individual choices in social life. These four years of our lives offer the chance to meet many and all different types of people; the chance to learn how to develop many of these same qualities in ourselves. We will mold our character as we would like to see it in these years. Will we take the opportunity to meet people and learn more about them, or will we sit and accept those than happen to come along. Or is it because we are too afraid of being turned down, or getting too involved? Maybe we will decide that college life is fun and concentrate only on the social aspects; forget this silly "education bit."

As long as we maintain a C+ average the draft won't get us, and we can graduate; Besides, dating a different girl every night is a challenge; isn't it?
We are living in exciting and eventful times. There are wars, new inventions and discoveries being made; fabulous explorations into outer and inner space are undertaken; the Soviet Union invaded Czechoslovakia. There was, also, an election this year; did we bother to learn which candidates best satisfied our needs? Have we read any newspapers lately? Do we bother to keep up with the times? A campus community becomes isolated from the rest of the world if you let it. The decision is yours.
Living groups, classes, activities, social life; these are all things which help us grow and prepare us for the outside world. Will we take advantage of them; Will we prepare ourselves for the future; or do we intend to stumble through life, looking for someone to make the decisions for us? Will we let life mold us, or will we take the initiative and mold our own lives? The decision is ours. Will we make the right choice?

ERSHIP

Keep the big boys honest.
It is a pleasure to write a greeting for the Tamanawas. This is an important document in the life of the University of Puget Sound which becomes to each student a living story of the people, the program, and the events of the University for 1968-69.

This Tamanawas will grow more precious through the years, for it will recall the days spent on the campus, the beauty of the surroundings, the friends that have been made, the wonderful relationships which students have had with faculty, and give in memory the rosy glow of university days.

I personally wish each of you a fine future. Your Alma Mater is always eager to serve you.

Sincerely yours,

A New Year For Many Things

Freshmen stand in the long lines awaiting registration for classes.

The Panhellenic reception brings an askance look from Joan Tracey.

KSUPS begins broadcasting on campus this September.
Frosh Spent First Days At UPS
Going To Orientation...

An informal college atmosphere greeted the incoming freshmen during orientation week. Various campus leaders both government and organizational came to these informal glimpses of college life. Many questions were posed to and answered by Dr. Thompson, Dean of the University.

Eating Watermelon...

Fun and food are part of the new campus life also.

Don Ho Brings Tiny Bubbles From Hawaii

An Hawaiian flavor added to the already jubilant Homecoming spirit as Don Ho presented his show, tiny bubbles and all. For a brief few hours the fieldhouse was transformed into Duke-Ka-Ni-Moco's. The songs and the costumes of the Hawaiian people were brought vividly to life as we listened to and sang along with the moving melodies.
“Going Back To The Islands”

The swinging Ali-Hees played “Going Back to the Islands” and all those in the audience wished that they were in Hawaii. The tempo of the show picked up quickly as the Ali-Hees presented a wild version of the “Hawaiian Wedding Song” and “Lovely Hula Hands.”

Queen Anita and King Scotty

Anita Helle was chosen Queen of the Homecoming festivities and Scotty Smith was chosen King during intermission of the Don Ho Show. Anita and Scotty represented the Women’s and Men’s Independent living groups.
"Let the Good Times Roll" and may those good times be now, and may they be plentiful, was the message extolled to the students at the traditional Homecoming banquet. Sara Bruns and Rix Patton were chairmen of the proceedings through wind, rain, and finally sunshine. The football team, Chips, Choppers, the cheerleaders, and members of the student body attended the festive banquet.
The Trike Race Rolled On

Queen Anita and King Scotty looked on as the traditional trike race begins.

Dr. Thompson wishes the Theta Chis good luck.

"I'm gaining on her fast!"

"But it's been fifteen years since I've been on a trike!"
Let There Be Lights and Fire and Noise

The bonfire blazed while the crowd stared in silence.

"Fight, fight, fight for U.P.S.," resounded through the frosty night warmed by the glow of the fire.

A local malt shop was the scene of a 1941 skit about up-and-coming G.P.D.

The Bumps played long into the night at the dance after the torch light parade.
The Weather Was Damp

King Scotty and Queen Anita thanked the rain-soaked crowd for coming to cheer the Loggers onto victory. All of the students were urged to attend the formal dance in the S.U.B. The Pacific Northwest Territory and the Sonics played at the dance.

Yet Spirits Ran High

The Thunderbirds of the University of British Columbia went home with their tails behind them. U.P.S. displayed competence both offensively and defensively and totaling a final score of 14-0.

A visitor from White Stag wishes the Loggers luck in the game.
The County City building was the scene of a protest rally against Ordinance 18669, which limits the rights of free speech. Members of the A.C.L.U. at the University organized and made their feelings on this issue heard.

Walt Perry sang at a pre-rally gathering; the audience listened thoughtfully.
Bill Cosby, the famous comedian, kept his audience in stitches with stories of his brother Russell and "the ultimate weapon", his mother. A thoroughly hypnotizing evening was enjoyed by all. Mr. Cosby introduced many selections from his album "To My Brother Russell With Whom I Slept."

Commencement Bay Campus

Could this be Jones Hall entrance? No, this is one of the beautiful entrances to Commencement Bay Campus. Students enjoy this co-educational way of campus living while attending regular classes at the University of Puget Sound.

Students enjoy a well-rounded concerts, lectures, and are planned in order for the students to get to know each other.

Different cultures, languages, and nationalities make this experimental program an international cultivation experience.

Everyone talks in their native tongue which is invaluable and everyone is given a chance to speak.
The historical significance of this monument to Tacoma beginnings is mirrored in the furniture, wood structure, room composition, and the landscaping of the grounds.

Playing in the snow is special fun here.

Students have use of an extensive library and are given ample time for their academic lessons.

Cross Country was a new varsity sport this year at the University of Puget Sound coached by Gary Patton. The team consisted of five athletes, who ran in races ranging from three to five miles. The races were run over golf courses, backwoods and parks, in rain, wind and freezing temperatures.

The Loggers competed against P.L.U., St. Martin’s, W.W.S.U. and Whitman. They also competed in two invitational meets. The Loggers, led by their captain, Paul Marchant, consisted of Jack Donnell, Rick Fensak, Curt Barber and Lance Hartley. The Logger team finished the season with a decisive victory over St. Martin’s.

STANDING: Ernie Smith, Ed Horne, Mike Jordan, Howard Clark, John Smith, Mike Bourn, Argie Rhymes. COACH was DON ZECH.

Lowery dives to recapture ball.

Yahhhhh, that's what we'll do.
Mike Bourn shows his determination to break away from his opponent for another basket.

Dave Lindstrom has set his sights for the basket and no one can stop him.

Mike Jordan and John Smith team up against Simon Fraser to block that ball.
Huston shoots over the outstretched hands of one of the University of Portland's players.

WRESTLING

The Wrestling team coached by Ramon Payne came out with their best season to date, a five win and seven loss record.

Bob Hunt, Jim Meyerhoff and Randy Brooks were the outstanding mat men this year, each averaging an eight win record. The UPS wrestlers were strong with endurance and determination. An example of this was Jim Meyerhoff who won the pin trophy with four pins for the season. Jim was also elected recipient for the inspirational award.

Coming back for another season will be Bob Hunt, captain-elect for the '69-'70 wrestling season.

Coach Ramon Payne
SKI TEAM: ROW 1—SITTING: Major Dean Hunter, Mary Hall, Gigi Graham, Margaret Gish, Nancy Hillier, Rooks Olson and Z. F. Danes. ROW 2—STANDING: Vince Withington, John Husband, Mike McCloskey, Sara Eaton, Grant Mittlestaedt, Peg Robinson, Tom Neu, Dan Moore, Bruce Norquist. ROW 3: Steve Pettibone, Steve Giese, Kris Anderson, and Jim Ulrich. The trophies pictured are the UPS Invitational Girls Team—1969 and the Gretchen Kunick Fraser Trophy—Daffodil Classic Award. Also on the team but not pictured are: Rick Stockstad, Hans Van Eichen, Jack Scheepbouwer, Fred Lachutzki, Frank Kowalski, Tracey Jackson, and Pam Harris.

CAPTAINS GRANT MITTLESTAEDT and SARA EATON.
CREW TEAM '68-'69 WERE: ROW 1 L TO R: Terry Wilson, Bruce May, Art Weatherly (coxswain), Larry Lopez, Rick Peterson (commodore). ROW 2: Charles Austin, Al Lawrence, Dave Wilson, Ned Rawns. Also on the team but not pictured are: Jack Fullerton, Vern Van Houten, Brian Johnson, Mark Leigh, Dick Munro, Bob Nelson.
Head Coach Bob Ryan took his team through a schedule of ten matches competing with teams from Washington, Oregon, and British Columbia. The Logger golf team, led by senior members Steve Dubsky, Roger Lundberg, and Steve Peterson opened their season with a 18-0 victory over St. Martins.

Members on the team came out holding various honors. Exhibiting outstanding performance in a match against Western Washington at Fircrest, Roger Lundberg sank a hole in one on the No. 12 hole. At the Wile Country Club, Steve Peterson claimed a low medal score of the year of 73 against the Washington Junior Varsity team. Bob Boyd was awarded the Marlowe Memorial Golf Scholarship by the Tacoma Golf Association.

With the majority of the lettermen returning, next season should prove to be a successful one.

GOLF TEAM KNEELING: Steve Peterson and Bob Boyd.
STANDING: Coach — Bob Ryan, Steve Bubsky, Bill Lincoln, Jerry Baglien.
The Loggers beat their arch-rival Central Washington 57-56 in their best performance of the year to re-establish their position as the top college division team in the Northwest.

UPS placed 14th out of 64 teams competing in the NCAA College Division Championships at Springfield, Massachusetts in March. Five swimmers were named to the College Division All-American team:

Peter Hamilton: 400 and 800 yd. freestyle relay teams
Bill Martin: 400 and 800 yd. freestyle relay teams
Dave Voss: 400 and 800 yd. freestyle relay teams
Steve Kimberley: 400 and 800 yd. freestyle relay teams
Ron Payne: 100 yd. Breaststroke

Only one swimmer, butterfly Doug Ewen, will be lost to the team through graduation, so we should be able to look forward to another successful season in 1970.

Team co-captains were Jim Dupree and Doug Ewen.
UPS Swimmers knock off for a while.

One for the money, two for the show, three to get ready...

The 1969 Track Team was coached by Joe Peyton. It was a disappointing year for the Loggers despite a few bright spots. Jack Donnell broke the mile record at UPS. Tom Neu bettered the pole vault mark. Rick Stockstad won all his hurdle races, but lost the one at the Conference. Larry Thompson came within eight inches of the record in the javelin throw.

For their outstanding contributions Jack Donnell received the Most Improved and the Inspirational Winner Awards and Larry Thompson received the Most Valuable Athlete Award.

With many returning lettermen the Loggers can expect a better season next spring.
In the relay, runners like Scotty Smith drive hard and fast to the finish.

The UPS Soccer Club was founded in October last year by Mr. Hans Schut and Mr. George Phillip, with the support of Professor Ng'Eno and Professor Prins. After having played four successful games, the team was admitted in the highest division of the Washington State Soccer Football Association in which many interesting games were played. The teams in this league ranked the highest in the state. A trip to Vancouver, B.C., where they played Vancouver City College was also made. Next year, the team will be playing in an Intercollegiate Soccer Conference. Other members in this conference will be University of Washington and Western Washington State University. A permanent coach will be the basis of success in this league.
Baseball

After only three years of NCAA Competition our team has proven itself to be a strong competitor with its new affiliation. The key word in UPS Baseball is inspiration. Our boys have proven they have a good share of it as evident by their tremendously successful season. Of course, much credit must be given to Coach Jack McGee who has built the team into the diamond power it is now.

In the Regionals UPS dominated the action on the Pacific Coast by scoring 3-2 and 7-2 wins over Chapman and a 12-7 decision over Sacramento State.

Five Puget Sounders were named to the All-Star team in the regional tourney. They were All-America pitcher Rich Hand, catcher Rodger Merrick, shortstop Mick Kelleher, third-baseman Dave Chambers and second-baseman Jim Bernstein.

UPS fans will remember this year's team with all its unsung heroes.

Rich Hand Named 1st Team All-American At Season’s End
This year the UPS Tennis team met the top teams in Washington. They demonstrated one of the better efforts seen at UPS in spite of the season they had. Coach Paul Walrof managed to light his victory cigar seven times during the '69 season.

The team was led by senior Dan Merill, who was not only an inspiration to younger players, but also an excellent competitor, as evident by his record here at UPS over the last three seasons, 57-28. Dan Merill and Bill Wilson also a senior will be the only two top men leaving this year. Next year the squad will prove to be much stronger having Brian Berg, Brick Kane, Jim Smith, Tom Trefts and Steve Tyberg. These returning lettermen will build UPS's Tennis team into a major tennis power.
RUGBY TEAM '68-'69 WERE: ROW 1: Dave Johnson, Mack Lievense, Ron Dean, Chuck Lenfesty (captain), Chris Collins, Chuck Woodcock, Hans Van Elchen, Tim Moen. ROW 2: Jeff Arakaki, Reaul Ancira, Bill Thomson, Paul Schmidt, Toey Meyer, Fred Gatewood, Jacques Garrigues. Also on the team but not pictured are: Alfonse Roemer, Jeff Carlson, Don Harris, Jim Bernstein, Rob Cole.

What a tight scrum!
G GROUPS
The 1968-1969 school year was another great year for Beta Theta Pi. Betas obtained a fine 13-man pledge class of whom several were participants in sports and other campus activities. Pledges were victorious in their annual football game with the Fijis (7-0).

Homecoming was successful as the Betas won the Spirit Trophy and the Homecoming Trophy, a two-year repeat. Also the Betas took first place in the Homecoming Trike Race for the second year in a row.

In intramurals Betas showed how two times two times two times two can equal one. By mid-year they had taken second place in football, bowling, swimming, and volleyball, but under point standing were in first place.

This year saw many great annual social functions for the Betas; their Christmas dance, yard party, camping trip, spring weekend, and many off-the-cuff functions.

Beta activities still left them time to devote to grades, as their house average proved, and to fulfill many inter-house obligations.

It's a good way there is more than one way to get up the stairs.

Phi Gamma Delta

The Wise, Old Great White Owl again saw the Fiji House Play an integral and established role in the UPS campus community. Gamma reviewed the memories of the year — of Ed Galen serving as ASUPS Second Vice President, of the best pledge class on campus which included the President and Vice President of the Freshman class for the second straight year, of continued success in intramurals, of our anniversary banquet with our Theta sisters, of active involvement in student government with Fiji men in positions as ASUPS Second Vice President, Tamanawas Editor, Frosh class officers, IFC Rush Co-ordinator and Friday-At-Four chairman, of brothers with missing black diamonds, of the purple Fiji chariot again winning first place, of the annual Purple Garter dance at Alderbrook, of hosting Fiji brothers from Alberta, British Columbia, Washington, Idaho and Oregon at the Northwest Section Convention, of helping to incite the annual Union Avenue riots, of the warmth of the handclasp exchanged by Fiji Men who honored their secrecy policy and cooperated with one another to build a unified chapter on the UPS campus.

Looking back over a successful year, the GWO emitted a hoot of exultation over the productive and fraternal spirit of Fiji Men at UPS.
In 1969 Kappa Sigma Fraternity proudly celebrates 100 years of brotherhood. In connection with the centennial ceremonies the Epsilon Lambda chapter will send several of its members to Richmond, Virginia, for the National Conclave in August.

Kappa Sigs have been active in many areas on campus. We have members who are the president and treasurer of J.F.C., a member of the Student-Faculty Relations Committee, men in R.O.T.C., Circle-K men's honorary, and Alpha Kappa Psi Business Fraternity. As an example of school spirit, we have the president of Choppers and a Yell King for 1968-69. Kappa Sigs are also active in sports, including four starters on the Logger varsity football squad, members on the Varsity Golf, Track, and Baseball teams, and full participation in the intramurals.

We have also had a variety of social functions including a coffee hour with Governor Dan Evans, Hell's Angels, Pearl Harbor Blast, Toga Party, and an exchange with University of British Columbia. The year was highlighted with the annual Black and White formal which was held in Vancouver, B.C. and featured the coronation of our new Stardust Queen.

It has been a progressive year both academically and socially and with close to a full return of membership, including all of its officers, Kappa Sigma looks to another outstanding year.
The Brothers of Washington Delta Chapter of Phi Delta Theta were busy this year, not only athletically, but socially and scholastically. Several brothers were involved in school government, others showed school spirit while trying their skills in football, skiing, wrestling, basketball, swimming, track and baseball.

The diverse abilities of the Phi Delts led us to another successful year in intramural sports, attempting to retain last year’s championship trophy.

Socially, the year began with our annual Pirate Party, held in the good ship Phi’s mattress tunnel and pirate lair. As the year progressed, our Pledge Dance, annual Christmas Orphan party with the Thetas, and Christmas Formal were in store. Climaxing the year was the Phi Delta Theta Goddess Ball, a spring formal, held on the Oregon Coast.

Scholastically too, the Phi Delts placed well, upholding previous records and supporting an effective study program of which our fraternity is proud.

Recognizing the responsibility of brotherhood as well as enjoying its benefits, the Phi Delts are unified in their effort to further participate actively in the University and Community.

SIGMA ALPHA EPSILON

Washington Gamma Chapter of Sigma Alpha Epsilon is extremely proud of its record on the campus of the University of Puget Sound.

Many of Minerva's men hold responsible positions in school government and serve on various committees and boards. Inter-collegiate athletics, intramural sports, academic excellence, and a rounded social life are prime ingredients in the lives of S.A.E.'s.

The year was filled with various social functions ranging from the "Embalmer's Ball" to the colorful Hawaiian Luau, which gave everyone a chance to draw one last deep breath before plunging into spring finals. The social year reached its zenith with the annual S.A.E. Little Sister Ball. Other areas that we take pride in were our outstanding Homecoming activities and proud association with several service organizations such as the annual Muscular Dystrophy Drive.

The house itself is faithfully guarded by our mascot, the King of Beasts. Fully implanted in solid concrete, we rest assured he will continue his vigil, not always safe, however, from frequent alterations of color and on one occasion an authentic tar and feathering.

Such scars will be worn proudly, however, as the lion guards those of us who look to the future with confidence as we strive to uphold the high ideals of our fraternity, SIGMA ALPHA EPSILON.
Sigma Nu

The Zeta Alpha Chapter of Sigma Nu Fraternity continued to participate in all campus activities in the past year. Sigma Nu is proud of its continued leadership in scholastic rankings. There were men in positions of leadership in student government and campus activities as well as men participating in all varsity athletics.

The social calendar was highlighted by the White Rose Dance at Sun Mountain, Washington, after an exciting year of exchanges with sororities, a cruise on Lake Washington and the traditional watermelon bust.

The Men of Sigma Nu look to the future with enthusiasm and confidence.
The pledges return home after a football victory.
The past year at Sigma Chi and the hope for the future has offered and will continue to offer a well-rounded academic, social, and intramural program. The past year ended with our seventh overall consecutive intramural championship and the present looks hopeful for number eight. Our social program has included house dances, a Christmas dance, Valentine dance with the Tri Delts, and spring plans for our annual Sweetheart Ball in Victoria and a spring dance with Pi Phis.
The Men of Theta Chi began the fall semester with a successful rush resulting in the pledging of 20 men. The year continued those productive lines with Theta Chi actively participating in all school activities. The Theta Chi trike stole the show at the annual Homecoming Trike Race. Theta Chi took first place in the IFC food drive for needy Tacoma families.

The social life was not neglected either. The Men of Theta Chi held many social functions including their annual Pledge Dance and Christmas Dance. The social year was highlighted by the annual Dreamgirl Ball held this year at Rosario Resort in the San Juan Islands.

Theta Chi was again well represented in all campus activities including IFC, Central Board, Tamanawas, ROTC, Circle K Knights, Choppers and all IM and varsity sports.
The Men of Todd once again made important contributions to activities at the University of Puget Sound, both within the dorm and on campus. An enthusiastic freshman class coupled with a core of upper classmen gave Todd one of our most successful years.

Our year started out with a bang when Scotty Smith of Todd was crowned Homecoming King and our display pulled a Second place in the overall competition. One of our freshmen, "Buster" Brown was elected frosh class Sergeant-at-Arms. Our Christmas Dance in the Winthrop Crystal Ballroom was a successful evening enjoyed by all in attendance. The second semester was highlighted by Todd's Annual Logger Day and the traditional Todd Hall Spring Cruise. We also participated actively in Spring Weekend with a booth at the Carnival and a wealth of music in Songfest.

The interests of the Men of Todd are as diversified as our activities. Our Men were active in Adelphians, and our sophomores participated in Circle K Knights. Our athletes represented Todd in intramurals and varsity sports and Todd can claim the entire cross country team. Todd men appeared in Who's Who and were active in Air Force ROTC and Arnold Air Society. In another very different area, the men of Todd provided financial support for a Korean orphan. In academics our interests range from the fine arts through business courses to the sciences.

The Men of Todd in their many different activities have enjoyed a successful and productive year and in their enthusiasm look forward to many more.

Roles of Alpha Phis at Puget Sound were many and varied. They enthusiastically became involved in Adelphians, AWS, Chips, Spurs, Splinters, Music honorary, Silverseals, Angel Flight, student government and Homecoming. Among their members numbered the Theta Chi Dream Girl, Little Sisters of Minerva, editor of the Trail and the Kappa Sigma Stardust Queen.

The versatility of the Phi's of the Gamma Zeta chapter included service to the community through tutoring and work for our national philanthropy, the Cardiac kid. Our pledges helped present a successful formal Heart Ball at Union Station.

Sororities love to throw dances, and the Alpha Phis are no exception. "Those were the Days" was the novel theme of the pledge dance held at the beautiful Alderbrook Inn on Hoods Canal.

Our girls became internationally minded during the course of two semesters. Two went to Vienna and five joined the spring semester in Rome.

Scholarship, spirit and sisterhood characterized this year with the A.
Things were a bit crowded at the pledge sneak...
"Our rooms show our personalities," Reni commented.
Chi Omega

Leadership, service, activities, scholarship, honors and fun in a meaningful combination have not only rounded out our year's experiences but have provided satisfaction to each girl personally and for the group as a whole.

Highlights of the social and service activities Chi Omega participated in were the pledge dance—truly a “Space Odyssey,” the Christmas Gold Ball, banquets, Sigma Chi Derby Day where we placed second in events and WRA football in which we took first place. Chi Omega's were also active in SAGA and work at Madigan Hospital.

Chi Omegas were greatly honored by having members in Who’s Who. Leaders abounded in every phase of university life—Panhellenic president, Adelphian president, Phi Beta president and vice president, Angel Flight officers, Chips officers, and editors of the Trail and the Tamanawas. We also have sisters in Spurs, Mortar Board, and Madrigals.

Our rewards were due to the hard work each sister put forth in making this past year a most impressive, exciting and memorable one for each of us.

Delta Delta Delta's spirit was emphasized through the unity of its members. On campus Tri Delta enthusiasm was best exemplified in Homecoming, during which they won the Spirit Trophy for the fifth year in a row. Among their numerous social activities, a highlight of the year was the Christmas Dance held at the Tacoma Lawn and Tennis Club with the Theta Chis. Their spring Dinner Dance, also a highlight, was held at the Tacoma Country Club.

Around campus Tri Deltas are represented in Sigma Alpha Iota, Chips, Mortar Board, Adelphians, Spurs, House of Critics, Home Ec Club, Drama, Silver Seals, Ski Team, Phi Chi Theta, Madrigals, A.W.S., Sailing Club, and various aspects of student government. Also, this year nine Tri Deltas took part in the semester abroad programs in Vienna, Rome, Ireland and India.

Service projects are other areas in which Tri Delta members show their interest and enthusiasm. From their traditional kidnapping of the men's living group presidents for the ransom of non-perishable food for needy families in the area, to this year's pledge project of visiting men at the Madigan Hospital, their service projects extended into the community.

Tri Delta attempts to achieve a close relationship with the campus and the community, through their members' eagerness and bond of friendship.
1968-69 proved to be an exciting and fulfilling year for the Gamma Phis. The winter months were kept lively first with the pledge dance where the Gamma Phis and Sigma Nus found themselves “Shipwrecked.” A good time was had by all and we washed ashore in time for our annual Crescent Christmas Dinner Dance at the Winthrop Hotel.

Gamma Phis work as hard as we play. We enjoy sharing our Christmas with children at the Tacoma Community House. For the past several years we have sponsored a fifteen year old girl from India, Manata Dey. The chapter provides the money necessary for her education.

Gamma Phi spirit is demonstrated by participation in a wide range of campus organizations such as Chips, Spurs, Angel Flight, Adelphians, and Mortar Board. We are also proud of our campus royalty which includes 1968 May Queen, Sigma Nu White Rose Queen and an SAE Little Sister of Minerva.

Study and sorority projects complete the spectrum of activities for the busy Gamma Phi on the UPS campus.

OFFICERS FOR KAPPA ALPHA THETA FOR 1968-1969 ARE, FROM LEFT TO RIGHT: Dorothy Dooley, Cassie Short, president Nilma Gray, Jean Peterson, and Mary Kasperon.

Kappa Alpha Theta
Who is a Theta? She is a girl who likes dates and parties. She likes to play powderpuff football and win trike races and catch derbies.

A Theta likes to play with children at a special Christmas party. She supports the Institute of Logopedics and brings canned food to share with needy families at Thanksgiving time.

A Theta can be found among the members of Who’s Who, Phi Chi Theta, Mortar Board, Model United Nations, Angel Flight, Spurs and Spires.

She’s a cheerleader, a band member, a student government committee member, an intellectual, a humorist, a sweetheart, a buddy . . .

She’s all of these but not rolled into one, for there is diversity among the members of Kappa Alpha Theta. Some are serious, some are silly; some are intellectual, some fun loving. Many are gregarious, some are shy . . . Yet, there is mutual respect for each member which unifies Thetas into a beautiful mixed up melting pot!
Winter strikes... Thetas retaliate!
Kappa Kappa Gamma's fourth year on the UPS campus was characterized by innovation as well as tradition. Having matured into a full-sized chapter, the Kappas outgrew their designated dorm space in Regester Hall, so several members resided in nearby Langlow House.

After a successful but tiring rush, new Kappa pledges organized their sneak and a pledge dance, "Hillbilly Hoedown," with the Kappa Sigs. They were also eager to present skits and songs for the active chapter.

The Kappas' service projects this year included being troop leaders for a group of Bluebirds and supporting two needy families at Christmastime. Cultural activities included group excursions to the art gallery and theatre.

Individual interests brought many honors to the chapter. The A.S.B. Secretary and one of the delegates-at-large were both Kappas, along with members of Mortar Board, Spurs, Chips, rally squad, AWS, WRA, Adelphian choir, Little Sisters of Minerva, Silver Seals, Student-Faculty Relations Committee, and other campus committees. Members also participated in the experimental Commencement Bay Campus program. The group as a whole took part in annual campus events such as Homecoming and Spring Weekend.

Scholarship, group activities, individual interests, and dorm fun have thus made the year a fulfilling one for each Kappa at UPS.
Molly Mitchell and Ellen Gamma decorate the chapter room for Christmas.

Loretta Knudsen, Dee Ann Youngquist, and Ann Hoag present a skit during an informal meeting.
The Kappas take their Bluebird troop Christmas caroling.

The Bluebirds charm Mrs. Thompson.
The Pi Phis began an exciting year having received three national awards at their summer convention in Knoxville, Tennessee. The awards included the National Scholarship Plaque, the McQuaig Scholarship Award, and the Philadelphia Bowl for being the third most outstanding Pi Phi chapter in the nation.

Upholding the excellence reflected by these awards, the Pi Phis started the year by taking an outstanding pledge class and beginning to devote their energies to a wide range of activities. In the fall they won the first place award for their Homecoming Display with the Sigma Chis and first place in the Basketball Spirit Competition. In the Spring they took an active part in Songfest and Spring Weekend. Included in their membership are girls in honor and spirit organizations, and committees and clubs on campus. Varsity Songleaders, Angel Flight Commander, delegates to judiciary and Elections committees, WRA General Manager and Spur President are all living examples of the group's diversity.

Highlighting their social activities this year were the pledge dance with the Phi Dels, Christmas Dance with the Sigma Nu's, Valentine's Dance with the SAE's and their formal spring dinner dance. Sorority retreats, Founder's Day, Scholarship and Senior Banquets also added to the fun, excitement and memories of the year.

With all the spirit and activities they continue to keep before them the primary reason for attending UPS. High standards of scholarship have been a long-standing tradition of Washington Gamma chapter of Pi Beta Phi.
