Section 3. The tenure of all the ASUPS elected officials shall be one year, except for the Freshman senator whose term shall last until the spring election. Tenure stands unless the official is recalled, loses membership in the ASUPS, or resigns.

Section 4. All elected officials must be fee paying members of the ASUPS during his/her tenure.
Section 5. Elected officials cannot be elected to positions in both the Legislative and Executive branches of the ASUPS.

Section 6. Elected officials must be members of the constituency that elects at the time of their election unless otherwise stated in this Constitution.

ARTICLE VII. INITIATIVE, REFERENDUM AND RECALL

Section 1. Upon receiving (an) initiative petition(s) signed by at least ten (10) percent of the general membership of the ASUPS, any act of any official committee or organization existing under this Constitution may be repealed or amended as described in Section 4.

Section 2. Upon receiving (a) petition(s) signed by at least ten (10) percent of the members of the ASUPS, any official of the ASUPS may be recalled as described in Section 6.

Section 3. The Senate shall provide for a referendum vote by the general membership of the ASUPS whenever a majority of the Student Senate members present and voting shall approve the presentation of a referendum measure to the ASUPS.

Section 4. An initiative or referendum shall be submitted to the members of the ASUPS at the next regular election, or at a special election called by the Student Senate. An initiative or referendum measure shall be adopted if a majority of those voting on the measure vote in favor of it, whereupon the measure shall become effective immediately.

Section 5. Any initiative or referendum measure adopted by the vote of the ASUPS is binding upon the ASUPS until such time as that measure is repealed or amended.

Section 6. The ASUPS shall have the power to recall any appointed or elected official for malfeasance or failure to discharge duties of said office. A petition for recall shall be submitted to the Honor Court for confirmation that the statement of charges deals with ground for recall before such a petition shall be circulated. The petition for recall duly submitted and filled out according to the proper procedures shall warrant an election within twenty (20) regular school days of its presentation to the Vice President and the Elections Board. If a majority of those voting vote in favor of recall, the official is recalled and a special election will be held to fill the vacancy (if necessary).

Section 7. The Student Senate of the ASUPS shall have the power to recall its own members for three (3) two (2) unexcused absences from official Senate meetings. To be excused, a notice of absence must be submitted to the President or Vice President twenty-four (24) hours prior to the Senate meeting in question for approval. If the officer believes the excuse to be invalid and denies it, his/her decision may be appealed by the denied Senator retroactively and secured by a two-thirds (2/3) majority vote. In the event of an emergency where notice cannot be given, an explanatory notice must be presented to an executive officer within twenty-four (24) hours following the missed Senate meeting. A two-thirds (2/3) majority vote of the Student Senate shall be required to remove a member from office.

ARTICLE VIII. AMENDMENTS to the Constitution
Section 1. This Constitution may be amended or revised by a majority of ballots cast on the proposed modification at any election of the ASUPS subject to approval by the Board of Trustees.

Section 2. Proposed amendments and revisions shall be presented to the members of the ASUPS for approval, upon the request of at least a majority vote of the Student Senate or upon petition of ten (10) percent of the ASUPS. Amendments or revisions of this Constitution may be proposed by a majority vote of the Student Senate or upon petition signed by ten (10) percent of the ASUPS. Proposed amendments and revisions shall be presented to the members of the ASUPS, following consultation by the ASUPS executive officers with the General Manager, Dean of Students and University Legal Counsel.

Section 3. Amendments and revisions shall be presented to the Student Senate at least three (3) weeks before the election and shall be published and distributed to the ASUPS at least two (2) weeks before the election.

ARTICLE IX. BY LAWS

By Laws and other ancillary documents may be enacted for the purpose of providing a permanent supplement to the Constitution. The enactment or amendment of a By Law may be initiated by any member of the Student Senate and shall require a two-thirds (2/3) majority vote of the Senate members present and voting. A By Law must be presented to the Senate at least one (1) week before voting.

ARTICLE X. VACANCIES

Section 1. In the absence or inability of the ASUPS President to perform the duties delegated to him/her, the Vice President of the ASUPS shall vacate his/her office and assume all the powers and responsibilities of the President until the end of the executive’s regular term in office with the consent of two-thirds (2/3) of the Student Senate.

Section 2. Should the office of Vice President become vacant, the Student Senate shall elect a Vice President from its members to assume all powers and responsibilities of the Vice President until the end of the executive’s regular term of office. This election shall take place at the next official Student Senate meeting.

Section 3. Should both executive offices become vacant at the same time, a President Pro Tempore shall be elected from the membership of Student Senate to assume all powers and responsibilities of the President. The President Pro Tempore shall serve until the end of the executive’s term. This election shall take place at the next official Student Senate meeting. The offices of the Vice President and Chair of Senate shall be filled in accordance with Section 2 and Section 3.

Section 4. Should the office of Chair of Senate become vacant the Chair Pro Tempore shall assume all powers and responsibilities of the Chair of Senate until the end of the Chair’s regular term in office. If the Chair of Senate is absent or unable to perform his/her duties, the Chair Pro Tempore shall then assume all powers and responsibilities of the Chair of Senate until the next general election or the return of the Chair of Senate. The Student Senate shall then elect a new Chair Pro Tempore from amongst its members.
Section 5. Should a student position on Student Senate become vacant, the Student Senate shall decide by a two-thirds (2/3) majority vote to either
a. give the ASUPS President the authority to nominate any fee-paying member(s) of the ASUPS to fill the position(s) for the duration of the vacated seat's term. This authority shall be limited to two (2) nominations per presidential term and requires a two-thirds (2/3) confirmation of the Student Senate.
b. establish a committee comprised of the ASUPS President, the Senate Chair, and one (1) student-at-large to nominate any fee-paying member of the ASUPS to fill the position(s) for the duration of the vacated seat's term. The nomination(s) requires a two-thirds (2/3) confirmation of the Student Senate.
c. call for a special election to fill the position(s).
d. allow the position(s) to remain vacant until the next general election.

ARTICLE XIVIII. PARLIAMENTARY AUTHORITY

Section 1. For procedure not covered in the Constitution or the By Laws of this organization, the Student Senate shall adopt the use of the current Robert's Rules of Order regarding parliamentary procedure.

Title: 25th Annual Association for Experiential Education International Conference
Author: Brad Hiranaga

Be it resolved that the ASUPS Senate authorize the allocation of $250.00 to the Outhaus for their attendance at the 25th Annual Association for Experiential Education International Conference.
Proposal to Attend the 25th Annual Association for Experiential Education
International Conference
November 23-26, 1997

About the Conference
The Association for Experiential Education holds an international Conference each year. In previous years Outhaus members Justin Erickson, Travis Cook, and Jack Dant, and climbing wall founder Ryan Spence have attended the conference. The Association for Experiential Education is one of the foremost organizations which promote the development of experiential education programs, including those upon which the Schiff Adventure Education Hall is based. Experiential education programs work to promote learning experiences leading to positive social change.

Opportunities Resulting from the Conference
At the conference, Outhaus members will learn about and experience a wide array of experiential education programs. This year, the Outhaus has much more involvement with the Schiff Adventure Education Hall than in any year before. We are actively working to strengthen the experiential education programs at the University, starting with Schiff. We have implemented a mentorship program with Schiff residents to help with the challenges of planning and leading wilderness outings. By holding a greater understanding of the mission and workings of experiential education programs, we will be able to structure the Outhaus to work more effectively with the Schiff Adventure Education Program and achieve a greater integration of all outdoor programs at the university including the Expeditionary, Passages, the Climbing Wall, Schiff Adventure Education Program, and the Outhaus.

Attending Students
Ryan Spence- Junior, Member of Outhaus, Founder of UPS Climbing Wall, two year resident and 1995-96 man of year of Schiff.
Shannon Williams- Sophomore, Coordinator of the Outhaus, Vice President and Philanthropy Chair of the Schiff Adventure Education Hall in 1996-97; Passages leader.

Present Funding Sources
Both members are actively searching for funding to attend this conference. We are applying for scholarships through Residential Programs.

ASUPS Finance Committee
University of Puget Sound

Tacoma, WA 98416

September 23, 1997

ASUPS Finance Committee:

Lighthouse, associated with Tacoma College Ministry, is in need of scholarships for its upcoming Spring Retreat on September 26-28, 1997. Lighthouse constructs its Spring Retreat to establish goals and game plans for the year. Over the past eight years the Spring Retreat has attracted well over fifty students from UPS. Currently Lighthouse is expecting seventy students to attend the retreat.

Funds within Lighthouse are not substantial enough to provide scholarships for students who require assistance. It is for this reason that we are requesting ten scholarships of twenty dollars each. The total requested sum of two-hundred dollars will allow students to attend the retreat who would otherwise be handicapped by insufficient funds.

Predicted expenditures per student are as followed:

Lodging (Includes two nights @ Westport Presbyterian Church) $13.00
Food (Includes four meals and one snack) $16.00
Transportation and Administration Costs (Includes gas and stipend for guest speaker) $4.00
Cost per Student $33.00

Lighthouse hopes the requested scholarships will allow all students to attend the Spring Retreat. It is our sincere hope that no students be financially handicapped. In addition to requesting financial aid from ASUPS, Lighthouse has raised funds through Local Tacoma Churches and Tacoma College Ministry Supporters.

On behalf of Lighthouse and TCM, thank you for your time and consideration.

Sincerely,

Rhett Bernstein
Lighthouse Rep.

Be it resolved that the ASUPS Senate recognize the University of Puget Sound Spirit Club as an ASUPS Club.
UPSpirit Club

Statement of Purpose
This club's overall goal is to boost our teams' morale and provide a sense of support, encouragement, and enthusiasm at sporting events. Positive involvement from a large number of supporters is a key ingredient for success not only to our athletes, but this community as a whole. We hope to achieve a stronger feeling of school spirit, unity and dedication to the University of Puget Sound.

There will not be a set time for club meetings. Club members will arrange times to get together prior to sporting events. The club members will help paint appropriate signs for the games, help with the music, call local supporters of athletics for donations and items to raffle and also help to organize some half-time entertainment. Any UPS student, administrator, faculty member is welcome to join this club. There is no criteria that a person has to meet in order to join (like a meeting specific GPA or previous similar experience) except be willing to have a fun time and let the creativity flow! The UPSpirit Club is open to all outside comments, ideas and suggestions. The president, treasurer, and administrator will make guidelines and rules for the club if needed.

Not every home game, nor every sport will be supported by the UPSpirit Club. It is the responsibility of the club president to discuss with the club advisor and coaches which varsity sports and games are most beneficial to support.

The UPSpirit Club is willing to work in conjunction with the cheerleaders and dance team to promote school spirit. The president will get in touch with the captains once the seasons get started.
This list is temporary. Many more people are interested - we will be in contact with them.

UPS Running Club
Statement of Purpose

The UPS Running Club is an informal, non-competitive organization, open to all members of the UPS community. The club's main objectives are to make running as fun and safe as possible. These objectives will be accomplished by the following:

1. Having organized group runs (bi- or tri-weekly, depending on the wishes of the group), where members may meet and run with those interested in similar times/distances/goals.

2. Encouraging group participation in local road races.

3. Hosting speakers on a variety of running-related topics, such as nutrition, goal-setting, and injury prevention.

The UPS Running Club will not dictate paces or distances, nor will it serve as a coach for members. Advice and information will be readily available, but compliance is completely voluntary! Instead, members will be encouraged to pursue their personal goals in a motivating and supportive environment.

CONSTITUTION OF THE INTERNATIONAL CLUB OF
THE UNIVERSITY OF PUGET SOUND

ARTICLE I. Name
Section 1. The name of the club shall be the International Club of The University of Puget Sound.

ARTICLE II. Purpose
Section 1. The purpose of the International Club is to promote a better understanding of the various cultures throughout the world by having social and educational activities which bring the international students and American students together. It is also the purpose to aid and assist international students who come to the University of Puget Sound to continue their education and to work closely with activities promoted by the Office of International Programs to further international education and understanding.

ARTICLE III. Membership
Section 1. Membership shall be open to any international student, American student, any member of the faculty, and any other interested person.

Section 2. The membership fees will be determined yearly at the discretion of the club officers and membership.

Section 3. Voting membership shall be granted to all of the members who have paid membership fees, as applicable.

ARTICLE IV. Executive Board
Section 1. The leadership of the club shall be comprised of the following executive positions: the President, Vice President, Secretary, Treasurer, Planning Committee Chairs and Public Relations Committee Chair. These positions are to be elected annually every Fall Semester. Election will be based on ballot count of a simple majority of the paid membership.

Section 2. The duties of the Executive Board shall be to oversee the proper functioning of the club. They shall ensure that meetings are called regularly, as needed. A meeting place is secured, agenda is announced, voting discussion is proper, and any other duties carried out as necessary for the proper functioning of the club.

Section 3. The Executive Board has the authority to fill executive positions in the event of resignations, or to appoint delegate positions, as needed. Re-election may be held if necessary.

ARTICLE V. Voting for (Proposals)
Section 1. Voting for other than elected positions shall be done by a handout.

Section 2. Quorum: A quorum will consist of at least two officers and simple majority of the paid membership.

Section 3. All proposals and elections shall be considered passed if voted favorably on by a majority of a quorum.

Section 4. A quorum of the club must be present to pass proposals.

(Revised 9/97)
The University of Puget Sound
International Club

Officers’ Job Descriptions

All officers are expected to help mail announcements, call club members, participate in activities, and cooperate with each other. If all officers will perform as expected, it promises to be an exciting and fulfilled year. Thank you for your interest and consideration!

The President’s duties will be to see that the club meets its goal of creating social, recreational and cultural interaction between American and International students. The President will accomplish this by delegating duties to officers, committee members, and the club members. The President will see that they are related to this office and will take a considerable amount of time and you should be able to communicate well with other officers, club members and advisors.

The Vice President/Planning Committee Chair is a shared position between two people. They will assist the President whenever requested and will carry on the President’s duties if the President is unable to do so. As Co-Vice Presidents, they will be delegated to specific duties for various activities upon the request of the President, and be in charge of contacting other officers for officer meetings at the request of the President. As Planning Committee Co-Chairs, they will organize club activities during the semester, securing any room, vehicle, reservations, equipment, etc., needed for any events that might arise. They will communicate with the President regularly to inform them of club member wishes.

The Secretary’s duties will be to take minutes at general, executive and committee meetings. Design activity schedules, write club announcements, upkeep electronic mail distribution list(s), check the club mail box in the ASUPS office, receive and answer correspondence as directed by the President. Additional duties may include maintenance of club web page.

The Treasurer will keep a record of all financial transactions of the club and stating the club’s financial standing at the beginning of each general meeting. Some of the duties will consist of buying items and paying bills, requested by the President. Responsible for collecting club dues, issuing membership cards, and giving receipts.

Public Relations will be responsible for getting approval for club advertisements, posting all club signs, mailing announcements, serving refreshments, and greeting members at the door. Also to be in charge of promoting the club for any occasions. Additional duties may include maintenance of club web page.

(Revised 10/97)
Be it resolved that the ASUPS Senate authorize the allocation of $50.00 to SIRGE (Sexuality Issues, Relationships and Gender Exploration) for their attendance at the Regional Conference on Campus Sexual Violence.
Budget Request
for Regional Conference on Campus Sexual Violence
At Central Washington University

This weekend Central Washington University will be hosting a regional conference on campus sexual violence. SIRGE (Sexuality Issues, Relationships and Gender Exploration) is planning on sending one student, myself (student coordinator) to represent our organization. I also serve on the Sexual Assault Advisory Committee. At the conference Donn Marshall and myself will be hosting a program on student leadership. Donn also served on the planning committee for this conference. The conference fees are $110 for the student package which includes registration fees, hotel room and meals. This does not cover transportation.

thank you for your time.

Title: Ticketing Software Allocation
Author: Brad Hiranaga

Be it resolved that the ASUPS Senate authorize the allocation of $200.00 to the Information Center for the purchase of ticketing software.
Date: October 7, 1997

To: ASUPS Finance Committee

Fr: Kristi Maplethorpe, Wheelock Student Center

Re: Ticketing software proposal

Margaret Thorndill, Arts Coordinator and myself have been working on ticketing issues with regard to the Information Center for about two years now. We are now at the point where it seems somewhat feasible and possible.

What it is: We are hoping to provide the Information Center which is the University Ticketing office with a terminal or hard drive and then purchase software that will allow the center to sell seats or tickets from the screen. After a ticket has been either reserved or sold, a ticket spitter will produce that ticket.

What will this provide: Currently patrons of the Information Center have to purchase tickets for every seat for every event from an outside company. For a majority of events, not all seats are sold and the "deadwood" is then trashed. This is expensive. With a ticket spitter, we would only print up or run the necessary tickets. Also, the software will allow much better efficiency ratio to those that sell tickets. This means that they will not pull a ticket and sell it to the wrong performance date. This also means that we can track who is attending and keep subscriber lists, etc. It provides much better accountability and accuracy.

What could it mean for ASUPS: Currently we sell tickets to all ASUPS events. I realize that most of these events such as Popular Entertainment use ticket master as their source and this would not change. However, for the tickets that we are contracted with, we could set up the computer to print out a venue site and other information so that at point of sale, we would use the computer to make the sale, but not print the ticket. We would then provide daily ticket sales reports etc. Currently, you are also doing some events that require you to use the university’s print shop for tickets and we could then offer you this service. The tickets that we would print will allow for advertising to be done on the back of the ticket stock. I mention this because it is a way to advertise upcoming events or other promotions.
What is the cost: The cost for the software and ticket spitter is approximately $5,000.00. The Office of Information Systems has designated a terminal for the Information Center if claimed within two months. Between my budget and Margaret’s we have determined that we are about $2,000.00 short of our target. We are approaching all the users or patrons such as athletics, theatre, and ASUPS looking for any size donation.

If you need further information, please contact me. I thank you for your consideration of this proposal and look forward to hearing from you.
Title: Charges to the Student Concerns Committee
Author: Kevin Barhydt

Be it resolved that the ASUPS Senate approve the following charges for the ASUPS Student Concerns Committee for the 1997-98 School Year:

• Implement a “Student Voice Week” that gives students the opportunity to voice their opinions on campus issues and report the results to the ASUPS Senate.

• Examine the Residential Life Survey and determine what areas relate to ASUPS and what action ASUPS should consider taking.

• Regularly attempt to gauge student opinion on current campus issues and report the results to the ASUPS Senate.

Title: Kids Can Do! Winterfeast Funding
Author: Rayann Ralls

Be it resolved that the ASUPS Senate authorize the allocation of $950.00 to Kids Can Do! for their annual Winterfeast dinner.
October 15, 1997

Dear Kevin Barhydt and Finance Committee Members,

"KCD!" is a student run program that gives students the opportunity to become active participants in the lives of Tacoma's disadvantaged youth. While acting as mentors to these children, students learn to integrate service and responsibility into their liberal arts education, and provide positive role models for the child they mentor. Besides creating strong ties with the Tacoma community, this program has a profound impact on all students who participate. Consider the words of past mentor and current Program Coordinator Kecia Ranta:

"Many of these kids are just looking for some direction in their lives. The mentors keep the sparkle in their child's eyes and provide the positive guidance they need. One of the best aspects of this program is that a mentor-child relationship can be beneficial for all parties involved, the child, the mentor, and volunteers involved in sponsoring the program's activities. This is what the "KCD!" program is all about."

Created in 1989, "KCD!" was initially funded by a $15,000 grant from the Carnegie Foundation and an anonymous donor which was generated by Campus Partners in Learning. In the fall of 1994 this grant was used up, and the search for alternative funds began in order to keep this well established student program running strong. The spring before last, Matt Tabor (Class of '94) raised $7,500 for the program with the "Ride for the Future" fund-raiser. An auction at the end of that same year raised additional funds. However, these funds will soon be gone as well. Therefore, we hope that ASUPS can continue its assistance in funding our annual Winterfeast program. Last year ASUPS was able to contribute $900 to this event. This program acts as a seasonal celebration of the "KCD!" program, and relationships between the student mentor, their child, and the child's family. Gifts are provided for the children and a banquet dinner is provided for all those attending. Taking place in the Marshall Hall in early December, the Winterfeast dinner has a cost of approximately $1600.00; it is this amount that we are requesting from ASUPS. This is only part of the total cost for the event which is around $2200. A budget of this event is attached. "KCD!" has been able to obtain help from other student organizations (Order of Omega, BSU,
APAC, SPURS, Circle K, the residence halls, as well as individual fraternities and sororities) in the form of gifts and services.

The "KCD!" program is one of the few service oriented programs that runs with on-going expenditures. In the past these expenses have been absorbed by student groups and fund-raisers. Now that the grant has been depleted we have begun looking for consistent fundraising and sponsorship opportunities. As the cost of the Winterfeast program is significantly larger than most campus groups' ability to give, we ask ASUPS to help us allow this student program to continue operating at its current level through their funding of Winterfeast. Thank you for your consideration.

Sincerely,

Cass McTigue, Activities Coordinator

Brian Holt, KCD! Co-coordinator

Be it resolved that the ASUPS Senate authorize the allocation of $150.00 to ACM (Association for Computing Machinery) for their attendance at the ACM International Program Contest.
From: ACM Officers (leave message at x3202)

To: ASUPS Finance Committee

Date: October 22, 1997

Concerning: Funds for ACM Programming Contest

For the past several years the UPS chapter of the Association for Computing Machinery (ACM) has participated in the ACM International Program Contest. We would like to continue this tradition by taking two teams of three students to this year's competition in Cheney, Wash., on November 15.

The ACM programming contest is an important opportunity for computer science students at UPS to match their skills against students from other schools in our region which includes Washington, Oregon, California, Alaska, Nevada, and British Columbia. It provides valuable experience in problem solving and helps the students sharpen their programming skills. Our preparations for the contest include several problem sessions involving the entire club that help develop all our programming skills. The contest also provides positive exposure for the University as a whole and the Mathematics and Computer Science Department in particular.

Our expenses for the 2 day trip will include

- $150 entry fee,
- $160 for lodging,
- $150 for food,
- and $70 for gas (in a UPS van).

With these expenses in mind, we are requesting $310. Since most of our $125 budget is already allocated to bringing in one or two speakers and renting several videos for meetings, and since the team members will need to contribute a substantial amount to attend the contest ($220), we think this request is reasonable.

Regional Contest rules may vary from those in this document. Additional rules, exceptions, and other information pertaining to a specific regional contest can be found at the regional contest website.

Mission

The ACM International Collegiate Programming Contest is an activity of the ACM that provides college students with an opportunity to demonstrate and sharpen their problem-solving and computing skills.

Introduction

The contest is a two-tiered competition among teams of students representing institutions of higher education. Teams first compete in regional contests held around the world from September to November each year. The winning team from each regional contest advances to the ACM International Collegiate Programming Contest World Finals, typically held the following mid-February to early March. Additional high-ranking teams may be invited to the World Finals as wild card teams.

Organization

The Contest Steering Committee, chaired by the contest director, sets the policy and general rules for the conduct of the contest. The contest director is solely responsible for interpreting the rules and for ruling on unforeseen situations.

For each regional contest, the contest director appoints a regional contest director who is charged with executing a regional contest within rules and guidelines which have been approved by the contest director. Regional rules may vary to accommodate differences in educational systems and host computing facilities.

Appeals

Contestants may report claims of rule violations or misconduct of the contest within 7 days of the regional contest to the Director of Regional Contests, who will in turn make a recommendation to the Contest Steering Committee. The Contest Steering Committee may, by a 2/3 vote, overturn the results of the regional contest no later than the first Monday in December (which is 1 December in 1997). Only rules violations and misconduct may be appealed. The decision of judges in accepting or rejecting problems are final.

Localization
The language of the Contest is English. All written contest materials will be in English. Additional languages may be used in regional contests. Terms which have undefined or different meanings outside the United States must be defined or redefined appropriately in that region's Region-Specific Rules. For example, the term baccalaureate degree may not be appropriate in some regions. A local term which is equivalent should then be specified, typically representing students from 19 to 22 years old. Rules may vary at the regional level to accommodate these differences.

**Team Composition**

Note: We are in transition to a model where a team's point-of-contact is called its coach. In the past, the point-of-contact was called the advisor. This lead to confusion with the advisors of ACM student chapters. To add to the confusion, team advisors could appoint coaches to act on their behalf at the contest. Some teams would have advisor and coach, others would have none. Please bear with us during this transition.

A representative of the sponsoring institution, typically a faculty member, must serve as or designate the team coach. The coach certifies the eligibility of contestants and serves as the point of contact.

Each team consists of up to three contestants. Each contestant must be a student enrolled in a degree program at the sponsoring institution with at least a half-time load. This rule is not to be construed as disqualifying co-op students or students serving internships.

At most one contestant of each team may hold a baccalaureate degree. No contestant may have completed two years of post-baccalaureate studies or hold a graduate degree. Students who have competed in two World Finals may not compete in a regional contest.

Contestant eligibility is determined during the academic term ending closest to the date of the regional contest. Graduation and degree conferrals are considered to occur after a term has been completed, not during that term. Any questions of eligibility should be posed to the regional contest director.

A team is not eligible to compete in the regional contest until the regional contest director has received all materials that certify team eligibility from the coach.

Only one team from a given institution may advance to the World Finals.

**Where to Compete**

Each team is expected to compete in the contest within its defined region. However, a team that is geographically closer to the site of another regional contest may, with the written consent of the Director of Regional Contests, switch its affiliation for the regional contest. An institution may send contestants to only one regional contest in a given year.

**Regional Contest Attendance**

All team members must attend all contest activities as specified by the regional contest director for that region. Failure to attend any of the designated contest events will result in automatic disqualification and forfeiture of any scholarships and prizes.
It is the responsibility of the regional contest director to specify any tie-breakers if necessary. Tie-breaker policies must be announced to contestants before the contest begins.

**Regional Contest Computing Environment**

The programming languages of the contest include Pascal, C, and C++. Additional programming languages may be used.

Each team will use a single workstation. The regional contest director is responsible for determining that teams have reasonably equivalent computing resources.

Title: CHispA Retreat
Author: Brad Hiranaga

Be it resolved that the ASUPS Senate authorize the allocation of $200.00 to CHispA (Community for Hispanic Awareness) for their annual club retreat.

President's Signature
Pass
Veto
Proposal For CHispA Retreat Funding

Funding Justifications

On November 7th the Community for Hispanic Awareness will be holding only its third retreat since its creation some seven years ago. This retreat is an attempt to increase group cohesiveness, acquaint new members more closely with CHispA’s history and purposes, as well as prepare the group to effectively function under a committee system. The retreat will be a time for members to get to know each other on a more personal level, but more specifically will consist of various productive workshops: discussion of our mission and goals, brainstorming on the organization future, and member sharing of personal history and motivations. Throughout the years, CHispA has grown from a “get together group” to a functional organization on this campus; serving both the needs of its members and the larger student body. CHispA’s membership has remained stead and continues to grow, presently serving a membership of over 15 students. The Community for Hispanic Awareness has full intention of raising its level of capability in cultural awareness, community outreach, and political activism but must first become a cohesive unit to demonstrate its full potential.

Other Programs and Opportunities

CHispA maintains a strong involvement in the planning of the Theme Year. Lectures throughout the year will be sponsored in conjunction with ASUPS Lectures. With the help of the Community Coordinator for the Theme Year, CHispA will reach out to the community and maintain a strong involvement within the educational realm; continuing to work with the Latino Education Alliance of Tacoma.

Attendance

Six officers and ten members.

Be it resolved that the ASUPS Senate authorize the allocation of $280.00 to IVCF (InterVarsity Christian Fellowship) for their 1997 IVCF Fall Conference.
Proposal to attend the 1997 IVCF Fall Conference
InterVarsity Christian Fellowship

About Fall Conference
Each year InterVarsity Christian Fellowship holds a conference attended by the three IVCF chapters in Western Washington: UPS, PLU, and UW. Approximately 65 UPS students are expected to attend this year’s conference at Camp Arnold in Eatonville, WA from Oct. 31- Nov. 2. This year, the speaker is Rich Lamb, an InterVarsity staff worker on the east coast. Rich is coming from Pennsylvania for the weekend to speak to students in the Western Washington region. This year, Rich will be speaking about God’s commitment to humanity. Fall Conference will give students a safe place to explore their faith and ask questions about themselves. Fall Conference costs $50, which pays for food, lodging, transportation, and a small honorarium for Mr. Lamb.

Impact on the UPS Campus
It is our hope that UPS students who attend Fall Conference will bring back to campus a deeper understanding of the Christian faith as well as a desire to learn more about God’s presence on campus. Students who attend this conference will return excited to discuss their beliefs in dorms, classes, and around campus. They will be challenged to ask themselves questions about God’s commitment to humanity and the campus community will be enriched as other students begin to seek answers to their questions about morality.

The students who attend Fall Conference will develop leadership skills that will be useful not only in a religious environment, but in any environment. At Fall Conference, students will have an opportunity to see leadership examples in small groups led by other UPS students. They will bring this knowledge back to the dorms and classes and will hopefully take initiative on campus to bring students together to talk about God.

There are currently small group Bible studies in Seward, Phibbs, Todd, University, A/L, Harrington, and Schiff, as well as three Bible studies geared toward upper-class and non-Christian students on and off campus. Each of these studies is sending students to Fall Conference. This experience will enhance student’s knowledge of the Christian faith and encourage them to ask their own questions about their religious beliefs.

Present Funding Sources
Presently most students are providing their own funding to attend the conference. In addition, Bible study leaders are providing some students with the $50 fee to attend the conference.
**Funding Still Needed**

At this time, there are 28 students who cannot afford the $50 fee to attend Fall Conference. These students are:

- David Nieglos
- Robyn Shakal
- Jennifer Shneider
- Charity Braceros
- Bill Parker
- Jan Steensland
- Krag Petterson
- Matt VanHorne
- Jeni Dulek
- Kris Erickson

- Monica Horn
- Aaron Packer
- Bill Hanawalt
- Hizuru Cruz
- Virgil Roehl
- Justin Krug
- Liz Deets
- Kristin Crane
- Heather Tillinghaus
- Brad Johnson
- Samantha James

These students need a total of $1400 to enable them to attend Fall Conference.

Title: WCE Fall Conference Allocation
Author: Brad Hiranaga

Be it resolved that the ASUPS Senate authorize the allocation of $1,290.00 to the ASUPS Programmers for their NACA (National Association of Campus Activities) Regional Conference.
October 29, 1996

To: ASUPS Finance Committee

Submitted for ASUPS Programmers by Serni Solidarios, Dir. Student Programs

Re: National Association of Campus Activities Regional Conference (NACA) Spokane, WA Nov. 20-22

For well over a decade, ASUPS has funded delegates to the regional NACA Conference. The conference provides an invaluable network for programming-related enterprises. Besides the educational sessions relating directly to what programmers do, there are innumerable opportunities to make agent contact, to share and compare the challenges of programming with fellow programmers from over 60 schools from Washington, Idaho, Montana, Oregon, and Alaska, to audition prospective performers, and to cooperatively book ("block book") acts at lower prices by setting up regional tours. The savings alone, generated from this process can easily make up for cumulative cost of this conference.

There are six persons who want to go out of the programs office; I would also like to encourage that Emily Falk(DPR), or a senator or possibly an exec attend, if possible. I might add that in some individual instances, the programmers actually don't want to go, because of the class time they will have to forgo, but are trying to work schedules out with their respective professors in order to carry out their ASUPS commitment. The six who should go are: Rafael Gomez (lectures), Gretchen DeGroot(cultural events), Bryan Charap (Concerts), Danie Pavone(Films), Tamarra Henley (Special Events), and Helen Hu (Showcase).

It's $90 per person for registration, equalling $540. The conference hotel is Cavanaugh's at the Park, and a room with two beds is $100 plus tax per night. Three rooms for three nights plus tax would thus equal $975. Transportation will have to be via minivan rental from Thrifty, which after rental, insurance, taxes and gas are totalled equals approximately $300. I would also suggest that a $18 supplement per person be included for food (total $108 for three days; they may have to supplement a bit out of pocket, but it would be a nice gesture, especially to those who didn't want to go in the first place. It's essential to keep them participating at the conference, and resisting the temptation to run back to campus.) In summary, the request for this conference totals at $1923, an increase over last year only because last year's conference was in Tacoma and involved no travel.

If you need more evidence of the value of this conference, please ask Jamie Kilb or Rafael Gomez, who attended last year. I can also provide past testimonials of enlightenment from recent program alums Kevin Kurtz and Jeff Haydon.
Title: Resolution of Finance Requests
Author: Pablo Valentine and Wayland Cossey

Whereas the ASUPS Senate acknowledges recognized ASUPS clubs and organizations need for funding beyond their allotted budget for activities to enrich their members and the entire campus; and,

Whereas recognized ASUPS clubs and organizations often submit requests for funding to the Finance Committee in such a manner that the ASUPS Senate cannot approve the request prior to the expenditure; and,

Whereas the ASUPS Senate wishes to expedite funding procedures while promoting accountability and responsibility in recognized ASUPS clubs and organizations;

Therefore be it resolved that the ASUPS Senate request recognized ASUPS clubs and organizations submit funding requests to the Finance Committee at least two weeks prior to the expenditure; and,

Be it further resolved that the ASUPS Senate oppose financial requests that are presented to the ASUPS Financial Committee later than two weeks before the allocated money would be spent, except where extenuating circumstances are involved; and,
Be it further resolved that a copy of this resolution be distributed to all recognized ASUPS clubs and organizations.

Proposal for Fall Dance Concert Expenditures
"Vital Motions"

Regarding the production
The University of Puget Sound has a broad Arts community; students wishing to
gain or practice their skills in the visual, theatre, and musical art realms have sufficient
programs and funding to do so. Unfortunately, this leaves sadly neglected another area of
the performing arts: Dance. Repertory Dance Group (RDG) was formed with the goal of
bringing together the dance community at UPS for performance and dance education.
This fall RDG is proud to present its first full-length concert in the Inside Theater.
This is a much-awaited opportunity for our members to perform, and for the campus
community to see and enjoy the work we have long awaited to present. The title of the fall
concert, “Vital Motions,” reflects how RDG members, as dancers and choreographers, feel
about the art of dance and the opportunity to present our work to UPS.

Future Projects
RDG plans another concert in the spring, to be held in the Concert Hall. Members
will also be working in conjunction with the Theatre Department on projects that encompass
a range of student talents. After the fall concert, RDG plans to offer weekend master classes
in dance to the campus community.

Participating Students
Repertory Dance Group currently has a performing membership of 45 students.
Attendance for the fall concert is anticipated to be between three and four hundred students,
staff, and friends for two nights. A list of members performing in the fall concert is
attached.

Expenses
Due to the overwhelming success of the group this year—increased membership and
additional choreographers—RDG finds itself short of the necessary funds to produce a
quality performance. We are thrilled to have over forty members and to be able to produce a
show with ten excellent dance pieces. To produce this full-length show requires over sixty
costumes, attention to safety issues, and promotion. The following are the costs we will
encounter as we pursue the goal of producing two shows this year (one this fall, and one in
the spring).

1. Rental of Marley Floor
In order to ensure the safety of our dancers and preserve the Inside Theater stage, we
are renting a marley floor to cover the surface of the stage. This floor will be necessary for
both performance nights as well as for at least one day of technical rehearsal. Through our
connections we are able to rent this equipment at a rate of $100 per night. We are able to
install the floor ourselves, saving labor costs, though we do have to purchase special marley
tape to do so.

Because of the expense involved in renting a marley floor, we feel that it is only
feasible to do so until such time as we are able to purchase one that we can then use each
semester without further cost to the group. On the recommendation of our advisor John
Rindo, we have begun investigating the costs of purchasing a marley floor, to save on future
rental costs.
Item 2: Costuming
Any quality performance requires that the performers therein wear costumes that are appropriate to the piece, fit well, and are in good repair. We are taking measures to cut costs by making use of the local thrift stores, our own wardrobes, and the creative talents of our members. Our advisor, John Rindo of the Theatre Department, has generously lent us the use of the Theatre’s existing Wardrobe collection. Yet we still require funds to purchase the items that we do not have, or fabric for the items we must make. We prefer not to require our members to purchase outfits for which they will have no future need.

All costume purchases will remain within the group and therefore constitute capital expenditures. This will allow us to re-use costume pieces as feasible and reduce future costuming costs.

Item 3: Publicity
With the goal of having a large group of performers, we have already produced posters, flyers, and other publicity information inviting dancers to audition for the performance. As well, to ensure that our performance is well-attended by the campus community, we must produce publicity materials of a professional quality. These include posters, flyers, and programs for the performance itself.

This fall we have been fortunate in that the posters and programs have been donated to us. We anticipate that we will bear the cost of our promotional materials in the spring.

Sources of Funding
Item 1: Dues
In an effort to be self supporting, we are collecting dues in the amount of $5.00 per member, per school year. These funds will be applied towards production costs including costuming, publicity, and towards operating costs.

Item 2: Admission Revenue
As a further effort towards financial independence, we will be collecting a small admission charge at our fall performance in the Inside Theatre. UPS students and faculty will be charged $2; non-UPS guests will be charged $4. Naturally, we would prefer to provide the show free of charge. But since we are seeking to raise ourselves as large a portion as possible of the necessary funds to produce the show, we feel that it is necessary to ask for this support from our audience members. The admission funds will be applied directly towards the cost of the marley floor.

Item 3: Fundraising
Naturally, we will employ various methods of raising funds independently including solicitation of advertising in the Program, on-campus fundraisers, and T-shirt sales to group members (a portion of the price of each shirt will be kept with the group’s funds.)

We are planning a “Relaxation Day” program in the WSC lounge for November 7; an entry fee of $3 a person will be charged for access to the day’s activities, including massage, tea and cookies, and other stress-relieving activities and information. We hope that this fundraiser will attract 70 to 100 students and staff.

We have canvassed local businesses, particularly in the Proctor district, offering them the opportunities to advertise in the program for “Vital Motion.” Our advertisers for the fall program are Queen Anne Thriftway, Huff Jewelers, Pronto Printing, Forget-Me-Not Collectibles, Stop-In Grocery, Best Best Teriyaki, and The Harp and Shamrock. The revenue supplied by this endeavor will cover some, though not all, of the costs of providing costumes for our performers.

Funding required: $ 930.00

In reviewing the accounting for RDG, I have determined that any funding ASUPS is able to provide at this time, would be most helpful. Many of the choreographers have fronted their own money to provide costumes for their dancers, and I would like to pay them back as soon as possible. If ASUPS is not able to support a donation to the group, a loan is acceptable, as I anticipate that a reasonable degree of success with our “Relaxation Day” fundraiser and concert attendance will provide RDG with the necessary funds.

Re: Finance Proposal

ASUPS Finance Committee:

The UPSpirit Club was developed in attempts to increase school spirit, cohesion and unity. So far, we have had positive feedback from faculty, students and student-athletes.

Some of the things we do are:
• Paint signs for varsity sporting events
• Throw candy into the crowd
• Hand out mini pom-poms to our fans
• Throw mini footballs, soccer balls, basketballs, etc.
• Play music during “warm-ups” and half-time

We are also working on a more publicized and organized Homecoming for 1998. All of these activities we do require the purchase of products. The paints for the signs cost $200. Fortunately, the athletic department had an old set they let us use. Also, the Logger Club donated $200 for some of the pom-poms.

For the Club to keep going, we need more funds for the winter and spring sports. Our estimated annual budget is around $600 ($200 for each season). We ask that you please consider allowing us the funding of the $600 we need. We have already spent $125 out of our own pockets and a reimbursement would be greatly appreciated.

Thank you,

Statement of Purpose: Students for a Free Tibet

Mission (taken from About Students for a Free Tibet web page):
To educate our communities and non-violently exercise our universal responsibility to assist the people of Tibet in their struggle for freedom.

SFT chapters reach out to campuses and communities in order to get the message out about Tibet and China.

SFT seeks to educate those by engaging in activities such as sponsoring lectures, discussion groups, concerts, Tibetan awareness weeks and observances, demonstrations and civil disobedience.

We work with a wide range of on- and off-campus organizations that share the common belief that universal responsibility must be exercised in order to ensure the survival of humanity worldwide. SFT is committed to peaceful and non-violent actions.

Students For A Free Tibet at the University of Puget Sound works to educate the campus community about the struggles of the Tibetan people in Chinese occupied Tibet. We actively play a role in the grassroots efforts to raise awareness about Tibet, and do what we can to make a difference. By writing letters to the President of the United States concerning the USA's relationship with China, or to the Chinese government regarding political prisoners and human rights in Tibet, SFT at UPS speaks out to end the oppression of the Tibetan people.

We hold weekly meetings, open to any person of the university community, to watch videos on Tibetan culture, visit Tibetan Buddhist monasteries in Seattle, listen to speakers discuss issues such as Tibetan Buddhism, write letters, and collaborate with Amnesty International where the two group's efforts overlap. We hope to invite the campus community to a celebration of Losar, the Tibetan New Year, and to an event for Tibetan Uprising Day.

SFT's costs include chapter dues, postage, materials to make posters, copies, bringing speakers, and coordinating campus wide events. SFT is excited to make a difference at the University of Puget Sound and to help bring peace to the Tibetan people.
Be it resolved that the ASUPS Senate confirm the attached Election Guidelines and Calendar for the Spring 1998 elections.
In order to ensure this election is fair and of high quality, the ASUPS Senate and Elections Committee have enacted the following procedural guidelines. These guidelines provide a minimum standard for campaign practices.

I. Requirements to Run

A. Each candidate must have a petition that includes a certain number of signatures in order to run for that office. The petition will include the signature, name, and address of the signer. The number of required signatures depends on the position for which the candidate is running as outlined below:

1. Signature requirements for Votes of Confidence
   
a. Sophomore, Junior, and Senior Class Senator: 30 signatures from members of their respective classes with no more than five from any single Greek organization, Residence Hall, on-campus house, or off-campus residence.
   
b. Senator-at-Large: 50 signatures total. 35 of these must be from students who live on campus (including Greek houses.) The other 15 must be from students who live off campus. No more than five signatures from any one Greek house, Residence Hall, on-campus house, or off-campus residence.
   
c. President and Vice President: 50 signatures total. 35 of these must be from those who live on campus (including Greek residences.) The other 15 must be from those living off campus. No more than five signatures from any one Greek house, Residence Hall, on-campus house, or off-campus residence.

2. The signing of a petition merely indicates support for the petitioner's candidacy and it is not a pledge to vote for that individual. Students can sign as many petitions as they want.

B. Each Senatorial candidate must formally interview at least one Senator. A verification form, signed by the Senator interviewed, must be turned in along with the Votes of Confidence for the candidate's name to appear on the ballot.

C. Each Executive candidate must formally interview the current executive who's position they are running for. A verification form, signed by that executive, must be turned in along with the Votes of Confidence for the candidate's name to appear on the ballot.

D. The Elections Committee may schedule specific speaking times during the campaign period. Any speaking engagements outside of these are allowed with the permission of the head officer of that organization.

E. All Senatorial candidates must be full-time students, as defined by the University of Puget Sound, at the time of the General Election. Candidates must have a cumulative grade point average of 2.0 or higher. First semester Freshmen are excluded from the GPA requirement.

F. All Executive candidates must be full-time students at the time of the General Election, as defined by the University of Puget Sound Registrar's Office. An ASUPS Executive must be enrolled in at least two (2) units and maintain a cumulative GPA of 2.0 towards completion of a degree as defined by the University of Puget Sound.
G. Votes of Confidence, proof of enrollment, proof of interview, and proof of GPA must be turned in by 5:00 p.m. Sunday, February 1, 1998. Campaigning begins at 12:00 a.m., Monday, February 2, 1998.

II. Publicity

A. All campaigning must be conducted in accordance with all applicable University rules and regulations.

B. Definitions

1. Signs - Signs shall be designated as posted campaign material larger than legal size (11" x 14").
2. Flyers
   a. Flyers shall be designated as distributed campaign materials smaller than legal size (11" x 14").
   b. Flyers will be considered signs if posted in a manner described in Section II, C, 4, a & b of these guidelines.

C. Sign and Flyer Placement

1. A candidate is allowed one sign of a size not to exceed six feet in length and three feet in width, and three additional signs not larger than three feet by three feet in Marshall Hall / Loft / Rotunda of the Wheelock Student Center. Under no circumstances may the top of a sign exceed twenty feet in height. **All signs must comply with the Wheelock Student Center Sign and Ladder Use Policy** (attached).
2. Signs may only be placed on brick surfaces and the wooden railing between Marshall Hall and the Loft. Signs placed on the wooden railing may only be hung from the bottom of the railing and must be attached with string. No signs may be placed on the portion of the wooden railing above either staircase.
3. A candidate is allowed four signs not larger than three feet by three feet in the Union Avenue Tunnels.
   a. signs may only be placed on bare tunnel walls
4. Flyers will be considered signs if:
   a. they are posted on a surface in the Wheelock Student Center or the Tunnels. If a flyer is posted in such a manner, it will count as one of the allotted signs.
   b. they are placed together or arranged to convey a message on surfaces in the Wheelock Student Center or Tunnels. Such arrangements will count as one of the allotted signs, and must fit within required size limits.
5. Candidates may place flyers in Residence Halls, Greek houses, and University-owned houses as long as the following criteria are met:
   a. flyers must be stamped by the Information Center or the ASUPS Publicity Office, and;
   b. flyers must be submitted to Residential Programs for distribution, and;
   c. candidates cannot go door to door in Residence Halls. Residence Hall Association, Residential Programs, and Greek Rush rules must be followed in all cases.
6. **Poster putty and masking tape** are the only adhesives allowed for posting signs. Poster putty is recommended for posting signs, but masking tape is acceptable.
7. No campaign materials may be posted or distributed in academic halls, which include the Library and Fieldhouse.
8. All posters and flyers must be stamped and approved by either the Information Center or the ASUPS Publicity Office.
9. No signs, flyers, or verbal or written campaigning will be allowed within twenty feet of the polling station on the day(s) of voting.
10. Candidates must remove all campaign materials within 24 hours of the close of polls. Results will not be released until all material has been removed.

D. A candidate may not spend more than his/her allotted budget for publicity purposes. All donations to a campaign must be subtracted from the budget.
   1. Campaign spending includes all cash, goods, and services at the fair market value, as determined by the Elections Committee, provided for and utilized in support of a candidate's election.
   2. There is a $50 spending limit on all Senate candidates.
   3. There is a $100 spending limit on all Executive candidates.
   4. All candidates must submit a complete accounting sheet of campaign expenditures within 24 hours of the close of polls in order to finalize and validate the elections.

E. The Elections Committee shall regulate and enforce the election proceedings in accordance with the ASUPS Constitution and By-Laws (See Article IV, Section 4.)

III. Role of the Committee

A. Publicity
   1. If, at any time, a candidate has a question concerning the validity of another candidate's publicity, or of his/her own publicity, he/she is encouraged to contact the committee.

B. Complaints
   1. Any complaint about campaign practices of a candidate must be placed in writing and submitted to the Committee for review at any time during the election process but no later than three weeks following the general election.
   2. The Committee will determine the validity of any election complaint, basing its decision on the ASUPS Constitution, By-Laws, Election Guidelines, and the discretion of the Committee.
   3. Any and all actions of the Elections Committee and its members will be subject to review by the Student Senate and ultimately by the Honor Court.

C. No member of the Committee may publicly endorse any candidate.

Title: The Trail Off-Campus Circulation Allocation
Author: Brad Hiranaga

Be it resolved that the ASUPS Senate authorize the allocation of $157.95 to The Trail for its off-campus circulation in the North End.
Proposal to increase *The Trail* circulation to off-campus locations  
Senator Valentine

As Off-campus Senator, I am trying to improve communication from ASUPS to off-campus students as well as improve North End relations. Since *The Trail* is a well established source of information for what is going on around campus, both for up-coming events and for what has happened, I would like to make it more accessible to off-campus students and Tacoma residents. I plan on doing this by increasing *The Trail* circulation to 8 off-campus sites where UPS students go, such as Safeway, Queen Anne Thriftway, Bulldog News, Shakabrah Java, etc. We would plan on trying to distribute 50 copies to each location. To do this, *The Trail* would need to increase its print run by 300 newspapers; *The Trail* will also trim the distribution to on-campus sites where there are consistently left-over papers. *The Trail* has enough money to increase its Distribution Managers stipend, but would need the money to increase its print run. Increasing *The Trail* circulation would be a large step toward one of my Senate Projects.

Veto ___
Proposal to Attend the 10th Annual
Northwest Region Conference: Association for Experiential Education
February 27- March 1, 1998

About the Conference
The Association for Experiential Education Northwest Region holds a conference each year. In previous years Outhaus members have attended the conference. The Association for Experiential Education promotes the development of adventure education programs, including those upon which the Schiff Adventure Education Hall was based. Experiential education programs work to promote learning experiences leading to positive social change.

Opportunities Resulting from the Conference
At the conference, Outhaus members will learn about and experience a wide array of experiential education programs. We will be able to share ideas with other professionals in the experiential education field. By holding a greater understanding of the mission and workings of experiential education programs, we will be able to structure the Outhaus to work more effectively with the Schiff Adventure Education Program and other outdoor programs on campus. The experiences at the conference will enable the members to sponsor wilderness education trips with greater benefit to the campus community.

Attending Students
Outhaus members: Ryan Spence, Molly Ward, and Shannon Williams.

Present Funding Sources
Previously the Outhaus was allotted $250 to attend the International Conference, but were unable to and returned the funds. We are working with the AEE service crew to reduce our costs to attend this conference. Residential Programs has given us $200 to attend.

Title: SIRGE Allocation
Author: Brad Hiranaga

Be it resolved that the ASUPS Senate authorize the allocation of $650.00 to SIRGE (Sexuality Issues Relationship and Gender Education) for their "Healthy Relationship Week 1998" event.
Proposal to ASUPS for funding of SIRGE events  
Spring 1998

As the coordinator for SIRGE (Sexuality Issues Relationship and Gender Education), I Lisa Poole, am asking that ASUPS help provide funding of the SIRGE event, “Healthy Relationship Week 1998”. This event is to be held April 13-17th of 1998. The vision of the week is to provide awareness and education about healthy relationships, gender respect, sexual responsibility and assault for the University of Puget Sound student body. The week will consist of education through a video series shown throughout the week, the Clothesline Project (used to raise awareness about sexual assault and domestic violence), and a "creative dating" contest. In addition, SIRGE hopes to invite speaker David Coleman to come to UPS with his workshop on creative dating and developing healthy relationships.

The theme of the week is such that it will involve a large percentage of the student body. The speaker’s message is one that not only provides entertainment for students, but also has a very important educational aspect. Currently, the Universities of Eastern and Western Washington as well as PLU and Whitman are all seeking to have Coleman come to their respective institutions to speak in April. This will mean a reduced cost to SIRGE for the cost of Coleman’s flight.

For the week to be successful, SIRGE projects the need for financial resources to pay for: Coleman’s presentation and expenses ($2,500), costs of publicity for the week ($200) and contest expenses ($100). This is a total of $2,800. I am asking that ASUPS help fund the week by giving $1,000. I encourage you to consider supporting SIRGE’s efforts. I hope that you will recognize the importance of SIRGE’s educational and awareness visions for promoting healthy relationships and reducing the incident of sexual assault on campus. Thank you and I will look forward to hearing from you!

Be it resolved that the ASUPS Senate authorize the allocation of $195.00 to IVCF (InterVarsity Christian Fellowship) which will be divided into thirteen $15.00 scholarships for their L1 Leadership Conference.
Proposal to attend the 1998 L1 Leadership Conference
InterVarsity Christian Fellowship

About L1

L1 is a leadership conference held each year for freshman that are interested in Christian leadership positions on campus. This retreat focuses on the fundamentals of Christian leadership in a college setting. At L1, freshman will participate in group discussions, Bible studies, and relationship building activities.

The conference will be held between February 20-22 at Lake Retreat near Auburn, WA. The cost of this conference, including food, lodging, and travel, will be $50.

Impact on the UPS Campus

L1 allows freshman to learn more about Christian leadership opportunities on campus. Specifically, it encourages them to understand what they believe and apply it to their daily lives. Opportunities like this will have a significant impact on the UPS campus by encouraging active participation and leadership among a student body that is often apathetic and pessimistic. It is also our hope that this time will foster stronger relationships among the freshman students who choose to attend L1.

Present Funding Sources

Presently most students are providing their own funding to attend the conference. Fortunately, this year InterVarsity has raised a considerable amount of money through fundraising efforts such as ushering UW football games, T-shirt sales, and donations.

Funding Still Needed

Thirteen freshmen have been invited to this conference and are in need of financial support. Although InterVarsity will be covering some of their expenses, we are requesting that ASUPS support these freshman by providing additional scholarships of twenty-five dollars each.

(RECOGNIZING LEADERSHIP, SCHOLARSHIP, AND SERVICE)

1985 - 1987

Founded by The Ohio State University, Swarthmore College, The University of Michigan, and Cornell University, February 16, 1918

Number of active chapters: 191

New chapters to be installed in 1985: 3

Number of alumni clubs: 48 currently active

Total membership, active and alumni, through 1985-86 chapters: about 128,000

Publication: The Mortar Board Forum

PURPOSE: To facilitate cooperation among senior honor societies, to contribute to the self-awareness of our members, to promote equal opportunities among all peoples, to emphasize the advancement of the status of women, to support the ideals of the university, to advance a spirit of scholarship, to recognize and encourage leadership, to provide service and to establish the opportunity for a meaningful exchange of ideas as individuals and as a group.

MEMBERSHIP REQUIREMENTS: Membership is based on scholarship, leadership, and service. Members must be at least in their junior year or equivalent status. All members must meet predetermined local minimum scholastic requirements, which will represent the upper thirty-five percent (35%) of the junior class or a minimum of a straight "B" average, whichever is higher on any given campus, and must have demonstrated leadership abilities and service to the university and/or community. Chapters may elect no fewer than five nor more than thirty-five members, although petitions may be submitted for a number beyond this quota.

MAJOR ACTIVITIES: Each chapter is charged with the responsibility of doing something of value to humanity in college and/or community life, the determination of which is left to the chapter's discretion. Great stress is placed upon the resolutions passed at the National Conference as a guide for chapter action, and information about the projects each chapter undertakes is shared with the other chapters. Chapters grant scholarships and recognize scholarship; they work with and assist the administrations of their schools; they sponsor leadership, vocational, and other types of conferences for student bodies, conduct traditional events, and suggest or initiate worthwhile campus projects. Chapters sponsor a National Mortar Board Project and plan special events to celebrate National Mortar Board Week. The national organization donates six percent (6%) of its annual income to the Mortar Board National Foundation and annually awards Katherine Wills Coleman Fellowships in conjunction with the Mortar Board National Foundation Fellowships in the amount of $1,000 each.
THE CONSTITUTION OF
MORTAR BOARD, INC.
(As amended by the 1985 National Conference)

PREAMBLE

We, the undersigned, recognizing the advantage of a national union of senior honor societies, do hereby unite to form a national society whose purpose shall be to facilitate cooperation among these societies, to contribute to the self-awareness of its members, to promote equal opportunities among all peoples, to emphasize the advancement of the status of women, to support the ideals of the university, to advance a spirit of scholarship, to recognize and encourage leadership, to provide service, and to establish the opportunity for a meaningful exchange of ideas as individuals and as a group.

ARTICLE I. Name

Section 1. The name of this society shall be MORTAR BOARD, INCORPORATED.

Section 2. The insignia shall consist of a black mortarboard with gold edging and tassel. The Greek initials of the motto shall be stamped on the pin: Pi Sigma Alpha.

Section 3. The colors of the society shall be silver and gold, signifying opportunity and achievement.

ARTICLE II. MEMBERSHIP

Section 1. Mortar Board, Inc., as an honor society, shall be an association of individuals selected for distinguished ability and achievement in scholarship, leadership, and service.

Section 2. Membership shall be composed of collegiate, alumni, and honorary members.

Section 3. Collegiate members shall be members in good standing of collegiate chapters, elected as provided in the Bylaws. After consultation with the advisors, a collegiate chapter shall have the authority to dismiss individual members under procedures set forth in the Bylaws.

Section 4. Alumni members shall be those members who, by reason of graduation or other reasons, are no longer collegiate members.

Section 5. Collegiate chapters may elect persons to honorary membership in that chapter as provided in the Bylaws.

Section 6. This society shall be composed of collegiate chapters and of alumni clubs, the organization and structure of which shall be set forth in the Bylaws.

ARTICLE III. NATIONAL OFFICE

Section 1. The National Office shall be the headquarters of Mortar Board, Inc.

Title: Trail Workshop Allocation
Author: Allison Eberhard

Be it resolved that the ASUPS Senate allocate $225 to The Trail for their attendance at the Newspaper's Designer Workshop.
Proposal to Attend the Newspaper Designer’s Workshop

Content and design are the two major constituents of a newspaper. While the content has a direct influence on which articles are read, the design, in a more subtle but no less important way, affects readership as well. A well-designed newspaper draws potential readers to it, who assume that an article that looks interesting will be interesting.

Unfortunately, design is frequently overlooked in favor of content, as is the case with The Puget Sound Trail. The design of The Trail is in dire need of refreshing. Most sections feature variations of the exact same layout every week. I was even told by one reader that he didn’t realize a new issue had come out because it looked so much like the issue preceding it. I possess neither the time nor the expertise to conduct layout workshops for staff members, and UPS offers no courses on newspaper design, so outside help is the only foreseeable way to correct this problem.

I am asking for $480 to sponsor six Trail staff members to attend The Newspaper Designer’s Workshop in Seattle on March 27. This six-hour workshop is taught by Tim Harrower, award-winning designer of The Oregonian and author of The Newspaper Designer’s Handbook, a resource already owned and used by The Trail. It deals with topics ranging from ways to avoid gray, boring pages and write stronger headlines to streamlining teamwork in the newsroom. Hands-on help is given, along with a critique section of issues of our very own newspaper.

The Newspaper Designer’s Workshop costs $75 per student. There are six staff members heavily involved in design that I would like to attend. They are:

* Scott Schoeggl, Editor-in-Chief, junior
  * Erin Speck, Managing Editor, sophomore
  * Karin Olliff, Head Layout Editor, sophomore
  * Marieke Steuben, Layout Editor, sophomore
  * Katie Peterman, Features Editor*, sophomore
  * Tom Perry, News Editor*, senior
  * Katie and Tom design their own sections

I am requesting an additional $30 to fund the use of the ASUPS van. It costs 35 cents per mile to run the van, and the trip will be about 80 miles, costing a total of $28. Gas will raise that cost several dollars more.

ASUPS is the only potential source of funding for this workshop. None of the attending staff members are able to pay for themselves, and there is no other organization on or off campus that would be willing to sponsor us. These six people are highly dependable staff members that, with the exception of Tom, will be returning to the staff next year, so the skills they learn at this workshop will not be lost at the end of this year. They can also spread pointers they picked up to others in the staff that were not able to attend. The Newspaper Designer’s Workshop would improve the readability of The Trail in both the present and future, so I greatly hope these people can attend.

Sincerely,

Scott Schoeggl, Editor-in-Chief
Who's this workshop for?

We've got something for everybody - whether you're an old pro or a newcomer, whether you're at a big daily or a small weekly. Need a review of the basics? A nudge to a higher creative level? A peek at what America's best papers are up to? Then this workshop's for you. We'll review the fundamentals of design - but we'll also dazzle you with the latest trends in modern newspaper design. And best of all, we'll show you hundreds of swipeable ideas you can take back to your newsroom.

What topics will we cover?

It's a veritable newspaper design buffet - a lively refresher course in layout, type, photos and graphics, loaded with smart advice for jazzing up your pages.

PAGE DESIGN - PHOTOS GRAPHICS TYPE PACKAGING

What will we get hands-on help?

But of course. Need expert design feedback? Send us a copy of your paper, and we'll show slides for our intensive two-hour critique session - a great way for you to fix what's broken. Want to expand your design repertoire? We'll provide special in-class exercises that'll stretch and stimulate your journalistic talents. And all day long, you'll have opportunities to ask questions about design problems that vex you.

Hmm...do we really need this workshop?

If you answered "YES!" to any of these questions, you're probably right - but we'll let you attend our workshop anyway.

Quiz yourself:

1. I've got lots of design questions, but the people I work with are even more clueless than I am.
2. No one ever tells me if my pages are good, bad or ugly. Nobody critiques my design work at all.
3. We waste hours noodling around with our page design. We need to learn some shortcuts.
4. I'm bored with our newspaper. And I think our readers are bored, too.

Scheduling:

If you answered "YES!" to any of these questions, you're probably right - but we'll let you attend our workshop anyway.

RE: Finance Committee Request

We are requesting that the Finance Committee recommend that we receive an allocation of $300. The funds will be used for our closing banquet of our theme month: From Egypt to Israel, Celebrating Jewish Existence. The banquet is the “to Israel” part of our month as it will be held on Yom ha-Atzma’ut, Israel’s 50th Birthday. This dinner is very important to our organization, and will hopefully bring in a number of people outside the group as well. We are planning to have a dinner, a slide show of Israel, and a speaker. Although we were trying to get Norm Dicks to speak, he is busy, so we are not sure who will speak quite yet. One possibility is that we may check UW to see if they have any professors or other honorariums who could come and speak for us. Another possibility is to check with the Israel Consulate and see if anyone of importance is visiting from Israel that would come and speak. As I said before, we hope to attract a large number of people from the campus community, including students, faculty, and staff. We also will be expecting a few guests from the Jewish community of Tacoma.

The expenses are as follows (assuming 50 people):

- Dinner ($11 per person) = $550
- Dessert and decorations = $70
- Slide show = $0
- Speaker honorarium = up to $300
- Total expenses = $920

Funding sources:
- Admissions ($6 w/ UPS ID, $10 w/o) = $320
- Division of Student Affairs = speaker honorarium
- Total funding = $620

Finance committee request:
- Total funding = $620
- Total expenses = $920
- Request = $300

As you may already see, the request is basically to fund the second half of the dinner. We don’t want to charge too much for admission, in hopes of seeing a large attendance. We hope the committee can recommend our allocation. If you have any questions, you can call Gregg Rubenstein at x4318.
Proposal for Cellar Business Dinner

With all of the changes that are being discussed regarding the future of the Cellar, as well as the management and structural changes that are being made already, there will need to be a great deal of communication within the Cellar's managers team in order to ensure that these changes are well understood by all, and are enforced with the consistency that they require. This dialogue will take far more time than the weekly team meetings that we currently have, so a specific meeting designed for this purpose would greatly aid us in implementing the changes that we need to make. There will need to be some talk about the changing roles at the Cellar, the redefining of positions, and how this will affect those of us who plan to continue working in the Cellar next year. This would also be very good for the Cellar managers team to be all together in a setting other than the place where we all spend enough time as it is, effectively a mini retreat, to help give a boost to morale in a time when our jobs are getting, and will continue, to get more difficult.

Attending Students:
Darcy Carroll- Senior, General Manager of the Cellar.
Marcella Zink- Senior, Assistant Manager.
Karey O'Malley- Junior, Assistant Manager.
Galena Kline- Sophomore, Assistant Manager.
Carol Duris- Sophomore, Assistant Manager.
Robin Shakal- Sophomore, Assistant Manager.

Proposal for CHispA Retreat Funding

Funding Justifications

On April 24th, the Community for Hispanic Awareness will be holding its fourth retreat since its creation seven years ago. This retreat is an attempt to increase group cohesiveness, acquaint new members more closely to the philosophy of CHispA as well as prepare the group to function effectively as a group on campus for the coming year. The retreat will be a time for us to reflect on the past year in a social setting. Because we will not be having a banquet, this retreat will serve as a way to celebrate the closing of the year and what we have accomplished as a small group, within the group and on campus. CHispA has full intention of raising its level of capability in cultural awareness, community outreach, and political activism but first must further become a cohesive unit to demonstrate its full potential.

Other Programs

CHispA maintains a strong involvement in planning and implementing the events of the theme year, Kla-How-Ya Fronteras. Lectures have also been co-sponsored with ASUPS Lectures. Contribution can be seen through the countless events which our members planned, attended and advertised willingly and freely. With the help of the Community Coordinator for the theme year, CHispA has been able to reach out and make connections with the Tacoma community and this has profited CHispA and the campus immensely.

Title: Allocation for Programmers, Clubs & Orgs. Workshop
Author: Ted Therriault

Be it resolved that the ASUPS Senate allocate funds, not to exceed $70.00, to cover costs incurred by a Programmers, Clubs and Organizations Workshop.
Programmers, Clubs, and Organization
Reception and Workshop

ASUPS is a splintered organization. Its programmers are secluded from its media heads who are secluded from its clubs and organizations. The tools for marketing, publicity, and programming that are available through ASUPS are often never recognized and very underutilized.

The proposed workshop is intended on providing the leaders of all the campus clubs and organization the information and contacts needed for successful programming on this campus. The workshop will help develop a rapport between the different bodies of ASUPS and build better communication links throughout campus. The workshop will take place on April 27, 1998 in the Diversity Center.

The items that we are asking for are as follows:

- Platter of snacks $35.00
- Printing of letters and publicity. $15.00

The snacks will help us draw those college students who are often too busy to attend receptions such as this. The publicity will help make the students aware of when and where the reception will be. This proposal is intended for the betterment of ASUPS and the long-term well being of our student government.

Respectfully Submitted,

David Bowe
Workshop Agenda

Docket #9771: Allocations for Biology Club and Amnesty International passed unanimously.

OPEN FORUM
Erin Smith, President of Anderson/Langdon spoke to Senate regarding the cancellation of three bands on Saturday April 25th due to one noise complaint. She hopes a procedure can be developed for communication between organizations, the administration and the community for student activities.

PRESIDENT’S REPORT
President Gomez attended a meeting with the Trustee Facility Subcommittee. IFC and Panhell presidents made suggestions for the upcoming Greek housing renovations.
In response to the cancellation of the outdoor concert last weekend due to a neighborhood noise complaint, President Gomez emailed President Pierce in support of the Spring Weekend bands, hoping his actions would prevent a similar occurrence.
The Senators should be thinking of ways to inform the community about campus events.

VICE PRESIDENT’S REPORT
Vice President Rundle met with President Pierce about the community noise complaints last weekend. They came to a decision that a committee will develop criteria for noisy events and will handle all complaint calls for Spring Weekend.

FACULTY REPORT
Elections were held for Faculty Senate Chair and the results will be announced tomorrow.
May 11th will be the final debate over Faculty Codes.
Recommendations for Faculty Evaluations have gone before a Standards Committee.

Election Guidelines
Fall Elections, 1997

In order to ensure this election is fair and of high quality, the ASUPS Senate and Elections Committee have enacted the following procedural guidelines. These guidelines provide a minimum standard for campaign practices.

I. Requirements to Run

A. Each candidate must have a petition that includes a certain number of signatures in order to run for that office. The petition will include the signature, name, and address of the signer. The number of required signatures depends on the position for which the candidate is running as outlined below:

1. Signature requirements for Votes of Confidence
   a. Freshman Senator: 30 signatures from members of the freshman class with no more than five from any single Residence Hall or house.
   b. Residence Hall Senator: 30 signatures from students living in a Residence Hall this semester, with no more than five signatures from any one Residence Hall.
   c. University Owned Housing Senator: 30 signatures from students living in on-campus housing, with no more than five from any one house. On-campus housing does not include Residence Halls or Greek housing.
   d. Off-Campus Senator: 20 signatures from students living off campus, with no more than five from any one house.
   e. Greek Senator: 30 signatures from students living in Greek housing, with no more than five from any one house.
   f. Senator-at-Large: 50 signatures total. 35 of these must be from students who plan to live on campus next semester (including Greek houses.) 15 of these must be from students who plan to live off campus next semester. No more than five signatures from any one Greek house, Residence Hall, on-campus house, or off-campus residence.

2. The signing of a petition merely indicates support for the petitioner's candidacy and it is not a pledge to vote for that individual. Students can sign as many petitions as they want.

B. Each Senatorial candidate must formally interview at least one Senator. A verification form, signed by the Senator interviewed, must be turned in along with the Votes of Confidence for the candidate's name to appear on the ballot.

C. The Elections Committee may schedule specific speaking times during the campaign period. Any speaking engagements outside of these are allowed with the permission of the head officer of that organization.

D. All Senatorial candidates must be full-time students, as defined by the University of Puget Sound, at the time of the General Election. Candidates must have a cumulative grade point average of 2.0 or higher. First semester Freshmen are excluded from the GPA requirement.

E. Votes of Confidence, proof of enrollment, proof of interview, and proof of GPA must be turned in by 5:00 p.m. on Sunday, September 28, 1997. Campaigning begins at 12:00 a.m. on Monday, September 29, 1997.
II. Publicity

A. All campaigning must be conducted in accordance with all applicable University rules and regulations.

B. Definitions

1. Signs - Signs shall be designated as posted campaign material larger than legal size (11" x 14").
2. Flyers
   a. Flyers shall be designated as distributed campaign materials smaller than legal size (11" x 14").
   b. Flyers will be considered signs if posted in a manner described in Section II, C, 4, a & b of these guidelines.

C. Sign and Flyer Placement

1. A candidate is allowed one sign of a size not to exceed six feet in length and three feet in width, and three additional signs not larger than three feet by three feet in Marshall Hall / Loft / Rotunda of the Wheelock Student Center. Under no circumstances may the top of a sign exceed twenty feet in height. **All signs must comply with the Wheelock Student Center Sign and Ladder Use Policy** (attached).
2. Signs may only be placed on **brick surfaces** and the **wooden railing** between Marshall Hall and the Loft. Signs placed on the wooden railing may only be hung from the bottom of the railing and must be attached with string. No signs may be placed on the on the portion of the wooden railing above either staircase.
3. A candidate is allowed four signs not larger than three feet by three feet in the Union Avenue Tunnels.
   a. signs may only be placed on bare tunnel walls
4. Flyers will be considered signs if:
   a. they are posted on a surface in the Wheelock Student Center or the Tunnels. If a flyer is posted in such a manner, it will count as one of the allotted signs.
   b. they are placed together or arranged to convey a message on surfaces in the Wheelock Student Center or Tunnels. Such arrangements will count as one of the allotted signs, and must fit within required size limits.
5. Candidates may place flyers in Residence Halls, Greek houses, and University owned houses as long as the following criteria are met:
   a. flyers must be stamped by either the Information Center or the ASUPS Publicity Office, and;
   b. flyers must be submitted to Residential Programs for distribution, and;
   c. candidates cannot go door to door in Residence Halls.
   Residence Hall Association, Residential Programs, and Greek Rush rules must be followed in all cases.
6. **Poster putty** and **masking tape** are the only adhesives allowed for posting signs. Poster putty is recommended for posting signs, but masking tape is acceptable.
7. No campaign materials may be posted or distributed in academic halls, which include the Library and Fieldhouse.
8. All posters and flyers **must** be stamped and approved by either the Information Center or the ASUPS Publicity Office.
9. No signs, flyers, or verbal or written campaigning will be allowed within **twenty feet** of the polling station(s) on the day(s) of voting.
10. Candidates must remove all campaign materials within 24 hours of the close of polls. Results will not be released until all material has been removed.

D. A candidate may not spend more than his/her allotted budget for publicity purposes. All donations to a campaign must be subtracted from the budget.
   1. Campaign spending includes all cash, goods, and services at the fair market value, as determined by the Elections Committee, provided for and utilized in support of a candidate's election.
   2. There is a $50 spending limit on all Senate candidates.
   3. All candidates must submit a complete accounting sheet of campaign expenditures within 24 hours of the close of polls in order to finalize and validate the elections.

E. The Elections Committee shall regulate and enforce the election proceedings in accordance with the ASUPS Constitution and By-Laws (See Article IV, Section 4.)

III. Role of the Committee

A. Publicity
   1. If, at any time, a candidate has a question concerning the validity of another candidate’s publicity, or of his/her own publicity, he/she is encouraged to contact the committee.

B. Complaints
   1. Any complaint about campaign practices of a candidate must be placed in writing and submitted to the Committee for review at any time during the election process but no later than three weeks following the general election.
   2. The Committee will determine the validity of any election complaint, basing its decision on the ASUPS Constitution, By-Laws, Election Guidelines, and the discretion of the Committee.
   3. Any and all actions of the Elections Committee and its members will be subject to review by the Student Senate and ultimately by the Honor Court.

C. No member of the Committee may publicly endorse any candidate.
