WELCOME TO THE UNIVERSITY OF PUGET SOUND.

THIS PARKING ZONE RESERVED FOR VISITORS AND STUDENTS.
What comes to mind when September rolls around? What else but to return to UPS; like the swallows flocking to their abodes in Capistrano, the typical Logger wings his way back to the campus that he left so gratefully three months before.

The "first time" of doing anything leaves a mark on our psyche, but surely the act of going to college carves one of the deepest impressions of all. For the Class of 1979, their arrival marked the severing of old ties, and the formation of new ones, along with adapting to living with one to five roommates, 80 watts per channel stereos, 8:00 classes, and 4:00 am studying.

For the Class of 1976, their arrival marked, for most, the last time that they'd return to UPS in September. The imminence of going out into that "cold, cruel world" surely was foremost in each of their minds, beyond the parties, the classes, and "the little red-haired girl."

For those of us caught in the void between freshman and senior, there was the Bicentennial to experience. The "accident" of this year coinciding with the anniversary of The Declaration of Independence gave us a special reason to examine the significance of UPS's history as well.
This is the 57th edition of the Tamanawas. “Tamanawas” happens to be an Indian word that stands for the vision a youth saw once he traveled into the woods just at the time he was to become, spiritually, a man. His “tamanawas” would be a guiding light to him throughout the rest of his life.

Well, at the risk of sounding pretentious, here is our “Tamanawas”; our vision of what being a Logger in 1976 was all about.
Another mystery is how we managed to be called “The Loggers.”
Perhaps it happened because, unlike “Wildcats,” or “Rams,” “The Loggers” is an idea that is deeply rooted in the Northwest’s heritage.

Those hearty men and women who mounted springboards and sawed down the mighty virgin timber of the region, with only their muscles to aid them, built this area. Indeed, the logging industry is still responsible for building our cities and towns.

The memory of those loggers of olden days exists for us to emulate as best we can.

With all this in mind, we dedicate Tamanawas Seventy Six to all of us: Loggers old, new, and to come.
Welcome to registration, new friends, the joys of the bookstore, and the first of multitudinous examinations.

Summer seems very far away.
There is a conspiracy in the Student Programs Office among the Artists and Lectures Committee, Celler X, Showcase, Campus Films, and the Performing Arts Committee along with some former Loggers who call themselves the Toppers to keep you out of the library and away from your books.

"The Days of Prohibition" was the theme of this year's homecoming. The wet and rainy week was filled by activities such as the Spirit Parade from the Pig, in which the Phi Delt-Tri Delt trailer rig won first place. The Homecoming Ball took place down at the Top of the Ocean on Friday night, followed on Saturday by the football game against Chico State, which we won (of course).

Saturday night brought a concert to the Fieldhouse, starring Cheech and Chong (complete with hilarious comedy of questionable taste) and Cecilio and Kapono, a rising soft rock group from Hawaii.

FOOTBALL

The 1975 season brought to Logger football much excitement as the team won all their home games in exceptional fashion. Up until the next to last game of the season the Loggers had been hoping the impossible, a shot at post-season play at the Camelia Bowl. However, the team's hopes were dashed by several questionable penalties near the close of their game versus the Oregon College of Education in Oregon which allowed the Wolves to maintain their undefeated record, 30-27.

Outstanding play this year was exhibited by most of the Loggers, with standouts like Ron Reeves, Jim Hatch, Doug Holderman, Frank Washburn, Greg Baker, Frank O'Loughlin, Calvin Saunders, Clay Angle and many others too numerous to list.

Bill Linnenkohl (1st Team), linebacker; Steve Lawson (1st Team), defensive end; Steve Davies, (1st Team), defensive end; Tom Nelson (1st Team), defensive tackle; Larry Smith (1st Team), safety; Greg Baker (1st Team), running back; Steve Cain (1st Team), offensive guard.

Dave Vick (2nd Team), offensive guard; Dave Rowan (2nd Team), defensive tackle; Ron Reeves (2nd Team), linebacker.

Tom Grant (Honorable Mention), offensive tackle; Clay Angle (Honorable Mention), quarterback; Brent Wagner (Honorable Mention), kicker.
Volleyball

The Women’s Volleyball Team spiked their way to an impressive record this year of 11-4, with two of those losses against a gigantic University of Washington team.

Coached by Frank Johnson and Alice Bond, the team spiked and served to a position of dominance among the Northwest’s small colleges.

The Women’s Field Hockey team wished that they could have had as successful season as volleyball as their crew limped their way to a dismal 0-6-1 season. The women’s high point occurred in the second game of the year as they scored their only goal. Unfortunately, Skagit Valley scored nine.

Front row: John Boggs, Willie Browne, Don Greco, Brian Brouillet, Dave Richard, Steve Miner, Dale Ehrenheim, Mark Brown, Bob Skar, Jim Daulley (Coach).

Cross Country

The Men's Cross Country team ran to another basically successful year. The only thing that kept the UPS harriers from equaling or even bettering their outstanding record of last year when they finished 17th at the national finals, was that one of their five entrants at the NCAA Division 2 meet, Willie Browne, succumbed to the heat in Irvine, California and suffered a heat stroke, leaving UPS with only four placers, and disqualified them from competition. A lack of funds had prevented the Loggers from bringing along an alternate runner to the meet.

Leading the Loggers, coached by first year man Jim Daulley, was Bob Skar, Brian Brouillet, Browne, Dave Richards, Mark Brown and John Boggs.

The Distaff team of harriers, who had their own first year coach, Dawn Bowman, had a “satisfying” season of competition. Their basic aim was to build up a good program for the future, which the women undertook with gusto. Coach Bowman stated that, “the attitude, enthusiasm and hard work of this team will be hard to match in the years to come.”

The team was led by Sue Kauffman and latecomer Zelda Zabinsky, along with Laura Shunk who was injured after the third meet of the season. All of the team, said Bowman, was running very consistently, and improved greatly since the beginning of practice.

Perhaps the finest thing to be said about the teams, both men and women, was stated by Bowman, “Everyone is diligent. It’s the hardest sport they could be on. It’s pain, really hard and a lot of work.”
The Logger soccer team, though ragged at times, was able to score perhaps one of their best seasons ever, climaxing with a 2-1 victory over crosstown rival Pacific Lutheran University.

The season ending PLU game was sparked by goals by Norman Berg and Earl Nausid, along with the excellent play of goalie Ken Tallquist and defensive sweeper Russ Steele.

Coach Roman Strug led the booters to a 4-5-2 season and 4-4 in league play. Other outstanding players on the UPS team were Tony Kiriluk, Gary Culbertson, Kris Karlstrom, Nick Papini, Gordon McCabe, and Mike Holzgang.

The superb Logger defense was attested to by the coach of Simon Fraser University in British Columbia after the Loggers’ loss there, “The Loggers had the best defense of anyone we’ve played this year.” This included University of Washington, Washington State, Seattle Pacific and Stanford.

The team is looking forward next year to improve, and begin some ruckus amongst the present soccer kings of the Northwest.

Many people come and go throughout the doors of my life taking what they need and giving what they can -
Our moments were only seconds of a lifetime, but so important because we shared what we could -
Only a glimpse of the sun but enough to warm the heart -
The weekends . . . we break the links of the chains of habit -
we touch and retouch the moment of rare frost
Then with our heads held high our faces to the sun we say good-bye
Blessed are they who have the gift of making friends, for it is one of God's best gifts.

It involves many things, but, above all, the power of giving out of one's self and appreciating whatever is noble and loving in another.

Life, so they say,
Is but a game, and they let it slip away.
Love, like the autumn sun,
Should be dying, but it’s only just begun.
Like the twilight in the road up ahead,
They don’t see just where we’re going;
And all the secrets in the universe
Whisper in our ears, and all the years
Will come and go and take us up,
Always up.

So I want to laugh while the laughing is easy;
I want to cry if it makes it worthwhile;
I may never pass this way again.
That’s why I want it with you,
Cause you make me feel like I’m more
Than a friend;
Like I’m the journey, and you’re the journey’s end.
I may never pass this way again;
That’s why I want it with you.
Growing up . . .
Not an easy process in today's changing society, but one which can be aided along the way with the help of a supportive group. It is an inherent instinct that all humans need some positive reinforcement for the things we need and do; having close friends in whose company we feel comfortable is an important function of growing up and growing together. Empathy, trust, compassion; all attainable qualities in us; ones we learn to exercise when we finally realize what a true friend is, and what it means to have one!

If you have a gift, bring it;
If you have a song, sing it;
If you have a talent, use it;

Laughter recognized -
It rolls down the halls,
Down the structural cracks,
Into stranger’s rooms.
It’s those Pi Phis again!
Did you see?
They were out there today
Drenched and brawling,
Gritting teeth and losing
Twenty-eight to one!
There they go -
Walking arm in arm
From registration to graduation
And who knows where
They will go from there!
Can’t quite say
That from the outside
They are different or significant,
But looking from the inside
I can say I’ve seen they are!

Men’s Basketball

Again the University of Puget Sound basketball team was a Northwest powerhouse, ranking among the top five Northwest small colleges and among the top 20 NCAA Division schools for the better part of the year.

The Loggers’ schedule, which involved 30 games, was the longest in UPS basketball history. Several of the Loggers’ victories this year were over highly rated opponents. UPS knocked off defending Big Sky champion Montana, 77-65, and downed District NAIA champion Central Washington, 72-67. One of the biggest wins for UPS in the campaign was a decisive 81-70 victory over defending NCAA Division 2 West Coach champion University of California, Riverside. Peterson and Evans each scored 18 points, Anthony “A.T.” Brown and Rick Walker each contributed 17 points to this Logger triumph.

UPS was led by All-American center Curt Peterson who led the squad in scoring and rebounding for his third consecutive year. “The Peak” consistently scored in the twenties, and could be counted on for nearly 10 rebounds a contest. Little All-Northwest performers Tim Evans and Rick Walker also excelled for the Loggers, each scoring in double figures for their season average.

Front row: left to right: Assistant Coach Mike Acres, Mike Strand, Mike Kuntz, Mark Wells, Bill Green Heck, Dan Bevett, Tom Metzdorf, Rick Walker, Tim Evans, Rocky Botts, Jimmy Stewart, Coach Don Zeck, Mike Hanson, Anthony Brown, Curt Peterson, Phil Hiam, Brant Gibler, Missing: Matt McCully and Chris Colery.
Women's Swimming

This year was the first year of action for the team under the leadership of Phil Moseley as coach, and Jo Ann Moore as team captain.

Even without an impressive won-loss record, much of the team qualified for NCWSA regionals. Those who qualified were Jo Ann Williams, Marla Seese, Chris Bond, Anne Tuttle, Darcy Ostien, and diver Jill McLean.

Moseley feels the girls worked hard to make a showing this year. Most of the team will be returning next fall along with Moseley.

Moseley predicts that next fall, "everything will be coming up roses."

Team members, front row left to right: Ann Hennigan, Kathy Kurfess, Chris Bond, Dani Wong, Jill McLean, coach Phil Moseley, Marla Seese, Jo Ann Moore, Anne Tuttle, Darcy Ostien, and Jo Ann Williams.
Wrestling

"Injury" was the key word for the University of Puget Sound wrestling team this year, as four key Logger wrestlers were sidelined, Eric Davis, John Smith, Steve Ehlers, and Steve Tucci were all forced out of action for the Loggers.

Still the Loggers had their highlights in the 1975-76 campaign. A key dual-match victory for UPS was a 39-15 trouncing of cross-town rival Pacific Lutheran University.

Coach Rossberg's grapplers enjoyed success in the tournaments this year, grabbing 4th place in the Pacific Invitational, and 8th place in the University of Washington tourney.

Outstanding wrestler for the Loggers was Junior Bill Stout, UNL. Stout captured the tournament title at the Pacific Invitational, and finished highly in other events.

Other fine performances were turned in by John Smith, 142 (before his shoulder injury), Joey Johnson, 126, and Wolf from Patton, 118.

Front row, left to right: Wolf from Patton, John Coonan, Dennis Mallon, Joey Johnson, John Smith, Jamie Jasper; Back row: John Hatcher, Duke Phillips, Bill Stout, Steve Ehlers, Glenn Briscoe, Dan Williams, Coach Del Rossberg.
Men's Swimming

Aided by the return of seven All-Americans from last year's outstanding team, the Men's Swimming team compiled an impressive list of performances. Even while winning only seven of their eleven dual meets, Coach Don Duncan's crew displayed many excellent times, qualifying at least eight swimmers for Nationals.

The team's most satisfying meets were against Pacific Lutheran University as the Loggers blew them out of the water in their meet at UPS. That meet was followed by a return engagement against a well-rested Lute team at PLU. In that event, the Loggers won a thrill-packed victory in a contest that saw the last relay race decide the outcome.

Qualifiers for NCAA Division II championships were Rick Unrue, Dan Seelye, Brian Budsberg, Scott Wilson, Barry Collier, Brian Boettcher, Dale Ehrenheim, Morre Rude, and Russ Wiglesworth.

Women's Basketball

The Women's Basketball team this year consisted of mostly new talent, who had had little experience in playing the game. Both coaches, Tom Knutson and Brian Steberl, were happy with the efforts of the team, and they felt that the women had improved much during the season.

The five starters, Ev Goldberg, Peggy Boyle, Alice Sigurdson, Char Davenport, and Colleen McKay, were all returnees. Along with that backbone of last year's team, Marsha Desey joined the cagers in the middle of the season.

The team's best game was a comeback contest early in the season. Playing against Pacific Lutheran University, the game was won in the last ten minutes as UPS put in 16 consecutive points, crushing their crosstown rivals. It was in this game that lead scorer Ev Goldberg swished 30 points for the team.

Most of the team will be returning so next year appears to be one to look forward to.

Front row, left to right: Colleen McKay, Cindy Connally, Ev Goldberg, Janet Saulie, Peggy Boyle, Vera Acosta; Back row: Tom Knutson, Char Davenport, Celia McKay, Barb Young, Rochelle Brosseau, Carrie Asleson, Susan Hoff, Alice Sigurdson, Coach Brian Steberl.

The 1975-76 University of Puget Sound Logger basketball team won the 19th annual NCAA Division 2 National Championship in Evansville, Indiana, with an 83-74 victory over the University of Tennessee - Chattanooga.

The Loggers had reached the finals by defeating defending NCAA Division 2 champion Old Dominion, 83-78, in the semifinals, and downing North Dakota 80-77 in the quarterfinals. UPS hosted the quarterfinal game, as well as the West Coast Regionals, which they won with wins over Cal Poly Pomona and Bakersfield State.

The national championship for UPS marked the first time ever that a college team in Washington has ever won top national honors, and the first time ever that a west coast team has ever won the NCAA Division 2 championship. It is also the first basketball championship in the northwest since the U. of Oregon won the Division 1 title in 1939.

The Loggers finished the season with 27 wins and 7 losses, a new UPS record for wins in a season. It was also the top amount of wins by any Division 2 team in the nation. The Loggers won their last 13 games of the season, and 16 of their last 17.

Center Curt Peterson, who was named honorable mention on the Small College All-American team, was named the Most Valuable Player in the championship tourney. Logger forward Brant Gibler was also voted to the All-Tourney squad.

Forward Rick Walker was the Most Valuable Player in the West Coast Regionals, and Peterson and Gibler also made that squad.

Peterson and guard Tim Evans made first team Little All-Northwest, while Walker was voted to the second team.

Peterson set school records in career scoring and rebounding, single season scoring and rebounding, and was among the nation’s leaders in scoring average, field goal percentage, and free throw percentage.

Rick Walker was voted Team Captain, Brant Gibler was given the Most Inspirational Award, Jimmy Stewart was voted the Most Improved Player by his teammates, and Mike Hanson won the Coaches Award.

Peterson lead the team in scoring average (20.9), rebounding (311), and free throw percentage (84.2). Tim Evans was the team leader in Assists (124), and Anthony “A.T.” Brown led the squad in field goal percentage (57.9).
Women's tennis

The women involved in the intercollegiate tennis team this year have expanded considerable time and energy in pursuit of the tennis ball and the intangibles called experience and growth.

We have achieved a great deal as measured by the traditional test called the “win-loss” record and in the qualification of three athletes to the Regional Tournament. This pleases but does not surprise me. It remains my firm contention that the women of UPS possess as great a potential in sport as they do in the many other areas of the University where excellence is encouraged and developed.

The intangible, intrinsic rewards are more difficult to measure but based upon simple observation I must emphatically say “YES”! It is visible to me that these women have chosen the road less traveled by, the road of priority evaluation and commitment. And in the words of Robert Frost, ‘that has made all the difference.’

The results of this year’s total experience are obviously encouraging. It will be difficult to replace transferring co-captain Cara Sue Cross and graduating four year letterwoman and co-captain Kerry Tilson, however, I remain optimistic about the women’s tennis team. An experienced nucleus of women will be returning and due to the nature of the program I expect many more competitive women will be turning out.

SEASON RECORD: 8 wins 6 losses

Outstanding team performances were made by Sue Kendall, Betty Andrews and Tina McClellan. Sue and Betty attended the NCWSA Regional Meet in Boise, Idaho, while Tina McClellan scratched 3 times with national qualifying distances in the shot put. Next year 23 of 26 athletes will be returning guaranteeing an exciting year to come. Only two UPS women’s varsity track and field records remain standing after this year’s competition.

The University of Puget Sound's 1976 men's track team finished with a 4-2 dual meet record, including an 85 2/3 - 76 1/3 win over Western Washington State College in Bellingham, the Loggers biggest win of the year.

Calvin Saunders and Brian Brouillet picked up double wins for UPS in the win over the Viks, Saunders capturing the 100 and 220 and Brouillet winning the 3-mile and Steeplechase. UPS also took a sweep in the mile run, with Mark Brown winning, to key the victory.

Sophomore Randy Moon was the Loggers leading point-producer during the season, scoring for UPS in the Javelin, High Jump, Long Jump, Hammerthrow, Shot Put, 120 High Hurdles, and Triple Jump.

Several UPS records fell during the course of the season. The new records and record setters are listed below:

Hammerthrow - Frank Olotoa - 160'4"
Six-mile - Dave Richard - 31:25.0
880 - Steve Miner - 1:55.5
Two-mile - Mark Brown - 9:29.4
120 High Hurdles - Randy Moon - 14.9 (ties UPS record)

Distance Medley Relay - Willie Browne, Steve Frische, Mark Torgerson, and Mark Brown (2 1/2 miles) - 10:23.0

In addition, pole vaulter Mike Ramoska was ranked among the leaders in the northwest with a vault of 14'8", set against Western Washington.

The Women's Crew Team had a limited but successful program this year. Four women turned out at 5 am with the men's crew team and under the guidance of crew coach Bill Kalenius, made some real improvements in their rowing style. At WSU in the first race of the season they beat the WSU women's lightweight team. At SPC they came in second to beat the PLU women's crew team, but were defeated the next weekend in the Meyer Cup race. They also competed at the Steward's Cup and were the first UPS Women's Crew Team to row in the Western Sprints. There they placed third behind UCLA and U. of W. with a time of 4:01 for 1000 meters. This is also the first year Women's Crew has been an official sport at UPS. With three of this year's four team members returning next year, there should be a good nucleus for continued growth in the women's crew program.

men's team: Russ Babcock, George Bryant, Brian Cole, Mike Curtice, Tom Griffith, Tom Hazeltine, Bruce Landram, Tony Medeiros, Pico Nagai, Riley O'Brien, Peter Odland, Brian Ray, Chuck Shotwell, Bob Thomas, Jewett George.

Women's team: Gail Johnson, Nancy Knight, Sonja Pederson, MaryAnne Rowe. Coxswains: Jean Bohannan, Tracie Poole.

Coaches: Bill Kalenius, Vern VanHouten, Dan Laflberth.
Poetic to the spectator, brutal to the contestant is a good description for the sport of rowing, and this year the University of Puget Sound Crew came together as poetry in motion. Starting the season with Brian Ray, George Bryant, Bob Thomas and Tom Hazeltine as returning lettermen, second year coach Bill Kalenius added Peter Odland, Mike Curtice, Russ Babcock, and Bruce Landram to the varsity eight for a very successful season.

Rising at 5 am to practice on the Blair waterway the crew jelled into a unit that proved to be the spoiler at the 1976 Western Sprints in San Francisco. During the two day regatta the Crew notched victories over rivals Seattle Pacific, Western Washington and the University of Oregon, as well as beating U.C. San Diego and Santa Clara.

Earlier in the season the crew showed of things to come with a five length victory over cross town rival PLU for the city championship Meyer Cup. Showing depth and strength for the future the JV shell stroked by Russ Babcock with Tom Griffith, Tony Medeiros, George Jewett, Chuck Shotwell, Brian Cole, Pico Nagai, and Riley O'Brien also rowed to an impressive six length win over PLU's JV. Coxing the Varsity this year was Jean Bohannan and the pilot for the JV and lightweights was Tracie Poole.

After winning the Meyer Cup versus PLU, the UPS Varsity eight accept congratulations from Mr. Meyer: from left, Meyer, Jean Bohannan - coxswain, Tom Hazeltine, Russ Babcock, Bruce Landram, Bob Thomas, Mike Curtice, Pete Odland, Brian Ray, George Bryant.

**Won 5 Lost 6**

The 1976 University of Puget Sound's men's tennis team wound up the season with a 5-6 won-loss record, a strong improvement over an 0-17 1975 finish. First year coach Jim Hovee will lose only one player from this year's squad, and has good reason to expect a successful program in the future.

Freshman Ben Jones and senior Eric Depoorter each played number one singles for the Loggers this year, and Jones teamed up with Randy Smith to form the number one doubles team.

The most exciting win of the year for the Loggers was a 5-4 decision over Olympic C.C. on the UPS courts. The match went down to the wire tied at four, before doubles team Al Barber and Dale Bryan won a 3-6, 6-4, 7-5 decision for the Logger win.

Baseball

The 1976 UPS baseball team had a very disappointing season, even though they did finish with a winning record. The Loggers finished 21-20, and 12-12 in the Northern Pacific Conference, good enough for fourth place.

But the disappointment came from the fact that the Loggers were favored to win the Conference for the third straight year, and were also rated among the nation's top Division 1 teams in a pre-season poll.

The Loggers did have a good many highlights, despite not making any post-season playoffs. One of those highlights was a 15-4 trouncing of cross-town rival Pacific Lutheran, in which UPS rapped out 18 hits off Lute pitchers.

The Loggers also beat Seattle U. three out of four games, Western Washington three out of three games, and downed Pacific-8 power Washington State U. 9-4, to establish themselves as one of the top teams in the state. again.

13 players will be back for next year's team, as coach Jack McGee already has the nucleus formed for a 1977 squad, which hopefully will be back in championship form.

Winter Sport's Statistics

Men's Swimming

University of Puget Sound swimmers placed in the Top-10 teams for the second straight year as the Loggers finished in 8th place in the NCAA Division II Championships at Springfield, Massachusetts. Outstanding swimmer for Puget Sound was Dan Seelye (a junior) who won both the 100 and 200 yard backstroke events and was the defending champion. Gary Figueroa of University of California at Irvine. Dan Seelye's times of 52.59 in the 100, and 1:55.02 in the 200 back were NCAA Division II records. The 100 back was the oldest Div. II record, held since 1968 by Doug Russell of Texas-Arlington.

Puget Sound's 400 yd. medley relay established a UPS school record of 3:33.03 in taking 3rd place. The Loggers led for 350 yards of a very exciting race before being overtaken by two: 44 anchor legs on the part of Chico State and Cal Irvine. Seelye's lead-off was 53.3, Steve Webster's breaststroke 1:00.0, Rick Unrue was 52.1 in the fly, and Morre Rude anchored with a 47.6. A fine relay performance which broke the previous varsity record by almost four seconds.

Scott Wilson's 2:00.4 in the 200 backstroke for 8th place was a personal best.

Another varsity record was the Logger's 400 free relay, which recorded a 3:13.36. Splits: Dan Seelye :48.5, Rick Unrue :47.5, Dale Ehrenheim :49.1 and Morre Rude :48.2. The Logger's 800 free relay team also placed in the consolation, going 7:10.61 (Ehrenheim 1:47.8, Rude 1:46.5, Colliner 1:48.4, and Boettcher 1:47.9). **Wrestling**

“...the low point of the season was, of course, all the many injuries,” said wrestling coach Del Rossberg. “It was very disappointing, especially because the wrestlers we lost were some of our best. We couldn’t even fill all the weight classes all the time, still, it was an educational year, and I’m very happy with the way a lot of our wrestlers performed this year.”

For the season, UPS finished 5-11 in dual matches, and placed fourth and eighth in two of the three tournaments they entered. Dual-match victims included Linfield, Willamette, Whitworth, Stanislaus State, and cross-town rival Pacific Lutheran University, whom UPS destroyed 35-15.

But the highlight of the season for coach Rossberg was the fourth place finish at the Pacific Invitational tournament, a traditionally tough mat event. “Having so many wrestlers do well at one time like that was probably the biggest thrill of the season,” he commented.

Logger heavyweight Bill Stout finished the season with the best individual record. He was 15-1 in dual matches, and 24-4 overall. One of his losses was to the defending NCAA major college champion, and another was to the Canadian National Champion.

Coach Rossberg has already started to look ahead to next year and what it might bring. “We only lose two wrestlers,” says the Logger mentor, “so it should be a good year. We had a lot of freshmen who were educated and improved this year, and will really help us next year. A lot of our success will depend on how our recruiting goes, also.”

Wolfrom Patton and Joey Johnson competed at the NCAA Division 2 Championships at North Dakota State University. Patton is a senior; Johnson still has two years of eligibility remaining.

Stay young!

Since our start in 1900, we’ve learned better methods to harvest our forests; we’ve been working to control insect, disease, and fire damage; we’ve expanded into making thousands of wood products; and we’ve made the forests available for recreational opportunity.

Forests are a renewable resource, and we’ve helped make sure that there are forests for the future.

In the first decade of the century, we were reforesting through natural regeneration. In 1941, we established the nation’s first tree farm. And now we’re planting more than 150 million seedlings and seeding thousands of acres every year.

Our aim is to stay young with new ideas and new forests.
