University of Puget Sound
If I had only...
forgotten future greatness
and looked at the green things and the buildings
and reached out to those around me
and smelled the air
and ignored the forms
and the self-styled obligations
and heard the rain on the roof
and put my arm around a friend
...and it's not too late

Later that evening, students' talents were shown off at the songfest and ice cream social. A pajama breakfast was hosted Saturday morning with open mike and prizes for the most outlandish costumes. The Homecoming game against Simon Fraser ended in victory for our team with the score 31-24. Activities were topped off Saturday night with food and dance at the Fantasy (Blake) Island.

Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be. And whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

Congratulations Seniors!
from Food Services Staff
STAY YOUNG!

Since our start in 1900 we’ve learned better methods to harvest our forests; we’ve been working to control insect, disease, and fire damage; we’ve expanded into making thousands of wood products; and we’ve made the forests available for recreational opportunity.

Forests are a renewable resource, and we’ve helped make sure that there are forests for the future.

In the first decade of the century, we were reforesting through natural regeneration. In 1941, we established the nation’s first tree farm. And now we’re planting more than 150 million seedlings and seeding thousands of acres every year.

Our aim is to stay young with new ideas and new forests.

Bruce and Eric,
Between the two of you there was never a dull moment.
Thanks muchly!
I love you both!
