I've never thought to thank you, God, for creating my friends and letting them enrich my life. Thank you for the short time we’ve known each other and the confidences and hopes and troubles that we’ve shared.

We can laugh together, cry together, and rejoice together. Though we may not see each other for a long time, when we come together, it is always the same. Because of them, I am a better, happier person; and because of me, they have grown too.

Lord, bless and keep them, these people you fashioned, filled with qualities that have meant so much to me!

The times last just long enough
To make us wish for more
And often we dream and wonder
If they'll be back again
'Cause this way of living
Keeps our souls from feeling sore
And makes us trust and honor
Our brothers as our friends.

Jean

True beauty on earth
Was not meant to last long
Yet what it gives us
Remains once it’s gone.

She brought with her sunshine
Which freely she’d share
A sweetness in spirit
A friendship quite rare.

The ability to listen
With undying love
She was a gift God gave to us
From heaven above.

So think not of sorrow
But of the peace he has granted.
One fragile flower
Has now been transplanted.

With Love—

And if our hands should meet in another dream we shall build another tower in the sky.”

"I am sunshine . . . the sparkle of merriment in the eyes of youth.
I am a doorway out of the common place into a new exciting experience.
I am a purpose of life which will make the later years of the girls I house rewarding.
I am noise . . . and a silence with warmth in it.
I am laughter . . . and a quiet revolution which seeks the comfort of a listener.
I am energy and a touch of loving service.
I am youth and the slowly emerging habits that make matured experience worthy.
I am today and also tomorrow that is being shaped.
I am habits, ideals, way of living, confirmed attitudes in the soul.
I am a home to which a heart can unfold.
I am a force that holds you near each other no matter how different people are.
I am a spirit that forever sings within your hearts.
I am love . . . deep, sincere, devoted love.
I am part of you . . . for though your feet may pass my door, my memory will live eternally.
I am Tri Delta."
