Apple Scruffs

The purpose of Apple Scruffs is to unite UPS students and faculty who all share the common interest of classic rock and roll. Apple Scruffs acts as a forum in which members can voice interests and ideas that pertain to the foundations of modern rock. The music embraced by the club generally focuses on rock/folk rock from the 1950s through the 1970s, but the club also directs members toward the applications of classic rock to more modern music and helps to trace the evolution of rock in general.

The club's activities are many and varied; they include trips to laser shows, showings of classic rock films, trips to record stores, jam sessions, etc. Suggestions and ideas from members are both welcomed and encouraged. Apple Scruffs promotes an increased appreciation of classic rock and facilitates the already-established musical interests of its members.

-Kristin Jurst

Logger Pep Band

Logger Pep Band is always there, at football games and basketball games, keeping the crowd entertained with our music and excitement. Some members are music majors; others don't have a single music class, giving our group a dynamic and fun feel. We're always working to get new music and keep it fresh, always adding solos and playing non-traditional pep band music, such as Africa, by Toto. If you have the slightest interest in coming out and joining us, please do! Everyone is welcome!

-Cara Munson
UPSS\textsuperscript{stage} M
(UPS Stage Musicals)

UPSS\textsuperscript{stage} M (University of Puget Sound Stage Musicals) is a student organization dedicated to the performance, study, and appreciation of musicals. The club seeks to give students opportunities to perform selections from musicals by creating one showcase production each semester. In this production, students have the choice of performing, playing an instrument, directing or assisting in all aspects of the stage.

UPSS\textsuperscript{stage} M also views musicals (both movies and live performance) and encourages the discussion and study of the selected works. Students also have the opportunity to participate in special workshops and discussions about musicals with faculty and experts. UPSS\textsuperscript{stage} M seeks to open up the world of musicals to the campus audience and in doing so promote community, education, and experience through art. UPSS\textsuperscript{stage} M was founded in the fall of 2003 with 30 members and this year has grown to over 100 members.

This fall, UPSS\textsuperscript{stage} M produced "Forbidding Broadway," a musical theater revue featuring numbers from musicals that were once (or still are) controversial. Approximately, 45 students were involved in this student-run and student-performed production. Next semester, UPSS\textsuperscript{stage} M will be producing its third musical theater revue "From Pages to Stage" which will feature numbers from musicals based on books and plays. In addition, UPSS\textsuperscript{stage} M along with the Film and Theater Society will be taking a group of students to New York over Spring Break to watch shows on Broadway.

---Jenny Lai
UPS Students for Fair Trade

UPS Students for Fair Trade is a club with both local and national interests. Our members are committed to the promotion of Fair Trade here at Puget Sound and nationwide as well.

We believe that Fair Trade is important because it promotes successful, empowering relationships between farmers and business and educates consumers about Fair Trade and economic development.

One of our biggest achievements has been establishing UPS as the first campus in Washington State to serve Fair Trade Coffee. Right now, Diversions Cafe is considering a roaster switch. Our organization is working with Diversions to seek out a new roaster which serves 100% Fair Trade Certified Coffee.

Officially recognized by ASUPS, the club University of Puget Sound Towards Animal Rights Together (UPSTART) meets most Wednesdays at 8:00 p.m. behind the Info Center in the SUB. We organize events that promote animal rights as well as related issues, such as sustainability, world hunger, and human health. Past events have included the spring banquet, local protests, free lectures, potlucks and Seattle dinners, Earth Day soy ice cream giveaways, volunteering at animal sanctuaries, a raffle for an autographed Maroon 5 hooded sweatshirt, vegan bake sales, and our overnight "Portland Pilgrimages." While we believe that transitioning to a plant-based diet is the single best way to reduce animal suffering, it is only a means and merely one expression of the animal rights philosophy. We welcome anyone with an interest in the rights of animals to join us regardless of diet.

-Michelle Brittan
The University of Puget Sound Young Democrats strives to stimulate in young people an active interest in the political process, in government affairs, and in current political issues. We seek to facilitate the acquisition of young people's political power, to promote liberal ideals, and to foster and perpetuate principles of social justice and welfare. Given that 2004 is a presidential election year, this is a great time to get involved!

VAWA focuses primarily on educating the campus on all kinds of violence against women (sexual, physical, emotion and verbal). We fund and produce the Vagina Monologues each spring. We have done educational programming during the past two fall semesters for National Young Women's Day of Action. Currently, we are in the process of hanging up rape statistic posters in the dormitory bathrooms as well as assisting in the organization of Take Back the Night.

-Mollyrose Sommer

Women's Voices is the feminist discussion and action group here at UPS. We gather weekly to talk about social, political, and school-related issues that interest our members. Women's Voices, or WV as we call ourselves, acts as a sounding board of sorts; we like to think of ourselves as a place for feminist-oriented students to come and discuss whatever is on their minds. We are a forum for discussion of the issues, problems, questions, concerns, etc. that students on campus have or experience, but are unable to address in their classroom or dorm lives. It is a way for feminists, men and women, to find others who share their values and interests, in an informal and open-minded setting. WV also participates in service opportunities with the Pierce County YWCA and other organizations focused on women's issues, like My Sister's Pantry. Women's Voices is committed to and passionate about providing a safe space for feminists and feminism on campus.

-Lauren E. Brown
The Jewish Student Organization's (JSO) goal is to promote an awareness of the Jewish way of life and history. The JSO maintains an open forum where members are able to teach, learn, and discuss Jewish traditions, beliefs, and current issues that affect students today. The club is completely student run, and it is open to any student, faculty, or staff member of the Puget Sound community. The JSO plans and hosts a variety of events related to Judaism for the campus community. To kick off the year we provide transportation to High Holy Days services, which include Rosh Hashanah (the Jewish New Year) and Yom Kippur (the Day of Atonement), and celebrate Sukkot, the Jewish harvest festival of booths. Some past examples of other events include a Hanukkah party, Purim carnival, and a Yom Hashoah (Holocaust Remembrance) week of events. The JSO also hosts the annual campus Passover Seder which brought in over 55 participants in 2004! We also coordinate transportation for anyone who wishes to join the local reform-conservative synagogue of Tacoma, Temple Beth El, for Friday night Shabbat services. The JSO meets weekly to plan events, discuss Jewish issues and eat plenty of delicious food. Between events we have some low key meetings and smaller events, such as Hebrew 101 sessions, movie nights and discussions. Outside of events, the JSO also is also involved in education of our campus. We work with Dining and Conference Services to accommodate Jewish students' needs during Passover and with the Associated Students of UPS (ASUPS), our student government, to create a better understanding of the needs our members present to us. The Jewish Student Organization is committed and pleased to provide a space for students to find acceptance, enthusiasm, and a community for being Jewish on our campus.

—Becca Herman

UMeth (United Methodists)

UMeth (United Methodist) strives to be an inclusive group, open to students of diverse religions, opinions, races, ethnicities, sexual orientations, and gender identities. We believe in the equality of all and promote questioning, discussion, sharing, understanding, spirituality, and social action. Activities include fellowship, food, bible studies, and discussion of and action on social justice issues. Past events have included dinner with chaplin Jim Davis and his wife Nancy, Caroling for Clothing Donations, and the Jesus Film Fest.

-M. Addios
**LIGHT HOUSE**

More than just a Tuesday night event, Lighthouse is a Christ-centered community committed to experiencing and sharing God's unconditional love for Tacoma college students. Using the Bible as the basis for understanding Jesus Christ and the kingdom of God, students plan and execute various activities such as feeding the homeless under the 705 Bridge on Friday nights and mission trips to Walla Walla (Eastern Washington), Mexico, and even Thailand, during spring break, between semesters, and in the summer. Questions and discussion around all aspects of faith are encouraged and students are challenged to take their faith seriously and personally. Several small groups meet weekly to study the Bible, talk about life, and just hang out. Roughly 175 students are involved in small group Bible studies that meet weekly, and students are grouped according to class. A few times every semester, Lighthouse meets in downtown Tacoma as part of an effort to unite students from UPS, Pacific Lutheran University, Tacoma Community College, and UW Tacoma. Tuesday nights provide an opportunity for students to come together with 75 to 175 other students to worship together, reflect, and listen/learn about a particular passage from the Bible. This ministry seeks to provide opportunities for all students to experience the love, truth and power of Jesus Christ. Come, Seek, Find. Real life in Jesus Christ.

**MUSLIM STUDENT ASSOCIATION**

The Muslim Student Association seeks to encourage knowledge and understanding of the Islamic faith within the University of Puget Sound community. Our aim is to accomplish this by sponsoring educational events, panels, speakers, and including the UPS community in the celebration of Islamic festivals and holidays. Islam has become an increasingly significant social and political force in our world, and thus it is imperative that we understand Islam in order to understand our world better, as well foster tolerance and promote harmony in the local and international community.

-Natasha Quraishi

**PAGAN STUDENT ALLIANCE**

The Pagan Student Alliance strives to discuss and educate on the topics of Wicca, Paganism and Witchcraft; to promote understanding and tolerance in the larger community and to provide a place for Wiccans, Pagans and other sympathetic or interested parties to learn, feel safe, and express their views. We have weekly meetings and celebrate all the major Pagan holidays together.

- Erica McGillivray

**CATHOLIC CAMPUS MINISTRY**
On Tuesday, September 14th, 2004, 7 pm, seven people met in Thompson Hall, room TH 127, for the Foundation Meeting of the University of Puget Sound Judo Club. Present were: Joel J. Akimoto (club president), Marcus R. Asahina (club treasurer), Emily T. Lau, Karim Ochosi (academic adviser), Jain Y. Pak, David J. Tanaka, and Malla M. Takeuchi (club secretary). On Thursday, October 7th, 2004, the judo club was formally recognized by the ASUPS senate. Guidance is provided by Akimoto, a business major, who has been a successful competitor in various national judo tournaments, while Ochosi, who lived in Japan for years, is an Olympic Coach, ex-national team member, International Referee, and 6th Dan black belt who was the training partner of the Moscow 1980 Olympic gold medal winner. The University of Puget Sound Judo Club teaches, practices, and distributes to the University of Puget Sound community pure and traditional Kodókan judo with an emphasis on proper technique, as a system of physical and mental education, as it was originally developed by its founder, Jigóro Kano, and expressed in the two principles “Sei-ryoku zen’yl” (maximal efficient use of energy) and “Ji-ta kyô-ei” (maximal progress and harmony to the community). In addition, it provides facilities, guidance and coaching to students who have expressed a wish to represent the University of Puget Sound in collegiate judo sport events, or to students, staff or faculty who wish to participate in non-collegiate judo events and who need to maintain or improve their judo athletic abilities and skills level. In addition, the club makes available the necessary materials and subjects frame work to students and faculty who wish to undertake research into the art or sport of judo, and it responds to the needs of the judo national governing bodies (USIF & USJJ) and United States Olympic Committee should these wish to solicit academic expertise for supporting our country’s judo top athletes. The newly founded University of Puget Sound Judo Club plans to officially open later this year with a martial arts exhibition. Location of practice is the Dance Studio, also known as Room FH228 in the back of the UPS Fieldhouse. At the time of writing practice sessions have, however, not yet started. Women and men belonging to the University of Puget Sound community are welcome to join us in judo practice. For more information, you can visit the club’s web page at http://asups.ups.edu/clubs/judo/default.aspx or, directly contact the UPS Judo Club by E-mail at: judo@ups.edu

We’re all about:
- promoting and encouraging cycling activities (recreational riding, racing, touring, commuting, mountain)
- offering opportunities to meet students with similar interests
- connecting cyclists to local resources & organizations
- supporting sustainable transportation alternatives and riding culture

Ivuong
The American Civil Liberties Union is a nonprofit, nonpartisan membership organization devoted to protecting the civil liberties of all Americans, and extending them to groups that have been traditionally denied their basic civil rights. The UPS student chapter was started this year and is devoted to educating the campus about civil liberties issues. This year the club has shown the movie "Unconstitutional," which is about government action since 9/11 and how it affects civil liberties, and has co-sponsored a panel discussion about the PATRIOT act. The ACLU-UPS also gave away birthday cake in the SUB on December 15th to celebrate the birthday of the Bill of Rights. Spring semester the ACLU-UPS sponsored a panel discussion entitled "Know Your Rights" which allowed students to ask police officers and a lawyer questions about their rights if they are stopped by the police. For more information about ACLU-UPS please email aclu@ups.edu.

-Erica Toelle

The University of Puget Sound Pool Kayaking Club serves to give the campus community the opportunity to learn essential kayaking skills in a safe controlled environment, while emphasizing fun, team building, trust, self-confidence, and community.

The University of Puget Sound's chapter of Campus Greens is a politically based club that works to educate, promote, and utilize the values of the Green Party in conjunction with the University and its surrounding community. The students participating in Campus Greens feel that the emergence of a multi-party system is crucial to the survival of democracy in the U.S. given the current state of affairs. The Green Party has been working to strengthen the knowledge about and support for the Green Party since the club's emergence in 2002. In order to demonstrate the key values of the Green Party, Campus Greens hosts lectures, events, and activities designed to advance social justice, equality, environmental stewardship, and political reform.

-Krisi Thorne

JAUPS is a club that is devoted to Japanese Visual Media and Pop Culture. Anime, or Japanese Cartoons, has become increasingly more popular. We are able to broaden our horizons to more than anime; cosplay, JPOP, and food are also popular topics and prospective events.

-S. Jacobson
"Forum Advocating American Israeli Relations (FAAIR) supports the continued existence of the Jewish Democratic State, and the ongoing friendship between the United States and Israel. Through discussions and events, we strive to promote a peaceful approach in solving Middle East problems."

This year a group of students and a professor set out to make UPS history, and they succeeded. They created the first intercollegiate Ultimate Frisbee team officially sponsored by UPS. As such this year was a building year. The team attended multiple tournaments stretching all the way to McMinnville, Oregon. While they didn’t take first they showed other colleges that UPS has a commitment to the sport and a desire to build their team.

Democracy Matters is part of a nationwide grassroots movement to get big money out of politics and the voters back in. Club members have the opportunity to participate in many events on and off campus, like “Rocking for Democracy” or “Who Bought the President?” Democracy Matters also offers it’s member the unique opportunities of attending national summits in Albany, NY and Berkeley, CA; or even interning.

- Beth Cantrell

Habitat for Humanity

Founded in 1976 by Linda and Millard Fuller, Habitat for Humanity is a nonprofit housing ministry that seeks to eliminate substandard housing from the world and to make decent shelter a matter of conscience and action.

In December of 1991, the University of Puget Sound became the 200th campus chapter of Habitat for Humanity. A campus chapter is a student run organization which works in partnership with local Habitat affiliates to build and rehabilitate houses and educate the campus and local community about affordable housing issues and the work of Habitat for Humanity. Habitat invites people of all races, religions and ethnic groups to work together in partnership with people in need of a decent place to live. – Anna Owens

You don’t have to be Asian to be in APASU! Really, you don’t! APASU is a club that strives to provide an Asian community on the UPS campus where people of all nationalities can come to learn about Asian cultures and have fun in the process. We put on informative yet awesome events such as Chopsticks 101, Lunar New Year’s celebration, Mid-autumn Harvest festival, as well as movie nights, field trips, discussions, and so much more. Most importantly, we want APASU to be whatever you want it to be, so come swing by the Student Diversity Center and check us out.

History 129
The ushering in of a new semester brought with it a new addition to Diversions Café: Couches!

On the field... The Girls' Rugby team practices on Todd Field, where many events occur, like Bid Day for the fraternities as seen below.
As the toast was heralded by a live orchestra to accompany the swing dancers on the floor.

Has any one seen this man? He stole the University's hatchet. Do not approach as he is armed and dangerous.
Congratulations Samara
Love,
Mom and Dad

To my much adored students and dancers:

Thank you all for twenty-five beautiful years at Puget Sound. It has been a privilege to serve as your teacher, advisor and collaborator during your personal journey to greatness.

Mom, Orion, Lara, & Robert

When the Himalayan peasant meets the he-bear in the pride, he shouts to scare the monster who will often turn aside. But the she-bear thus accosted rends the peasant tooth and nail. For the female of the species is more deadly than the male.
Kipling

JP
Congratulations!
We could not be more proud of you.
Love, Dad, Mom & Kristina

Alexis
Follow your dreams
Love, Dad and Mom
Justin,

It is just amazing how you have grown from a curious infant, examining every object in his path, to an inquisitive young man on a continual quest for answers to the unknown. I often reminisce about our hikes in Central Park, bike rides in Flushing Meadow Park, weekly trips to the library, stroll through Greenwich Village and of course, your sense of humor. It is my hope that you pursue your future endeavors with the same vigor you have demonstrated throughout your life. Raising you has been a joy.

Mom
We hope you are as proud of yourself as we are of you!
Love from us all.

Nicole,
There are no words to express how proud we are of the person you've become. You've worked hard to achieve your goals and you've done it with grace. As you take off on your life's journey, let your kind heart guide you to limitless dreams. Knowing as always that we believe you can do anything. Now spread your wings and soar!
A life of love,
Mom and Dad

Kristen
Let a Smile Be Your Umbrella!!
We couldn't be more proud of you. Beautiful on the inside and out...you're ready for the dance of your life.
CONGRATULATIONS!
All Our Love,
Dad, Mom, Eric & Dex

Note from the Editor...

Due to some difficulties we faced during the year, we were unable to create a traditional index for this book. Instead, all students registrared for the 2004-2005 school year are listed above. Please scan the pages of the book and look for your picture in not only the activities in which you were involved, but in places you do not expect. I apologize for the inconvenience.

Editor Chrissy Dupuis
