Patterns, aside from presenting colorful organizations of ideas, follow the historical trends of growth and development. Our University of Puget Sound has had such trends, although of a more recent nature. Our pattern of growth has been reflected by our new status as a university. We have reclaimed this academic standing through achievement in the scholastic field. Not only has our University of Puget Sound grown academically, but it has developed structurally in the form of our new Student Center which was officially opened before Christmas. The opening of our Student Center emphasizes the fact that the University of Puget Sound is rapidly expanding to meet our needs — social as well as academic. In essence, our University of Puget Sound is itself a pattern which is constantly following the trends of growth and development.

Foreword
This year the Associated Student Body will lose one of its greatest friends. Ellery Capen, after serving twenty-two years as General Manager of Central Board, is retiring from that post. Mr. Capen came to the Puget Sound faculty in 1931, and he is now Professor of Business Administration and Economics, and Assistant Director of the School of Business Administration and Economics of the University. He holds the degrees of Bachelor of Business Administration and Master of Business Administration.

Mr. Capen will be lost to Central Board in title only, for he will continue his position on the University of Puget Sound faculty and will always be a friend and supporter of student government.

Under Mr. Capen's guidance, Central Board indeed has become an able representation of the Associated Student Body, capable of dealing effectively with all problems. His quiet, observant attitude marks him to all who come to associate with him as a knowledgable man — perhaps wiser than most — a man who gives freely of his wisdom and experience in time of question and doubt. As Chairman of Finance Committee, his keen insight of business and finance has helped to make the yearly budget an adequate prediction of the needs of the A.S.B.

To you, Mr. Capen, this 1960 Tamanawas, an official publication of the Associated Student Body you have helped so immeasurably, is gratefully dedicated.
On May 17, 1888, the Puget Sound Annual Conference of the Methodist Episcopal Church saw the realization of a grand idea. It was on this day that the principles of Learning, Good Government, and the Christian Religion were made concrete in the founding of what is now the University of Puget Sound. That small institution, now as Puget Sound University, remained in a single frame structure for many years subsequent. In 1903, the name of the corporation was changed to University of Puget Sound. It was known by this name until 1914, when, by reorganization, it became the College of Puget Sound, a small liberal arts college.

The first permanent buildings on the college campus were erected in 1923 from materials confiscated from the wreckage of some buildings on Sprague Street. These were historic Jones Hall, the Women's Gym, and the foundation of Howarth Hall, which was completed four years later. Anderson and Kittridge Halls were built before World War II. The great wave of students returning from the war necessitated the use of a temporary structure. To fill this need, the Federal government had what is now South Hall moved here from Paine Field in Everett. Since that time, a new building has been added to the Puget Sound campus nearly every year. This phenomenal growth was climaxcd in the school year 1959-60 with the opening of a new Student Center.

January 1, 1960 marked the attainment of new status, as the College of Puget Sound officially became the University of Puget Sound. Schools of Music, Arts and Sciences, Education, Occupational Therapy, and Economics and Business Administration, as well as an extension program, a research institute, and a graduate school are included in the structure of this new university.

Many new buildings are already in sight for the campus of the University of Puget Sound as it matures to fill the needs of a rapidly growing student population.
The Alma Mater

All hail to Alma Mater,
The best that can be found.
The spirit of the westland,

All hail to Puget Sound!
Her guardian is the mountain

Beside
the silver sea.
We love thee, Alma Mater,

All hail, all hail, to thee!

Dr. R. Franklin Thompson
A.M., B.A., Ph.D., LL.B.
President of the University

Administration
It is always a genuine privilege for me to write a greeting for the Tamanawas. This book is a valuable record of the life of the University of Puget Sound. In it will be found the story of the year, of the friends we make, of the records that are accomplished, of the distinguished visitors who came to our campus, and of the life decisions which have been made by those of the University family.

As each year goes by this volume will become more precious to those who possess it, for it records all the things that are precious and dear while they are in college.

The entire college family — trustees, administration, faculty, and students — follow the career of each student through the years. The pages of the Tamanawas will reveal the history of the University, but more important, it will reveal the history of the intellectual, spiritual and social development of all those students who come from many areas to comprise the University family.

As the word "Tamanawas" means "The Spirit of Excellence and Achievement," so does the University of Puget Sound wish for each of its students an adventure in excellence while on the campus and all through life.

R. Franklin Thompson

Board of Trustees

As the official governing body of the University of Puget Sound, the Board of Trustees has shown much interest in Christian education and the development of the University. The Board has seen the University grow from a one-building college to one of the foremost schools on the Pacific Coast.

Men and women who serve on the board have been selected in view of their success in their individual fields and their interest in the welfare of the University. Their responsibilities include many things, ranging from accepting gifts for the University to granting scholarships. These Board members take pride in the fact that they are contributing to the building of a university full of promise for the succeeding generations.

Speech
The class of '60 entered this institution while it was a college and graduated as the first class from the University of Puget Sound. There were many outstanding leaders in the class who will undoubtedly project this college experience into a successful role in the communities in which they settle.

The class selected Chuck Fowler as its first president. He led them to victory in the tug of war and the throwing away of the green beanies. Another big event for the class that year was the capturing of the hatchet from the almighty seniors.

To lead the class during its sophomore year, Mel Henry was elected president. A class dance and active participation in Campus Day Events were the highlights.

In their junior year, Dick Waterman took over the reins and led the class in putting the initials "60" on the Campus Day banner. One of the most successful Commencement Balls was sponsored by the class in honor of the Class of '59.

During their senior year the class elected Duane Parker, president; Jay McCue, vice-president; Lorna Moen, secretary; Murray Johnstone, sergeant-at-arms; Sue Sprenger served as senior representative to Central Board. The class sponsored a dance, presented a Convocation on Senior Recognition Day and continued its four-year periodic control of the hatchet.

To the administration and faculty, the class of '60 left many a thank-you for the guidance which they received. They graduated realizing that their education was not finished, but, rather, just beginning.

Juniors

In the shadow of last year's triumphant success in winning the Campus Day banner, the Juniors enthusiastically embarked upon a new year as upperclassmen. They began the year by "laying claim to fame" as the first class to hold a dance in the recently-completed Student Center.

Further distinction came to the class as several of its members were elected to "Who's Who in American Colleges and Universities," thus proving the scholastic ability and extra-curricular participation of its members.

The class of '61 was not lacking in the leadership department as its members held key Student Body offices, editorial offices, fraternal offices, and one-third of the Student Body seats on Central Board.

The class, under the capable leadership of John Pokela, President; Gerry Rapp, Vice-President; Phyllis Walker, Secretary; Jack Rummel, Sergeant-at-Arms; and Bob Degman and Bill Parker, Representatives to Central Board, closed the year as they had started it — with the last dance of the year, the Commencement Ball.
The second year of the Class of '62 is interwoven with an abundance of activity and success. Its primary goal of initiating the "green" Freshmen was achieved by cooperation of the class with its officers: Tom Jobe, President; Sam Lassiter, Vice President; Janet Hinton, Secretary; Dirk Jameson, Sergeant-at-Arms; and Gail Pokela, Representative to Central Board. The green dye flowed freely and for the first time in nearly a decade, the Sophomores, with the help of the upperclassmen, won the Tug-of-War. Of course violent protests ushered from Frosh ranks.

The Class of '62 didn't stop here; they sponsored dances, and several work projects, which included decorating the Student Center at Christmas and sanding the stage stairs in Jones Hall. The Class also made a permanent sign encouraging student body participation at various athletic events. Thus, the Sophomores completed a very successful year.
The Class of '63 entered CPS only to see a quick change to UPS. This was not the only mix-up the Freshmen were involved in. Normal results of traditional rivalries went by the wayside as the Frosh lost the Tug-of-War for the first time in many years, but then turned around and kept the bonfire standing all night, a feat even rarer than losing the Tug-of-War. The officers were: President, Alex Bennett; Vice-President, John McConaghy; Secretary, Pat Grubisa; Sergeant-at-Arms, Ron Gardner; with Rich Longstreth and Jim McBride each serving a semester as Representative to Central Board.
Registration
Our student government is an integral part of the educational program at the University of Puget Sound. Its primary responsibility is to provide for the needs and interests of the students. The ASB serves as a liaison between the administration, faculty, and students, representing student interests to these other groups. It also provides a training ground for students to put into actual practice the tools and techniques of leadership. The student government is responsible to students in the following ways: academic welfare, cultural welfare, recreational welfare, and economic welfare.

I feel that this has been a successful year for the student government. Our main project has been to put into operation the new Student Center and to plan activities which would best utilize the new facilities. This year also featured the biggest Homecoming ever to be held on campus. Highlighting the Homecoming program was the dance with music by the Jimmy Dorsey Orchestra. Throughout the year we have been entertained by excellent Cinemascopic color movies which became available with the purchase of a new Cinemascope screen and lens. In addition, we had two Leadership Conference this year, the spring Leadership Conference being a new addition to the regular program. Christmas Around the Campus, in its second year here at UPS, took on a gala flavor and brought forth some new traditions on "ye old college campus" in the new Student Center. Finally, the complete revision of the Constitution will make the mechanics of student government more workable for future ASB officers.

I have appreciated this opportunity to serve as your 1959-60 ASB President, and have enjoyed the valuable experience and associations I have gained throughout the year.

The governing organization of the Associated Student Body is Central Board. The President of the ASB is Chairman of this body. The other members are the Executive Officers, the Class Presidents, and the Representatives and Delegates to Central Board. Non-voting members include the ASB departmental managers and the representatives from several standing and special committees. This group directs the affairs of its various departments, determines much student body policy, and handles and appropriates student body funds.
Upper-class convocations were competently handled this year by Convocation Committee. Using the policy of presenting to the students weekly programs of cultural entertainment from an educational point of view, the committee scheduled Bishop Bayne, Dr. Gill, editor of the Christian Century, and many campus-sponsored programs such as the Adelphians, a debate presentation, awards assemblies, and a variety of others.

Working in conjunction with Central Board is the Judiciary Committee, the legal arm of the A.S.B. The members of this committee are appointed by the Student Body President in consultation with Central Board; there are three members from each of the Sophomore, Junior, and Senior classes. The specific duty of Judiciary Committee is to interpret the A.S.B. constitution and make yearly revisions, to approve all group constitutions, and to deal with all other matters in connection with the judicial policy of the University.
Consisting of the ASB officers, the general manager, and the Bursar of the University, Finance Committee is an integral part of UPS's student organization. This committee is responsible for approving the final budget and directing the allocation of funds. It also serves as the arbiter of financial policy, and presents proposals for the use of money to Central Board.

The Elections Committee is composed of the ASB first vice-president, a delegate-at-large, and a member of the faculty. They regulate election policy and assist in the general student body elections, class elections, and elections of associated student organizations and committees. A big job of Elections Committee this year was the setting up of policies and regulations concerning campaigning in the new Student Center.
Under the editorship of Randall Smith, the Puget Sound Trail, official newspaper of the University of Puget Sound, received a sizeable facelift. A new printing process was used, and the number of pages was increased to six, going in some instances as high as 8. Because of the new format, the publication schedule was changed to bi-monthly issuances.

Sally Jo Riewald held the responsible position of Managing Editor. Much of the cultural side of the paper was handled by Pryse Duerfeldt. Floyd Fessler contributed a column of commentary, "CPS After Hours," changing it to "UPS and Downs" with the advent of university status. "The Lucky Logger," a regular sports column, was edited by Gary Mansfield and Stan Farber.

One of the most successful columns was new this year, a series entitled "Out of the Niche." In this column, UPS professors were encouraged to expound on their favorite subjects, most of them being distantly removed from their major fields. Undoubtedly the hottest "scoop" of the year was a letter concerning evolution, the reverberations of which reached the state capitol, many daily newspapers, and even a national magazine.

Seated: Nancy Askew, Chuck Campbell, Dave Owens. Standing: Janet Grimes, Carol Schneider, Gail Boulton, Marilyn Rapp, Marcia Cave, Marcia Chase, Barbara Katzen, Linda Pittman, Jody Blowers.

Business Manager Bill Parker.

Feature columnist Floyd Fessler.

Sports Editor Stan Farber.
Under the editor, Jack Rummel, plans and preparations for the 1960 Tamanawas were begun in June of 1959, anticipating publication in the spring of 1960. Lowell Magoon designed the cover and Carolyn Bergquist supervised the layout of the book. The art staff handled the artistry of the division pages. Photographers Art Bachelor of the Camera Mart, Robert Tresch, Maarten Studio; Jess Snyder of Lutz Studio, and student photographers Leonard Johnson, Tim Peterson, and Mike Purnell have all contributed their efforts to the completion of this yearbook.

The advertising for the 1960 Tamanawas was handled by Tom Falk. Tom sold approximately $3000 worth of advertisements to help defray the cost of the yearbook. Because of Tom's selling ability, the Tamanawas will have an extensive and interesting advertising section.

Under the advisorship of Professor David Jacobson, the members of the Tamanawas staff have worked together toward producing a yearbook which will be an effective tribute to the christening year of the University of Puget Sound.

Jack Rummel
Tamanawas Editor
Through words and pictures, the varied activities of a college year are depicted graphically by the Tamanawas. According to legend — when an Indian youth was ready to enter manhood, he went into the woods alone, away from the busy life. After several days alone, thinking and praying, he saw a symbol. That symbol became his Tamanawas — a link between himself and the spirit world. Our Tamanawas, published by the Associated Student Body, serves as a link between the student and the college world.
The function of the Publications Committee is to formulate policies concerning the publications under the direction of the A.S.B. The chairman is the senior representative to Central Board. Other members of the committee are the ASB second vice-president, Trail editor, Tamanawas editor, editor of Cross Currents, the literary magazine, junior representative to Central Board, and the faculty publications advisor. The committee offers aid to the editors-in-chief of the newspaper and yearbook and directs the publication of the Student Handbook.

The functions of Student Affairs Committee are directly concerned with all matters of policy involving U.P.S. social activities. The A.S.B. second vice-president serves as chairman. Others members include the presidents of Panhellenic, Inter-Fraternity Council, and the Independent Students Association, a faculty representative, Director of Men’s Affairs, and the Associate Dean of Students. This year, Student Affairs Committee underwent several major revisions, including the publishing of a monthly social calendar and a re-evaluation of the Social Rules, in addition to its regular duties of coordinating the Social Rules with the Social Calendar, scheduling dates for dances, and other campus functions.
The Associated Women Students was organized on this campus in 1948 to integrate all women students into college life and to encourage scholarship, service ideals, and cultural pursuits.

All of the women students depend upon the A.W.S. for the many and varied activities: the Big-Little Sister program; the Freshman-Faculty tea to introduce the freshmen to college life; the May Day festival which honors the May Queen and her court; and the Spring Banquet for the women students, at which time the new A.W.S. officers, new members of Spurs and Otlah, and the Women's Athletic Association letter winners are announced.
In addition to the regular Air Force Reserve Officers Training Corps class program, all interested ROTC students are given the opportunity to turn out for the drill team and the rifle team. Gaining proficiency in training as a team is the purpose of the drill team which participates in annual meets with the University of Washington, Washington State University, and Central Washington College. The team also takes part in civic events and parades such as the Tacoma Daffodil Parade and Wenatchee Apple Blossom Festival.
Also an important part of the ROTC program is the UPS chapter of Arnold Air Society, a professional honorary society named for General Harold “Hap” Arnold, Commander of the Army Air Corps during World War II. Sponsoring the annual Military Ball, at which the Co-ed Colonel is presented, is the group’s main activity.
Alpha Kappa Psi

Organized in 1951 as The Commerce Club, this group received its charter as a chapter of Alpha Kappa Psi in the spring of 1959. Its objective is the bringing together of actual business procedure and curricular business theory. Outstanding people of the business world are invited to speak before this business honorary, whose membership is limited to individuals majoring in Economics and Business Administration.

Chemical Society

The members of the UPS chapter of Student Affiliates of the American Chemical Society meet to share common interests in chemistry and chemical engineering and to practice presenting technical papers. The first Puget Sound affiliate was established in 1938. The A.C.S. has student affiliates in 300 colleges and universities in the United States.
Forensics

The debaters constitute one of the University's most active groups. They travel to many speech tournaments during the year, and a quick look at the trophy case will indicate to anyone their outstanding record. In addition to debate, the forensics squad participates in intercollegiate competition in oratory, after-dinner speaking, discussion, interpretive acting and reading, and impromptu and extemporaneous speaking. They also sponsor the largest annual high school debate tournament west of the Mississippi, with regular participation of approximately 60 schools.

Pi Kappa Delta

Pi Kappa Delta, national honorary, is maintained on the Puget Sound campus for those who have distinguished themselves in forensics. Active participation in intercollegiate debate is required.
Pi Phi Nu

Pi Phi Nu is the home economics honorary.

To develop and promote standards of home and family life which will best further individual and social welfare is the main purpose of the Home Economics Club. The club, composed of interested students in the field of home economics, is an affiliate member of the American Home Economics Association and the Washington State Home Economics Association. Foreign dinners, a Faculty Christmas Tea, guest speakers, and educational movies constituted the activities of the club.
International Relations Club is an organization to promote campus interest and activities in the field of international affairs, United Nations Day, and cordiality toward foreign students. Representatives from many of the major countries of the world meet under the I.R.C. banner to hear guest speakers and to further the understanding of international affairs.

Occasional Therapy Club

This club is composed of students who are majoring in Occupational Therapy. Its purposes are promoting interest in O.T., broadening the knowledge of O.T. and related fields, and becoming a better integrated group through its program of educational, social, and service functions.
To investigate all aspects of biology, especially in the field of research, is the purpose of Phi Sigma, the national biology honorary. Alpha Phi chapter of this organization was founded in 1948 by the Puget Sound Biology Club. Members are chosen for evidence of scholastic ability. This year, Phi Sigma presented an award to the outstanding freshman biology student as well as conducting a biology open house for all high school students in the Tacoma area, demonstrating all phases of the science.

Mu Sigma Delta is a local scholastic honorary organized in 1929. Application has been made for affiliation with the national Phi Beta Kappa. Membership in this honorary is considered one of the highest honors in the University.
The University of Puget Sound Chinook Club is an organization that originated in 1948. Its main purpose then was like that of today, a means of off-campus organized winter recreation.

Originally, Chinook Club maintained a lodge at Deep Creek near Chinook Pass, for overnight ski trips. But with the advent of faster transportation and more individuality, the lodge and the club were rendered useless.

Then via a renewed enthusiasm last year, the club was revived and its membership again rose rapidly. With the help of our advisor, Dr. Sprenger, we have been providing ski trips to White Pass, Stevens Pass, Snoqualmie, and Paradise. There have been ice skating parties and as a climax, we sponsored a successful climb to the summit of Mount Rainier.

Each year the Chinook Club sponsors a Princess to the annual Portland Winter Carnival. This year’s Princess was Barbara Katzen of Delta Delta Delta sorority.
“Service, Sacrifice, Loyalty,” which is the motto of Intercollegiate Knights, serves well to describe the activities of this organization. In this sophomore men’s honorary, the Knights tap for membership outstanding freshmen boys with over a 2.25 grade point. Intercollegiate Knights was founded at the University of Washington in 1919 and now has upwards of 40 chapters throughout the Western United States. Publishing the Log Book, handling convocation tickets, ushering at games, and working during registration are a few of the major duties. Two honors befell Log Chapter this year — Miss Betty Strobel was elected Chapter Queen and Regional Queen, and Al Schlank was chosen Regional Viceroy.

Since its organization in 1926, the UPS Chapter of Spurs, a sophomore women’s honorary, has been living up to its motto, “At Your Service With a Smile.” Outstanding freshmen girls are tapped on the basis of interest and participation in school activities, dependability, sense of humor, unselfishness, sense of democracy, and a grade point average of 2.5 or better. The Spurs perform many jobs, such as ushering, helping with registration, and taking tickets at convocation. For the past 27 years, the advisor for Spurs at UPS has been Martha Pearl “Teach” Jones.
Sailing Club

Row 1: Jim Bargelt, president; Gail Bender, Jean Hess, Jackie Wilson. Row 2: Tom Falk, NIYRA president; Carol Cook, Hugh Middleton, Gale Gustafson, Nyla Barnes, Linda Simpson, Sue Clarke. Row 3: John Pokela, Gerry von Gahren, Lynda Wilson, Clyde Abbott, Pat O'Neal, Jim Shook, Gerald Ubigau, Eleanor Parker.

Student Education Association

Row 1: Fred Langton, Shirley Schreiweis, Dr. Gibbs, advisor; Roberta Bennett, Sharon Mason, Sue Lacy. Row 2: Judy Schoeffler, Mary Ann Nelson, Charmaine Allen, Moretha Downs, Jan Wright, Penny Silvernail, Frank Ochs.
Just a year ago the local senior women's scholastic honorary, Otlah, was given its charter to signify it as the University of Puget Sound Otlah Chapter of Mortar Board, the National Senior Women's Honorary. Membership in this organization is based upon high scholarship, service and leadership to the University, and display of unquestionable womanly character. The candidates are chosen by the faculty, and, as a membership, they function as a service organization.

Mortar Board

Seated: Miss Bond, advisor; Winifred Hertzog; Karen Rolstad, president; Sharon McGuire, Miss Allison, advisor. Standing: Susie Sprenger, Enid Leibinger, Wanda Knannlein, Barb Keevil, Gean Rosenbarger, Jackie Carmichael, Liz Schenken.
Independent Students' Association

SECOND SEMESTER OFFICERS: Row 1: Kathy Kinley, Corresponding Secretary; Judy Schoeffer, A.W.S. Representative; Ann Richardson, S.C.C. Representative; Mary Ann Acheson, Recording Secretary. Row 2: Dick Hannaford, Treasurer; Gerry VanNoy, Vice-President; Mel Henry, president; Warren McNeely, Intramural Representative; Tom Crum, Social Chairman.

FIRST SEMESTER OFFICERS: Mel Henry, President; George Quigley, Treasurer; Darel Jenkins, Intramural Representative; Bob Dunbar, Vice-President; Kathy Kinley, S.C.C. Representative. Absent: Sally Caldwell, Corresponding Secretary; Angela Hooley, Recording Secretary.
Mixed emotions: Paul Lundquist, new Homecoming King, engaged in sober thought as Miss Sylvia Funk, last year’s Queen, bestows the royal honor upon Miss Donnavie Perkins, Queen of Homecoming 1959.

Homecoming

House Decorations

Homecoming House Decoration winners this year were:
Women’s Division — Chi Omega Sorority
Men’s Division — Co-winners — Sigma Chi and Theta Chi Fraternities

The “Wild West” came to life once again during Homecoming of 1959 under the direction of Marnee Kem and Klaus Wills. Highlighting the annual festivity was the coronation of this year’s Queen and King, Miss Donavie Perkins and Mr. Paul Lundquist. Other features of the exciting weekend were the Homecoming play, this year being “The Secret of the Mine,” the Torchlight parade, the Greek and “Indee” House Decorations, and the victorious football game against Whitworth, climaxd by the Homecoming Dance. An added attraction this year was a second dance with music by the Jimmy Dorsey Band.
Homecoming Queen candidates are (l. to r.), the Misses Frances Macdonald, Delta Delta Delta; Donnavie Perkins, Alpha Phi; Sara Peck, Chi Omega; Lillian Holert, Pi Beta Phi; and Elizabeth Beckman, Independent.

Convo Cut-ups, Homecoming chairmen Klaus Wills and Marnee Kem.

Brisk night air and the Torchlight Parade.
Leadership Conference

"We are table number one, number one . . ."

Leaders all — and first in the chow line, too.

Co-Chairmen Ken McGill and Pat Danforth.

The Conference speakers.
Some 50 people attended the Fall Leadership Conference held early in October at Camp Ta-Ha-Do-Wa, a small private island camp near Fox Island. Under the chairmanship of Pat Danforth and Ken McGill, the Conference met to discuss the psychological aspects of leadership. In spite of the usual firecrackers in the night and shore crabs in sleeping bags, much was discussed and everyone benefited.
Christmas came to the University this year in its usual signs of Spurs caroling, Jones Hall decorated, and everyone with a friendly greeting. A new ASB Christmas Card was designed by John Pokela. The second annual Christmas Around the Campus was successfully carried out under the chairmanship of Duane Parker. It featured a yule log in the fireplace of the Student Center, Christmas selections by the madrigals, a Brass Band playing carols, and Rev. Albertson's annual Christmas message.
Elections

As a school increases its enrollment at a rapid rate, it is important to maintain effective communication with the student body and the administration. This is especially crucial as the university's population continues to grow. In order to ensure that all students feel heard and valued, it is necessary to have open and honest lines of communication with the administration. This is particularly important when considering the many changes that are taking place on campus, such as new buildings and programs. As a result, I believe that we need to continue to work towards improving our communication and ensuring that everyone feels involved and engaged in the decision-making process. It is important that we take the time to listen to the concerns of our students and work together to find solutions that are fair and equitable for all. Through regular communication and dialogue, we can create a more inclusive and supportive community where everyone feels valued and heard.
Elections

The Student Center during elections.
Daffodil Festival
This year's Daffodil Float Committee had a surprise boost from the Administration as the University matched the money appropriated from Central Board. With twice as much money as was anticipated on hand, designer John Pokela went all out and came up with plans for the finest float in the history of the University. The Puget Sound entry entitled "Paradise," after the Hawaiian theme, easily walked away with first place in the Educational Division and came within a hair's breadth of taking an overall Festival Award. Co-chairmen were Sue Clarke and Glenn Ness.

Co-Chairman Glenn Ness, Designer John Pokela, and Co-Chairman Sue Clarke.

May Day class Princesses are (from l. to r.): Polly Gibbon, Junior class; Betty Blenkarn, Sophomore class; and Linda Eyerly, Freshman class.
Sadie Hawkins

"Dogpatch" is the scene of excitement each year when the Independent Students' Association sponsors the Sadie Hawkins Tolo for the Associated Students of the University. This year's gay affair was organized by Warren McNeely and Grace Togashi. Elected by the student body were Barbara Coyle, as Daisy Mae, and Gerry VanNoy, as Li'l Abner, who were happily united in matrimony by Marryin' Sam, Don Weller. Several awards were presented to Dogpatch citizens for costumes that best carried out the dance theme.
Amidst shining trophies stand the lovely royalty of the 1960 Tacoma Boat Show. They are Queen Tele Boveng in the center and Princesses Alberta Willmott and Lois Gooden on left and right.

Happy Seafairers are Miss Tele Boveng, left, Queen of the Tacoma Boat Show, and her attendants, Princesses Alberta Willmott and Lois Gooden.
Gail Pokela of Alpha Phi Sorority was chosen Coed Colonel of the AFROTC Ball of 1960.

Miss Sara Peck, immediate past Coed Colonel, presented the honored cape to the new queen, Miss Gail Pokela.

Coed sponsors of Arnold Air Society are (from l. to r.) Top row: The Misses Nancy Dow, Chi Omega; Sara Peck, Chi Omega; Mariella Driscoll, Pi Beta Phi. Bottom row: Kristine Havel, Independent; Carolyn Milne, Chi Omega; and Nancy Campbell, Independent.

Awards and honors graced the sisters of Alpha Phi this year. Homecoming Queen, four Little Sisters of Minerva, ROTC Co-ed Colonel, AWS President, two Central Board seats, and Freshman and Junior May Princesses all belong to Alpha Phi. Socially we are quite active. Our pledge dance with Sigma Chi, our Christmas Dinner Dance where the Alpha Phi Dream Man is announced, and our Spring Formal highlight the season. This year’s Dream Man is Dave Campbell, Sigma Nu. We have given service to the Pierce County Heart Assn., for which we received a commendation. A pledge class of 21 and a large active membership have been lead this year by Barb Keevil, president, and Lorna Royall, vice-president.

Chi Omega looks back on a year filled with much fun and activities. A fall pledge class of 16 girls, our "Suppressed Desires" Pledge Dance with the Phi Dels, the Chi Omega Gold Ball, the Spring Dance in the Winthrop Hotel, top off a year filled with coffee hours, exchanges, picnics, serenades, house parties, and others.

Chi Omega officers are Enid Leibinger, president, and Elizabeth Schenken, vice-president. This year we inaugurated Scholarship Trophies as added incentive. We have won the Homecoming Trophy for the past several years. Our service project was at Western State Hospital. Chi O's can boast members in practically every campus activity, as well as many campus queens.
Delta Delta Delta started the year with a pledge class of 20 girls. The next honor to come to Tri Delts was winning the Sigma Chi Derby Day trophy. Our Pledge Dance with the Sigma Nus and our Christmas Dance were high spots in the fall, and our Spring Dinner Dance and the Pansy Ring Tea spotlighted the spring. The Sweetheart of Sigma Chi and the Goddess of Phi Delta Theta also wore the Tri Delt crescent. Tri Delts have always placed well in campus activities — the ASB Executive Secretary is a Tri Delt — and work hard toward furthering UPS. Our president this year was Sylvia Funk who also soloed in the Adelphian Concert Choir tour this year. This, topped with house parties, exchanges, teas, and other events make the Tri Delt year a complete one.

With Susan Sprenger as president and Sara Johnston as vice-president, Pi Beta Phi completed a very successful year. Our fall pledge call was 18 top girls and spring saw three more wearing the Pi Phi ribbon. Always actively participating in inter-sorority competition, we won the Bowling trophy this year. We again this year gave the trophies in Jones Hall a new shine with some Pi Phi elbow grease. Our service project this year was work at the Settlement School. The Intercollegiate Knight Queen, who later became the Regional Knight Queen, is a Pi Phi. Socially, our Golden Arrow Dance at the Fircrest Country Club and our Christmas Dance at Wellman's were highlights of the campus social season.

Interfraternity Council

Kappa Sigma
Under the leadership of Rich Headrick, Grand Master, and Louis Arthur, Deputy Grand Master, Kappa Sigma completed a very successful year. We have always been strong in athletics and this year is no exception. Kappa Sigs can be found in practically every major varsity sport and at present we lead the pack in intramurals. Socially, Kappa Sigma has a well-rounded program. Our annual Waffle Breakfast for the sororities, our Pledge Dance with the Pi Phis, and the Annual Black and White dance, where the Stardust Queen and the Man of the Year are announced, highlight our social calendar. Stardust Queen Kris Havel stepped down to honor our new Stardust Queen, Penny Ruff. These events have helped make Kappa Sigma’s year a very eventful one.

The year began with a pledge class of thirteen fine men, and culminated with the initiation of twenty-three new Brothers in the Bond. Tops again in grades, outstanding once more in athletics, and filled anew with spirit, the Phi Delts look back with pride on a successful year.
Sigma Alpha Epsilon's fall pledge class had feathers in their hats as they walked off with the top pledge class grades on campus. Other highlights in SAE's year were the pledge Initiation Banquet for pledges and parents; "We Hate Women Week," which is topped off by a "We Love Women" dance; annual Christmas Open House for administration, faculty, parents, and friends; Founders Day Banquet, and of course the Spring Formal.

The Little Sisters of Minerva are 14 SAE sweethearts and the Spring Formal is always held in their honor. They represent the four sororities and the independents. Leading the SAE's this year were Fall Eminent Archon Dick Kinnaman and Spring Eminent Archon Fred Langton.
Sigma Chi can boast an extremely successful year in all phases of campus and fraternity activities. Sigs held many key student body posts — ASB 2nd vice-president, Junior Class President, two officers in Knights, Tamanawas editor, IFC officers — were active in athletics, both intramural and varsity, and had a varied social calendar. Our fall pledge class at the end of formal rush was the largest on campus. This year saw the inauguration of Derby Day, an extremely successful sorority-participation day. Also the Pledge Dance, the Pi Phi-Sigma Chi Christmas Dance, and the Sweetheart Ball at the Olympic Hotel in Seattle added much to the social calendar. Sigs also took part in many service projects and fund-raising activities. Both Homecoming and Songfest trophies graced our mantle. Our Sweetheart was Gail Pokela, Alpha Phi, who relinquished her throne to Terry Turnbull, Delta Delta Delta. Our presidents were Fred Scheyer, fall, and Larry Campbell, spring.
Politically, this was a good year for Sigma Nu as we had brothers serving in offices such as Student Body President, Sophomore Class President, Knight of the Knight, Regional Knights Viceroy, Adelphian president, Adelphian tour manager, and other key posts. Athletically, Sigma Nu held their heads high as not a varsity team at UPS was without several Sigma Nu letter winners. We led the pack in intramurals before reluctantly withdrawing from the race. Socially, Sigma Nu excelled with such events as a Hawaiian Luau Party; a "Good Grief Charlie Brown" Pledge Dance; a formal Christmas dance; the scholastic "Steak and Bean" dinner; and the White Rose Dance at the Country Club where reigning White Rose Queen Donnavie Perkins, Alpha Phi, presented her crown and scepter to the new White Rose Queen, Jan Hinton, Alpha Phi. Leading Sigma Nu were Norm Royse, Eminent Commander, and Jack Higgins, Lieutenant Commander.
A fall pledge class of 17 men got Theta Chi off to a good start this year. Special dances held during the year are the Pledge Dance, Paddy Murphy Dance, and the Dream Girl Ball, where the Dream Girl of Theta Chi is announced each spring. This year's Dream Girl was Darlene Townsend, Alpha Phi, who crowned Nola DeCaro, Chi Omega, the new Dream Girl at our dance this year. Theta Chi is strong in campus participation also. We won the Homecoming Trophy this year, and every year since the inception of Greek Day, Theta Chi has won the Greek Day trophy.

Theta Chi was founded in 1856, and we commemorate this each year with our Founders Day Banquet. Our motto is "Alma Mater First and Theta Chi for Alma Mater." Lee Steneide was our Fall President and Ray Berry served as Spring President.

One of the most outstanding features of this year for U.P.S. was the privilege of sponsoring the "Darwin Centennial Festival," held November 17-19 in honor of the 100th anniversary of the publication of Charles Darwin's *The Origin of Species*.

Addresses were held each evening, Jones Hall auditorium drawing near-capacity crowds all three nights. And it is no wonder, for the men speaking were well worth coming to hear. Dr. Paul Sears, author and chairman of the conservation program at Yale University, spoke on "The Influence of Darwin on the Natural Sciences." Dr. Kenneth Bock, associate professor of sociology and social institutions at the University of California at Berkeley, following Dr. Sears, spoke on "The Influence of Darwin on the Social Sciences." Finally, Dr. Ernest Samuels, professor of English at Northwestern University, talked on "The Influence of Darwin on American Thought and Literature."

Comments good and bad were heard on the lectures, but one thing is sure — they started many people thinking. The thanks of all at U.P.S. go to Dr. Alcorn, Dr. Simonson, and Dr. Thomas for bringing this worthwhile program to our campus.
The seventh annual Brown and Haley lecture series was held on the University of Puget Sound campus March 1, 2, and 3. This year's lecturer was Dr. Philip M. Hauser, Chairman of the Department of Sociology at the University of Chicago.

Dr. Hauser's topic was "The Population Explosion," an appropriate one for such a population specialist. He is former acting director and former deputy director of the United States Bureau of Census, and was United States representative of the United Nations Population Commission. He has been statistical advisor to the governments of Thailand and the Union of Burma. At present he is director of the Population Research and Training Center and Chicago Community Inventory of the University of Chicago. He is chairman of the Technical Advisory Committee for the 1960 Population Census. He is past president of the Population Association of America. In addition to numerous articles, he has edited Population and World Politics and Urbanization in Asia and the Far East and co-edited The Study of Population: An Inventory and Appraisal.

This annual public lecture series are sponsored by the Fred T. Haley family of the Brown and Haley Candy Manufacturing Company of Tacoma. Through an arrangement with Rutgers University Press, all lectures are published in book form and are available in the University Bookstore.
Focusing attention on the problems of secularism, materialism, nationalism, and racism that disturb our world today, Religious Emphasis Week, March 1960, stimulated enlightened student thought in these issues. Spearheaded by Dr. Allen Chalmers, of Boston University and the NAACP, the week was filled with seminars, coffee hour discussions, special speakers and programs. Organized by co-chairmen Fred Deal and Jay McCue, Religious Emphasis Week brought many challenges and opportunities to the students of UPS.
Student Christian Council

The coordination of all extra-curricular religious activities is the function of Student Christian Council. This group meets every Monday afternoon from 4:04 to 5 and consists of representatives from all campus groups. The Union Service of Thanksgiving, service projects at Western State Hospital, and the WUS Banquet were some of the many activities in which Student Christian Council participated this year.

Christian Science Group

Through short worship services conducted each week in Gail Day Chapel, students of the Christian Science faith worked to acquaint themselves better with their religion. A highlight of this year was the visit of a representative of the Mother Church in Boston, Massachusetts, who instructed the members on the steps in forming an official organization out of their group.
Place mats were made and sent to a children's home in Utah as a service project in the fall.

Kappa Phi

"Every Methodist woman in the university world today, a leader in the church tomorrow" is the motto and aim of Kappa Phi. This national club is open to any woman of Methodist membership or preference and seeks to unite women in friendship and a search for the highest spiritual values.

The Rose Tea, which was attended by women interested in joining Kappa Phi, was held October 17. Important follow-ups were the Degree of the Pine and the Degree of the Light, at which pledges became members. Service projects and the visit of Mrs. Donnenwirth, National Sponsor of Kappa Phi, were added highlights in the history of this year.

Honorary membership in Kappa Phi is given to Mrs. Smith of the Women's Society of Christian Service.
UCCF

Presbyterian, Congregational, Baptists, Disciples of Christ, and other denominations combine on the campus in a United Campus Christian Fellowship which meets weekly. This group attempts to provide a program of a high academic nature dealing with some of the serious problems of our age.

Lutheran Students' Association

Meeting informally, once a week during the noon hour, this organization provides fellowship for Lutheran students. Its varied programs include discussions, Bible study, communion services, and recreational activities.

Astrid Berg, George Harrison, Linda Bozarth, Rev. Hultgren, advisor; Barbara Rush, Molly Nelson, Jean Lindmark, Karen Bratt, Rochelle Schimitz, Kathy Wall, Janet Bay, Pauline Olson, Aija Lietvietis, Julia Bond, Tele Boveng.

UCCF

Presbyterian, Congregational, Baptists, Disciples of Christ, and other denominations combine on the campus in a United Campus Christian Fellowship which meets weekly. This group attempts to provide a program of a high academic nature dealing with some of the serious problems of our age.

Fifteen UPS students attended the Eighteenth Annual Ecumenical Conference, held at the University of Ohio during Christmas vacation. Among the 3,609 delegates to this unique gathering, sponsored by the National Student Christian Federation were a great number of international students, adding color to the conference with their various cultures. Featured speakers were Dr. Martin Luther King and Bishop Leslie Newbigin. Seminars, worship experiences, and fellowship completed this inspirational meeting. Mr. Robert Keller guided the group in its preparation for the conference and acted as its advisor when it returned.
Student Art
The UPS-Tacoma Symphony Orchestra supplies the city with a local symphony orchestra and gives to the students a necessary training in orchestral playing and literature. The orchestra, directed by Edward Seferian, a very accomplished musician, consists of outstanding college and high school students, and approximately thirty professional musicians and faculty members. Professional guest artists, primarily from the Pacific Northwest area, appear as soloists with the orchestra. Each season, the Symphony Orchestra gives several concerts which are open to the general public.
Each year at the First Methodist Church the UPS Concert Band presents two concerts for the University and the community. Special ensemble appearances constitute the main feature of the programs. The band also provides music for all the home football games and conducts an annual spring tour. This year, the band provided a brass band for "Christmas Around the Campus." Besides providing accompanying music for soloists, the band promotes the performance of original band music, and provides a training organization for instrumental music majors.

Raymond Wheeler
Conductor
Choral Society

The Tacoma Choral Society is a large mixed chorus drawing its membership from college students and residents of the surrounding area, performing large choral works with the symphony orchestra, including the annual performance of the "Messiah" at Christmas time.

Duane Weeks, Susie Sprenger, Neil Oldridge, president; Bill Whinery, Linda Moore, Carol Sandford, Helen Ann Hartley.

Adelphian Officers
The Adelphian Concert Choir, directed by Dr. Bruce Rodgers, sings some of the outstanding literature written for unaccompanied chorus. Its program, consisting of both secular and religious music, includes 17th century to the 20th century arrangements, from Negro spirituals to the rhythmic songs of today. Adelphian membership is limited to 35 to 40 voices, with each member being screened for not only his musicianship, but also for his stamina, and his ability to work with the other members for long and exhausting hours.

Each spring, the Adephians tour the west and northwest. This year they sang in five western states: Washington, Oregon, California, Utah and Idaho. By the time a member of the chorus has been on tour for four years, he will have performed 120 concerts.
Row 1: June Wilfong, Carolyn Cross, Sylvia Funk, Nancy Campbell, William Whinery, Jan Stranne, Carol Sandford. Row 2: Dr. Bruce Rodgers, Director; Neal Oldridge, Richard Dossett, Judy Anderson, Jack Unger, David Lukens.

Madrigals

Row 1: Greg Hawkins, Gene Argel, Bill Wohlacher, president; Dave Lukens, Jack Waters. Row 2: David Maddison, Ken Wiley, Randy Smith, Danny McCue.

Phi Mu Alpha
Varsity Show

The audience accompanied a honeymoon couple, Velma Liedes and Gary Zimmer­
man, on their tour of the countries of Europe, Asia, and back home to America. Moods of seriousness and gaiety entertained audiences for three consecutive evenings.

"Folies Musicales"

The Newlyweds, Velma Liedes and Gary Zimmer­
man, discuss their exciting honeymoon plans, while an interested busybody, Susan Sprenger, listens in.

"Dance of the Queen of the Swans" features lovely Donna Williams, with Bonnie Austin and Chris Heerema.

Claire Hoffner, accompanied by Linda Rut­
ledge, entertained the Newlyweds in a Paris cafe.

On board ship, 'The Triones' sing of dreams. They are Jack Unger, Nancy Campbell, and Dave Lukens.

Miss Bobbie Bulatao sings "Misty" in the soft lights of a Paris night club.

Miss Pam Davis dances the "Fandango"

In a lonely Denmark theatre, a charwoman, Margaret Langley, shed laughter with her "Victor Borge" comedy-piano.
A warm day and a South Seas Luau.

Cherry Blossoms in Japan and the delicate voice of Miss Sylvia Funk, singing "One Fine Day."

Back to Hollywood and the modern dance, with Pat Frewen and Jude Moore.

Harry and Joe, Angela Hooley and Jackie Carmichael, discuss "This Here Ballet" in a London pub.

Miss Carol Sandford sings "How Are Things in Glockamorra?"

Finale
This year marked the Twentieth Anniversary of the Choral Readers. For their main performance on this occasion they selected H. F. Davis' \( E = mc^2 \), a dramatic interpretation of the crisis in our atomic age. They presented four performances, one in Jones Hall, two in Seattle, and a command performance again in Jones Hall.

The twenty-year history of Choral Readers on the Puget Sound campus is highlighted with many outstanding performances. "The Christmas Story From the Bible," "Amahl and the Night Visitors," "Cry, the Beloved Country," and "Green Pastures" are but a few of their many successes.

Football
Before some 2,500 rain-doused fans, CPS played their first game on home ground. The field was exceptionally muddy, which should have dampened any ideas of a pass attack. But if anything was not slowed by the sloppy conditions, it was the passing of both teams. The Loggers hit 9 out of 22 for 111 yards. The CPS touchdown came after a Gladiator punt was blocked inside the Lutheran 10 yard line. Roy Elliot's kick after the touchdown split the uprights for the all-important one point. CPS and PLC rushed for 48 and 47 yards, and made 7 and 10 first downs, respectively. The Lute ground game was considerably stronger than the statistics indicated because of the yardage lost by incomplete passes. The PLC score came after a march from their own 22 yard line. The tying point was blocked by hustling tackle Dave Campbell.
Top small college passing team in the nation by the Associated Press was the rating possessed by C.P.S. after this truly riotous contest. The only sad note on the game was that it did not count in the conference standings. Four of the Logger touchdowns were by way of the air, with Thacker hitting Bagby twice in the first quarter from the 34 and the 13 yard lines. Tom Rowland pitched the other two scores, the first going to Kermit Olsen for 22 yards and second, a nine yard toss to Bagby in the final stanza.

A 95 yard return of the kickoff after Puget Sound's first touchdown gave Eastern its only score for the afternoon.

The Maroon and Whites had a 17 to 4 edge on first downs. In net rushing, the Loggers piled up 127 yards to Eastern's 6 yards. In passing, C.P.S. compiled 246 yards on 17 completions in 32 attempts.
Aerial tactics were again in order as the Loggers traveled to Ellensburg for the weekend. The point was lost when Elliot's point after touchdown attempt failed after being partially blocked. Both CPS touchdowns were via the airways, Thacker connecting with Olsen in the second stanza, and Hoxey pitching to Bagby in the fourth quarter. This time Elliot's conversion traveled unhindered to its intended destination. The Wildcats' deciding score came after the interception of a Thacker pass and a sustained drive of 33 yards. The only statistics department dominated by the Axemen was net yards by passing where the total was 180 yards to Central's 117 yards.
Homecoming brought a crowd of 4,000 to view the Loggers' first league victory in two starts. The game was a series of goal line stands.

The lone score came in the second half when the Axemen rambled from their own 36 yard line to the Pirate 2 in ten plays. Thacker then squeezed his way into the end zone. Elliot's point after touchdown attempt went wide.

Whitworth threatened CPS at the 9, 21 and 8 yard lines, but each attempt was thrown back by a defensive wall that proved too powerful for the frustrated Pirates to penetrate. This evidenced the improvement of the whole Logger defensive lineup.

The Puget Sound ground attack was also in better shape as the Maroon and Whites piled up 158 net total yards.
Primed and ready to make amends for a pre-season trouncing by the Loggers, the Eastern Savages showed they were a much improved ball club over the one encountered in the earlier contest. The tie all but dashed the CPS hope of even a half interest in the conference championship.

Dick Pruett scored both touchdowns for the Axemen, the first coming after Jim Creighton blocked an Eastern punt on their 5 yard line. In the third quarter, Pruett repeated his earlier feat but the point after touchdown attempt by Elliot failed to split the uprights.

In the game, held at Cheney, Eastern had 12 first downs for the Loggers. CPS compiled 124 yards in net rushing as compared to the Savages' 99 yards.
Scoring every period, and giving Coach Heinrick his 190th win as a football mentor, the University of Puget Sound defeated Willamette University for the first time in three years.

The Logger defense was geared to stop the running potential of Stan (King) Solomon, side-stepping Bearcat back, who led Willamette to a 35 to 6 win in 1957 and a 40 to 7 win in 1958 against Puget Sound. The Loggers have won only 14 out of 39 times the two teams have met.

Willamette’s lone score came in the latter part of the game after members of the second and third teams of UPS were sent into the contest.

The Loggers had a total of 344 yards in net rushing to the Bearcat’s 293 yards.
Retaining the Totem Pole Trophy for another year was the privilege of the Loggers after a complete drubbing of the PLC Gladiators. The carnage took place at Lincoln Bowl and was the only night game of the season.

With barely three minutes gone in the first quarter, the Axemen dealt their first blow when Gary Gregg plunged into the end zone from the one-yard line after a sustained Puget Sound march of 54 yards. Everything started going bad for the Lutes in the third quarter. Dick Pruett scored from eleven yards out, and two pass interceptions were turned into twelve more points on the Logger scoreboard.

A Gladiator fumble on the Loggers' four-yard line in the closing minutes of the game squelched PLC's last hope of a final scoring effort.
Near freezing temperatures in Tacoma were not enough to deter Puget Sound from compiling a three-game winning streak and second place in the Evergreen Conference. The Loggers' first two touchdowns came in the second quarter and the last one followed a Viking fumble in the third stanza. Jerry Haxsey pitched the pigskin to Ed Tingstad who established possession and another six points while lying flat on his back in the end zone. Ed Menotti, 165-pound freshman, made all three conversions.

Both teams had a total of 17 first downs while UPS overrode Western 231 yards to 78 yards net rushing.
A down-to-the-wire fight for top spot in the Evergreen Conference between UPS, PLC, and Western saw the Loggers take a close third place, while the Gladiators and the Vikings tied for the lead position.

Graduation will claim two top rebounders, Boyd Lyle and John Sudman, while the rest of Coach Wally Erwin's squad will return to see action next season.

Scott Weatherwax, a transfer student from Grays Harbor Junior College, finished third in the final league individual scoring totals. A strong defense was the key to many of the Axemen's victories, as was verified in the final conference statistics. Guards Bill Demick and Isadore Washington, along with forward Bob Johnson, turned in top performances in this department.

Freshmen Fred Wilde and Rich Brines moved into starting berths as the season progressed and proved to be valuable assets during several of the more exciting contests.

A strong bench and a team comprised mostly of juniors should see the UPS hoopsters as a top contender for the championship next season.

The UPS golf squad opened its 1960 campaign against the highly touted Fort Lewis Linksmen on the Allenmore Course. With playing coach Buck Meacham as number one man, Gary Allard number two, Beno Witherspoon number three, Rich Solaraki number four, Rich Pettibone five and Bob Gibbs as sixth man, the Logger team looked forward to a prosperous season.

The first two matches were dropped to the Fort Lewis team, and then in their first intercollegiate match, PLC and UPS tied 9 to 9. Gary Allard and Erv Marlow shared medalist honors with 71's. The next match was against McChord Air Base, which was won by UPS, 12 to 6, and then going on to beat Western College at Bellingham 11 to 4 with Buck Meacham as medalist.

UBC at Vancouver and PLC at Allenmore were two of the upcoming matches, along with Western Washington College, University of Washington, and McChord Air Base. From there the team goes to the conference and district matches which are being held simultaneously on Brookdale this year on May 20 and 21. The low scorers here go to the NAIA Finals in the East.

All of this year's team will be returning next spring.
Swimming

Five Evergreen Conference records and a total of 118 points were the key to the Loggers' first place victory in the conference championship held in the Hugh Wallace Memorial Pool.

Western Washington College placed second with 105 points, Eastern took third with 80, while Central Washington slipped into the fourth place slot with 36 points.

The new pool record-setters for UPS were: Kimo Streeter, with a time of 1:16.6 in the 100-meter butterfly; Phil Oke, clocked at 1:02.2 in the 100-meter free-style; and Jerry Hartley sliced his time to 3:02.9 in the 200-meter breaststroke.

In the preliminaries, Ron Jones was clocked at 2:24.4 in the 200-meter free-style, and Hartley set a new league mark of 1:22.3 in the 100-meter breaststroke.

The Loggers had four double-winners in the meet: Hartley won the 100- and 200-meter breaststroke; Jones had the best times in the 200- and 400-meter free-style; Streeter had the best times in the 100- and 200-meter butterfly; and Gary Rasmussen finished first in the 200-meter backstroke and 200-meter individual medley.
Poor weather hampered both the turnouts and the games almost continuously during the baseball season. Very few games were played without a wet field to contend with, and several contests had to be called because of the soggy conditions.

Composed almost completely of football players, the UPS baseball team was slowed by too much beef. A high spirit prevailed over all games, no matter what the score, or who was in the lead.

Players hitting the ball hard all season were Chris Cherbas, Dean Peterson, Tom Rowland, and Jerry Thacker. Competition for top pitching spot was between Rudy Maurin and Pete Scholz.

After wins against Seattle Pacific, Western, and the University of British Columbia, the team was extended an invitation to participate in the Seattle Collegiate Tourney played on May 19, 20, and 21.

All players except one will be back next year, and baseball at UPS is looking forward to a much improved rating in the next few seasons.
Hampered by training facilities and a rainy season, the UPS track team was inhibited in as far as producing any outstanding athletes. One exception to this was Jack Higgins, whose best time in the 100 yard dash this year was 9.8 seconds.

Almost all turnouts took place in Stadium Bowl, competition with the high school cinder men. Lack of depth contributed to the low scoring maroon and white thinclads. However, there was consistent scoring in dashes, pole vault, and the distance.

Coach Harry Bird had to shape a squad consisting mainly of underclassmen which should develop into a more productive team in the scoring department in future seasons.

Ending the season as participants of Evergreen Conference Track Meet at PLC, the cinder men scored lightly with the main effort coming from sprinting ace Jack Higgins.

High morale coupled with coach Bird’s popularity made the season profitable for all members of the UPS track team.
Depth, a constant change of line-up, and a well balanced team were the combinations that put the UPS tennis squad in a tie for first place in the Evergreen Conference.

Inadequate campus facilities forced the home matches to be played anywhere in the city where courts could be reserved. The team has won against Central, PLC, and Western. The squad also fared well at the Evergreen Conference matches played at PLC, the N.A.I.A. District Matches, and the N.A.I.A. National Matches.

The conference meet players were, singles: Gary Carew and Dave Wolf; and doubles teams Chuck Karst and Gary Carew; and Dave Wolf and Jack Clark. This year the coaching position was filled by player Chuck Karst.

Returning lettermen next year will be Jack Clark, John Dewing, Fred Reed, and Dave Wolf.
Men’s Intramurals

Athletic activities for all male students of the University of Puget Sound was the goal of the Intramural program, headed this year by Mike Donahue and Chuck Wylder. All organizations on campus were encouraged to enter a team in the various competitions, ranging from football to table tennis.

The race was a close one all year with the winner being decided only after the final points were added. Among the minor rule changes enforced during the intramural year was the change from touch football to flag football.

Intramural points through May first.

Rally Committee

Formed in 1948 for the purpose of creating and co-ordinating school spirit, Rally Committee is composed of representatives from the fraternities, sororities, and independents. Included among its responsibilities are: sponsoring half-time entertainment at games, organizing pep rallies, publicizing athletic events, and co-ordinating the activities of song leaders and cheer leaders.

This year, Rally Committee decided that the Spirit Trophy, revived in the fall of 1958, should be representative of competition between social organizations. An increased effort to promote spectator spirit was also made.

Silver Seals

Entering upon the scene of the 1960 water show, "Hawaii Calls," the audience found itself in an imaginary island paradise. The panorama shifted from a gay beach party, to sequined mermaids, to a fuming volcano, set with flowers and colorful costumes. In addition, production featured a style show and authentic hula dancers.

Produced by the Silver Seals of UPS, and directed by their president, Joan Davies, this was the fourth show since its initiation in 1956.

Joan Davies, President
The Co-Rec Committee was organized in 1959 in order that recreational programs might be developed which would be of interest to both the men and women students of this campus. The committee conducted a number of Co-Rec Nights during the year, contributing greatly to the school program by initiating competition and providing fun.
Congratulations...

to the annual staff for the fine job they’ve done preparing the copy and pictures for this book. We are proud to have been entrusted with its production.

LITHOGRAPHED IN THE STATE OF WASHINGTON ON WASHINGTON MADE PAPER
our forest heritage must be wisely used and perpetuated

Water repellence of treated 4-Square siding is shown below, at right. This quality adds to paint life. Such improved products are a result of continuing Weyerhaeuser research.

For more than three centuries commercial forestlands have supplied our expanding economy. Although steadily reduced in area by farms, villages, roads, parks and other necessities, our timberlands must continue to meet the demands of a population that almost doubles every fifty years.

Our needs are many, and mounting in volume. Forestlands must supply an increasing amount of lumber, plywood, pulp and other products. They also must provide recreation and other social benefits for more and more people. Further, they must continue to serve as watersheds and wildlife habitats.

If future needs are to be met, all timberlands must be wisely used. Such lands must serve the greatest good of the greatest number in the long run. Where practicable, they must be used for a variety of compatible purposes.

Commercial forestland must be devoted primarily to perpetual production of timber crops. Properly managed, it can provide numerous other benefits as well. Weyerhaeuser sustained-yield tree farms are so managed.

The name Craftsman Press was not chosen by flipping a coin or pulling petals off a daisy.

We call ourselves Craftsman because the name represents an ideal that we try to inject in all our daily work.

One of the pleasures of being printing craftsmen is the opportunity of working with intelligent, creative people in finding a solution to problems where ink and paper play a part in communication.

We take pride in being suppliers of quality printing to the University of Puget Sound and in the freedom given us to mix some "think with the ink" to achieve results from which enthusiastic compliments are born.

If you consider printing not as a commodity but as an effective tool for achieving specific results then Craftsman should be your printer.

You’ll find us at 2030 Westlake, in Seattle
