How dull it is to pause, to make an end,
To rust unburnished, not to shine in use!
As tho' to breathe were life! Life piled on
Life
Were all too little, end of one to me
Little remains, but every hour is saved
From that eternal silence, something more,
A bringer of new things: and vile it were
For some three suns to store and hoard my­self,
And this gray spirit yearning in desire
To follow knowledge, like a sinking star,
Beyond the utmost bound of human thought.

-Tennyson
For more than a third of a century Mr. Warren Perry has helped to provide books and literature so that the students of the University of Puget Sound might have the materials to set their minds, hearts, and souls on the eternal quest for knowledge.

Without the help of dedicated faculty members like Mr. Perry, students would have a more difficult time finding the values with which to develop their minds and create the understandings which make deep friendships.

Mr. Perry received his A.B. and B.S. (Library Science) degrees from the University of Washington and his A.M. degree from the University of Illinois. He has served as Head of the Exchange Division of the University of Illinois Library, as a member of the Washington State Library Commission, and on the Board of Trustees of the Tacoma Public Library.

This Tamanawas for 1961 is gratefully dedicated to you, Mr. Perry, in sincere appreciation for all that you have contributed to the human family and to our Alma Mater.

Tamanawas 56
Dr. John D. Regester, Dean of the Graduate School, along with thirteen other scholars flew to Lambarene, Africa for a consultation period with the noted philanthropist-philosopher, Albert Schweitzer, at the end of December. The members of the expedition as a whole met with Dr. Schweitzer and all of them had several private interviews with him. Dean Regester said that the expedition was "tremendously interesting" and "went beyond anything they had expected."
Dear Students:

It is always a genuine pleasure to write a greeting for the Tamanawas. In this book will be found a panorama of the year's activities, the friends which each student has made, the progress of the University, and those events which have been so much a part of our lives this year.

The Tamanawas grows more precious through the years as it helps recall a flood of memories which are most meaningful and which grow fonder as time passes.

These pages reveal the student body in all its activities and the outstanding and dedicated faculty of one of the finest universities in the West. It is hoped that each student's love and loyalty for the University of Puget Sound will grow through these pages in the years to come.

Most sincerely,

R. Franklin Thompson
President

MISS CHERLY ZUMWALT
Secretary to the President

R. Franklin Thompson, A.M., B.D., Ph.D., LL.D., L.H.D.
President of the University

Student Government
Your student government is designed to be a service to all students in the area of student activities. This group directs the affairs of its various departments and committees, determines student body policy and appropriates ASB funds. These matters are accomplished by the use of legislation and by acting as a horn of student opinion. This year's ASB has made a constant endeavor to provide an administration consistent with the progressive ideals found on campus.

I feel that the realm of student government has had a truly successful year. After making changes to improve Frosh Orientation, the groundwork was laid to ensure a successful homecoming. This year's homecoming was publicized to the community, and proved to be bigger and better than in years past. In an attempt to improve school spirit, a new men's spirit group was introduced this year called "Choppers" which greatly improved and further united school spirit. The Artist and Lecture Series which had been unsuccessful in its two-year history received a shot-in-the-arm this year, and all five performances were well attended. Extensive study and hard work presented a revised constitution. The changes made should improve communications and insure funds necessary for more effective sponsoring of student activities in years to come.

I have greatly appreciated and enjoyed the opportunity to serve as your ASB President. It has been a rich and wonderful experience which I will fondly remember. I only hope that those of you who are entering the ranks of alumni and those of you who will be back next year continue to give the school the enthusiastic support you showed this year.

Central Board

Good government is not taught; it is practiced. Law making in our democratic form of life is one of the most essential professions. Participation by all is equally important if this system is to survive. Experience and appreciation of this is given to the students of the University by their student government. The students are organized under their own constitution and have their own governing bodies. Our governing body, called Central Board, is composed of a president, vice-president, secretary, treasurer, general manager, and representatives of the classes and departments. This board in conjunction with a Finance Committee, controls the student affairs, publications, intramural sports, and student activities. Members of Central Board this year worked toward greater student interest and participation in student government.
Judiciary Committee

Under the leadership of Klaus Wills, the committee filled its obligations by presenting recommendations for constitutional changes to Central Board. These recommendations were then placed on the student ballot for voting before the student elections, so that the representation to Central Board could be made fairer. Klaus also answered questions of the constitutionality of legislation passed by Central Board.

Finance Committee

Serving as arbiter of the financial policy, and presenting proposals to central Board for the use of money, finance committee directed the allocations of ASB funds. The committee consists of the ASB officers, the general manager and the bursar.
Elections Committee

The elections committee, consisting of the ASB 1st vice-president a delegate-at-large, and a member of the faculty, regulated the policies governing the student body elections, and class elections. This year the committee was faced with the problems of individual groups voting for their representatives in the general election without the use of voting machines.

John Pokela

Student Affairs Committee

The duties of Student Affairs Committee are concerned with all UPS social matters. Serving as chairman, the second-vice president and the committee put out a social calendar listing the year's activities. Other members of the committee are the presidents of Panhellenic, Interfraternity Council, Independents, a faculty representative, Director of Men's Affairs, and Associate Dean of Students.
The class of 1964 started off the year with three stupendous deeds: winning the Tug-Of-War, procuring the hatchet, and keeping the Bonfire lit at Homecoming.

The Frosh One Acts and Stunt Night were both tremendous successes with standing room only in Jones Hall. Christmas time saw the South dining hall gaily decorated with wreaths, greenery and a magnificent Christmas tree by the efforts of the hardworking freshmen.

Having previously advertised to show the hatchet, the Freshmen drew a large crowd at its annual class dance. Another first of the class of 1964 was the formation of the Freshman convocation committee who planned all the convocations for the 2nd semester.
The Sophomore's somewhat unsuccessful competition in the tug of war was later avenged with the aid of other classes by making the Freshman attempts at guarding their bonfire also somewhat unsuccessful.

In addition to graciously allowing the Frosh to possess the hatchet, the Sophomores co-operation in the Frosh-Sophomore mixer and decorated the Student Center balcony at Christmas time.
The Junior Class trudged along its merry way this year with expectations of a Commencement Ball that would long be remembered in the hearts of those graduating. A final and fitting climax for those who have reached the end of their collegiate career and something to stir the hearts of those who find themselves within one year of that long awaited goal.

In addition, elections this year have placed the best of the class of '62 at the top of the hierarchy of Associated Student Body administration. As we reach towards this last step of college we do so with great spirit and with the hope that our school government through these people can provide the stimulation and encouragement that has been found in the class of '61.

The class of '61, alive with enthusiasm and spirit, has established this past year, a record of accomplishments unsurpassed by any other class in the history of the school.

Intent on leaving a farewell "gift" that would be useful to students and the campus for many years to come, the Seniors sponsored for the entire college community, a live 2½ hour "Concert in Stereo" program, featuring the famous RAY CONNIFF ORCHESTRA and CHORUS. Over $30,000 worth of stereo and lighting equipment was installed throughout the entire UPS Fieldhouse, for one of the most spectacular stage productions ever seen in the Northwest. The concert was a complete sell-out, over 5,000 tickets were sold (which made it possible for the Seniors to establish from the proceeds) a perpetual scholarship endowment fund for needy students.

Wistfully the seniors now look back over their college careers—its joys and successes, its sorrows and frustrations. They have acquired in these four years many wonderful memories and experiences and will be remembered for many years to come not only for the Conniff concert or scholarship fund, but for their academic excellence and contributions to all phases of school activity.

Under the direction of co-chairmen Mary Brown and Sam Lassiter, the campus film review committee presented many entertaining and educational films this year. Outstanding films were: "Cat on A Hot Tin Roof," "Julius Caesar," "Tea and Symphony," "Showboat," "Carousel," "The Three Faces of Eve," and "North by Northwest." Most movies were well attended, and paid for by the student donations.

Left to right: Bill Fitzer, Terry Sumner, Sam Lassiter, Mary Brown, Helen Stephenson, Roberta Whinery, Sheri Shores, Tom Fowler, Ida Sue Groover, and Marc Hutcheson.

Publications Committee

The duty of publications committee is to regulate the policies pertaining to the publications under the ASB. Members of the committee are: Senior Representative, chairman, ASB second vice president, Trail editor, Tamanawas editor, Cross Currents editor, junior representative to central board, and the faculty advisor. The committee offers aid and advice to the editors of the publications, and directs the publication of the student handbook.

Left to right: Jack Rummel, Eleanor Parker, Tom Jobe, Lowell Magoon, Dele Gunnerson, Sally Jo Purchase, Mr. David Jacobson, Advisor.
Cross Currents

The school literary magazine in its second year was successfully published under the direction of Eleanor Parker, editor, and Dr. Esther Wagner, advisor. The stories for Cross Currents were written by students at the University.

Freshman Convocation Committee

Newly organized this year was the Freshman Convocation Committee. Under the leadership of Gary Thompson, Freshman Class President, the committee planned programs to be presented in Freshman convocations during the spring Semester.

Artists and Lecture

The Artists and Lecture Program was an outstanding success this year for the first time in its three year history. Co-chairmen for the fall series were Marnee Kem and Jim McBride. Chairmen for the spring semester were Jim McBride, Karen Allard, and Gerry Rapp. Among the programs presented for the year were "Prather Panchali," a movie on India; the "Fine Arts Quartet," a world-famous chamber music group from Chicago; the "Allied Jazz Forum," the Tacoma Concert Ballet Group, and the two films "Operation Abolition" and "Communism on the Map."
The Puget Sound *Trail*, the official newspaper of the Associated Student Body of the University of Puget Sound, was under the editorship of Sally Jo Purchase. The paper maintained the bi-weekly publication schedule set in 1959-1960, but changed the format to a twelve page news magazine. During the first semester, the paper featured full page cover pictures of noted student body personalities, along with feature stories of their activities. However, the full-page pictures were dropped during the second semester to permit more copy space.

Bill Parker and Sara Jane Booth held the position of Managing Editor, respectively, for the first and second semesters. Bi-weekly sports columns were ably written by Stan Farber, who was also the publicity director for varsity sports. During the spring semester, Bob Sticklin was appointed feature editor. one of his outstanding articles was a review of the Wagners' new book, *The Gift of Rome*.

To carry on the responsibilities of managing and editing the *Trail* for the coming year, Central Board selected Brent Knutson as editor for 1961-1962.
Plans and preparation for the 1961 Tamanawas were begun in the summer of 1960. The cover and most of the layouts were designed by the editor, Lowell Magoon with the able assistance of staff members. Most of the activity and group pictures were taken by Mr. Art Bachelor of the Camera Mart, the portrait pictures of seniors and fraternity and sorority members were taken by Mr. Robert Tresch, with photographs of campus kings and queens being contributed by Jess Snyder and Harta Studio.

Pete Norman, Advertising Manager sold approximately $2500 worth of advertising which helped to defray the cost of the yearbook. His selling ability has provided the book with an interesting and extensive advertising section.

Through words and pictures, the varied activities of the university year are depicted graphically in the Tamanawas. According to legend—when an Indian youth was ready to enter manhood, he went into the woods alone, away from the busy life. After several days alone, thinking and praying, he saw a symbol. That symbol became his Tamanawas—a link between himself and the spirit world. Our Tamanawas, published by the Associated Student Body, serves as a link between the student and the university world.

  Homecoming Play 89
Beginning with convocation on Monday September 12, the class of 1964 was introduced to campus organizations and traditions. Evening activities of the Orientation week included the Freshmen Mixer, sponsored by the Inter-collegiate Knights; Faculty Receptions; and Recreation and swim party; Frosh Stunt Night, on Friday featured the entering class in a variety of dramatizations. The winning stunt group cleverly portrayed, "My Fair Freshman."

Above: Long, slow-moving lines accompanied registration.

Left: At the end of the lines, each freshman had an opportunity to purchase his green beanie.

Right: General Chairman of Frosh Stunts, Claudia Carr, presents the judges with balloons and all-day suckers.

Watermelon Feed

The afternoon of September 16 saw U.P.S. students at Sigma Nu Fraternity's All-school Watermelon Feed. Overcast skies failed to subdue the lighthearted atmosphere stimulated by a student combo.
Below: Tom Jobe, Tele Boveng, and Sam Lassiter race to see how quickly they can devour a whole watermelon.

Sigma Chi Derby Day

Stunts performed by sorority pledges, a dance, and other entertainment all contributed to a successful Derby Day, sponsored on October 8 by Sigma Chi fraternity.
1960 Homecoming, with the theme "It's an Old New Orleans Custom," officially began Thursday, October 13, with the coronation of Queen Jan Hinton. U.P.S. president, R. Franklin Thompson crowned the queen and presented her with a key to the City of New Orleans. Scott Weatherwax was chosen King from five finalists in the beard-growing contest. An outstanding performance of the homecoming play, "Harvey," climaxed opening night activities.

Above, royalty candidates. Left to right: Dr. Thompson; 1959 homecoming queen Donavie Perkins (partially hidden); former king Gary Olson; Bobbie Bulatao, Independents; Ted Langford; Jan Hinton, Alpha Phi; Scott Weatherwax; Betty Strobel, Pi Beta Phi; Dennis Bafus; Claudia Carr, Chi Omega; Fremont Oliver; Nancy Lincoln, Delta Delta Delta; Gary Wasson.
House Decorations

After the second performance of "Harvey" on Friday evening, students joined in a torchlight parade to view the house decorations. Chi Omega sorority gained permanent possession of the women's trophy, winning it for the third consecutive year. Their theme was "New Orleans Voodoo." Kappa Sigma fraternity won the men's competition with a realistic "steam boat."

Homecoming

U.P.S. Loggers displayed spirit as they defeated Central Washington College of Education 35-0. A car caravan through Tacoma before the game and colorful halftime entertainment were also features of the Saturday program.

A new feature this year was a homecoming church service held Sunday at Mason Methodist Church.

Co-chairmen Gail Pokela and Klaus Wills expertly planned and coordinated the many events.

"Memoire Cherie," the homecoming dance, highlighted a busy weekend. Steve Laughery and his orchestra provided music for the gala affair, attended by four hundred couples.
Citizens of Dog Patch danced to the music of Gary Gonter and the Starlighters at the annual Sadie Hawkins Dance September 30. Co-chairmen of the affair, Sharon Deutschman and Roy Walworth, pronounced Margee Milne and Al Davenport "Daisy Mae" and "Little Abner." Elmer Bingham, as "Marryin' Sam" performed the wedding ceremony. Kickapoo joy juice was served from Injun Joe's cave. A statue of General Cornpone further emphasized the Dog Patch theme.
Above, left: Daisy Mae candidates. Margie White, Sara Jane Booth, Margee Milne, Sue Stone, Pat Rice.

Greek Ball

The Crystal Ballroom of the Winthrop Hotel provided an elegant setting for the 1960 Greek Ball. All fraternities and sororities participated in the semi-formal dance, held November 19.
Fall Sports
In the season's opening game the Bearcats of Willamette edged UPS with a yard pass play for a touchdown after the final gun, and went on to an undefeated season and an 8th place team rating in the N.A.I.A..

The Loggers scored on two long pass plays of 33 and 50 yards. Jerry Thacker passed to Ed Tingstad in the first half, and then scored two more times in the fourth quarter to go ahead 26-14. Then, with only minutes remaining, Willamette put together two 50 yard drives and aided by a 14 yard pass play during the final drive, scored the winning touchdown.

The final UPS touchdown came on a 21 yard pass by Jerry Hoxey to Jerry Thacker, following Jerry Cecchi's spectacular 79 yard pass interception return from the UPS 10 to the Willamette 21 yard line.
The Loggers came from behind in the fourth quarter on a 43 yard pass play, from Jerry Hoxey to Ed Tingstad, and then stopped the Portland Vikings on the 6 yard line to salvage their tie.

Both Portland scores resulted from Puget Sound mistakes in their own territory. In the second quarter, Portland intercepted a Logger pass on the 35, and after a 15 yard return, drove for the score a few plays later. The final Viking score resulted from a UPS fumble on the 40 yard line, followed by a successful Portland drive.

The Loggers struck late in the third quarter with a 65 yard drive in 14 plays. The drive was aided by two 17 yard runs by Jerry Thacker, with freshman Jack Sather scoring from the two yard line. After an exchange of punts in the fourth quarter, Puget Sound started moving again and ended the day's scoring with 2 long passes to tie the game.
3400 fans watched UPS open conference play with an exciting 21-14 victory over the Knights of PLU.

The Loggers opened in the first half with a 30 yard pass by Jerry Thacker to Ed Tingstad, and then had to play defense as the Lutes were able to score on two long drives in the second quarter. The Loggers came back, however, to tie up the game with another Thacker to Tingstad pass, this time for 20 yards, in the last thirty seconds of the half.

In the second half, the knights had to play defensively as UPS completely dominated offensive play. PLU had to stop several Logger drives, including a field goal attempt which went wide. Then with less than a minute remaining in the game, Hoxey threw a 44 yard pass to Les Ross who was downed on the PLU 8 yard line, but scored two plays later. Swede Wilson completed a perfect day from the field by kicking his third point after touchdown.
Jim Creighton  George Plumis

UPS

6 0 0 0 6

Central

0 7 6 0 13

The Wildcats of Central scored twice on long touchdown plays from scrimmage, and then had to stop two Logger drives in the second half to assure their 13-6 victory.

The only Puget Sound score came in the first quarter, after Central had punted for 5 yards into a strong wind to its 40 yard line. From there a Hoxey to Tingstad pass for 10 yards and a run by Jerry Thacker set up the Logger score. Hoxey passed to Tingstad, for 7 yards and the Logger All-American end outpaced the Central safety man to score standing up.

The Wildcats then struck twice in the next two quarters, on the scrimmage plays of 65 and 76 yards, to win the game and end all scoring.

Although the Loggers were able to drive down to the Central 5 yard line and had another drive stopped by the clock on the Wildcats 20, they were unable to overcome the narrow margin of the Central victory.

Phil Oke  Tom Smith
A homecoming crowd of 3,000 fans watched the Loggers take advantage of every Eastern mistake as they routed the savages in a 35-0 contest. The game, however was closer than the final score indicated since the tough Puget Sound defense had to stop Eastern drives on the 23 and 5 yard lines in the first half.

Fullback Dick Pruett opened the Puget Sound scoring on a line smash, following a 29 yard drive, in the first quarter, but the Loggers were unable to get going again until the second half.

In the third quarter UPS, however, broke the game wide open as Roy Elliot scored twice on pass plays of 8 and 23 yards from Jerry Thacker. The two touchdowns came on plays following a drive of 60 yards and another of 34 yards. The second touchdown drive came as a result of Larry Freen’s timely pass interception on the Logger 45 yard line.

In the fourth quarter Eastern drove to the UPS 5 yard line, where the Loggers took over on downs. On the following play from scrimmage Ed Tingstad took a short pass from Jerry Thacker and after eluding several savage tacklers scored the longest touchdown of the year. UPS concluded scoring toward the end of the fourth quarter on a 30 yard pass, interception run by Larry Gregg and with Swede Wilson converting his fifth point after touchdown of the day.
The Loggers won their first road trip of the year by beating the WWCE Vikings on two third quarter touchdowns and by playing another outstanding game on defense. Although the Vikings won in the statistics department, they were unable to put together a scoring threat and were unable to contain the Puget Sound third quarter scoring surge.

Dick Pruett again opened scoring on another line smash following a 72 yard march in eleven plays. The drive was marked by excellent line play and fine running as the Viking defense was completely fooled on some plays and out powered on others.

During the ensuing Western drive after the kickoff, Jerry Thacker intercepted a pass on the UPS 45 yard line and returned the ball to the Viking 36. Then, after throwing incomplete, Thacker rolled out to the right and, with Ed Tingstad throwing the key block, ended the scoring for the day.
The UPS defense was able to hold Whitworth quarterback Denny Spurlock, the NAIA leader in passing and total offense, to 46 yards but the offensive was unable to score as the Pirates went on to an undefeated league championship and become the northwest representatives to the semi-final playoffs for the national championships.

In the first quarter the Loggers threatened to completely dominate the game as they took the opening kick-off and drove all the way to the Whitworth 2 yard line, only to be stopped on downs. Big contributions during the drive came from Jerry Thacker and Gary Gregg with runs of 39 and 26 yards respectively.

After this point in the game, neither team was able to do much damage to the other until the second half. In the third quarter, Whitworth took advantage of the only time it was able to penetrate the Logger line and drove for the score. Puget Sound, however, fought back on a fake punt pass play from Jerry Cecchi to Les Ross, in the fourth quarter, which placed the ball on the Pirate 9 yard line. At this point the Loggers were penalized 30 yards, on two 15 yard penalties for the same play, and had their drive and scoring threat stopped by the final gun.
The Knights of PLU came to the UPS home field to avenge their 21-14 earlier loss in the season and made very few mistakes in winning 13-0.

All of the scoring took place in the first half of the contest, as the Lutes were able to sustain two good scoring drives and had another drive stopped on the Logger 4 yard line.

The Loggers, smarting from the Whitworth loss and hurting from the injury of quarterback Jerry Thacker, were outgained in every statistical department and could not get their offensive to function. The loss to PLU was the first Puget Sound loss to the Lutes since 1957, and knocked the Loggers out of contention for the Evergreen Conference title.
The Central Wildcats were soundly thrashed during their second meeting with Puget Sound this season and boosted the Loggers to a tie for the runner-up position in the final conference standings. The Puget Sound win not only gave Coach Heinrick the 196th win of his coaching career, but also ended the Wildcat winning streak against UPS at 4.

The only Central score came in the fumble plagued first quarter as the Loggers lost one of their fumbles on the 14 yard line. At this point Central was aided by a penalty which placed the ball on the two yard line. They drove for the score a few plays later.

UPS opened its scoring in the second quarter, when with less than 3 minutes remaining, Larry Hosley returned a punt to the Central 31 yard line to gain an advantage for the Puget Sound offense. Then, following a series of downs Jerry Hoxey connected with Ed Tingstad for a 21 yard touchdown pass play, to end the first half of scoring with only seconds remaining.

In the third quarter, a Puget Sound break accounted for another score. A Logger guard Jim Creighton recovered a Wildcat fumble on the Central 15 yard line. The UPS offensive could not be stopped as Jerry Cecchi smashed over for the touchdown 4 plays later.

The final score of the game came on a 62 yard march, with Dick Pruett scoring, as the Loggers were able to completely overpower the Central defenses and revenge their 13-6 loss to the Wildcats earlier in the season.

The Women’s Recreation Association offers a year full of exciting and funfilled activities. Starting the year with field hockey and badminton, the calendar gave way to volleyball, basketball, bowling, golfing, tennis, softball, and archery. A trophy, awarded to the tournament winner at the completion of each season, helps create better sportsmanship and skills.

In addition to the sports activities, WRA also holds general meetings each month which consist of business transactions, speakers, and films.

Enjoyment is the ultimate goal of WRA, and its program is designed to help each woman relax, have fun, and to acquaint herself with others.

Membership in WRA is available to any woman who shows a desire for membership after she earns 100 points in an activity. Awards are given to the women based upon the accumulation of a specified number of points.

To belong to the Women’s Recreation Association promises a rewarding year of activities and friendship.
Field Hockey

The University of Puget Sound women’s field hockey team competed against the alumni, Annie Wright Seminary and Western Washington College of Education. The season was topped-off with a conference at the University of British Columbia.

Volleyball

Five teams participated in the volleyball intramural tournament this year. The Indee team gained first place and the WRA trophy after winning all of their games. The Pi Phi’s and Chi O’s tied for second place with two wins and two losses each.

Women’s Intramurals
Fall Culture
The Fine Arts Quartet appeared on campus November 15 under the auspices of the Artist and Lecture Series. The members of the group—Leonard Sorkin and Abram Loft (violinists), George Sopkin (cellist), and Irving Ilmer (violist)—are known for their performance of contemporary music as well as standard repertoire. The Quartet has had extraordinary success, both critical and popular, in the field of concerts, recordings, television, radio, and educational films. They have toured Europe and the Middle-East twice.
Homecoming Play
"Harvey"

A situation comedy about a balmy bachelor "lush" and his closest friend, a six-foot-one-half-inch white rabbit, Harvey, was presented by the Drama Department as this year's Homecoming Play. Leading the cast was Chuck Comeau as Elwood P. Doud. Other players under the direction of Martha Pearl "Teach" Jones and Wilbur "Bur" Baisinger were Judy Adams, Pam Davis, Verna Peterson, Dick Wiest, Elaine Perdue, Ed Hoit, Don Hiatt, and Lorna Royall.

"Christmas Around the Campus," celebrated on December 15, climaxed the 1960 UPS holiday season. Caroling by dormitory students preceded a banquet and post-dinner program featuring the Madrigal singers and a Christmas story told by Dr. Phillips. "Christmas Package No. 25," an original program created by faculty members, and an open house at the men's dormitories were also part of the festivities.

Other outstanding Christmas presentations on the campus included the "Messiah," given by the augmented Tacoma Choral Society and the UPS-Tacoma Symphony Orchestra; the Madrigal Christmas Concert; and a dramatization by the Choral Readers of "Why the Chimes Rang."

Lower left: Freshmen class president Gary Thompson brands the yule log with the numerals of his class as part of the program at the Christmas dinner.
Arnold Air Society presented its ninth annual Military Ball on February 24 in the Student Center. Decorations centered about a realistic paratrooper. Highlighting the evening was the coronation of 1961 Coed Colonel Linda Eyerly.

Rebound Average per game – UPS 51.8, Opponents 45.9 per game.
Although losing to Pederson's AAU team, 67-57, in an exhibition game of the TAC Tournament, coach Wally Erwin's basketballers reeled off four wins in a row to open the season. Slender Scott Weatherwax and freshman Bob Sprague led the Loggers past St. Martin's, 70-43, and "Wax" led the scoring in wins over Linfield, 79-68, Seattle Pacific, 77-58, and Willamette 76-57. The Lumberjacks lost to Linfield, 68-61, and Lewis & Clark, 85-75, in an Oregon invasion. Fred Wilde scored 28 points at Linfield and 21 more in a January win over Seattle Pacific, 75-74, in overtime. In that game, Isadore Washington stole the ball three times in the last 21 seconds to overcome a five-point UPS deficit. Dick Crowe scored the winning two-pointer on a pass from Washington.
The Loggers finally broke the Pacific Lutheran "hex" after seven years of trying. After bowing to the Lutes, 60-54, early in the season, the Puget Sounders smashed the Parkland five, 81-73, in the Fieldhouse. The Loggers led 43-24 at half and the Lutes scored the last 11 points of the game to cut the margin. Weatherwax scored 30 points in the UPS win. Puget Sound waged a terrific struggle at PLU, but lost, 69-68, as Norm Dahl calmly sank a free throw with ten seconds to go for the Knight win. Puget Sound got its revenge, 74-65, in the final game of the season. The Loggers led 74-56 with 2:05 to go, but the visitors scored the final nine tallies of the contest.
Another case of home court advantage was the result of the UPS-Western Washington series this year. The Vikings beat the Tacomans, 73-50, at Bellingham, but two nights later in Tacoma, the Loggers emerged triumphant, 76-55. Weatherwax led the winning attack with 25 points. Erwin's crew won 67-59 early in February, but again bowed to the Westerners 73-63 at the Vikings' home port.
After closed period, Central Washington visited the Fieldhouse and found the Loggers a bit rusty. The Wildcats, who led 48-35 at half, scored a 75-68 win. UPS gained revenge at Ellensburg as Erwin's unit substitution tactics surprised the "Cats" and the Tacomans gained an 81-71 decision. Late in December, the visiting Loggers netted 56-51 and 52-51 wins over the University of British Columbia. With the Loggers trailing 51-50 in the second game, Washington stole the ball and flipped in a lay-in for the win.
Whitworth's Pirates, on the way to winning the Evergreen Conference basketball race, edged the Loggers 71-65 in overtime at Spokane in mid-January. The Pirates also won in Tacoma, 72-68. After the Whitworth overtime struggle, the Loggers were forced to play an extra period for the third time within five days as Eastern Washington's Savages gained an 83-79 verdict in Cheney. Puget Sound evened matters with an 87-72 triumph in Tacoma in February.
Fred Wilde, 6'6", Coach Wally Erwin, Bob Sprague, 6'8". 
Swimming

The Evergreen Conference swimming and diving championships were again dominated by UPS swimmers as the Loggers swam to their second straight league title in the Eastern Washington State College pool.

One hundred twenty-seven and one-half points were piled up by Coach Don Duncan’s Loggers. Western Washington was second with eighty.

The Loggers also won the Linfield NAIA Invitational Meet in December. Over the past three years, the team has won sixteen straight league dual swim meets and is ranked by coaches in the area as the top small college swimming power in the Northwest.

Ron Jones of UPS took first place honors in the 200-yard individual medley, the 200-yard freestyle, and the 440-yard freestyle. Dave Handy set a new league record in the 100-yard butterfly and also added the 200-yard butterfly title. Phil Oke took the other UPS first in the 100-yard freestyle.

Co-captains for the year were Phil Oke and Ron Jones.

Volleyball

MEN'S INTRAMURAL VOLLEYBALL WINNERS-SIGMA NU FRATERNITY, kneeling, left to right: Gary Thompson, Barrie Wilcox. Standing: Doug Perkins, Jim Montgomerie, Dave Handy, Frank Bauer.

The Gift of Rome, the first novel, by John and Esther Wagner was published in March by the Atlantic Monthly Press-Little Brown and Co. The Wagners are now in their third year on the University of Puget Sound campus. John Wagner is associate professor of English and Esther Wagner teaches both English and French. The book deals with the Roman trial of Cluentius, who was charged with bribing the jury that brought about the conviction and death of his father Oppianicus. Earl Stanley Gardner said, “The outstanding thing about this book is the power inherent in the writing. It is a book which literally sweeps the reader off his feet and carries him along on a stream of events so vividly told that they are literally unfolding before his eyes.”
Why the Chimes Rang

The Campus Playcrafters and the Choral Readers adapted the story of "Why the Chimes Rang" for Christmas Vesper Service this year. Two gradeschool students, Bobbie Dale and Jeff Belcher, played the children's roles; other leads, all by UPS students, were played by Stuart Higher, Claudia Carr, and Lorna Royall. The Vesper Service, this year under the direction of Martha Pearl Jones and Dr. Baisinger, has been a tradition on campus for the last thirty years.
The "Messiah"

Madrigal Christmas Concert

On December 4, the ninth annual presentation of Handel's "Messiah" was given at the Fieldhouse. The program was under the direction of Dr. Bruce Rodgers, and was augmented by the Tacoma Choral Society and the UPS-Tacoma Symphony Orchestra. The Madrigals held their annual Christmas Concert on December 8, and sang at the Christmas banquet on the 15th. Madrigals are a group of 12 singers chosen from the Adelphian Concert Choir.
"Box and Cox"

This play is an English farce about a landlady who has rented the same room to two men. One of them works days and the other nights; they didn't realize that they were sharing the same room.

Joe Puckett, Dave Stambaugh

"Romancers"

A Romeo and Juliet story about two young lovers and their obstinate fathers. This play was one of the early works of Edmund Rostand, the author of "Cyrano de Bergerac."

Sheri Zabel, Tom Fowler

"Spreading the News"

Written by Augusta Gregory, founder of the Irish National Theater Society, "Spreading the News" is a comedy of errors at an Irish country fair.

Bill Frisell

Marc Hutcheson, Teri Hoyt, Frank Harmier

Margie Graham, Gary Gwinn

Dave Brubaker

Verna Peterson
"Undertow"

"Undertow" is a psychological suspense drama with an all-girl cast.

Becky Singer

Lisette Shaw, Mary Lou Partridge

Sue Stone

Carolyn Owens

"If the Shoe Pinches"

A hilarious comedy, also with an all-girl cast. "If the Shoe Pinches" is the story of a dizzy female trying to buy shoes over the phone.

Laura Carlson

Sara Newberg

Bev McCready

Annie Werts
"MAN AMIDST TURMOIL"

Religious Emphasis Week is observed annually at UPS, not for the purpose of dictating theology but of stirring the too-often dormant college mind. This year Bishop Evrett W. Palmer, of Glendale, California, was the featured speaker. His subjects were: "Christ in a World of Revolution," "Why Be Decent?" and "A Handful of Quietness - A Need for Meditation." The Choral Readers presented "He Who Must Die," a drama of the Passion of Christ by Nikos Kazantzakis. A movie, "I Beheld His Glory," the story of the Crucifixion as seen through the eyes of the Centurian, was shown in Jones Hall Auditorium. Morning Meditation services in Gail Day Chapel, coffee hours in the Student Center Lounge, and afternoon seminars were held daily, as well as other special programs during the week. Sue Clarke and Ken McGill were co-chairmen.

Religious Emphasis Week, 1961; March 6-10.
For the first time in the history of UPS, a professional jazz band held a concert on campus. The Allied Jazz Forum is a group of Seattle and Tacoma musicians who are interested in promoting and playing jazz in this area. Contemporary big band style music was performed by the seventeen-piece "Big Band" under the direction of Bill Ramsey. Also there was a modern sextette and a Dixieland group. Bill Owen, president of the Jazz Forum, acted as master of ceremonies. The Allied Jazz Forum presented the program on Sunday, February 19, under the auspices of the Artist and Lecture Series.

Adelphian Tour

The 1961 Adelphian Tour began on March 16, when Adelphians made their first tour appearance in Mt. Vernon, Washington. Nineteen concerts were given throughout Washington, Idaho, and Montana. On March 31, the group returned home, and one week later they presented their home concert at the First Methodist Church. Featured soloist for the tour was Touru Karatsu.

ASB 1st Vice-President

Dave Wolf
ASB 2nd Vice-President
An Election Banquet given by the Associated Student Body climaxed a week of intense campaigning. It gave the students an opportunity to meet the candidates, and to ask questions concerning election issues.

The new ASB officers for next year were elected as follows: President, Tom Jobe; First Vice-President, Sam Lassiter; 2nd Vice-President, Dave Wolfe; Secretary, Sue Clarke; and Delegates-at-Large, Dave Purchase, Mary Brown, and Warren Hanson. Also elected were next year's song leaders; Lael Anderson, Marcia McLean, Becky Singer, Dixie Schepper, Shari Zabel, and cheerleaders Ron Bellamy, John Kalles, and Jack Paul.

Demonstrations and campaign posters added color and spirit at the banquet.
The theme of the 1961 Daffodil Festival, "Wonders of the World," was followed by the University of Puget Sound's beautiful float "Parthenon." John Pokela for the third consecutive year designed the float which carried 50,000 daffodils. Float co-chairmen, Linda Wilson and Dave Handy directed a large work party which began at 6:30 Friday night and continued until early morning hours preparing the float for the parade Saturday, April 8.
Below, left to right: Jerry Shannon, John Pokela, designer; Linda Wilson, co-chairman; and Dave Handy, co-chairman.
Delegates from seven Washington member colleges attended the Spring Convention of the Evergreen Conference Students' Association which opened April 26, on the University of Puget Sound Campus. Those participating came from Whitworth, Eastern, Western, Central, Pacific Lutheran, and Seattle Pacific.

Stu McKenzie, UPS Convention Chairman, Planned and co-ordinated all events and activities with the help of ECSA Vice-President, Larry Stenberg. The purpose of the convention was to expand ideas with student leaders of other campuses and to stimulate co-operation between member schools.

The delegates stayed at the Winthrop Hotel. They enjoyed such social functions as a crab feed and cruise, swimming, bowling, a campus movie, "North by Northwest," and the conference banquet.
ECSA OFFICERS, left to right, Stuart McKenzie—UPS, Convention Chairman; Ted Herrs—Whitworth, Acting Secretary; Larry Steinberg—UPS, Vice-President; and Bill Slemka—Whitworth, President.

CONFERENCE BANQUET
The traditional Spring Weekend began Friday, May 12, with a banquet in honor of visiting high school seniors. The coronation of 1961 May Queen Fran Macdonald preceded Songfest. The Phi Phis and Tri Delts tied for first place in the women's contest, and Todd Hall, a new entry into Songfest, topped Sigma Nu for first in the men's division. All of the competing groups wore colorful costumes. Spring Carnival climaxed the activities with many interesting carnival booths, games, the frog jumping contest, pie eating contest, and food for everyone.

ASB President, Tom Jobe, escorts May Queen Fran Macdonald.

MAY QUEEN CANDIDATES AND ATTENDANTS, front row left to right: Chuck Comeau, Senior Class President; Lorna Regoli, Alpha Phi; Sam Laisser, ASB 1st Vice-President; Alfa Dyer, Independent; John Pokela, former ASB 1st Vice-President; Sara Peck, Chi Omega; Diane Wutten, Gamma Phi Beta; Dave Wolf, ASB 2nd Vice-President; Diana McDonald, Pi Beta Phi; and Gordon Golub. Back row: Alan Davenport, Sophomore Class President and Freshman Class Attendant, Alice Bergland, Senior Class President, Larry Hiattower and Junior Class Attendant, Sandy Arnold; Ben Scott, Sophomore Class Attendant and Dave Handy, Junior Class President.

Ray Conniff Concert

On May 18, the senior class, led by President Chuck Comeau sponsored the Ray Conniff Orchestra and Chorus in the fieldhouse. The proceeds from the two hour production entitled "Concert in Stereo" were given, by the class of 1961, as a gift to the university to be used to establish a perpetual scholarship fund.

A complete $30,000 stereophonic sound system was installed in the fieldhouse. The audience experienced the sensation of being placed in the middle of the orchestra and chorus because of the stereo equipment which utilized 12 microphones with separate amplifiers and speakers. Unusual lighting effects also added to the presentation.

left to right: Senior Class President Chuck Comeau, Carole Hibbard, Ray Conniff, Claudia Cole, Bob Chainard, Lillian Holert Dave Schneebeck.
Chopper's Barge

At 5:10 p.m., May 13, the Chopper's 86 ton Paul Bunyan "bed" left Point Defiance Park in hopes of reaching Seattle—a long 32 miles away. The Choppers boarded ship clad in pajamas. They received a gay send-off from over 400 optimistic town people and students. The 60 foot barge, complete with 16 foot pillow and manned by 49 tired rowers, reached Seattle at 2:15 p.m. the next day. This energetic stunt put an end to the bed pushing craze and gained national publicity for spring carnival.

Commencement Ball

Johnny Rietz Orchestra's "Music in Technicolor" at the Commencement Ball closed the academic year. Co-chairmen for the dance were Anne Ramsey and Jim Sherman. The dance held in the Student Center featured special black-lighting effects. The orchestra's costumes and instruments were specially treated so that they would glow under the special light.
Jack Higgins is probably one of the fastest men alive. He is the holder of the Evergreen Conference records for both the 100 and 220 yard dashes. He has set many records, including the Canadian National record of 9.5 seconds for the 100 yard dash. This year he finished third at the Fresno Relays Invitational Meet, where the first three finishers ran the 100 in 9.4. He was invited to compete in the Olympic tryouts last year and he finished sixth in the NCAA track meet that year. He also placed third in the NAIA Meet.

Baseball
Handicapped by rainy weather and lack of depth on the pitching mound, the Loggers nevertheless turned in a commendable baseball season, finishing second in the Western Division Evergreen Conference to league champion Western Washington and winning the city collegiate title by taking three out of four games from Pacific Lutheran University.

Jerry Hoxsey, a righthander, and Mike Donahue, a left-hander, received most of the pitching assignments from coach Wally Erwin, but Gene Bronk, Tom Rowland and Jerry Thacker also found themselves throwing on occasion.

The infield was composed of Donahue at first, Rowland at second, Thacker at shortstop, and Ron Kero at third base. Dave Smith and Rich Thoreen also saw some action.

In the outer gardens, Chris Cherbas, Larry Hosley, John Ratko, Dave Ratko, Jim Alban, and Al Wordeș were the flychasers.

Larry Green and Gary Gregg, the team's leading hitter and only representative on the Evergreen Conference all-star team did the catching.

The Loggers had a stretch of three-and-a-half weeks without playing because of rainy weather, but crowded most of their games into the last week of the season which put a strong burden on the pitching staff. The Puget Sound team finished 4-4 in league play and ended the season with a 7-9 record.
The 1961 edition of the UPS track team was unable to live up to its full potential because of the poor track weather during the pre-season training and the unavailability of a home track. Lack of depth on the team contributed to the weak showing in dual and triangular meets, but individual stars were able to perform well in the league and district NAIA track meets.

Jack Higgins ran a 9.4 second 100 yard dash during the season. He set several records, including the Canadian National record, and represented UPS in the national NAIA track meet, placing third. Hurdler, Ron Cultum, was also outstanding in his specialty, earning second and third places in both the conference and district NAIA meets and contributing well throughout the season.

With the completion of the new track the prospects for next year look good with Cultum and possibly Higgins returning next year with an outstanding freshman distance runner, Mark Adams; and sprinter Steve Davison as a starting nucleus.
Under the coaching of Dave Jennings, the only returning letterman, the Varsity Tennis Team experienced an unusual season. Although they were not able to attain championship honors, the collegiates showed themselves to have ability and spirit to win.

During the Evergreen Conference Matches, racqueeters Gordon Trunkey, Rich Lothian, John Sharp, and Kenneth Knappe played in the quarter-finals. Dave Jennings served his way into the semi-finals.

The University of Puget Sound can expect great things from Gordon Trunkey, Rich Lothian, John Sharp, Kenneth Knappe and Chauncey Wilson next year.
Silver Seals

“Disneyland” was the theme of the Silver Seals’ third annual water-show held in the Hugh Wallace Memorial Pool at 8 p.m. April 14 and 15.

The show was in four parts which included: Adventureland, Frontierland, Fantasyland, and Tomorrowland. The UPS Logger swim team assisted in Adventureland and in Frontierland where they square danced with the Silver Seals. The caterpillar from Alice in Wonderland was portrayed in Fantasyland, and a space effect was created when the Silver Seals formed a rocketship in Tomorrowland.

The show was under the direction of vice-president, Karen Walker. Other officers for the year included: Anne Ramsey, president, Mary Algeo, secretary, and Bobbie Coyle, treasurer.

WOMEN'S INTRAMURAL BOWLING

Friday afternoons at the Sixth Avenue Lanes was the scene of the bowling tournament this year. Five teams consisting of four girls participated. The results of the tournament manifested a victorious Independent team as trophy winners with the Pi Phis and the Chi Omegas tied for second.
Choral Readers

"He Who Must Die"

The story which was presented on March 10 and 19, concerned a Greek village under Turkish domination and how the lives of the villagers were changed by the roles they played in the Drama of the Passion of Christ.

Thirty students took part in the concert with Ed Hoit as Agha; Joe Mathews, Priest Gregory; Stu Higeth, the Archon; Charles Comeau, Manolias; Carl Fitzpatrick, Yannakas; Vernon Bouton, Kostandis; Dan Buchanan, Mickelis; Bill Masses, Panaytaros; Jack Rummel, Priest Fatis; and Claudia Carr as Katrina.

Adelphian Home Concert

Completing another successful year on tour, the Adelphians gave their home concert April 7 at the First Methodist Church. Attended by a capacity crowd the choir gave what was considered by many as the best concert of the year. Touru Karatsu, tenor, was soloist.
As one of the Artists and Lecture Series programs, the Tacoma Concert Ballet Group presented an evening of classical dancing. The group was directed by Jan Collum.

Faculty Coffee Hour
"Human Nature and Political Systems" was the theme of Dr. Hadley Cantril in the eighth annual series of Brown and Haley Lectures held on April 11, 12, 13 this year. Dr. Cantril is the Chairman of the Board and Senior Counselor on the Institute for International Social Research at Princeton, New Jersey.

Dr. Cantril discussed political systems in the world today stressing the differences involved by human aspirations, hopes, and fears. His lecture titles were: "Some Political Consequences of Being Human, the necessity of political systems and why certain ones are more prevalent than others; "The Quality of Political Awareness," the necessity for understanding political systems; and "Pressures and Possibilities," an analysis of present world tension and possible future solutions.

Dr. Cantril has written many books, including The Psychology of Social Movements, Understanding Man's Social Behavior, and The Why of Man's Experience.
Jean Anouilh's adaptation of "Antigone" was presented April 21 and 22 in Jones Hall Auditorium. The Greek drama was produced in a semi-modern setting with contemporary dress. Those playing the major roles were Claudia Carr, Antigone; Joe Matthews, Creon; Lorna Royall, Ismene; Jack Rummel, Haemon; and Judy Cordsen, Nurse.
The Memorial Field House was the scene of the Seventy-third Annual Commencement Day Exercises on Sunday, June 4. Over two hundred twenty seniors received bachelors degrees in their respective fields.

The organ prelude and processional was played by Mrs. Alma Oncley, Assistant Professor of Organ and Theory. The Reverend Lynn H. Corson led the audience in the invocation. Dr. Bruce Rodgers, Professor and Director of the School of Music directed the Adelphian Concert Choir in two anthems, “Alleluia! We sing with joy” by Handl and “Give thanks unto the Lord” by Mechem.

Bishop of the Seattle Area Methodist Church, Everett W. Palmer delivered the commencement address: “The Marks of an Educated Man.” Candidates were presented for their degrees, and AFROTC Caders, Charles Pyle, Dave Schneebeck, and Lewis Smith were commissioned as Second Lieutenants in the U. S. Air Force Reserve. Contralto, Carolyn Cross, a senior music student sang a solo “Remember.” Following her solo, the Alma Mater was sung and the Benediction was given by Reverend Corson.

A reception honoring the graduates and their parents was held at the President’s residence following the exercises.

Bishop Everett W. Palmer receiving Doctor of Sacred Theology degree.
Graduation

Doctor of Divinity degree being conferred on Frank E. Brown.

Chemical Society

A varied schedule of activities filled the calendar of the American Chemical Society this past school year. Movies and informal talks comprised the noon meetings which were held in the chemistry lecture room and were aimed at interesting students.

The highlight of the year's activities was the annual regional convention of the organization which was held on the UPS campus. The chapter hosted students from the state of Washington including students from Pacific Lutheran University, the University of Washington, and St. Martin's College.

Unlike other organizations on the UPS campus, the French Club has no officers, standard meeting times, or bylaws; the club has as its only requirement for membership that the student be taking a French course at the time of his participation. The purpose of French Club is to provide an informal aid to further appreciation of French culture and literature.

The club's goals caused it to provide transportation for UPS students and faculty to the Molier comedy "L'ecole des Femmes" enacted by the Vieux-Colombier players at the University of Washington during the winter. At Christmas time, Miss Annabel Lee showed her slides of France at the club's party.

The highlight of the spring semester was the staging of the two French comedies "Rosalie" and "L'Anglais Tel Qu'on Le Parle;" students from intermediate French classes comprised the cast.
Chinook Club

A full program of winter sports and interesting meetings highlighted the University of Puget Sound's winter sports club, Chinook, during the year 1960-1961.

Meeting twice a month on Thursdays at 4:00 P.M., the organization presented speakers and slides on winter sports, films of ski events including the Winter Olympics, and an all-school fashion show featuring the latest ski clothes sponsored by the VIP Sport Shop in Villa Plaza.

Sailing Club

Four ice skating parties at the Lakewood Arena introduced many new students to the club and free transportation on chartered busses at club expense was provided. The skating parties were held after the campus movies on Friday nights. Several members offered instruction to novice skiers on the several ski trips the club sponsored to White Pass and Paradise.

February 22 was the date of the all-school Ski Day, an annual affair presented by Chinook. Intramural races for fraternity men and a "Powder Puff" derby for sorority women were included in the day. Sigma Chi captured first in the fraternity division and Delta Delta Delta "skied" off with the sorority win.

A member of NIYRA the sailing club has participated in five regattas this past year, including one sponsored by the UPS Club at Seattle Yacht Club. The club won three trophies at these events. Working to buy more boats for club use they worked on an excavation project to raise money. Winds prevailing, the club made use of seven boats in the Tacoma Industrial Water Way. Tom Falk served as president of the western association and helped the school learn better ways to handle boats, and team racing techniques.
A "select men's spirit group," Choppers completed its first year with membership made up of sophomores and upper classmen. Stunts and promotion of football and basketball games comprised the majority of the activities for the group. Choppers chartered busses for the games which were held at Pacific Lutheran University and painted signs for the student center advertising the games.

Capacity crowds at the football games and a "sellout" at the PLU home games, can be partially spoken for by this spirit organization. Other activities, according to Dave Purchase, president, included a stag party, and date affair late in the spring, and an all-athletic banquet which was attended by participants of varsity sports.
Associated Women Students

Organized to integrate all women students into college life and to encourage scholarship, service ideals, and cultural pursuits, the Associated Women Students does its part in school leadership. All women students are members and can participate in the Big and Little Sister Program, the Freshman-Faculty Tea, May Day Festival, and the May Banquet.

Judy Kelly Parker
President
This year the student model United Nations was held at the University of Oregon. The purpose of this is to provide an atmosphere in which the student can sense and explore the international forces of the world, and become a part of the United Nations.

Colleges and Universities on the west coast send delegates to the model United Nations and each institution represents a country of the world. The delegates try to present the philosophies and policies of the country. The UPS team represented the countries of Chili and Mali in this year's assembly.

Model United Nations

The Department of Air Science at the University of Puget Sound was authorized and officially organized on July 1, 1951. Its purpose is to select and train young college men as future leaders in the United States Air Force. The curriculum offered by this department is divided into two phases: basic and advanced courses. Students for the advanced course are chosen from among the highest-qualified students who have successfully completed the basic course or who have equivalent military training or service.

In addition to the regular Air Force Reserve Officers Training Corps class program, all interested ROTC students are given the opportunity to turn out for the drill team and the rifle team. The drill team participates in annual meets with several universities, and also takes an active part in civic events and parades such as the Tacoma Daffodil Parade and the Wenatchee Apple Blossom Festival.

Left: Basic Cadets inspect an F-104 at McChord Air Force Base, Washington.
The Home Economics Club consists of students majoring, minoring, or interested in Home Economics. We plan and carry out activities to promote the program of work of our college club and of the college clubs division of the Washington Home Economics Association as well as the objectives and work of the American Home Economics Association. Our goals include increasing our own knowledge, identifying our cultural interests, developing professional attitudes and abilities, understanding other peoples and increasing the public's idea of home economics.

Activities this year included a style show and tea for Freshmen Orientation, a symposium of professional speakers, an all campus Christmas Tea, an Oriental Christmas party, a world culture speaker, a trip to state convention in Spokane last April, and the annual Foreign Foods Fair.

The Occupational Therapy Club at the University of Puget Sound has been active in promoting student interest in occupational therapy since its formation in January 1945. The club serves as a common meeting place in which students can enjoy fellowship while working together to gain a greater knowledge of their prospective field. The students undertake community service projects such as planning and providing entertainment for a patient group at one of the local psychiatric hospitals. Outside speakers, discussion sessions, an annual picnic, and making Christmas cards highlight a year's activities in O.T. Club.

Seated, left to right: Judy Olin, Margie White, Jackie Munroe, Rochelle Shimitz, Kathy Wong, Pat Celorie, Darlan Syk. Standing: Mike Babcock, Nancy Newlove, Sue Jones, Myrtle Thornhill, Creta Lee; Ann Marfen, Martha Baker, Marion Merrick, Sara Newberg, Miss Louise Hansen, advisor, and Mrs. Elizabeth Waggoner, advisor.
Under the skillful direction of professor Richard Flowers, the 1960-61 UPS forensics squad experienced an active and successful year; the squad participated in the Pacific Lutheran University, Seattle Pacific College, Oregon State University, Western States Speech Association, Linfield College, University of Hawaii, and Occidental tournaments. The highlight of the year was the team's experience at the national Pi Kappa Delta convention at Oklahoma State University at Stillwater. Professor Flowers received many compliments on his achievements and abilities; the team received sweepstakes ratings of excellent in the women's division and good in the men's at the convention. For several members of the squad, the convention was their first experience at competing in the senior division.

UPS hosted the Tyro Debate Tournament in February, in which the University of Washington received the sweepstakes, and the High School Debate Tournament in March.

Members of the UPS Young Republicans' Club were busy last year as they helped with national, state, and local campaigns in various capacities. Throughout the year, the group was host to such guest speakers as Thor Tollefson, Pat Comfort, and Kim Comfort.

The group was organized in the fall and was led by Tom Barnard, first semester, and by Jim Powell, second semester. Mike Sanderson, Vice-President of the Pierce County Young Republicans, was very instrumental in starting this group.

Left to right, seated: Mr. David Jackson, Darlene Rowland, Dr. Harold Simonson, advisor, Muriel Raphael, Cherit Milos, Linda Wilson. Standing: Dr. Phillip Hager, Marlene Conrigan, Sally Jo Purchace, Betty Downing Carol Chapin, Elaine Klein, Janet Grimes, Morgia Ritchey, Joan Haber, George Jensen, and Dave Shaw.
Various speakers entertained the members of the Student National Education Association this past year under the guidance of advisor Mrs. Lee White and president Lorna Royall. Refreshments were always included in the meetings which were held once a month and dealt with the educational field from a professional view.

A true professional club, the University of Puget Sound association is the counterpart of the National Education Association and the Washington Education Association. Counselors from elementary and secondary schools illustrated this point as they told the members of the life of a educational counselor.

An American exchange teacher who taught in Germany spoke of foreign educational practices and one meeting was devoted to speakers from various local school districts who pointed out to prospective teachers the vocational opportunities in this field. Two of the highlights of the year were the fall and spring coffee hours held for these teachers who had UPS students teaching or observing in their classes.

On top of this schedule the association finds time to maintain a bulletin board across from the education office informing students of opportunities in this field.

Left to right: Annabel Lee, advisor, Jocelyn Abbott, Shirley Schreuteti, Lorna Royall, Jan Johnson, Danz Radereich, and Steve Schreuteti.
Seated, left to right: Betty Martin, Roberta Whinery, Bertrina Christian, Marilyn Mogenson, Katie Wagner, Carolyn Cross, Dick Dossett, and Carol Sandford.
Standing: Bill Friell, Judy Anderson, Neil Oldridge, Dave Lukens, and Dr. Bruce Rogers, director.

Madrigals

Appearing in seven concerts and on KTNT-TV each year, the University Madrigal Singers were formed in 1952 by their present director, Dr. Bruce Rodgers. Sixteenth and seventeenth century works along with seasonal compositions for their annual Christmas appearances comprise the music from which the group draws its concert numbers. Its membership consists of twelve singers drawn from the Adelphian Concert Choir.

Recently at Christmas, the University Madrigal Singers appeared in Victoria, British Columbia aboard the yacht, Thea Foss, before an estimated 10,000 persons gathered on the causeway in front of the Parliament Buildings. The performance was also carried by the Canadian Broadcasting Corporation's television facilities.
The forty-two members of the Adelphian Concert Choir of the University of Puget Sound have performed in twenty-seven concerts and three recording sessions during the school year 1960-61. Various Methodist church organizations and high schools in Washington, Northern Idaho, and Montana sponsored the Adelphians in their tour this season.

The Adelphian Concert Choir was formed in 1932 and at the outset began a series of annual concert tours throughout the western half of the United States—the tour just ended marks their twenty-ninth season.

Singing a varied program of sea chanties, sacred music and folk songs from many countries, the Adelphians received critical acclaim throughout the long tour which covered some 2700 miles and fifteen days. Always included in each program are arrangements by Dr. Rodgers which are now being published by Lawson-Gould Music Publishers, New York City so that other choirs may share some of the music done by the Adelphians.

Their latest recording, “Mid the Fir Trees,” is the third to appear on the RCA-Victor label. A fourth recording will be released in the fall.
Choral Society

The Mozart Coronation Mass, Dona Nobis Pacem, and, with church choir members, the Messiah were the major concert works performed by the Choral Society this past year. Dr. Charles Fisher, who has directed the group since 1956, reports that membership at the Winter Concert in March was 130 persons. The Tacoma Choral Society was formed in January, 1951, under the leadership of Dr. Bruce Rodgers, who met with a group of interested Tacoma singers to organize a large chorus which would perform major choral works. That spring the group, made up of both students and townspeople sang their first concert, a performance with orchestra of the Mozart Requiem.

Concert Band

"School spirit" and serious concert music describe the musical activities of the UPS Band conducted by Raymond L. Wheeler and assisted by student conductors William Wohlmacher and Kenneth Wiley. Highlighting the football season was the half-time show presented during the homecoming game by the combined UPS and Eastern Washington College of Education bands and the UPS "German" band.

The special band trophy award was presented during the April concert to Kenneth Wiley.
Sponsored by the University of Puget Sound, the UPS-Tacoma Symphony Orchestra presents four concerts a year plus the annual "Messiah" concert. Amateur musicians and those of professional caliber from the city of Tacoma as well as students from the school of Music make up the membership of the group. Total membership numbers approximately 65 musicians.
INDEPENDENT STUDENT ASSOCIATION

Indee of the Year:

JUDY SCHOEFFLER

Indees of the Month

September: Roy Walworth
October: Linda Pitman
November: Donna Wilson
December: Judy Schoeffler
January: Carl Fitzpatrick
February: Darlene Cooper
March: Linda Pitman
April: Elmer Bigham
May: Ken Countryman
Offering a complete program of activities for the student who is not affiliated with a fraternity or sorority, the Independent Student Association has proved to be one of the socially prominent groups on the UPS campus. Each month, the organization sponsors a social function and selects an "Indee of the Month."

The Independent picnic, which was held in September, started the fall's activities; this was followed by the all-school Sadie Hawkins Dance, sponsored by the association. Halloween and "Harvest Time" firesides kept the group in time with the events of the season; at Christmas time, ISA sponsored a time of caroling and a party with a Santa Claus, played by Gerry Van Noy.

Carl Fitzpatrick and Darlene Cooper were the King and Queen of Hearts at the annual Valentine fireside which was titled "Hearts in Syncopation," and prepared the way for spring activities.

The spring formal "Tradewinds" was held at the Top of the Ocean April 14th.
Tenzler Hall

Built in 1959, Tenzler Hall is occupied by members of the two sororities with the high grades, independent Spurs, and senior women. President Lorna Royall reports that this combination lends itself easily to interesting dorm meetings and activities, complete with refreshments.

Activities included staging a birthday party for the dorm mother and participating in “Christmas-Around-Campus.” The dorm was decorated for both Homecoming and Christmas with secret sisters chosen for the week before Christmas vacation; this was climaxed by the Christmas party when the secret sisters were revealed.

The dorm, under the auspices of mortar board, hosted Dr. and Mrs. Wagner. The UPS novelists and English professors spoke to the group. The highlight of the year was the all school Thanksgiving tea for the students and faculty. The tea was successful despite snow reports proxy Lorna Royall.
Harrington Hall

The only dorm to stage a spring picnic, Harrington Hall houses members of Delta Delta Delta and Pi Beta Phi sororities and independent women. Fall activities included a Christmas party and group participation in "Christmas Around Campus;" April 26 was the date of the spring picnic.

Left to right: Jori Hughes, Sara Newberg, Carmen Bradshaw, Sandy Shimitz, Fran Carlson, Barb Beals.

Anderson--Langdon Hall

The largest dormitory at the University of Puget Sound, the combined Anderson and Langdon Halls, under the leadership of Carmen Bradshaw and Eileen Neuhart, experienced an active year.

Open house was held during Homecoming with refreshments being served in the lounge; the Christmas activities were topped off by a Christmas Carol serenade. December 10th was the date for the annual Christmas party with refreshments and a prize for the girl who had the most original decoration on the door of her room.

The highlight of the spring activities was the valentine's dinner. Evening devotions were held throughout the year to provide spiritual strength for the residents of the combined halls.

Left to right: Pat Handley, Barrie Anderson, Jan Reeder, and Morgia Ritchey.

Left to right: Sandy Proudfoot, Fran Carlson, Eileen Neuhart, Elaine Hazelton, and Anne Clancy.

Left to right: Jori Hughes, Sara Newberg, Carmen Bradshaw, Sandy Shimitz, Fran Carlson, Barb Beals.
Ten girls unpacked their bags last fall in the White House, an off-campus college house for girls. The beautifully landscaped house is south of campus and a short walk from the Student Center. Under the direction of Pat O’Neil, head dorm resident, the girls share the responsibilities of household chores and maintaining study hours.

Due to the crowded living conditions on campus, several senior women were chosen to live in a self-governing dormitory off-campus. These women were under dorm regulations but rules were enforced on an honor basis.

The social function put on cooperatively by all the women was an open house in the fall. Guests were shown through the newly decorated rooms.
Todd Hall

Left to right: Bob Ingalls, Larry Stenberg, and Jack Ingalls.

New Hall

Left to right: Bill Parker, Alex Bennett, Mrs. Pryce Daerfeldt, Larry Hightower and Terry Sumner.

Groundbreaking ceremonies for five new buildings which will house the men of five fraternities were held April 5. The architect's sketch (above) of the new houses to be built on the block bounded by Union Avenue, North 13th and 14th Streets, is shown looking south on Union Avenue. From the left, the houses are those of Kappa Sigma, Sigma Nu, Sigma Alpha Epsilon, Phi Delta Theta (in the background) and Sigma Chi. Silas Nelsen is the coordinating architect for the project. Turning the first spadeful of earth were (left), Richard Dale Smith, Dean of Students; Jack Rummel, Inter-Fraternity Council President; William W. Kilworth, Chairman of the Board of Trustees; Dr. R. Franklin Thompson, President of the University; and Richard K. Wasson, Chairman of the Board of Trustees' Building Committee.

Alpha Kappa Psi

Alpha Kappa Psi, the first professional business fraternity in the United States, was founded at New York University on October 5, 1904. Epsilon Nu Chapter at the University of Puget Sound was organized in 1951 as the Commerce Club. The group received its charter from the national fraternity in the spring of 1959. The objects of the fraternity are to "further the individual welfare of its members; to foster scientific research in the fields of commerce, accounts, and finance to educate the public to appreciate and demand higher ideals therein; and to promote and advance in institutions of college rank courses leading to degrees in business administration." Outstanding people of the business world are invited to speak to the fraternity which limits its members to students majoring in Economics or Business Administration.

John Rummel
President

President John Rummel awards the fraternity's second highest award, the Silver Distinguished Service Award to Dr. Charles T. Battin.

OFFICERS AT THE SPRING BANQUET, left to right: Harold Brunstad, Ben Zderic, Charles Comeau, Dr. Battin, John Rummel, Mike Plenkovich, and Vern Bouton.

The National Fraternity Scholarship Key was awarded to Vernon Bouton.
Mu Sigma Delta

An invitation to join Mu Sigma Delta is one of the greatest honors available to students at the University of Puget Sound. Students are chosen from the upper ten percent of the senior class. Application has been made for the fraternity to affiliate with the national Phi Beta Kappa scholastic honorary.

Mortar Board

Mortar Board is a national organization for senior women who have had outstanding college careers. Just two years ago, Othla, established on the University of Puget Sound Campus in 1922 as a senior women's scholastic honorary, received its charter to signify it as a member of the national organization. Membership in the group is based upon high scholarship, service, and leadership to the University. The candidates are chosen by the faculty, and, as a membership, they function as a service organization.
Arnold Air Society

Arnold Air Society is a national honorary of the Air Force Reserve Officers Training Corp. The society is named for General Harold "Hap" Arnold, Commander of the Army Air Corps during World War II. The main purpose of the society is to promote airpower in the Aerospace Age on the campus and in the surrounding community. Each year the Arnold Air Society sponsors the Military Ball and has a spring dinner at McChord Air Force Base, Washington. For the past two years the University of Puget Sound Ralph Brown Squadron has won the Northwestern Area Award for the outstanding squadron.

Coed Colonel Linda Eyerly awards outstanding squadron pennant to Dirk Jameson's squadron.

Seated, left to right: Lorna Affenhag, Linda Moore, Dr. Gordon Alcorn, advisor, Judy Johnson, Anne Keith, Elizabeth Ruhie, and Vauette Chenault. Standing: Horie Jensen, Virginia Sherrill, Fred Durl, Maryanne Underwood, Jack Rummel, Jim Sherman, Dr. James Slater, Gretchen Hau, Darla Berry, and Claudia Hutton.

Pi Phi Nu

Pi Phi Nu is the home economics honorary.

Left to right: Mrs. Margaret Latimer, Kris Hotel, Alta Oyer, Diana Countryman, Mrs. Jearle Brown, advisor.

Pi Kappa Delta

Pi Kappa Delta, the largest national forensic honorary, has a chapter on the University of Puget Sound campus for those who have distinguished themselves in forensics. UPS was represented by seven members at the Pi Kappa Delta National Debate Tournament and Convention in Stillwater, Oklahoma. Jerry Sherrard won a Superior rating in Men's Oratory, and Elaine Klein won Excellent ratings in Women's Discussion and Women's Extemporaneous Speaking. The team returned from this tournament with Excellent Women's Sweepstakes and Good Men's Sweepstakes ratings.

Phi Sigma

To investigate all aspects of biology, especially in the field of research, is the purpose of Phi Sigma, the national biology honorary. Alpha Phi Chapter of Phi Sigma was founded at the University of Puget Sound in 1948 as the Biology Club. Members are chosen for evidence of scholastic ability.
Sigma Alpha Iota

"To further American music in the school, the community, and the world," is the purpose of Sigma Alpha Iota, the national women's music honorary. The University of Puget Sound chapter, founded in 1948 by Clara Nygaard Johnson, is one of over a hundred chapters throughout the nation. Women music majors and minors are selected for membership on the recommendation of the major professor or the head of the School of Music. Activities of the group on this campus include ushering for recitals and concerts, and co-sponsoring the Songfest along with Phi Mu Alpha Sinfonia, the men's music honorary, that is held each year during Spring Weekend.

Phi Mu Alpha Sinfonia

Phi Mu Alpha Sinfonia is the national men's music honorary. The UPS chapter of Phi Mu Alpha, along with the women's honorary, Sigma Alpha Iota, along with the women's honorary, Sigma Alpha Iota, sponsor one of the biggest events of the year on campus – Songfest.
Since its organization in 1926, the University of Puget Sound chapter of Spurs, a national sophomore women's honorary, has been serving the campus in many ways. Always available to work for school functions, the Spurs' more specific duties include ushering, helping with registration, and taking tickets at convocation.

Girls are chosen for membership on the basis of interest and participation in school activities, dependability, sense of honor, unselfishness, sense of democracy and a grade point average of 2.5 or better. Miss Martha Pearl "Teach" Jones has been the Advisor of Spurs on this campus since its founding.
Intercollegiate Knights

To serve the university in the ways expressed by their motto, "Service, Sacrifice, Loyalty," is the purpose of the UPS chapter of Intercollegiate Knights. This sophomore men’s honorary tap outstanding freshmen with over a 2.25 grade point for membership. Intercollegiate Knights was organized at the University of Washington in 1919 and now has more than forty chapters throughout the Western United States. Major activities of the Knights include publishing the Log Book and handling convocation tickets. For the third consecutive year the chapter chose a queen. She was Miss Karen Sell of Delta Delta Delta Sorority. Warren Hanson was Duke of Knights and Alan Schlank served as Region 1 Viceroy.

"Every Methodist woman in the world today, a leader in the church tomorrow," is the motto and aim of Kappa Phi. This national organization is open to all women of Methodist membership or preference, and seeks to unite women in friendship and in a search for the highest spiritual values.

The annual Rose Tea, which was attended by prospective pledges, was held October 16, at Dr. Thompson's home. Highlights of the year were a service project that consisted of making Thanksgiving table favors for patients at Western State Hospital; a joint meeting with the University of Washington chapter; a candle-lighting service before Christmas and a retreat, shown in the pictures at the bottom of the page, at Camp Seymour in February. The year ended with the Senior Banquet, "We Look Ahead," held May 21.
Initiating and coordinating all interdenominational activities is the function of the Student Christian Council. The group, consisting of representatives from all dorms, social and denominational groups on campus met every Monday afternoon. Four seminars were sponsored by the council during the year. The speakers at the seminars consisted of a Calvinist Theologist, a missionary from Bolivia, a young man from Senegal, and Bishop Bayne. Other activities included: the Thanksgiving Union Service, a Christmas party at Dr. Thompson's home, a prayer retreat at Hick's Lake, Religious Emphasis Week, and the World University Service Banquet.
Methodist Student Movement

The major goals of Methodist Student Movement are these: to raise questions about our actions and beliefs so as to develop a strong and valid faith; to be aware of challenges facing mankind and his very existence; to be aware, and to absorb any validities in the Christian faith. Sessions this year started as self-probing discussions, and then worked into a study of other religions. Later in the year discussions were held considering challenges, such as Communism, and facing the deeper Christian. Unique, also, was a cultural exchange with Aoyama Gakuin College in Japan. Such things as letters, tapes, records, newspapers, and student literature were traded.

Lutheran Student Association

The Lutheran Student Association met informally several times a month at noon. The organization provides fellowship for Lutheran students. Topics discussed at the meetings were on the national theme for the year—"The Life and Mission of the Church in Higher Education." Two retreats and a workshop were held with chapters from other colleges and universities in the Pacific Northwest region during the year.
In Memoriam

PHILLIP MORGAN OKE

Phil Oke will be remembered by all who knew him as an example of physical fitness, both on and off the playing field; signifying the highest competitive spirit in all aspects of his life. For those who knew him there are no words to express how we felt about him— for those who did not have this privilege, words would only be inadequate.

Phillip Morgan Oke, 22, was born in Spokane, Washington and had lived in Tacoma three years before moving to Seattle. He was a member of Acacia Fraternity. While attending the University of Puget Sound, he played on the varsity football, golf, and baseball teams, and was co-captain of the varsity swim team.
Winged Victory of Samothrace
College Hymn

Mid the fir trees' pointed splendor,
'Neath the mountain's crest,
Proudly stands our Alma Mater,
Symbol of the best.
College of our western border.
Time and tide may fail,
But our hearts shall love thee ever
Puget Sound, all hail!

Planned forests replace wild trees on Weyerhaeuser lands...

New trees constantly follow the old on Weyerhaeuser tree farms as virgin timber is harvested to supply today’s needs for forest products. This is part of a plan designed to provide wood for the nation in an uninterrupted flow, forever.

The plan is a concept known as sustained yield forestry. It demands that our annual harvests of old-growth be restricted now to a volume approximately equal to the amount of new wood we grow each year. This will insure a relatively uniform supply of raw material until a perpetual cutting cycle of new timber crops is established.

Ultimately our forests will consist of second-growth trees in all age classes. Each year a new crop will reach usable size, sustaining an endless cycle of harvest and reforestation. Kept busy at its natural task of growing trees, the land will provide wood, water, wildlife, recreation, payrolls and other benefits for centuries to come.

Need money to finish college?

If your education is in danger of curtailment because of lack of finances, investigate the Puget Sound National Bank's COLLEGE ASSURED PLAN. Ask for details at the Bursar's Office... or at any branch office of the Puget Sound National Bank.

College Assured Plan

Through the College Assured Plan, you may arrange for low cost financing to help you continue your education. All, or part of your expenses may be met through this plan, and repayments may be spread over as long as six years. The Bursar's Office at UPS has consented to cooperate in bringing this student loan plan to you.
