EDITOR—R. Lowell Magoon
ASSISTANT EDITOR—Vivienne Johnson
BUSINESS MANAGER—Jon Peterson
When an Indian youth
was ready to enter manhood . . .
He went into the woods alone-
away from the busy life . . .
After days alone, thinking and praying,
he saw a symbol . . .
That symbol became his Tamanawas
-a link between himself and
The spirit world.
DEDICATION

Not often does a University have on its faculty a man recognized as a scholar in several fields. A man whose disciplines are so broad, yet each so intense, that all of his colleagues regard him with profound respect. Such a man is Dr. John B. Magee, Professor of Religion and Philosophy at the University of Puget Sound.

Dr. Magee’s academic credentials are the Bachelor of Arts degree in Literature from the University of Washington, the Bachelor of Sacred Theology degree from Boston University, and the Doctor of Philosophy in Sociology degree from Harvard University.

Students at the University of Puget Sound consider the privilege great to study beneath Dr. Magee. Because of his efforts with the honors program and his own patient teaching and guidance, the academic standards of the University have been raised. His classes clearly illustrate his love and accomplishments in the fields of religion, esthetics, art, poetry, natural science, music, and, of course, philosophy. As a Methodist clergyman, Dr. Magee is nationally recognized for his brilliant work in the devotional life through his latest book, *Reality in Prayer.*

We dedicate this record of the year 1961-1962 at the University of Puget Sound to you, Dr. John B. Magee. It was made a greater year because you were here. You have touched the lives of your students and made them more dedicated scholars and better persons. We are thankful that you have given yourself to teaching the way of understanding and brotherhood to provide a more knowledgeable path for mankind.

Dr. John B. Magee

LEADERSHIP
R. FRANKLIN THOMPSON, A.M., B.D., Ph.D., LL.D., L.H.D.
President of the University of Puget Sound
Nebraska Wesleyan University, Drew University, American University, Delaplaine-McDaniel Fellow at Mansfield College, Oxford University of Basel, and University of Zurich.
It is always a great privilege to greet the students and friends of the University of Puget Sound through the Tamanaus.

The Tamanaus has been the history of the University of Puget Sound for nearly 75 years. Its pages contain pictures of the friends you have made while at the University and the activities of which you are so very much a part. In it you see the faculty whom you have had in classes and whom you hold in high regard and esteem. It contains the other campus events which go to make college years the most memorable time in one's life. As the years go by, your Tamanaus will become more precious because the memories will be even more meaningful.

For each student, the trustees, administration, and faculty wish the very best for his career all through life. The University of Puget Sound gives each student an opportunity for real scholarship, intellectual daring and enthusiasm for learning, which result in an enriched life.

This book, then, becomes the written and pictorial history of the four years you will spend at the University of Puget Sound, and, as such, it carries with it a message dedicated to learning, good government, and the Christian religion.

We wish for each and every one of you the very best that life can offer.

Very sincerely yours,

President

Dr. Harold P. Simonson, the editor of two college textbooks, Cross Currents and Trio and the author of a recently published biography of Zona Gale, is a graduate of the University of Puget Sound. He is married to the daughter of Presbyterian missionaries in China and is the father of three children. He received his Master of Arts degree in English from Northwestern University. He has taught high school English; taught in Greece on a Fulbright Scholarship; and studied at the University of Edinburgh. He now holds a Ph.D. from Northwestern and has been teaching at the University of Puget Sound since 1955. He is now Chairman of the Department of English.

Government
The image and role of student government during the academic year of 1961-62 made several successful strides forward. These steps for the most part were made possible by an increase of over $10,000 in the Associated Student Body budget. Many long-awaited changes and needs were fulfilled by this increase that provided for new areas of development such as, the Associated Student Body pep band, the new student handbook, The Logger Ledger; new equipment for the Rec-Room in the Student Center and an expanded program area for the Associated Women Students.

The era of the “green beanie” and Frosh Stunts made their final debut in 1961. The Freshman orientation program this year entered a new era, an era we felt was a realistic and positive approach to college life. The All-School Talent Night at the end of orientation week was the first of a series of successful programs presented by the Associated Student Body. Homecoming, “Christmas Around the Campus,” Spring Weekend, and the Adelphian Concert Choir’s tour of the British Isles completed the year and again added to the atmosphere which we feel is unique at the University of Puget Sound.

It was an honor to serve the University as student body president. My executive officers—Sam Lassiter, Dave Wolf and Sue Clarke—were of invaluable assistance to me during the year and I thank you for selecting these three outstanding students to serve with me as your Associated Student Body officers.

The year has been rewarding for me in every way and has developed into a memory I will always cherish.

Sincerely,

Tom Jobe
ASB President
Central Board

In the Preamble of the Constitution of the University of Puget Sound Associated Student Body, one reads: "We, the students of the University of Puget Sound, to provide an organization for promotion and control of student activities and to encourage student cooperation with the university administration and faculty in maintaining the standards of the university, adopt the following constitution." The governing body under the constitution is called Central Board. It is composed of four executive officers, a general manager, and eight departmental councils. The members of the board are elected by the Associated Student Body, with representatives from the College, Inter-Fraternity Council, and Independent Students, plus the departmental representatives. The board is responsible for the promotion, organization, and control of activities in government and for the general welfare of the students.
Finance Committee's responsibility is to supervise the Associated Student Body funds and budgeting. The committee is an integral facet of UPS's student organization, having been in existence as long as the present constitution and student body. The committee consists of the four executive ASB officers, the ASB general manager, and a representative from the Bursar's office. All financial policies, and proposals for spending ASB funds are cleared through this committee before being presented to Central Board.
Student Affairs Committee

Duties of the Student Affairs Committee are concerned with all UPS social matters. Dave Wolf, ASB 2nd Vice-President, served as chairman. It was his duty as chairman to put out a social calendar listing the year's activities and to hold weekly meetings to check on social forms. Other members of the committee were Elmer Bigham, President of Independents; Marian Graham, Panhellenic Representative; and Mrs. Curran, Director of Women's Affairs.

Judiciary Committee

Judiciary Committee filled its obligations this year by presenting recommendations to Central Board for changes in the ASB Constitution. These recommendations were discussed in Central Board meeting and then voted on by the student body. Tom Crum served as chairman of the committee. As chairman, he sat on Central Board to answer questions of the constitutionality of legislation passed by the Board.

GEORGENE G. WYNKOOP — Tacoma, Washington; B.A. in Art and Business Administration; *Cross Currents*; Independents; Silver Seals; Most Promising Freshman Artist; Chi Omega Alumni Scholarship.
Artists and Lecture

A varied program of artists and lecturers was presented by the Artists and Lecture Committee for the 1961-1962 academic year. Bob Sticklin served as student chairman for the year. The appearance of the Lenox String Quartet served to highlight the season.

Campus Film Review

Most of the movies presented by the Campus Film Review Committee were well attended this year. The films were paid for by student donations. Mike Newman and Helen Stephenson served as Co-Chairmen for the Committee. They helped to select the many entertaining and educational films shown throughout the year.
Publications Committee

It is the duty of publications committee to regulate the policies pertaining to the Associated Student Body publications. Members of the committee are: the ASB 1st Vice-President, who serves as chairman; the faculty advisor; and the editors of the Trail, Tamanawas and Cross-Currents. The committee offers aid and advice to the editors of the publications, and directs the publication of the Logger Ledger.

Cross Currents

Published for the third time this year, the student literary magazine, Cross-Currents, again proved to be very successful. Terry Brooks served as editor, while Marilyn Rapp helped with the publication in the capacity of associate editor. Edward R. Murrow contributed the introduction to the magazine. Students of the University provided the articles and poetry used in the publication.
Words and pictures graphically portray the varied activities of the university year. Thus the Tamanawas serves as a link between the student and the university world, as the symbol that the Indian youth saw became a link between him and the spirit world.

The plans and preparation for the 1962 issue of the Tamanawas were begun in the Summer of 1961. The editor, Lowell Magoon, designed the cover, most of the layouts, chose colors and wrote much of the copy. Assistant Editor, Vivienne Johnson, assisted by choosing colors, organizing, and by editing copy. Linda Wilson scheduled most of the photographs and was the editor of the Organizations section. Jon Peterson, who took over the job of Business Manager during the Spring Semester, did a good job of selling advertisements in spite of his late start. He was assisted by Karen Nelson. A three-year member of the staff, Joanne Peterson, did another fine job of editing the Senior section.

Vid Dekshenieks served as Sports Editor again this year. He has added to the interest and completeness of the

Tamanawas
Lowell, Magoon, Editor

Sports section. Klaus Wills and Karen Walker added to the variety of the Activity sections. The Honorary and Religious Life sections were edited by Fran Porter. Anne Jubitz and Vicki Peterson helped to choose pictures and to mark copy and pictures.

Much of the credit for the annual should go to Mr. Art Bachelor of the Camera Mart, who took all of the activity and group pictures. Mr. Robert J. Tresch did the three full-color illustrations of Dr. Thompson, the Varsity Show and of the new fraternity houses. He also did the end sheets. Nearly all of the photos in the Royalty section were done by Mr. Jess Snyder.

The Tamanawas was printed by the American Yearbook Company. Mr. Jim Palm of American Yearbook Company and S. K. Smith Cover Company assisted and guided the editors and staff.

This year's Tamanawas features more color than has ever been used in the history of Tamanawas. It is the third time that four-color photographs have appeared, except for an advertisement by the printers of the 1924 book.

Jon Peterson, Business Manager
Brent Knutson served as editor of the Puget Sound Trail, the official newspaper of the Associated Student Body of the University of Puget Sound. The paper maintained a schedule of weekly publication this year in place of the bi-weekly schedule used for the past two years.

Associate Editor was Eleanor Parker and Sally Greenwood was Managing Editor. Stan Farber wrote the sports columns again this year. Business Manager was Mike Fritz. Dace Macs served as Circulation Manager. Most of the photographs were taken by Bob Sepetoski, student photographer; or by Mr. Art Bachelor of the Camera Mart.
Fall Contents

- Nixon Visit
- Sister University
Freshman Registration

Long lines were proof that 2341 students registered in the fall. The traditional freshman green beanies had, to upper class dismay, faded into an occasional beige sailor hat.

All-Campus Mixer

To introduce the freshmen to UPS social life, the Women's Recreation Association sponsored a mixer which hosted all UPS students.
Talent Night

The freshman Blooper Show, under the direction of Karla Anderson and Jeff Smith, ended frosh orientation week. The show opened with the Mudflat Ramblers and their version of "When the Saints Go Marching In." They were accompanied by the audience with singing, foot stamping, and general noise making.

Master of Ceremonies, Jeff Smith, greeting the audience.

Tom Jobe, ASB President, and Sam Lassiter, ASB Vice-President, appeared as man and wife.
An annual event sponsored by Sigma Nu fraternity; the watermelon feed was again successful. The Student Body consumed 800 pounds of watermelon.

Sigma Chi fraternity sponsored the third annual Derby Day. Highlighting the day were the traditional athletic contests between the sororities. Pi Beta Phi won the Spirit Award and Delta Delta Delta sorority won the Derby Day trophy.
For an evening, UPS and the hills of Dogpatch became one. The traditional tolo was again presented by the Independent Students Association. Hundreds of couples danced to the music of Gary Gonter and the Starlighters.

Left to right: Lil' Abner John Pierce, Daisy Mae Nancy Werner, Margee Milne, and Marryin' Sam George Quigley.

Best Costumes: Jim Stevens and Lisette Shaw.

Co-Chairmen: Ken Gentili and Martha Watson.
Homecoming King Ben Sauer escorting Queen Linda Byerly.

UPSS President, Dr. R. Franklin Thompson, officially began Homecoming festivities with the coronation of Queen Linda Byerly and the presentation of King Ben Sauer. The dance on Saturday night carried out the theme of "Salute to Century 21."

The Go-Cart Race, with King’s Frosty Fowler participating, was a huge success. Alumni Director Bob Hunt and ASB President Tom Jobe won the event.

Greek Ball

The Winthrop Hotel was the scene of the annual Greek Ball, sponsored by Interfraternity Council and Panhellenic.
Fall Sports
Football

This year’s edition of the UPS football team, after suffering deep, personal, pre-season losses, went on to distinguish itself as a team of character and presented Coach John Heinrick with another winning season and the 201st victory of his coaching career.

At the outset of the season the Loggers avenged their one point defeat from the previous season by turning the tables on a heavily favored Willamette team by a 20-19 margin, and followed this victory by a 7-0 decision over Eastern College, at Cheney the following Saturday.

The next contest against Western, however, proved to be disastrous as the UPS footballers were held scoreless the
only time this season and lost by a score of 13-0. The losing streak continued and during consecutive weekends the Loggers were defeated by the powerful Whitworth team 29-7, tied the crosstown rival PLU club 13-13, and after leading throughout the contest, lost to the Evergreen Conference champions, the Central Wildcats, 33-21.

UPS returned to the winner's column as the season began drawing to a close and defeated Eastern again; this time by a close 12-7 margin, and followed it by traveling to Bellingham to defeat the Vikings of Western 14-6.

(Continued on page 85)
In the final game of the season, the Axemen established themselves as the city champs by crushing PLU 21-7 and returned the Totem Trophy to the UPS campus. The season was marked by outstanding individual performances as well as a genuine team effort. Halfback Harley Somers set a new NAIA record by returning a fumble 92 yards for a touchdown against the Whitworth Pirates. Quarterback Jerry Hoxsey almost (Continued on page 86)
(Continued from page 85) rewrote the Logger record book during his performance in the final game against PLU. Hoxsey set new records in passes attempted during the season (117), total offense in one game (239 yards vs. PLU), passing yardage in one game (190 yards vs. PLU), passing average per game (117 yards), and total offense for the season (1053). These performances were possible because of the team effort, which contributed with countless blocks and tackles and set a new record for passes intercepted during the season (14).
Several Logger footballers were honored by all-star selections at the end of the regulation season. Ed Tingstad, repeated as a first team selection on the Methodist College All-American poll, while Gary Dasso received a second team mention. Tackle, Ralph Ferguson, was selected on the first team, both offensively and defensively, in the Evergreen Conference selections as were co-captains Cal Cristoph and Gary Dasso at defensive end and offensive halfback positions, respectively. Co-captain Vid Dekshenieks was given an honorable mention at guard position on the Williamson Rating System Little All-American Poll.

Christmas Around Campus

Climaxing the 1961 Christmas season at UPS, the annual "Christmas Around the Campus" program was presented on December 18th. Co-chairmen for the event were Larry Hightower and Ginny Marr. The traditional candlelight procession and caroling of homes near the university was not held because of rain. Decorating of the Student Center was done by the freshman class under the leadership of their president, John Pierce. The Madrigal Singers, under the direction of Dr. Bruce Rodgers, sang Christmas carols.
Associated Women Students’ Tolo

"After Five" was the theme of the Associated Women Students’ Tolo held on March 3rd. Black and white provided the color scheme for the event. The dance was held in the South Dining Room of the Student Center. Mike Weber was crowned Tolo King at intermission. Planning the dance were general chairmen Sue Stone and Louise Wakeman; decorations, Diana Sorge; tickets, Lynette Kinderman; refreshments, Mary Ann Fletcher; king candidates, Mary Brown; and publicity, Betty Wohlmacher.

TOLO KING CANDIDATES—left to right: Jim Fera, Theta Chi; Tom Sadler, Sigma Alpha Epsilon; Harlan Patterson, Sigma Nu; Mike Lucas, Sigma Chi; Ed Aro, Kappa Sigma; John Marshall, Independents; Mike Brustkern, Beta Zeta Pi; and Mike Weber, Phi Delta Theta.

Sue Stone crowns AWS Tolo King Mike Weber.
Semester break was moving time for five fraternities at UPS, when a long-awaited dream became a reality. The five participating fraternities moved into their new homes in the new men’s group housing project. The new houses are a unique experience in group housing; a project like no other in the country. Each house was individually designed and has its own distinctive characteristics, but all five houses have joined together for cooperative cooking and food planning with a central underground kitchen.
Accommodations are much the same as those in the men's dormitories. However, each fraternity picked their own furniture and interior decorations. Desks and cabinets are mostly built-in.

The cost of living in the new houses is the same as dormitory students pay, however, this cost does not include fraternity dues.

The University has initiated a four-year open loan agreement with the government. Thus, the project can be expanded to include three more houses in a few years.

(A full color picture of the new men's group housing appears on page 122.)
Winter Sports
The 1961-1962 basketball season saw the University of Puget Sound Loggers rise to the pinnacle of ninth-best small-college team in the nation, as rated by the United Press-International in January, to the depths of third place in final Evergreen Conference standings and fourth position in the league tourney.

The Loggers won nine of their first ten games, compiling the best record in the Northwest. After that, they settled down to a 13-9 won-lost season. One of the highlights was the setting of a school scoring record as the Loggers trounced Lewis & Clark, District 2 NAIA champs and winners of the Northwest Conference title, 107-79. The UPS starters tallied 50 points and the reserves added 48. Four starters and three substitutes scored in double figures.

Another high spot was the Loggers' 86-79 win over Pacific Lutheran in December in the Parkland gym. This marked the first Logger win at PLU since 1954.

Bob Sprague, gigantic Logger sophomore who hefts 260 pounds on his six-foot, nine-inch frame, led Logger scorers and rebounders.

At the end of the season, Coach Wally Erwin (who had returned to UPS after the death of newly hired mentor George Palo in an automobile accident in September) retired and Russ Willkerson was appointed to succeed him.

INDEPENDENT TEAM—WOMEN'S VOLLEYBALL WINNERS—left to right: Dana Barrow, Kathy MacDonald, Rita Kunng, Pat Western, Nancy Jeanroy, and Joan Bamberger.
1961-1962 UPS SWIMMING LOGGERS—front row, left to right: Norm Clark, George Teats, Ron Jones, Jerry Williams, Gary Bishop, Brad Bacon. Second row, left to right: George Sickle, Bruce Barnes, Larry Wills, John Jewell, Gary Dyer. Third row, left to right: Dave Handy, Rick Perkins, Mike Eveleth, John Countryman, and Coach Don Duncan.

Swimming

Coach Don Duncan's swimmers experienced another excellent season while preserving a perfect Evergreen Conference dual meet record of 23 straight wins. The swimming team climaxed the season by winning their third consecutive conference championship. UPS won by 145 points—a 74-point margin over second place Central; breaking seven conference records while tying another. Ron Jones defended his own record by establishing a new one in the 200-yard individual medley, while both relay teams were also establishing new records. Freshmen George Sickle and John Jewell both set two marks apiece, while Brad Bacon set a new 100-yard freestyle mark.
Men's Intramurals
Dr. Leroy Ostransky, Associate Professor of Music Theory, has been on the UPS staff since 1948. He is a noted American composer and arranger with a wonderful sense of humor that is enjoyed by all of his students. He received the Bachelor of Arts degree from UPS in 1948, the Master of Arts degree from New York University in 1951, and the Doctor of Philosophy degree from the University of Iowa in 1957. When asked recently about his family and work, Dr. Ostransky replied, "I have worked hard to create seventy published musical compositions and one daughter. It would have been much more difficult the other way around."

Winter Culture
Christmas Play

A play of the Nativity, *One Night In Bethlehem*, was presented at Christmas on the Jones Hall stage. The story told of the Wise Men arriving on Christmas Eve to worship the Christ Child. A tableau followed picturing the Holy Family. The beauty of the Christmas story was portrayed by Claudia Carr and Bobby Dale, the wee campus playcrafters who dreamed he was at the Inn on the Holy Night.
Handel's "Messiah" was presented for the fifteenth time in the UPS fieldhouse, under the direction of Dr. Bruce Rogers. The soloists this year were: Mrs. Florence Johnson Mesler, soprano; Miss Margaret Myles, contralto; Wilbur Elliott, tenor; and Laurence Oncley, bass. The combined voices of the Adelphian Concert Choir and the Tacoma Choral Society make up the 234 voice chorus. The UPS-Tacoma Symphony also performed.

Madrigal Christmas Concert

Under the direction of Dr. Bruce Rogers, the Madrigal Singers presented their annual Christmas concert, singing selections both new and familiar.
**Sorry, Wrong Number**

A radio play written by Lucile Fletcher, "Sorry, Wrong Number," is a thriller about a woman who overhears her own murder plotted over the telephone. Claudia Carr was student director for the production. The cast included Martha Thompson, Mike Weber, Rick Green, Robin Griffith, Cole Verner, Shelia Marrs, Cara Murphy, Joanne Peters, Larry Johnson and Elsie Sherman.

**Frosh One-Acts**

**Infanta**

"Infanta" is an adaptation of Oscar Wilde's story, "The Birthday of the Infanta." Tom Fowler served as student director. Members of the cast were: Marcia Hawley, Marybeth Arbuckle, Clark Parsons, Marilyn Garl, and Lee Chandler.

**Via the Airshaft**

Delma Schrag directed the play "Via the Airshaft," a fantasy about two people who meet via an airshaft. Diehl Rettig and Bonnie Steussy played the two roles.
Shoemaker's Wife

"The Shoemaker's Wife" is an adaptation of a farce by the Medieval German Meistersinger, Hans Sachs. Carl Fitzpatrick directed the cast in its presentation. Lana Lear, Bill Scarborough and Wayne Evans filled the three roles.

Nobody Sleeps

"Nobody Sleeps" is a comedy dealing with an incompetent burglar, three nutty sisters, and an eccentric mother. Joe Mathews was student director. Members of the cast included Joe Wingard, Eloise Wagner, Laura Jo Robbins, Debra Hall, and Beth Engleman.
The Lenox String Quartet has been described as "one of the most promising ensembles in this country" and as "one of the leading groups in the profession" by eminent musicians such as Aaron Copeland, Leon Kirchner, and Roger Sessions.

The ensemble appeared on Thursday, February 15, 1962, in Jones Hall Auditorium. They provided a stimulating evening of chamber music. The recital included Haydn's Quartet in D major, Opus 20, No. 4; Mozart's Quartet in D minor, K421; and Mendelssohn's Quartet in E flat major, Opus 12.

Peter Marsh is the first violinist, Theodore Mantz is second violinist, cellist is Don McCall, and violist is Paul Hersh.

The group is the quartet-in-residence at the University of Pittsburgh, where they are members of the Pittsburgh Symphony Orchestra.
The object of Religious Emphasis Week this year was for each of the students to examine his wants and determine how significant his religion is. The faculty, administration, and students were asked to look at themselves and to find their ultimate concern.

Instead of an outside speaker, the professors were asked to give statements concerning their ultimate goals.

Throughout the week coffee seminars were held with students and faculty participating. A model Seder was held with Rabbi Rosenthal of Beth El Temple explaining the symbolic meal of the Passover. Religious Emphasis Week ended with morning communion in the Gail Day Chapel.

Final Elections

With two banquets and 874 people voting, the UPS student body elected its new ASB officers. An election banquet during the campaign week provided the students with an opportunity to meet the candidates and question them about election issues. An inaugural banquet with Dr. Thompson presiding climaxed the elections.

The newly elected ASB officers were: President, Tom Crum; First Vice-President, Charlie Bush; Second Vice-President, Mary Brown; Secretary, Linda Eyerly, and Delegates-at-Large, Al Davenport, Dave Handy, and John Pierce.

Other Central Board members elected were: Unaffiliated Men's Dorm Representative, Fred Golladay; Unaffiliated Women's Dorm Representative, Judy Harris; IFC Representative, Dick Wiest; and Panhellenic Representative, Marian Graham. Sue Clarke was elected May Queen and Beth Barnes, Carol Kangas, Judy Kowalchuk, Lana Lear, and Bonnie Steussy were elected to Rally Squad.

Lower right: Dave Wolf presents Mary Brown with a copy of the Logger Ledger.
Coed Colonel Linda Eyerly crowns Sharie Shores Coed Colonel for coming year.

Military Ball

The 10th Annual Military Ball was held April 6th in the South Hall of the Student Center. Sharie Shores was crowned Coed Colonel for the coming year. The dance, sponsored by the Air Force Reserve Officer's Training Corps, lasted from nine to twelve. Renio Moisio and his band provided the music.
Daffodil Float

This year's daffodil float was the first attempt by Dave Cusato at designing a structure of this type. The front of the float held a large aqua fountain with a Century 21 emblem on the back. Too much weight in the front prevented the float from leaving Coleman's Sheet Metal. The fact that the float did not make it to the parade route did not stop the judges from awarding UPS an award for Meritorious Service in the Puyallup Valley Daffodil Festival. Sharon Crews and Gary Fulton were co-chairmen for the float.
Adelphian Tour

WHAT CRITICS SAY ABOUT THE LATEST ADELPHIAN TOUR . . .

Belfast, Ireland:
"It must be many years since a Belfast audience has been captivated by a musical group having artistry and ability approaching that of the Adelphian Concert Choir."

Luton, England:
"The precision and thoroughness of the performance, coupled with skillful blending of voices, and the obvious enjoyment of it all by the members of the choir themselves, left us all with the feeling of a really great musical experience."

London, England:
"Such precision and coordination must have required many hours of painstaking rehearsal. By subtle movements of his hands, Dr. Rodgers moulds the singers into a cohesive whole, rounding the tone, interpreting every shade of expression."

Northampton, England:
"Some of the finest choral artistry Northampton music lovers have been privileged to hear distinguished a concert given by the Adelphian Concert Choir. High praise, perhaps, but certainly no exaggeration."

New York, U. S. A.:
"Dr. Rodgers chose to explore the subtle regions of soft nuances, achieving an organ-like sonority with no sense of breathlessness or strain. The diction throughout the performance was exemplary, the tone shimmering and warm."

Simcoe, Canada:
"The 40-voice ensemble gave a superb performance with a standard of singing which is about as close to perfection as any group can hope to attain."

Seattle, U. S. A.:
"Dr. Rodgers' expressive hands and fingers moved mysteriously, transmitting signals to which the voices responded with the deft skill only the highly trained know. The sounds that came forth were exquisite and superbly controlled."

Tacoma, U. S. A.:
"The auditorium was filled to capacity before concert time . . . and at the end, the whole audience rose to acclaim the performance."

Militar4 Review

The annual AFROTC President's Review was held on Friday, May 11th, at noon. The review honored University President, R. Franklin Thompson. It was held in the Memorial Fieldhouse. The review climaxed a year of leadership training for the cadets. Highlighting the program was the adoption of the University's Cadet Group by the 325th Fighter Wing from McChord Air Force Base and the presentation of awards to the cadets. Dr. R. Franklin Thompson addressed the group at the end of the assembly.

Right: Presentation of the colors.

Sue Clarke is crowned May Queen by Dr. Thompson as Senior Class President Larry Hightower looks on.
Spring Weekend

Arriving on campus Friday afternoon, May 11th, in time for a jazz concert, the high school seniors opened Spring Weekend. After the concert came a banquet, the presentation of the high school princesses, and the coronation of May Queen, Sue Clarke, at the Songfest. The Songfest, under the direction of Judy Olin and Mary Murrills, was one of the best ever held. The winners were the Independent Women and Beta Zeta Pi Fraternity. The evening ended with a mixer in the Memorial Fieldhouse. Saturday morning was an orientation session for the seniors. They were taken on tours of the campus. At noon there was a picnic in the Student Center, followed by class skits and field competition that was won by the sophomores.

Spring Carnival
This year's Commencement Ball was again held in the South Dining Hall of the Student Center. Co-Chairmen for the event were Brent Knutson and Sharon Crews. For lack of a better theme, the title "Commencement Ball" was used. The seven-piece orchestra of Burke Garrett provided music. The dance began at 9 p.m. on Friday, May 18, 1962.

Left to right: Linda Pittman, Brent Knutson, and Ruth Ann Knutson.
Coach Bill Funk, assisted by Vic Cozzetti, compiled an admirable record this season with 11 freshmen on a 15-man roster and an all-freshman pitching staff. Freshman third baseman Dennis Keating led the team in hitting with a .346 average, while pitcher Bob Abelsett compiled a 5-3 won-lost record in league competition.

The Loggers won eight ball games against college competition while losing eight, but the two losing efforts in exhibition games against the major-league studded Ft. Lewis Rangers provided the highlight of the season. Although losing the second game 8-0, UPS allowed only three earned runs and six hits in the contest.
Twenty hopefuls, including two lettermen, greeted Coach Harry Bird for early season workouts, but this number slowly dwindled and individuals once again provided the excitement for the duration of the track season. Freshman Darell Robinson placed well throughout the season and turned in a 6' 0 3/4" effort in the high jump, while University of Washington transfer Ty Stroh achieved an NAIA top ten rating with a 205-foot effort in the javelin. Senior Jack Higgins, however, was again in the spotlight as he won the 70-yard dash at the WAU Invitational track meet in 7.2 seconds; successfully defended his title at the Vancouver Relays, where he set the Canadian 100-yard dash record last year; and after numerous Evergreen Conference victories, climaxed his season with a sixth place at the NCAA track meet in Eugene, Oregon, this spring.
A team effort combined with Coach Lyle Morton's efforts provided the winning margin as the University of Puget Sound netmen won the 1962 Evergreen Conference tennis championship. Morton, who is considered as one of the finest professional coaches in the northwest, attributed the season's success to the over-all strength of the five man team and is looking forward to another good season next year.

During the season the Loggers won most of their dual matches and during the conference championships, Rich Lothian came out on top in the fourth man position, while third man Gordon Trunkey placed second in his division.
Golf

The University of Puget Sound linksmen competed in home-and-home matches against local service teams as well as against PLU, Western, and Seattle Pacific during the spring season. The Loggers were instructed by player-coach Hank Morris and ended their season with a fourth place team standing in the Evergreen Conference championships and a third place in the District #1 NAIA elimination tournament.

Dr. Bruce Rodgers has been the conductor of the Adelphian Concert Choir and Director of the School of Music at the University of Puget Sound for ten years. A man of unusual ability, Dr. Rodgers led the Adelphians on a tour of England, Scotland, and Ireland this year. This was the Choir's first overseas tour. Dr. Rodgers received his B.M. and M.M. degrees from the Eastman School of Music, and his Ph.D. degree from the University of California in Los Angeles. He is the organizer of the University of Puget Sound Madrigal Singers and the Tacoma Choral Society.

Spring Culture
Brown & Haley Lectures

The tenth anniversary of the Brown and Haley Lectures was celebrated this year with the presentation of Dr. T. Harry Williams. Dr. Williams is a noted authority on the Civil War. He spoke on "A Trio of Generals" from the North during the Civil War. Dr. Williams said, "To be a great general, a man must have character that includes moral courage and plain nerve." The three generals were McClellan, Sherman, and Grant.

Crowd leaving Jones Hall Auditorium after lecture.

Adelphian Home Concert

May 8th, the Adelphian Concert Choir presented a gala concert at the First Methodist Church to celebrate the completion of their tour of the British Isles. The hall was filled to capacity long before the concert began, and the entire audience rose to acclaim the performance at the end.
"Macbeth"

For the first time in the history of the University of Puget Sound Drama Department a Shakespearean play was presented. Unable to give the play in the manner of the open theatre of Shakespeare's day, it was done on the Jones Hall stage with a minimum of scenery. "Teach" Jones and Bur Baisinger, the directors, have each spent several summers working with the Shakespeare productions at Ashland, Oregon. They ably handled the UPS production with the aid of Don Weller, student director. Joe Mathews was Macbeth and Claudia Carr played Lady Macbeth. Carolyn Owens and Dave Stambaugh portrayed Lady McDuff and McDuff.

Left: Claudia Carr, Lady Macbeth; Joe Mathews, Macbeth; and Dave Stambaugh, McDuff.

Varsity Show

The UPS Varsity Show, "Twenty to One," was a huge success, not one to be soon forgotten by the spectators who enjoyed the diversification of talent and the versatility of master of ceremonies, Jeff Smith.

2. "Babe with a Ballad"—Beth Pederson.
3. Tom Joke, ASB President.
   Sam Lassiter, ASB Vice-President.
4. "From Green Beanie to Mortar Board"—Prof. Bob Albertson.
5. Chinese Flag Dance—Meng Su
6. Russian Folk Dance—Cris and Sharie Butler.
7. Swan Lake Ballet—Sigma Nu.
8. Alpha Phi Chorus Line.
10. Directors: Jeff Smith and Karla Anderson.
13. "The Trademarks"—Dennis Egge, Mike Donahue and Don Allard.
Long will the acts of the 1962 UPS Varsity Show remain in the minds of those who saw them. The world-wide theme of "20 to 1," inspired by the Century 21 World’s Fair contrasts in entertainment, provided the name banner for the show. A long-time tradition on the UPS campus, the Varsity Show is presented every two years by the Associated Student Body to benefit the scholarship fund.

Jeff Smith and Karla Anderson, co-chairmen for the show, can be attributed with much of the success of the show’s two-evening run in the Fieldhouse on March 24 and 25.
Graduation

By applying the knowledge of the ages, youth can overcome the expensive distractions of our time, told Dr. Kent R. Greenfeld to the 255 graduates at Commencement exercises in the Memorial Fieldhouse on June 3rd. Earlier Dr. R. Franklin Thompson, President of the University, gave the Baccalaureate address at the First Methodist Church. Both stressed the value of applying knowledge to help in solving the problems of the individual and society.

The Bachelor of Arts degree was conferred on the largest number of graduates, followed by the Bachelor of Arts in Business Administration degree, and the Bachelor of Education degree.

Following the graduation ceremonies, the graduates and their families and friends were honored at an open house and reception at the President’s residence.

Shigeo Tanabe and Arthur L. Frederick march in recessional after receiving their doctorate degrees. Shigeo Tanabe received the Doctor of Divinity degree and Arthur L. Frederick the Doctor of Law degree.

Associated Women Students

Organized to integrate all women students into college life and to encourage scholarship, service ideals, and cultural pursuits, the Associated Women Students does its part for school leadership. All women students are members and are eligible to participate in the big and little sister program, the Freshman-Faculty Tea, May Day Festival, and the May Banquet. This year the AWS added something new to their busy schedule—a weekend for parents that was held during the same weekend that the Varsity Show was presented. Mary Algeo served as President of AWS for the year.

Song Leaders

Becky Singer

Dixie Schepper
In its second year Choppers again did much to promote attendance at football and basketball games. Choppers painted signs for the Student Center and chartered buses for the PLU games held at Pacific Lutheran.

Chris Cherbas served as this year’s president, and helped to formulate their sister organization, the Chips.
During Chips’ first year on campus they did much to instill spirit into UPS students at games and organized rallies. Wearing their maroon uniforms on Fridays, Chips were visual symbols of the campus spirit. Under the leadership of Karen Purchase, the group made a significant contribution to the promotion of campus participation.
Chinook Club

Chinook Club provided a full program of winter sports and interesting meetings for its members this year. The club met twice a month on Thursdays. The group sponsors ice skating parties, and this year chartered several busses for their membership, as well as for the student body, to use on ski trips to White Pass and Paradise. The annual All-School Ski Day, sponsored by Chinook Club, was held on Washington's Birthday.

Chemical Society

This academic year found the Chemical Society enjoying a varied schedule of activities. Movies and informal talks comprised the noon meetings in the chemistry lecture hall. The highlight of the year was a trip to the Boeing Research Center. Students visited the graduate schools at Oregon State, the U of W, and Washington State. Members of the society attended the regional convention at St. Martin's College.
Sailing Club

Sailing Club was aided greatly this year by becoming a member of the Associated Student Body. Because of the added funds Sailing Club was able to purchase a new fiberglass Penguin with riggings and sails. The club attended North-West Intercollegiate Yacht Racing Association regattas at Seattle, Vancouver, B.C., and Bellingham. Dr. Ernest Karlstrom and Dr. Robert Sprenger served as club advisors.

Home Economics Club

The Home Economics Club is made up of students who are both majors and minors or people interested in home economics. Their goals include increasing knowledge, widening their cultural interest, developing professional attitudes and abilities, and understanding other peoples, and increasing the public's idea of home economics.

This year the club sold mums at Homecoming, had a Thanksgiving dinner, sponsored the Christmas Tea and went to the state home economics convention at Vancouver where the UPS girls were selected to three state offices. President for the year was Betty Wohlmacher.
Since its formation in January 1945, the Occupational Therapy Club at the University of Puget Sound has been active in promoting student interest in the field of occupational therapy. The club serves as a common meeting place in which students can enjoy fellowship while working together to gain a greater knowledge of their prospective field. The students undertake community service projects such as planning and providing entertainment for a patient group at one of the local psychiatric hospitals. Outside speakers, discussion sessions, an annual picnic, and making Christmas cards highlight a year's activities in O.T. Club.

The aim of the UPS Swim Club is to promote an interest in swimming throughout the campus. The group holds an annual picnic and sponsors an age group swimming meet at the UPS pool which is the largest indoor meet in the Northwest. Membership in this organization is extended to any male student at the University.
Silver Seals

Silver Seals is a swim club interested in the promotion of synchronized swimming and water shows. They produced their first water show in 1956. Since then, the water ballets have included such titles as "Easter Parade," "Seasonality," "South of the Border," and "Disneyland." Linda Schmutzer was president for the year.
A 30-member Chapel Choir was organized from the Choral Society as a club by Dr. Charles Fisher during Spring Semester. Dr. Fisher directs the choir at chapel services.

The choir collected clothes and toys at Christmas for a Mexican orphanage, and they also collected boxes of dry cereal for the same cause. Members of the choir served at banquets and donated their earnings to build up the club treasury.

Officers of the choir were: Dick Avedovech, President; Gwen Seales, Vice-President; Anne Whitaker, Secretary-Treasurer; Dale Miller, Librarian; and Donna Williams, Devotions. Representative from sections of the choir were: Dave Myers, Linda Wilgus, Marybeth Arbuckle, and Penny Edman.

Choral Readers

‘The Fall of the City’ by Archibald MacLeish was presented by the Choral Readers in their 22nd annual Spring Recital on March 9th and 11th in Jones Hall Auditorium.

The Choral Readers are directed by Miss Martha Pearl ‘Teach’ Jones. Dr. Wilbur ‘Bur’ Baisinger is technical director, and Don Weller is student director.
A very active and successful year was experienced by the UPS forensics squad. The group was led by Mr. Jack Kingsley, Director of Forensics.

During the year students participated in tournaments at the Linfield Debate Tournament, the Pacific Northwest Invitational Tourney at Seattle Pacific College, the Tau Kappa Alpha Invitational Tournament at Montana State University, and the Western Speech Association Tournament in Fresno, California.

At the Tau Kappa Alpha Tournament in Missoula, Montana, the group spent an evening discussing United States relations in Southeast Asia with Mr. Arthayuki, Thailand’s Ambassador to the United States.
San Diego was the site of this year's Model United Nations conference. The purpose of the conference is to provide an atmosphere in which the student can sense and explore the international forces of the world, and become a part of the United Nations.

Colleges and universities on the West Coast send delegates to the Model United Nations and each institution represents a country of the world. This year UPS represented Byelorussia (White Russia).

Mike Berry, chairman of the UPS delegation, felt that representing a Communist state gave the MUN members a good insight on all aspects of foreign policy.
Adelphian Concert Choir

Half-way around the world! This is the distance traveled by the Adelphian Concert Choir in this, the 30th year of its history. On the first overseas tour in its history the Adelphians sang 12 concerts in England, Ireland, and Scotland. Traveling by jet, the Adelphians returned to the United States for a most successful appearance in New York's famed Town Hall. Still winning international acclaim, this renowned singing group then made two appearances in Eastern Canada, including the home town of its conductor for the past ten years, Dr. Bruce Rodgers.

The Adelphians had an opportunity to visit some of their British friends in their homes; they made sightseeing trips into Northern and Central Wales, England's Shakespeare country, and explored Edinburgh and tasted the lakes and fells of Killarney.

Their latest recording, "Choral Colors," is the fourth to appear on the RCA-Victor label.

Madrigal Singers

Appearing in seven concerts and on KTNT-TV each year, the University Madrigal Singers were formed in 1952 by their present director, Dr. Bruce Rodgers. Sixteenth and seventeenth century works, along with seasonal compositions for their annual Christmas appearances, comprise the music from which the group draws its concert numbers. Its membership consists of fourteen singers from the Adelphian Concert Choir.

This past Christmas, for the first time, the University Madrigal Singers gave their annual Christmas concert on three consecutive nights to capacity audiences in the Recital Hall of the Music Building.

Concert Band

The University of Puget Sound Concert Band presents two concerts each year, one in the fall and another in the spring. The band is conducted by Raymond L. Wheeler.

The spring concert was presented on Sunday, March 25th, in Jones Hall Auditorium. Bill Morrell and Owen Free-man were featured as soloists. They are students of UPS brass instructor, Al Meddaugh.

The band played eleven selections chosen from the works of Hermann, Erickson, Tarver, Bartok-Suchoff, LaGasey, Holmes, Wagner-Slocum, Siebert, Schmitt, Jacob, and Kenny.
UPS-Tacoma Symphony Orchestra

Musicians from the University and the community participate jointly to form the University of Puget Sound-Tacoma Symphony Orchestra. The orchestra is under the direction of Edward Seferian. Five concerts are presented each season. At Christmastime the orchestra combines with the Tacoma Choral Society to present the "Messiah."

Concerts were given in the Jason Lee Junior High School Auditorium.

Some of the selections presented this year were chosen from the works of Debussy, Franck, Tchaikowsky, Borodin, and Beethoven.

Tacoma Choral Society

A large mixed chorus, drawing its membership from the University and community, is the Tacoma Choral Society. Dr. Charles Fisher is the director. The society's chief projects are the presentation of the "Messiah" during the holiday season, and a large choral work with an orchestra in the spring. The group was organized in January, 1951.

For the spring concert, the group presented the symphonic psalm, "King David," a dramatic oratorio by Arthur Honegger. Soloists were Florence Mesler, Sylvia Shaw, and Wilbur Elliott. The narrator was Frank Grant.
The Independent Students Association was organized to provide students who are not affiliated with a Greek organization an opportunity to participate in school activities and functions. The group sponsors the annual all-school Sadie Hawkins dance, which is preceded by Daisy Mae and Li’l Abner elections; a spring dinner dance, and a cruise. The Indeeds participate as a group in many campus activities.

Officers were: Fall President, Judy Schoeffler; Spring President, Elmer Bigham; Representative to Central Board, Steve Wischmeier; Vice-President, John Marshall; Treasurer, Dick Hannaford; Fall Recording Secretary, Nancy Newlove; Spring Recording Secretary, Nancy MacMahan; Program Co-Chairmen, Dorianne Nelson and Chuck Bynum; and Corresponding Secretary, Barbara Smith.

Alpha Kappa Psi

Alpha Kappa Psi, the first professional business fraternity in the United States, was founded at New York University on October 5, 1904. Epsilon Nu Chapter at the University of Puget Sound was organized in 1951 as the Commerce Club. The group received its charter from the national fraternity in the spring of 1959. The objects of the fraternity are to "further the individual welfare of its members; to foster scientific research in the fields of commerce, accounts, and finance; to educate the public to appreciate and demand higher ideals therein; and to promote and advance in institutions of college rank courses leading to degrees in business administration.” Outstanding people of the business world are invited to speak to the fraternity, which limits its members to students majoring in Economics or Business Administration.

Officers for the year were: Lowell Magoon, President; Al DiLoreto, Vice-President; Richard Chubb, Treasurer; Steve Davison, Secretary; and Terry Sumner, Master of Rituals.
Pi Kappa Delta

Pi Kappa Delta is the national honorary for students who have distinguished themselves in Forensics. Membership is by invitation and is based, in part, on the student's participation in intercollegiate competitions in debate, oratory, and extemporaneous speaking.

Pi Kappa Delta sponsors the annual high school debate tournament, which is the largest high school tournament in the world. It also sponsors, and participates in, various college tournaments.

Phi Sigma

Alpha Phi Chapter of Phi Sigma, a National Biology Honorary Society, was founded in 1948 by the Biology Club at UPS. The purpose of this organization is to investigate all aspects of biology, especially in the field of research. Members are chosen for evidence of scholastic and research ability. In the spring Phi Sigma conducted an open house for outstanding high school students in the Tacoma area, demonstrating many phases of biology.

PHI SIGMA—Seated, left to right: Lorna Afflerbaugh, William Baird, Mary Brown, Iowenna Hamlin, Dr. Gordon Alcorn, Advisor; Norma Rettke, Richard Perkins, President; Vera Wiseman. Standing: Donald Schreweis, Mike Fritz, David Barry, Advisor; Warren Hanson, and Dr. E. L. Karlstrom, Advisor.
"To further American music in the school, the community, and the world," is the purpose of Sigma Alpha Iota, the national women's music honorary. The University of Puget Sound chapter, founded in 1948 by Clara Nygaard Johnson, is one of over one hundred chapters throughout the nation. Women music majors and minors are selected for membership on the recommendation of the major professor or the head of the School of Music. Activities of the group on this campus include ushering for recitals and concerts, and co-sponsoring the Songfest that is held each year during Spring Weekend.

Membership in Pi Phi Nu, the home economics honorary, is open to all women majoring or minoring in home economics, who have a 3.0 grade point average in home economics courses and a 2.5 average in their other studies. The honorary sponsors the annual Foreign Foods Fair on May Day.
Arnold Air Society

Arnold Air Society is a national honorary of the Air Force Reserve Officers Training Corps. The society is named for General Harold "Hap" Arnold, Commander of the Army Air Corps during World War II. The main purpose of the society is to promote airpower in the Aerospace Age on the campus and in the surrounding community. Each year the Arnold Air Society sponsors the Military Ball and has a spring dinner at McChord Air Force Base, Washington. For the past several years the University of Puget Sound Ralph Brown Squadron has won the Northwestern Area Award for the outstanding squadron.

Mortar Board

Mortar Board is a national senior women's honorary. It stands for service, scholarship, and leadership.

The local honorary, Otlah, became a chapter of Mortar Board just three years ago. Otlah had been on the University of Puget Sound since 1922.

This year Mortar Board has met with the Faculty Academic Standards Committee, held a "Smarty Party," and sponsored dormitory lectures. The regional convention was held here in October. Mortar Board strives to further scholarship, leadership, and service not only in its own members, but in the entire college community.

Election to Mu Sigma Delta is the highest academic honor accorded to outstanding junior and senior students in the Liberal Arts. In addition to a cumulative grade point of 3.4, the members must exhibit creative expression and maturity of thought. Members are pledged ever to seek culture and truth and to dedicate themselves to the cause of human betterment. On our campus, initiation into this organization carries a significance equivalent to membership in the top national honorary, Phi Beta Kappa. Officers this year were: President, Wilbur Baisinger; Vice-President, Walter Lowrie; Secretary, Mary Curran; Corresponding Secretary, Ralph Corkrum; and Treasurer, John Lantz.
The purpose of the Intercollegiate Knights is to serve the University, proving in action the motto of "Service, Sacrifice, Loyalty." Prerequisite to membership in the group is sincerity in serving, activities, and good grades. The group taps outstanding Freshmen men with a GPA over 2.46. Intercollegiate Knights was organized at the University of Washington in 1919 and now has more than fifty active chapters throughout the Western United States. Major activities include publishing the Log Book, ushering at chapel services, and handling announcements to the student body on the Log. The I.K. Queen for this year was Miss Marcia McLean. Marcia also held the title of Regional Princess and traveled to McAllen, Texas, to compete nationally.

Robert H. Sticklin was Duke of Knights. Bob was elected Royal Earl of National Intercollegiate Knights when he was in McAllen, Texas. He will serve in the office until May, 1963. Other chapter officers for this year included: Alex Bennett, Chancellor; Jim Moore, Expansion Officer; Dick Muri, Scribe; Paul Johnson, Recorder; and Jim Warren, Keeper of the Mace.
From 1926 to 1962 the University of Puget Sound chapter of Spurs has served the University and community. Its purpose is to support the school activities, to foster a spirit of loyalty and helpfulness among the college women, and to support the traditions of the University. Spurs is a national sophomore women’s honorary, and one of the highlights this year was the regional convention on this campus. Spurs from seven chapters in the Northwest were UPS guests during one weekend in October.

Girls are chosen for membership on the basis of interest and participation in college activities, dependability, personal integrity, service to others, and a scholarship rating equal to at least a 2.5. Under the help of “Teach” Jones, the advisor, and Kathy Kinley, the junior advisor, the Spurs have ushered, helped with registration, sold Spur-o-grams, and worked for other school functions.

Initiating and coordinating all interdenominational activities is the function of the Student Christian Council. The group, consisting of representatives from all dorms, social and denominational groups on campus, met every Monday afternoon. They sponsored afternoon seminars led by faculty members. Other activities included the Thanksgiving Union Service at Mason Methodist Church, a Christmas party at Dr. Thompson’s home, Religious Emphasis Week, and the World University Service Banquet.

First semester, the Methodist Student group meeting at Mason Methodist Church every Sunday evening for supper, discussion and worship, developed their program around the theme of "emerging self-hood." The president for the fall was Larry McGhee. Paul Graves was elected to lead the group during the second semester and his cabinet planned a varied series of programs that sought to relate the student to a widely diversified culture. A significant innovation was the "Expresso Night" when members were encouraged to express their faith in whatever manner or with whatever images seemed most relevant to them.
United Campus Christian Fellowship

This group consists of representatives of at least four different denominations. During the past year Presbyterians, Baptists, Congregationalists and Disciples have found unity in diversity by both affirming the uniqueness of their own tradition and finding fellowship in the larger concept of the Christian faith. Meetings were scheduled in homes of faculty and ministers of the cooperating churches that sponsor UCCF.

Kappa Phi

"Every Methodist woman in the world today, a leader in the church tomorrow," is the motto and aim of Kappa Phi. This national organization is open to all women of Methodist membership or preference, and seeks to unite women in friendship and in a search for the highest spiritual values.

The group held their annual Rose Tea at Dr. Thompson's residence in the fall. The Kappa Phi's conducted many service projects throughout the year, and ended the season with a senior banquet in May.

CAMPUS FILM REVIEW 60
Today, most college students find it necessary to budget their school expenses. To make this an easy task, National Bank of Washington has designed this College Budget Guide for you. You'll find it helpful . . . and it's free, at the Westgate Branch of NBW, at North 26th and Pearl, or at any NBW Banking Office.
Weyerhaeuser forestry is a plan for the centuries...

On a Weyerhaeuser tree farm in the Pacific Northwest, weathered old stumps give way to a young timber crop. Each new tree symbolizes the fact that a forest can be both used and perpetuated by careful management.

The secret lies in long-range planning of harvesting, reforestation and protection programs. In our own case, such plans consider next century and beyond, taking into account the inevitable transition from old virgin forests to new, young timber stands on company lands.

To maintain a relatively even flow of wood during the transition, virgin timber is harvested in limited volume and the land is promptly restocked. When the new crops have a full range of age classes, from seedling to maturity, they will support perpetual cycles of harvest and reforestation.

Wood, water, wildlife, recreation and other benefits will be provided by our timberlands, generation after generation. Write us at Box A, Tacoma, Wash., for a colorful free booklet, Forest Products from Tree Farm to You.

Silas E. Nelsen
how you spend it
...and where you
save it can make all
the difference to
your financial future

That's why so many young people are providing for
their financial future with a savings account
at Pierce County Federal. High earnings paid
frequently (every three months), and computed
on monthly balances are a few of the bonuses
you get by saving with us. Accounts are also
insured to $10,000 by the Federal Savings and
Loan Insurance Corporation.

Need money to finish college?

If your education is in danger of curtailment because of lack of finances, investigate The Puget Sound National Bank's COLLEGE ASSURED PLAN. Ask for details at any branch office of The Puget Sound National Bank.

Through the College Assured Plan, you may arrange for low cost financing to help you continue your education. All or part of your expenses may be met through this plan, and repayments may be spread over as long as six years.
