administration & faculty
For many years the student body of the College of Puget Sound has edited the Tamanawas. The word itself is an old Indian word meaning "The achievement of the highest." The Tamanawas through the years grows more and more meaningful as it makes more endearing the memories, the friends, the professors, and the whole structure of one's college life.

To the students on the campus at the present time, it represents a current picture of all the activities, the fun, the classes, and all that goes to make college life one of the greatest adventures in anyone's life. As the years go on the Tamanawas grows more dear, because it constantly recalls a flood of memories which grow more meaningful through the years.

The College of Puget Sound is always proud of its students, of its traditions, of its heritage, and of those alumni who carry forth the real spirit of the College of Puget Sound.

football 1957
The 1957 edition of C.P.S. football history began with a disappointing first chapter, as the Loggers ended up on the short end of a 7-6 score in the annual Kings-X game with P.L.C. However, this was later avenged as the Loggers blanked the Glads 14-0 in the conference game.

Fielding a team of 17 lettermen, the defending conference champs just couldn't seem to get rolling. The only Logger score came on a one-yard plunge by quarterback Gary Brines that was set up by a 26-yard pass from Brines to Bob Austin, all-conference halfback. Jerry Borke's try for the point sailed wild.

P.L.C. scored on a 75-yard pass intercepted by John Jacobson.

Fullbacks Dick Pruett and Austin led the Henrick attack in the second outing with the Lutes. Pruett gained 107 and Austin gained 90 yards apiece. The entire P.L.C. team only made 115 yards rushing.

In the second half, halfback Don Parsons bucked over from the one and also converted. In the fourth period halfback Bob Hill set up the next Logger score with an 11-yard jaunt on a fourth and seven situation. Brines dove over from the one and Mike Cranston kicked the conversion.
In their first conference outing the Loggers battled to a 7-7 tie with the Eastern Washington Savages on Baker Memorial Field.

Late in the first quarter Jack Bolton, big C.P.S. tackle, recovered on an Eastern fumble on their five-yard line. Fagatogo Brown had jarred the ball loose and set up the touchdown that fullback Dick Pruett made four plays later. Mike Cranston made what was to become the all-important extra point.

Two more Logger drives were stopped deep in Savage territory by way of fumbles before the first half was over, as the Loggers seemed to have as much trouble hanging on to the ball as the visitors did.

A highly inspired team of visitors took the field in the second half and promptly marched to the C.P.S. four-yard line where they were stopped by the stubborn Logger line. However, it was not long before they were back and this time the defense did not hold. The point was good and the score stood 7-7 with less than five minutes left to play.

The game ended with the ball in the opposition's hands on the C.P.S. six-yard line. The story of the game can be seen in the fact that the Loggers had a 5-3 edge in the first half, but in the second got only two to the Savages' seven points.

Loggers 13  Vikings 6

The scoreboard on Bohem Field did not tell the complete story of the Western game as it showed C.P.S. winning by a 13 to 6 score. The Loggers rolled up a 19 to 8 margin in first downs, out-rushing Western 279 to 81, and completed nine out of 11 passes.

Quarterback Dick Jarvis, halfback Bob Austin, and fullback Dick Pruett were the horses that made the Heinrick-offense click. Phil Yant at guard, freshman Herm Magnuson at end and tackle Don Taylor were the linemen singled out for excellent performances.

The Loggers started their first drive for "pay-dirt" on the Western 46 yard line where a Viking punt sailed out of bounds. With Austin and Pruett carrying the mail the Sounders scored in 10 plays, with Austin going from the two yards out. Cranston's conversion attempt was wide.

C.P.S. took the opening second half kick-off and drove 70 yards in 10 plays for their second counter. Dick Jarvis scored on a twisting 14 yard run and Don Parsons kicked the extra point.

Austin gained 110 yards for a 5.5 average, while Jarvis went 81 in 18 tries and threw all the Logger passes. Pruett carried for 53 yards and turned in an excellent defensive job.
Central Washington’s Wildcats were able to enjoy their homecoming game by scoring a 25-7 defeat over the flu-weakened College of Puget Sound Loggers.

The Wildcats jumped off to an early lead of 13-0 before the Loggers could score. The second Central touchdown came by way of an intercepted pass from Gary Brines. The Loggers took the ensuing kickoff and traveled 68 yards to climb back into contention. The big gainer was a Brines to Austin pass good for 45 yards to the Central 10, with the Wildcats drawing a penalty to their one yard line strip for piling the C.P.S. halfback on the play.

Mike Cranston drove across on the next play, then added the conversion, and Puget Sound’s scoring was ended for the afternoon.

The Loggers’ running attack was stopped cold by the hard-charging Central line, as they held the conference rushing leader, Bob Austin, to a mere 20 yards. The passing gain was a little more successful, with the Heinrick forces completing five of 13 and Austin grabbing two of them for 42 yards.
The last chapter of C.P.S. football for 1957 is a pleasant one as we find the Loggers nailing down second place in the conference by rolling over the U.B.C. Thunderbirds 51-6.

It took the Loggers just seven plays to score after making the opening kickoff. Mike Cranston went off tackle for 10 yards, and Don Parsons made the conversion good. The next time the Puget Sounders got the ball they marched 70 yards in a drive that was climaxed by a pass from Gary Brines to Don Parsons.

Cranston scored the third touchdown with a 32 yard jaunt around the end. Brines ended the first half scoring with a 12 yard pass to end Herm Magnuson. Parsons again made the extra point.

The third quarter saw Brines pass to end Herb Richey in a play good for 57 yards, and then throw again, this time to Bob Austin, for the tally. This made it three touchdown passes for Brines.

The Loggers scored three times in the last quarter. Freshman Dave Balthazor went in for 11 as the climax of an 88 yard drive. Halfback Bob Hill scored as the result of a drive that included a 32 yard pass play from Jerry Thacker to Jerry Burke. The last touchdown came by way of a 32 yard pass from Tucker to end Arnie Jackmond. Senior tackle Don Taylor made the only score of his career as he bulled across for the extra point.
In the 1957 homecoming game the grads saw an ailing and disspirited C.P.S. team fall to the Bearcats of Willamette 35-6.

The Loggers got rolling late in the first quarter and made their only score on a 40 yard drive. Bob Austin made the big gainer in the drive as he broke away for 15 yards to the Bearcat one. In the first play of the second period Austin plunged over for the tally.

Don Parsons' conversion attempt sailed wide and the maroon and white were never again in the game.

A fourth quarter pass interception stopped the only other effective C.P.S. drive. At times in the game the Logger defense seemed to be impenetrable, however the 'Cats were never to be stopped for long.

Standout for the Willamette forces was hard-charging freshman back, King Solomon from Hawaii.

Tackle Don Taylor was outstanding for the Loggers and showed why he was considered the most consistent performer all year for Coach Heinrick. Freshman Al Urbon, Ed Tingstad, and Dave Balthazor saw quite a bit of action and turned in creditable performances.

The flu took its toll again as halfback Bob Austin was below par, guard Phil Yant was out of the game, and tackle Duane Olsen also had an attack along with a leg injury that kept him out of the contest.

BILL BARNHART  MURRAY JOHNSTONE  BOB LOOMIS  DAVE WEBER

Making it two conference wins in a row, the Heinrickmen whipped Whitworth 20-12 in Spokane.

Whitworth scored first but were quickly slapped back as the Loggers took the kickoff and went for a touchdown in just eight plays. The big gain in the drive was a 24 yard run by halfback Bobby Austin. Mike Cranston dove in from the two and also made the extra point good.

In the second period freshman fullback Dick Pruett made one of the great one-man performances of the season. Pruett first went off tackle for 15 yards to the Logger 46, and on the next play went 54 yards up the middle for the second C.P.S. score.

A defensive stand set up the next tally as the Loggers held the Pirates on their 28. One play lost four yards, but on the next play quarterback Gary Brines passed to Cranston on the two and he went in for the score. Cranston again made the conversion.

Coach Heinrick singled out guards Don Francin and Phil Yant, and end Herm Magnuson for performances on the line. In the backfield, Cranston, Austin, and Pruett received his praise. Both Austin and Pruett gained over 100 yards apiece.

winter sports
The Lutes won all three games from the Loggers and extended their win streak to 13 games in five years over C.P.S.

The first game was an 87-47 bout. Need any more be said? Lyle scored 13, Moseid, 11, and Ness, 10.

The second game ended with a 70-54 final. The half-time score was 37-29, and the Loggers never got closer than those eight points at half-time. However, P.L.C. had to employ their first team until the last two minutes of the contest. Ness had 15, Moseid, 14, and Names, 13.

In their last meeting the Lutes jumped to a quick 23-9 with 10 minutes left in the first half. These first points proved to be the deciding factor as the Lutes finally won 71-60, after being outscored 51-48 in the second half. The Lutes were in front by 20 with four minutes to go when the Loggers again staged a rally which ran out with the clock. Moseid and Names were the only men to score in double figures with 14 and 13 respectively.

Coach Heinrick's forces enjoyed more pleasant results with the Whitworth Pirates, winning both games from them.

Hitting a terrific 48 per cent on an away floor, the Loggers won 88-70 in the first contest. The Loggers broke away to a 42-34 lead at half-time, only to be tied 45-all after three minutes of the second period had elapsed. Then C.P.S. was off and ahead to stay. Ness collected 21 counters, Names, 20, followed by Clark and Moseid each with 18.

Moseid paved the way for the second Logger win as he poured in 33 points for the home cause. C.P.S. led all the way with a 50-32 half-time edge and an 84-75 final. Names scored 19 for the winners.
The Vikings from Bellingham won two of three contests from C.P.S. The Loggers won the first at the T.A.C. Tournament 71 to 65, with Moseid hitting 24, and Ness and Clark both with 11.

In a nip and tuck battle in their first league meeting the Loggers dropped a 71-67 decision. Western led 39-36 at the half; then with 12 minutes to go in the game the Loggers moved to a 51-47 lead. With three minutes to go the Vikings led 66-65 and then moved out to stay. Moseid and Ness both hit for 18.

In their third meeting the Vikings started fast and led 53-39 at the half. The Loggers then cut the lead and for the last 10 minutes of the game the two teams battled on even terms. Moseid hit a field goal with five seconds to go and brought them within one point, but time ran out. Four men hit in double figures: Moseid with 19, Lyle, 14, Peterson, 11, and Names, 10.
C.P.S. dropped both games to the Central Wildcats this year. Central's superior marksmanship from outside won the first game for them 64-50. The Loggers led through most of the first half, although the score at half was 28-all.

With eight minutes to go in the game the Loggers "chucked" some easy lay-ins and destroyed their chances. The final score was 64-50 with Ness and Moseid both collecting 13.

The second meeting of the two teams was also won by Central in the second half, and thereby eliminated C.P.S. from the N.A.I.A. Regional Playoffs. The half-time score was 30-28 in Central's favor, but in the second period the men from Ellensburg outscored the Maroon and White 30-18 to chalk up a 60-46 win. Names collected 15, and Clark, 13. Moseid, the number one scorer, was held to a scant four points.
The Heinrickmen won two of three games from the Britishers, breezing by them 92-70 in the first meeting, as the Loggers hit a superb 49 per cent from the floor. Four men hit in double figures for the home cause; Moseid, 27, Ness, 16, and Lyle, 10.

The Loggers led all the way in the second game to chalk up a 65-57 win. Moseid hit nine field goals and five out of six free throws for 23 points. Names added 17 and these two were the only double figure men.

The Thunderbirds were better off in the winning column at home as they handed C.P.S. a 67-53 defeat. U.B.C. was ahead 34-30 and remained in that position the rest of the game. Moseid and Names, the Loggers' one-two scorers, were held to only five points each, and Lyle and Ness were the only men in double figures with 10 and 11 each.
The Maroon and White Cagers split a two-game series with Eastern, each team winning on its home floor.

At half-time of the first contest the Loggers led 36-31. After only four minutes had elapsed in the second half the score was 40-39 in their favor, but the Loggers scored the next seven points and the issue was decided. Names led the C.P.S. scorers with 22, followed by Clark and Moseid with 16 and 13 respectively.

The Cheney collegians won an overtime fracus on their home floor 73-68. Half way through the first period the scoreboard read 16-5 in their favor, but the Loggers managed to chop that lead to a 32-23 mark. The Heinrickmen caught up with about 10 minutes to go in the game and it was nip and tuck the rest of the way.

The score stood at 62-all at the end of the regular playing time and the teams went into overtime. Eastern with some terrific clutch-shooting converted six for six from the foul line and the suspense was over. The "big three" were again the leading scorers, with Moseid hitting 18, Names following with 15, and Ness contributing 14.

"REMEMBER"

Remember our college of dreams,
Our hearts will ever be true
To friends we made on the campus,
To memories, college of you.

The days we spend with you here,
We know must soon disappear,
Though distance of time and space
Will make you ever more dear.

As a remembrance of your college life for this past year, the members of the annual staff present to you, the students at C.P.S., this 1958 Tamanawas.

We hope you will enjoy this book as much as we have enjoyed working on it. True, there have been many troubles and headaches connected with it, yet there have also been many hours of enjoyment spent working on it.

This book could not have been completed without the cooperation of everyone at C.P.S. It would be impossible to thank everyone who helped to publish it, but I would like to give special thanks to these people: JEANNE BULATAO, assistant editor; CAROLE EDLINE, business manager; BEV SALE, art and layout editor; GERI MARK, paste-up editor; CHRIS HAGER, leadership editor; JIM SIMMS, INTA MACS, and KAREN JOHNSON, seasonal editors; GRETCHEK SCHUYER and GAIL KEPLAR, organization editors; KATIE HOWE and KAY LAYTON, greek editors; Harta Studio, official photographer; EDDI WAGNER, school photographer; and Johnson-Cox, printers.

Thank You,

Mary Ann Rolfeon
forest products for tomorrow are growing on tree farms today...

Quality homes of wood are still America's best building buy. Many of the finest are built of beautiful west coast lumber sold under Weyerhaeuser's 4-Square trademark. All across America, tree farm lands that were harvested to provide wood for past and present generations are green with growing trees. Rooted in rich forest soil amid the stumps of their elders, these new timber crops will supply an abundance of useful forest products to meet future needs. This pattern of harvesting and restocking can go on indefinitely through proper management of commercial timberlands.

Forestry techniques used on Weyerhaeuser tree farms, for example, are intended to maintain a perpetual balance in the cycle of tree growth and harvest. By measuring the amount of new wood being grown on company lands, our foresters are able to establish the volume of merchantable timber to be cut. After each harvest, the land is put back into production through planned reforestation programs. These practices, together with constant protection against fire, insects and disease will enable our timberlands to produce a continuous flow of wood...forever.

The prophecy of a steady rise in the future demand for wood emphasizes the importance of good forestry today. Write us at Box A, Tacoma, Wash., for a free booklet on industrial forestry, Promise of the Trees.
