

## Registration Is Improved

Registration, a traditional hazard for many UPS students, was conducted smoothly this fall because of a number of innovations in the processing procedures. Among them were advance registration for freshman, a registration-by-appointment system, also for freshman, and the increased use of IBM equipment to handle paperwork previously done by staff members.

The registration schedules were arranged so as to eliminate the long delays and inconveniences encountered by students in previous years. Entering freshmen were given definite registration appointments, scheduled for either September 11, 12, 15, or 16, but upperclassmen could not register until the following Monday, Tuesday, and Wednesday. Even though some disgruntled seniors, juniors, and sophomores complained of freshman-closed classes, this separation of the student body was a benefit for all.

Mrs. Helen W. Bay, registrar, commented, "The system of registration used this fall has proven to be quite effective. Even with this year's enrollment of 1,853 students, there were few problems of scheduling, and we feel that this modified system can be credited with eliminating several problems which arose during registration in the past."

## New Look At Religion

"At a church-college there ought to be several areas in which students are able to begin or continue religious inquiry," said Reverend Bob Albertson, head of the religious life activities on campus. With this in mind Albertson and other faculty members are initiating a different approach to religious activities on campus. Instead of weekly scheduled, organized denominational meetings, a program of individual research with guidance is being set up.

This new program, to be completely inter-denominational, will consist of three main branches of study: the devotional life, the mind's life, and the life of service.

Studies in the devotional life will be conducted by Professor Donald Chittick, chemistry department. Seven books dealing with this topic have been put on reserve in the library. Discussion groups of students interested in further examination of all aspects of the devotional life will be held from 9 to 10 p.m. on Tuesdays.

Harold Simonson of the English department will be the discussion leader for students desiring to know more about the mind's life, the intellectual approach to religion. Again, seven books have been placed on reserve in the library. This discussion group will meet at 4 p.m. on Tuesdays.

The faculty advisor for the study of the life of service is professor Walter Lowrie of the history department. Meetings have not been scheduled to date.

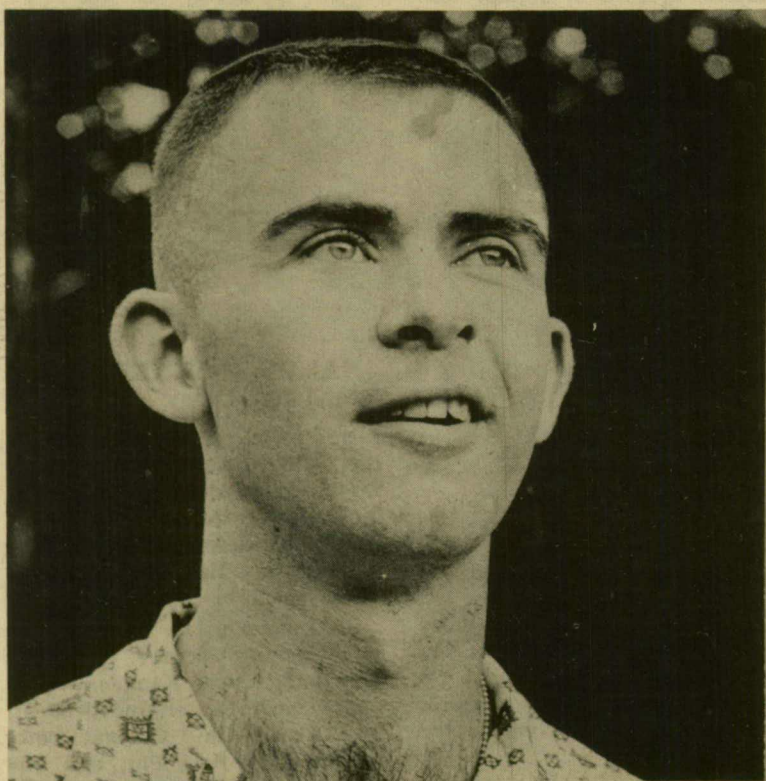

Albertson feels that the benefit of this new program lies in the fact that instead of "church groups" having all-encompassing meetings each week, a student will now have the opportunity to select and further investigate

**WARREN McNEELY**, 1961 UPS graduate, who will leave October 10 for the Philippines for a 22-month Peace Corps mission.

## Seven New Faculty Faces Greet UPS Students for New Year

Seven new faculty members came to the University of Puget Sound this year from Seattle, New York, France and all points in between.

Dr. L. Brice Bucklin, Spanish professor, is from Port Blakely, Washington, and graduated from the University of Washington with a B. A. in French.

Following active duty in World War II, he went to John Hopkins University where he received his M.A. and Ph.D. in Romance Languages. Bucklin comes to UPS from Argentina where he was director of the Association Rosarina de Intercambio Cultural Argentino-Norteamericano.

Also new in the language department this year is Madame Germaine W. Brown who will teach first and second year French. Madame Brown is originally from Montauban, France, and has attended colleges and universities all over the world. Her teaching experience is equally varied as she has taught in France, Ireland, Portland, Seattle, and Idaho.

Dr. Nathan Gross from New York City has been added to the UPS education department. After receiving a B.A. degree in English from Yale University, Gross went to Harvard Graduate School of Education where he obtained a M.A. and Ph.D. in education. Gross last taught at Suffolk University in Boston, Mass.

New in the psychology department this year is Mr. Jere P. Wilson who has a B.A. and an M.A. from the University of Chicago. Since then Wilson has been employed in research, counseling, and teaching.

Mr. Vernon Hess and Mr. Robert Unphrey, new members of the English department, are both working on their Ph.D.'s. Hess

one or all of the three aspects of religion.

All those interested in participating are encouraged to ask questions at the religious life office in the Student Center.

is working through Stanford, while Unphrey is with the University of Washington.

Dr. Ernest L. Karlstrom, a graduate of Augusta College, is new to the biology department this fall. Karlstrom received his Ph.D. in Zoology, Botany and Palaeontology at the University of Washington. Before coming to UPS he was an assistant professor at Augusta College. Karlstrom spent 1959 in Alaska working for the Arctic Institute in North America.

## Loggers Upset Willamette

A spirited University of Puget Sound eleven opened fast and then hung on to upset favored Willamette 20-19 at the UPS field Sept. 23.

After receiving the opening kickoff, the Loggers wasted no time getting on the scoreboard. Starting halfback Gary Dasso and aGry Gregg carried most of the rushing load with Gregg going over for the six-pointer from the three. Ed Tingstad booted the conversion.

On their second play from scrimmage, Willamette fumbled and Tingstad recovered. Two plays later quarterback Jerry Hoxsey passed 31 yards to Tingstad for another tally. Tingstad's kick was wide.

The visiting Bearcats scored second period touchdowns to tie the score to 13-13.

Starting their drive with little more than five minutes remaining in the first half, the Loggers barely beat the clock as fullback Harley Somers smashed over from the one for the score.

## Grad to Philippines; McNeely To Teach

Warren McNeely, 1961 UPS graduate, leaves Tacoma October 7 to spend 22 months in the Philippines under the auspices of the Peace Corps. He will be teacher's aid in the 3rd and 4th grades in the Philippine school system and will teach English and science.

### "21" Theme Set For Homecoming

A sneak preview of Century 21 will be premiered on the campus of the University of Puget Sound for the Homecoming week-end.

"A Salute to Century 21" will be the theme for the annual festivities which begin on Wednesday, October 11. The activities will be launched into orbit on Wednesday with a banquet honoring past Homecoming Queens. The excitement of the space age will be captured on Spirit Night with the Homecoming play, entitled "The Father of the Bride." The torchlight parade will wind around on a tour of the decorated fraternity houses and the evening will be climaxed by a street dance held under the stars.

The homecoming game, one of the highlights of the weekend, will be with Whitworth this year. Half-time entertainment will include the sorority floats graced with their candidates for Homecoming Queen. That night the gala Homecoming dance will be held in the U.P.S. Fieldhouse with music by Steve Lowrie.

Another feature of Homecoming will be the beard growing contest by all the campus' young budding astronauts. The six finalists will be picked by the women of the faculty.

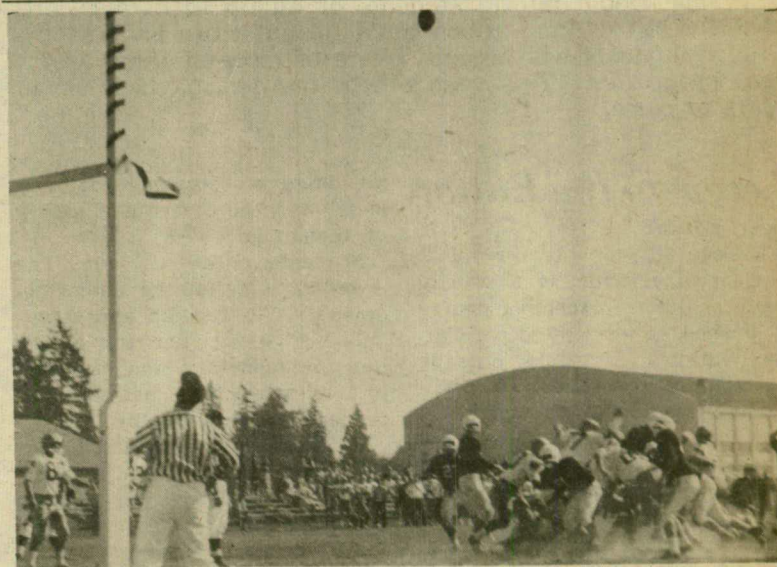

The women's dormitories will be having an Open House for everyone on Saturday, October 14. The quad will be decorated courtesy of the Century 21 Commission. The decorations are from the World's Fair and the Space Age of Century 21.

McNeely, a physics major, applied for the Peace Corps last May. He took the preliminary examinations in June (during finals week), and was notified in the first part of July to report to the University of Pennsylvania for a seven week training course. The 140 applicants at the University of Pennsylvania were trained for the specific job of teacher's aid. The classes at the University ran 11 hours per day, 6 days a week. Subjects included American history, Government, Economics, and Social Problems, the teaching of basic Science and English, Philippine history, Politics, Economics, Geography, and courses in first aid, health education, and Physical fitness.

McNeely leaves here for San Francisco, then to Philippines, where for one month, he and the other volunteers will live at the University of the Philippines Agricultural School at Los Banos, to undergo a student teacher program, after which they will go to various schools throughout the country.

American teacher's aids earn the same wage as Philippine teachers, that being approximately 70 dollars per month. This sum, small as it may seem by our standards, allows teachers to have two servants in their homes.

The Peace Corps members in the Philippines have organized an editorial board, and the TRAIL will receive correspondence from Warren McNeely occasionally.

**FOOTBALL SOARS**, but to no avail for Willamette, as they were beaten 20-18 by the Loggers at the UPS field Sept. 23.

Gregg's placement conversion provided the eventual margin of victory. The big play in the drive were Hoxsey's 15-yard run from punt formation and a Hoxsey-Cal Christoph pass which the Logger end pulled in on the one-yard line.

Willamette scored again in

the third period when Bearcat quarterback Tommy Lee hit speedy and elusive halfback Doug Chan on a 26-yard touchdown play. Doug Austin's placement kick was blocked. A stubborn Logger defense and a time-consuming ground game chewed up the remaining time on the scoreboard clock.

A campus newspaper published weekly (Tuesdays) during the academic year by the ASBUPS. Phone SKyline 2-3455. Located at 1500 North Warner, Tacoma. Yearly subscription rates are three dollars. Entered as second-class postage paid at Tacoma, Washington.

## COMMENT

As most will agree, last year saw many progressive changes on the UPS campus. If the first three weeks are any indication of what this year will be, then those who oppose change are going to be highly incensed.

Freshman registration was carried out smoothly a week earlier this year, making sophomore and upperclass registration much less crowded. Greek rush, scheduled to run during the same week, was put on a sensible basis, i.e., the groups were not required to meet the large expenses of "rush functions," and meals for all rushees. Rush was successful this year, with the two newer groups each pledging an ample number.

Central Board members, led by Tom Jobe, ASBUPS president, led discussion groups in a mature, informative Freshman Orientation Week, held during upperclass registration.

Almost every facet of the University seems to be growing and improving. Seven buildings under construction, remodeled food services in the Student Center, and a leveled parking lot off campus, all indicate the growth in the plant.

A Freshman Honors program has begun offering wonderful academic possibilities. Many upperclassmen wish this had begun several years ago.

A religious study group, led by some excellent professors, will meet. This non-denominational program should offer intellectual stimulus to many.

The Logger Ledger, already distributed, contains a wealth of information about the University, as well as a social calendar and the Log Book. Credit goes to Sue Clark, ASBUPS secretary, and Dave Wolf, ASBUPS Second Vice-President, co-authors of the Ledger, and to Log Book editor Bob Sticklin, I. K. Duke.

For the relaxation-minded, the recreation room in the Student Center will be acquiring new equipment soon.

The Adelphians will tour the British Isles this year. A long awaited dream has finally come true. The University will undoubtedly receive much favorable publicity from the tour.

The TRAIL will be published weekly this year. This should inform students of all up to date events. The list of innovations could fill an entire issue of the Trail. Students will become aware of more of them as the year progresses. This year will be one to look back on in years to come.

## Letter to the Editor

Dear Editor:

We can all probably agree that a cleanup crusade is a worthwhile project — except of course if pushed to extremes, e.i. Carrie Nation's erstwhile crusade for temperance. Today we witnessed this same type of reaction formation in one of our new "busboys" in the Student Union Building. This middle-aged woman, pursuant to her duties, stripped our table of all cups and utensils, against our earnest

pleadings of returning for "seconds" and the consequent saving of monies involved.

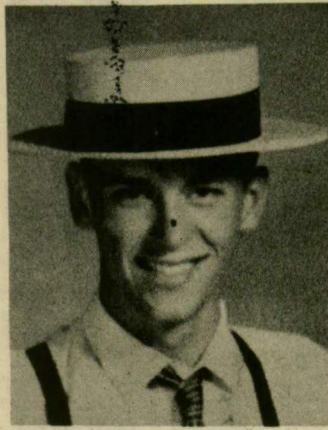

Students, hear us out. The time has come for the financially oppressed to rise up and strive, "not for glory, nor for power, but for monetary and financial principles which no just man surrenders but with his life."

It might be remembered that the staff of U.P.S. is here because of the students, not in spite of them.

Frank Ward  
Weldon Wilson

## Warner, Pierce Win at Sadie Hawkins Day Dance

The days of Dog Patch were relived Saturday at the annual Sadie Hawkins Day Dance as couples, dressed in suitable costumes were married, had their

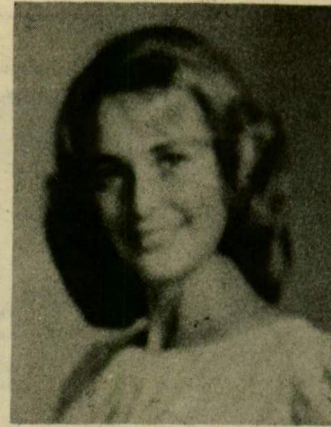

JOHN PIERCE, Phi Delta Theta, Li'l Abner.

pictures taken, and danced in Dog Patch setting.

Many outstanding costumes were worn to the occasion but Lisette Shaw won the prize for the best costume in the women's division and Jim Stevens in the men's division.

The climax of the evening was the crowning of Nancy Warner.

NANCY WARNER, Independents, Daisy Mae.

Pierce as Lil Abner to complete the UPS version of Al Capp's Dogpatch cartoon. A mock wedding, performed by "Marrying Sam" was viewed by the onlookers as Daisy Mae and Lil Abner were joined in matrimony.

Girls running for Daisy Mae were Bonnie Steussy, Gamma Phi Beta; Carol Kangas, Alpha Phi; Nancy Warner, Independent Gini Keane, Chi Omega; Beth Pederson, Pi Beta Phi; and Susan Baker, Delta Delta Delta.

Lil Abner candidates were Dave Gee, Beta Zeta Pi; Charlie

Russel, Theta Chi; John Marshall, Independent; Gary Fredricksen, Sigma Alpha Epsilon; Jim Vaughn, Sigma Chi, John Jewell, Kappa Sigma; Eric Perkins, Sigma Nu; and John Pierce, Phi Delta Theta.

## S.C.C. Calendar

Student Christian Council is the co-ordinator and initiator of all religious activities on campus. SCC meets each Monday at 4 p. m. in SC 213 and consists of representatives from all living, social, and denominational groups. We encourage participation by any interested student in these meetings.

Tuesday 4:00 p. m. "The Minds Life". The purpose of this group is to examine faith. Dr. Simonson, consultant. Room 9 SC.

Tuesday 9-10 p. m. "Devotional Life." Study of two aspects of the life of devotion. Dr. Chittick, consultant. Room 9 SC.

Thursday 4:00 p. m. "Life of Service." To interpret faith in action, a philosophy of works. Mr. Lowrie, consultant. Room 9 SC.

Morning Meditation in Gail Day Chapel 7:30-8:00. Communion will be served Friday.

## Band Looking for Members

The first meeting-rehearsal of the UPS LOGGER BAND will be held in room 10 of the Music Building this Friday from 3-4:30 p.m. During this meeting the group will hear a speech of appreciation from Chris Cherbas who is president of Choppers, the men's spirit organization.

The LOGGER BAND is being organized by Mr. Raymond L. Wheeler of the Music School faculty. Wheeler has explained the function of the group as being a service organization to help promote a "big-time atmosphere" at UPS athletic events. The band will play swing arrangements, dixieland, jazz, and modern arrangements of music appropriate for outdoor activities and will coordinate all music with the Song Leaders and the Choppers.

A 25 member band is planned with two smaller combos doing specialty acts. Membership is open to men and women who have had experience on the usual band instruments. The music department will furnish certain of the larger instruments such as drums, tubas, baritone horns, baritone saxes, etc. Financial backing for the LOGGER BAND will come from student body funds and will cover the purchase of uniforms consisting of hats and vests or jackets.

Remember . . . the first rehearsal is this Friday at 3. If you played an instrument in high school but do not own your personal instrument, contact Mr. Wheeler before Friday so he can get an instrument for you.

Let's have a big turnout for the LOGGER BAND. Bring your instruments. UPS NEEDS YOU!

## Honors Program Underway

"... an organization of University resources to get the best out of our best students . . ." was University President Dr. R. Franklin Thompson's recent description of the new honors program to be launched at UPS this fall.

Along with the top colleges and universities in the country, the University of Puget Sound is embarking upon a program of Honors for their most promising students, to encourage them to even higher achievements, and to draw more fine students.

## Memorial Game Set for Oct. 7th

Tragedy darkened the University of Puget Sound before school opened this fall. Basketball coach George W. Palo was killed in an automobile accident Sept. 17, and athletic director and football mentor John P. Heinrich was injured as the two coaches were returning from Everett after scouting a junior college football game.

In the short time that Palo was a member of the UPS athletic department, he grew to be highly respected and very popular with everyone he came into contact with—Tacoma residents, UPS students and faculty, and those who knew him only by reputation.

Dr. R. Franklin Thompson has proclaimed the UPS-Western Washington State College football game Oct. 7, on the UPS campus "Coach George Palo Memorial Game." A student admission fee will be charged for this game.

The wealthy Indian Chief bought his boy a yacht and a membership in the Yacht Club. He wanted to see his "Red Son in the Sail Set."

Features of the program will be manifold, including special honors sections in religion, science, and English, advanced placement, audit privileges, independent study and conference courses, and an inter-departmental senior thesis with oral examination, with the ultimate goal being University Honors at graduation.

An unusual aspect of the program will be a series of three colloquian in humanities, social science, and natural science, each carrying a 1 hour credit, to be elected in rotation. These will be designed to provide students with multiple outlets for writing, speaking, research, publication, and the exchange of ideas on subjects of current interest.

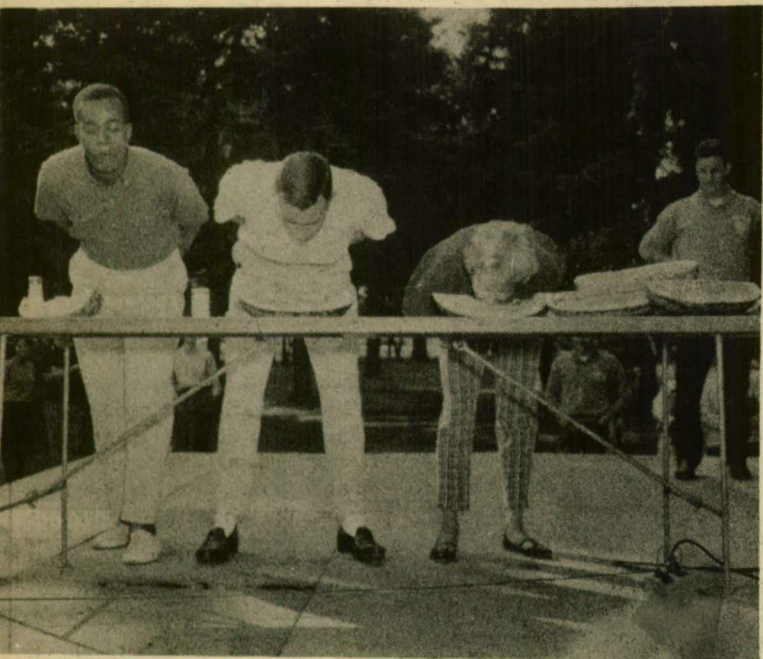

These informal meetings will be followed by weekly dinners, honors students and faculty in attendance—providing each with the opportunity to know the other, and exchange viewpoints in both the academic and lighter veins.

Selected on the basis of their outstanding high school records and test scores, as well as multiple personality and interest factors, thirty freshmen (roughly 5 per cent of the entering class) have been included in the program. Other students may receive admission, having displayed outstanding achievement, next semester or next year.

Guiding the development of this program will be Dr. John Magee, chairman. Assisting him will be Professors Gordon Alcorn, William Bruvold, Frank Peterson, and Deans Richard D. Smith and Norman F. Thomas. A student steering committee will be named in the near future.

**ASBUPS OFFICERS** Lassiter, Jobe, and Clarke stage watermelon eating contest at Annual Sigma Nu All-School Watermelon Bust.

**Sigma Nu Holds Watermelon Fete**

Several hundred UPS students consumed seven hundred pound of free watermelon in 1 1/4 hours on Wednesday, September 20, at the second annual Sigma Nu Fraternity All-School Watermelon Bust.

The event, with Dave Handy

as M.C., featured several watermelon eating contests. In a bout among ASBUPS Officers, Texan Sam Lassiter devoured his slice of melon in record time. Greek men and women paired off, two to a slice. The winners were Phi Delta Theta and Gamma Phi Beta.

Overseeing the afternoon's entertainment was the 1961 "Miss Watermelon Bust," Jeff Smith.

**Greek News: Greeks Finish Rush Activities; 183 Named as Pledges at UPS**

Concluding a somewhat hectic week of rush activities, the twelve nationally affiliated Greek organizations, on the University of Puget Sound campus, have named 183 pledges for the fall semester.

Alpha Phi: Julie Ann Austin, Carol Barker, Pat Gearon, Sharyl Gourley, Carole Kangas, Lana Lear, Carol Anne Leuning, Betsy Leede, Pam Mallory, Maribeth McKain, Liz Cowell, Pamela Read, Elsie Sherman. Diana Sorge, Linda Terjeson, Betty Wahlmacher.

Chi Omega: Mary Jo Anderson, Cheri Bertholet, Linda Black, Mary Louise Brown, Michele Cattanaach, Jan Edwards, Ellen Emert, Beth Engelmann, Linda Fosness, Marcia Hawley, Gini Keane, Janice Knowell, Sheila Marrs, Lynn McCormick, Dana Meyer, Dulcey Miller, Susan Monk, Peggy Nordlund, Pat Thompson, Francille Trotter, Marlys Van Winkle, Rosalie Watson, Joanne Williams.

Delta Delta Delta: Susan Baker, Beth Barnes, Bliss Bitar, Bonnie Brooks, Carol Carter, Shirley Clements, Susan Ferguson, Robin Griffith, Debra Hall, Helen Kinney, Michele Lester, Jane Lewis, Susan Loop, Ann McKelvey, Sharon Miller, Pat Peterson, Diana Pletcher, Laura Jo Robbins, Nancy Skinner, Danice Smith, Gloria Taylor, Baiba Vidouski, Louise Wakeman.

Gamma Phi Beta: Linda Abbenhouse, Nancy Baker, Kathy Bennett, Judy Blake, Molly Brown, Janet Claypool, Mary Drennon, Joanna Jenkins, Ann Jubitz, Kate McKenna, Mary Jane Miller, Rosalie Nelsson, Donna Roeber, Bonnie Steussy, Linda Thomas, Anne Wangman.

Pi Beta Phi: Barbara Brown, Anna Coleman, Diane Davidson, Ann Driver, Jenean Evans, Mary Ann Fletcher, Heidi Jansen, Judy Kowalchuck, Marcia McKeller, Anne Martin, Karen Nelson, Janet O'Farrell, Sharon O'Leary, Linda Jo Parsons, Sharon Peck, Beth Pederson, Diane Peterson, Vicki Peterson, Sandy Proudfoot, Carole Robert, Sandy Seyler, Pat Styrwold, Martha Thompson, Judy Wheeler.

Phi Delta Theta: Herbert Algeo, Kenneth Brooks, Gary Dyer, Jeff Griswold, Brian Herbison, Alan Kitchel, Dwight Mears, Daniel Mullen, Loren Nyberg, George Palo, John Pierce, Gary Prisk, Robert Scott, Robert Roseyear, Thomas Spring, Dennis Tabas, Arthur Tipton, Michael Weber, Robert Wekell and Ronald Woodard.

Sigma Chi: Arthur Barrena, Larry Blake, George Brown, Crispin Butler, John Corson, John Dixon, Terry Fancher, Ronald Healy, Fred Johnson, Roy Kimbel, Ronald Lee, Michael Lucas, David Manger, Michael Pergande, Eugene Robertson, Darrel Robinson, Jay Thompson, Alvin Jones.

Sigma Nu: Ralph Jones, Steven Green, Jeff Leveque, John McGee, William Mehner, Eric Perkins, Scott Seymour, Theron Stone, Alan Tiedman, Roger Trafton, George Polenas.

Sigma Alpha Epsilon: Steven Culbertson, Walter Emery, Gary

Frederickson, Owen Freeman, Barry Hawkins, Robert Lewis, Theodore Ludgate, Brian Kegley, Thomas Rice, Thomas Sadler, Peter Skarbo, Boyce Wilf.

Beta Zeta Pi: Bradley Bacon, Bruce Barnes, David Gee, Paul Hopkins, Richard Knight, Rick Layton, Donald Peterson, George Sickel, Robert Thompson.

Theta Chi: Albert Burrows, Harry Fox, James McClintic, Stephen McDuffee, Charles Russell, Dean Saxon.

Kappa Sigma: Warner Hiestler, John Jewell, Michael Newman, Harry Robbins, and Marlin Warmedahl.

Jointly sponsored by Panhellenic and Inter-Fraternity Councils, the traditional rush week not only provided new students with the opportunity to catch a glimpse of Greek living, but to become acquainted with other incoming students and the campus in general. A sorority pledge reception was presented by Panhellenic on Sunday, September 24.

**New Students To Give Recital**

Of the many schools, both public and private in the Northwest, the University of Puget Sound is fortunate in having a highly recognized and well accredited school of music on its campus. In keeping with this long-standing reputation, the school of music will present, as the first cultural highlight of this school year, the ninth annual ENTERING SCHOLARSHIP STUDENT RECITAL, in the Recital Hall of the Music Building on Friday, October 6, at 8:15 p.m.

From the many students who have received scholarships from the School of Music, nine were selected to appear in recital for Students and interested relatives and friends. Each of the nine was asked to submit the titles and composed of one or more selections of their own choice, encompassing approximately ten minutes' performance time.

There will be a reception in the faculty lounge of the Music Building to enable those in attendance to meet the recitalists and department faculty in an air of informality and relaxation. Refreshments will be served.

**SMILING FACES** indicate the fun to be had by all at the Annual Sigma Chi Derby Day.

**Orientation Judged Success**

Freshman Orientation was this year, "planned with a mature outlook, and carried out in a mature atmosphere," according to ASBUPS President Tom Jobe. During the annual week in which freshmen become acquainted with the campus and life at UPS, discussion groups, led by members of Central Board, served to inform new students of the many aspects of campus life.

Some members of the faculty and administration, Dean Smith, Dr. Albertson, Dr. Phillips, Dr. Ostransky, and Dr. Thompson served on panel discussions, held to further inform freshman of various phases of the University.

The new program was judged a success by the Freshman class, who were asked to fill out critical evaluation sheets at the end of the week. The comments on a large majority of these sheets were quite favorable.

An evening of good entertainment, the Freshman Talent Show, ended the week's events. This year, there were no ridiculous green beanies, no dyeing of hair, and no "stunt night". In their place were informative meetings which will probably set a precedent in the years to come.

**Hearse Race Set for Derby**

Indianapolis, Datona Beach, Le Mans, Sebring, and Monza, are all great names in the racing field, and now a new one is being added to this list by our own Sigma Chi fraternity; the first hearse race ever staged between Tacoma and Seattle. The hearses will be driven by Hardwick and Weber of radio station KVI, Seattle, their destination being the Derby Day dance.

This is just one of the events highlighting Sigma Chi Derby Day, an "athletic" contest between the five sororities on campus. "Varsity" squads will participate in events such as pie throwing, the "merry-go-round," a Hong Kong train race, and a score of other activities to take place in Todd Hall field on Saturday, Oct. 7, at 10 a.m.

A large trophy for the sorority with the most points accumulated in the Derby Day activities and one for the sorority showing most spirit will be awarded at a dance that evening for Greeks and their dates. Results of the hearse race will also be announced at this time.

Parts of Derby Day will be televised on channel 13; and Hardwick and Weber will publicize it on KVI until Oct. 7.

## Puget Sound Beats Savages In League Grid Opener, 7-0

The University of Puget Sound Loggers struck for early touchdowns in each of their first two football games of the 1961 season. The result: UPS has a 2-win, no loss, no tie record, and has moved into a three-way tie with Central Washington and Western Washington for first place in the Evergreen Conference. The Loggers and the Western Vikings clash at the UPS campus field this Saturday afternoon. Kickoff time is 1:30.

Although the Loggers were unable to move the ball after receiving the initial kickoff from Eastern Washington State College at Cheney last Saturday night, UPS linebacker Jim Randall intercepted a Savage aerial—the home team's first offensive play of the evening—and returned the pigskin 12 yards to the EWSC 15-yard line. The Loggers were unable to advance the ball any further and, when quarterback Jerry Hoxsey slipped to the slightly wet turf on fourth down, were forced to turn the ball over to the Savages.

### UPS Recovers Fumble

EWSC quarterback George Stephen mishandled the ball on first down and alert Logger linebacker Mike Flannery quickly fell on the loose pigskin.

UPS would not be denied. Half back Gary Dasso smashed into the left side of the Savage line for five yards. The other starting halfback Gary Gregg picked up three yards, moving the ball to the seven before the Loggers were set back five yards for illegal procedure.

Hoxsey completed a seven-yard

pass to end Cal Christoph, a substitute for the injured Ed Tingstad, which moved the ball to the five. Gregg picked up one yard and then Hoxsey circled right end for three more three-footers. Dasso scored the six-pointer as he dived over the center of the line. Gregg passed to end Les Ross for the conversion.

With only 8:25 gone in the game, all the scoring for the evening was over, although both sides threatened to tally in later stages of the contest.

### Savages Stopped

Eastern recovered a fumble on the Loggers 22 early in the second period, but could only move the ball to the 15 before a slipping penalty set the Savages back 15 yards. Dave Campbell, UPS' starting offensive center and defensive tackle, broke through to nail Stephens for a loss, jarring the ball loose and recovering the fumble.

The Cheney team almost salvaged a tie late in the game after recovering a UPS fumble on the visitors' 31 yard stripe. In six plays, the Savages moved the ball to the five. After being set back one yard Stephen passed to end Mike Macauley in the end zone for an apparent score, but the play was nullified because EWSC took too much time in getting the play under way.

## WWSC Plays Here

Extra seats are being installed and a banner crowd is expected when Western Washington State College visits the University of Puget Sound Loggers Saturday afternoon at the UPS campus field. The "Coach George Palo Memorial Game" will start at 1:30.

The Vikings are in the second stage of coach Jim Lounsberry's rebuilding program, but still rate as one of the stronger entries in this year's Evergreen Conference grid chase.

Ron Ladines, one of the most explosive halfbacks in the league the past two seasons, will team with speedy Ken Fry, a transfer from Washington State University, to provide a powerful ground attack. Quarterback Vance Spangler will direct the Viking air attack. Spangler's running ability will add more speed to the visitor's backfield. The Vikings will have some top linemen in end Bob Plotts and tackle Harry Leons.

## Referees Sought

Jim Fox, intramural sports manager, has issued a call for flag football referees. All applicants should put their qualifications in written form and leave them in the "F" box in the Jones Hall basement mail box or call Jim at SK 9-9020. All applications must be received by Jim by 3 o'clock Wednesday. Referees will receive financial reimbursement for their time.

Intramural flag football games are scheduled to begin Thursday and will be held each Tuesday and Thursday with contests slated to begin at 3:45 p.m.
