Tales of Russian starvation are true, say natives.

The native people of Russia are suffering from starvation, according to reports received by the United States government. The situation is critical, and the federal government is providing relief to those in need.

Miss Florence Schwartz Writes Letter From California

Miss Florence Schwartz, former teacher of the C. P. S., gives an interesting account of her work among Los Angeles, California, in a letter recently received by Mrs. Lyndall Hovius.

Miss Schwartz is teaching English among foreign adults, and in one group of students representing a number of different nationalities.

At Christmas time, she played Santa Claus on a tour of the homes of "every nation's" poor with baskets of good things.

This gives her an interesting and philosophical character, as she helps these people to understand their own culture.

FOOTBALL CLANS ARE AWARDED TO 12 C. P. S. MEN

Very Few Substitutions Made During Season

Twelve football players won their first varsity letters this year, and only four were substituted during the season. This is an exceptionally low number of substitutions, which is due to the fact that there were no substitutions made as a result of accidents. The team was able to play in this season's physical condition, and it has been very successful.

She was not disappointed in hearing a student's wish to thank all those who contributed to the old Americanization work, which is fascinating and is being done for the sake of the students.

There are a number of difficulties that the students must overcome in order to learn English.

DONT FORGET

It has been decided upon as a tradition in C. P. S. that the Junior class should take it as its peculiar responsibility to compile an annual publication. The class of 1923, realizing its duty to the P. S. and wishing to keep the tradition alive, has set out to publish the Timesanna. No class, regardless of the good its name, can put out an annual with the complete requirements of the whole school.

The booklet will contain 200 pages which will be divided into 16 parts, such as: Administration, Foremen, Juniors, Clubs, Campaign, etc.

We should, in order to make the annual a success, have a subscription from everyone who believes in his school. We have decided to make it a success by subscribers.

DONT FORGET—To have your picture taken at Ethan Brooks, Stu. 4th, 6th floor.

DONT FORGET—to return the papers to the Office.

DONT FORGET—That there will be no extra copies when the annual is published.

Only enough will be ordered to supply the subscribers who have given their subscriptions in advance.
