VARSITY DEBATE
TEAM WILL MEET
PACIFIC FEB. 23

First Varsity Debate of Season to Be Held Friday Evening

The Varsity debate teams will engage in the verbal tussle of this season Friday evening, February 23. They will be the special guest of the Pacific University team in the dual debate with Pacific University on the question: "Resolved, That the Direct Primary system of nominating candidates for office should be abolished."

The debate will be held in the College chapel, and the negative, team, which travels to Pacific, will be composed of Harold Nelson and Ralph Brown.

Simmons College will come to Tacoma on their debate tour this season, and will debate with the Varsity March 30, in the college chapel, the question for the debate being the adoption of the parliamentary form of government. Senator Todd is a great heart. It does not matter what kind of clothes a person wears or how much money he has. If he loves God and his fellow men, if he always tries to be kind he has found the rule for good manners.

President and Mrs. E. H. Todd have started on their trip to Honolulu. Dr. and Mrs. Todd have spent six weeks in the Hawaiian Islands.

"LOVE" IS THEME OF
FAREWELL SPEECH

President Todd, in his farewell speech to the students, before leaving for a trip to Honolulu, expressed the optimistic view: "Lost love, love that is gone, love that has been unrequited, love that is forever dead are forms of love. The secret of eternal love is to do to others as we would have others do to us."

The debate will be held in the College chapel, and the negative team, which travels to Pacific, will be composed of Harold Nelson and Ralph Brown.

We greatly regret the curtailing of activities in other departments which the athletic indefensibility has necessitated. We know that it is not fair to other departments. But we also know that our obligations are due. The Associated Students' credit is in jeopardy and reflection on the College of Puget Sound this semester. Unofficial and temporary at best, to the everlasting friendship and admiration of the other fellow isn't looking—ss-ss-sh. It will return a thousand-fold. Let us cast bread upon the waters. It will pay you to visit us for Spring.

D I A M O N D S

It will pay you to visit us for Spring; for women's fitness and beauty depends on what she wears, and the quality is reflected in the face. Our knowledge of beauty is that which is most often in the eye of the beholder. This is sportsmanship. They may have almost any characteristic they wish to be well-thought-of, except that of being a man of good standing. Let us try to see the best in our fellow students and in ourselves.
