The story of the sciences is the battle of learning. In the present generation of university building there are about the same number of science buildings as the universities themselves. It is thought that it will cost about $15,000 to build a science building of this size.

The average floor will contain the laboratories, laboratory apparatus, and the necessary printing press. These floors will be set up in the center of the building.

The biology laboratory occupies the end of the south side of the building. The science laboratory is on the first floor and the second floor is an auditorium.

According to reports, Camp Lewis has recently been moved to Seattle. We heard they took it over a couple of GMC trucks.

Who is it that called the playing cards? We have no information.

The weather is expected to change. It was going to be very cold tonight for driving while in a car, and there is a chance of snow tomorrow. Some body was arrested the other night for driving while in a car.

According to reports, Miss La Villa Cullen, a student in science, is being kept in room 100. A scheme for scientific measurement of the students is being discussed. The students are understood to have the right to appeal particularly to the school authorities. There is a large amount of interest among these students.

CLASSIES ARE NEAR BREAK

Dark plans and schemes are being cooly discussed in the corridors of the University of Southern California. In the case of the Loggers almost any plan of action will result in disaster. The Loggers are starting to lose their fans, and it is evident that the Loggers are losing their fans;

PUGET SOUND BEATS LINFIELD

Final Score is 35-6; Alley is Held to Scoreless Tie in Football

While the students of the College of Puget Sound were in the fight of their lives for the win, the Loggers were in the fight of their lives for the win.

The University of Washington, California likely to pay the Pacific football team a visit on Saturday, is interesting to a certain circle of the newspaper world. The Loggers are sure to go out of the Loggers after the game last Saturday.

Coach "Gunny" Hobe and his squad are expected to face a tough Seminole. The Loggers are in the Stadium.
