ANESTHETIC SPIRIT

Just walk down Puget Sound halls any day of the week. On some days you can get the impression that it is the poorest town to support any college that I have ever seen; or something like "Oh, I haven't seen only a dead flower town, they don't even know we have a campus.

Well some of you complaining students just stop to consider, yourself who you are going for your town or your city.

Last Wednesday and Thursday the Loggers played a fast going and really high class basketball team from Oregon. The games were a thrashing from all angles except from the boards of the Portland City Council. The Portland City Council, for</p>
**SOCIETY**

By its Merit

During the past few years we have noted that many books have been written on the subject of society. These books have dealt with various aspects of social life, such as education, religion, and politics. Some of the most popular books have been those that have discussed the role of society in modern society.

**NEW BOOKS IN LIBRARY LIST**

"What Is Men" by Thomas E. Stimson

The question "What Is Men" has been discussed in various books over the past few years. This book takes a different approach to the question by focusing on the role of men in society. The author argues that men have always had a significant impact on society, and that this impact is likely to continue in the future.

"The American University in Washington" by R. F. Zeller

This book provides an in-depth look at the history of the American University in Washington. It discusses the university's role in society, as well as its contributions to the development of modern society.

**AD MEN TALK TO B.A. CLASS**

Present Many Sides of Advertising

Monsignor Charles J. Ryan, graduate of the Arts Department, has given an interesting talk to the Advertising Class on the subject of advertising. He emphasized the importance of advertising in modern society and discussed the various aspects of the field.

"From the Pen of a Publisher" by John H. Wilson

This book provides a unique perspective on the role of the publisher in society. The author discusses the history of the publishing industry, as well as the challenges that face publishers today.

**TRAIL HAS NEW "STYLE SHEET"**

Adopted to Help Make Paper Belles

While making a study of paper for better student publications, the Trail staff evolved a new "style sheet" which is designed to help make paper belles. This sheet is intended to be used by all members of the staff, and is intended to help them write better.

WEAK SEX WEAKENING?

Where is civilization making us? To continued enervation and gradually increasing ill will and disposition, until even the gentlest advances introspective philosophy of domestic life, for, perhaps, that the strenuous path might prove less difficult.

Not long ago a resolution was passed by a leading body of a women’s social organization condemning the training of women for participation in the Olympic games, on the pretext that such experts advocate the tender rearing, the easy way of doing things, for fear, perhaps, that the more strenuous path might be considered too much of a trial. For a short footrace is considered too much for the sex.

She came back unscathed.
