**Late Prof. Maris Honored by Group**
Delta Kappa Phi Plaque To Be Memorial

In memory of Prof. William H. Maris, faculty adviser of the organization from September 1930 until his death July 19, 1933, Delta Kappa Phi Fraternity has established a memorial in the form of a silver plaque which will hang in the chapter house.

**Brown Recipient of Honor**

Each year the outstanding student in the fraternity who has completed four years of college work at Puget Sound and who has been best portrayed the ideals and principles set down by Prof. Maris in fraternity and college relations will have his name engraved upon the plaque. Walter Brown, past president of the chapter, was selected as the 1934 recipient of the honor.

In order that future classes who did not have the opportunity of association with Prof. Maris might be able to follow the ideals and principles set down by him, Prof. Maris' Brown Recipient of Honor received. This will be an annual award for the best student, in the opinion of the department heads for the year. The Brown Recipient of Honor will be selected as the 1934 recipient of the honor.

**Chemistry Club Goes National**
Chi Pi Sigma Establishes Gamma Chapter

Special dispensation was granted this year for members of the Chemistry Club to form a local chapter of Chi Pi Sigma, national professional chemistry fraternity. The local organization will be known as Gamma chapter and its requirements for membership are such that it will be an honor to any student who wills to join. The reason for the chapter's being is to acquaint the students with the college and its surroundings, to have a chance to meet other students, and to have a chance to meet the department heads.

**Student Presidents**

Chi Pi Sigma focuses its attention on the character of the student body, and the selection of the candidates for the Gamma chapter is made up of a panel of judges who are all associated with the college and its surrounding communities. The candidates are chosen by the department heads, and the candidates for the Gamma chapter are selected from these.

**Plan Remaining**

The Chemistry Club is to be the headquarters for all college activities, and the candidates for the Gamma chapter are selected from these.

**Trail Staff Signs '30**
At End of 11th Year

With the completion of the 11th year of the Puget Sound Trail Staff, the 1930 staff will be presented to the college. The Trail Staff is the college's most important organization, and the completion of its 11th year marks a significant milestone in the college's history.

Freshman Coed Nine

Annex Ball Crown

Defeat Rival Soph Team by Big Score

By defending the sophomore squad, 18 to 9, the former good baseball team earned the annual baseball tournament. Emerging victorious over the seniors, 25 to 4, in a previous game, the seniors earned the right to play in the final tilt. This was the second time the tourney was played, the first having ended in a three-way tie.

As baseball is now finished, the year is nearly closed for women's sports. The junior-senior class won the hockey title; the seniors, the volley ball championship; the juniors, the tennis title; and the seniors earned the track crown. The tennis team has been a handicap to the basketball team, but will be gone by May 23. The archery tournament will be held on May 21, 22 and 23.

Ogdens Heads WAA

Corinne Ogden was elected president of the Women's Athletics Association, Friday, at the annual election of officers. Annabel Norton is vice-president, Harris Glaze, secretary, and June Shinkle, treasurer. Mrs. John Ogden was elected historian.

On June 11, the 1934 WAA banquet will be held. This banquet is held each year to honor new members in the club and honor the oldsters. Mrs. John Ogden is in charge of the banquet.

Essay Recognized

Out of 26 entries in the Atlantic Moonlight Freshman Essay Contest, "Soft" the essay submitted by Elizabeth Stewart was marked number one according to word received last week from Miss Lily Post Drudgery, "Soft" is the Chelmsford Indian word for "Food." In the essay Miss Drudgery used the story of the flood of June 1927 in Chelmsford, Vermont, as a basis for the retelling of the Indian legend of the good flood. Mr. Drudgery essay was obtained from personal investigation.

Puget Sound Golfers

Defeat UW Team

Led by diminutive Bill Sherman, who took medal honors with a score of 19, the CPS golf team defeated the University of Washington golf team 231-202. Sherman's score of 36 was well under par, and played a fine game, and kept the CPS team in the lead from start to finish.

The hitting star of the game was George Aden of Williamette, who plundered the course with hisExcellent drive, single, two, and a long triple.

Puget Sound Netters

Defeat Bellingham

Puget Sound's tennis team took four out of seven matches from the Bellingham Normal team last Tuesday at Bellingham and thereby ended their regular playing season. The Loggers engaged in seven meets during the season and won seven of them. After final meets next month the Loggers will send a team toSeattle, Oregon to defend their Northwest Conference championship laurels which they won at Portland last year.
