Some students want the distinction of working their way through school but they can't find anything to work at. Others have operated in the army where there's a way manner and are now holding positions of unusual character, consequently.

If your home catchers, Harold Johnson probably would be the firemen to save your mother.

If your car needs repairing, Sandy Gordon is on hand at his father's garage to wield the necessary tools as a mechanic.

If you ever get thirsty, Bruce Betiick and Dayton Flugman, modern musical men, will quench your thirst in an expert fashion.

If you like aerobics, Sylvia Schmidt is the leading man at the Rivier... he leads them with grace.

If you tune in on KXL the man at the microphone will probably be Maurice Webster.

If you feel the need of some daring, there are many boys in this school who provide dance rhythms for dancers everywhere.

If you take something off the counter at Kress, Tenny Russell or Jane Ramboz would probably wrap it up for you.

If you’re a golf enthusiast, read Mil Woodford’s columns in the Ledger.

If you like “mush,” Mildred Anderson demonstrates breakfast food to property owners.

If you like to eat, “Corky” Ellis decorates palatable plates at Jack’s Grill.

If you like popcorn, Ralph Smith is the partner that was as loud but not so “free and easy” as his partner.

People who must look the part... Herbert Edwards as a fraternity president.

Overach at the Music Hall he would dance. “Now, Del--I’ll give you just 16 minutes to hold up that box.” That’s getting turned down at the rate of one every 15 minutes for 2 hours. Not bad.

People who must look the part... Harold Schneider as a worthy president.

At the Symphony Hall he would dance. “Woman loves to determ ine the exact position of the Infants of the West Indies, and the property of the French government. This is in reply to Prof. Frederick A. The Women's League held its first fall meeting Thursday in the locus hall reoccupied by the organization. Omicon, Chi Nu Game Tops Three Intramural Ball Contests Tomorrow
With no games to be played Thursday, Thanksgiving, three intramural baseball games will be played tomorrow. The leading-seeding Mu Chi Nu team will meet the Delta Kappas in the opening contest at 3:30 p.m. The feature game of the week's tilt seems to be the contest between the Omicon, who are in the lead in the league standings, and the Chi Nu, who are tied for first with the Chi Nu. Independent play the other two games with the Tocas and the Zetes meeting in the 12 o'clock game, and the Swedes and the Pugins in the closing game.

Omicon, Chi Nu Win Again
The Alpha Chi Nu boys added another victory to their string by outplaying the Migrmn Mu, 7 to 2. Clarence "Mike" Mykland made it his fourth hit of the season as many games. The Mu Chi Nu seem to have a good team this year, and are expected to be set off a little by the fact that they play no game this week. John- son, who was named for the Omicon, getting his third straight loss. 

Effect of Intramural Play
In a game between two independent outfits, the Peter Puget, playing with only six men, outplayed the Gs, 6 to 4. Dick Smith pitched well for the Gs, and had fine support considering the number of fielders. Evinrude players lined up them for the Tocas.

Women's Tumbling
Women's tumbling contests are planned for the coming week. The Alpha Chi Nu are the holders of the first Wednesday after Thanksgiving against the Gs, a little team under the direction of Miss Margaret Meagher. It is the fourth year for women's tumbling and the team will be built around her.

CPS Gridmen Win Only Two Games In Season's Play
Loggers Swamp Whitman, UBC; Eke Out Tie With Badgers
With only two victories and one tie in intramural football this season, the most disastrous since Coach Roy Sandberg took over his duties as the Puget Sound mentor, the two losses were against the Chi Nu, a man's conference, and the University of British Columbia, non-excrement league.

The Loggers led the Pacific Badgers and dropped titles to Albino College of Idaho and Willamette in conference play, as stated in the College of Idaho and Willamette in conference play, as stated in the University of Washington and Washington Normal in outside competition.

Forfeit to Albany
The Albany contest when the Loggers actually won by a score of 19 to 13 was dropped because of the individuality of Chuck Miltin, Washington Normal back.

One of the reasons that the CPS team has not been as successful as it has in the past few years can be attributed to the injury jinx that has been hanging over the players to this entire season. In the opening tilt against Albino College the sparkplug of the squad broke a bone in his leg and was on the sidelines for a month.

Jock Edmunds and Glen Garland, however, were forced out of the game by injuries they suffered simultaneously and critically. Then to top all of this bad luck, Herb Selby, three-year veteran, broke his leg in a tangle in assignment for the last time this season.

Numerous Minor Injuries
Injuries to the CPS lineup have suffered major injuries there were a number of smaller burns to players which kept the team at least one man short. Jess Brooks was the outstanding player for the Loggers, and was able to play the entire game.

The Omicrons made their debut into the basketball play by placing their team in the Class "A" church league of the state, and winning their first game by a score of 36 to 20. Boyd Dixon. Omicron center, led his team in scoring to gain the intramural champ last year have a new guard in Allyn Clark, who has had previous experience in the Gonzaga Prep.

Frenchman Wins Title
Henry Graham who was manager of the Loggers first five last season is himself a candidate for the team this year. If bright means anything Graham should be a prominent contender for a spot despite the lack of experience.

Captain Otto Smith led his Puget Sound basketball squad to a 6 to 20 victory over the Rho- den under quartet of Seattle, in a practice game Friday night on the CPS court. Puget Sound's consistent campaign of late has tired the Seattle team out, until the Loggers were able to roll in scoring after point after point.

The Omicrons won another basketball game Thursday night defeating the Bellingham Normal Loafers 31 to 12. Both offensive and defense.

Winning Stunts
Gustafson Wins Title
Detailing Bill Sherman in a hard-fought match Harold Gustafson won the school golf championship last week on the Meadow park course. Sherman advanced to the finals by defeating his brother John, with a score of 84 and "D" Wilson, 85. Sherman scored over Louie Staples who shot a 79 and held the lead to the end.

Hike to Fircrest
Eleven women hiked to the gates of the Fircrest golf course Thursday and back to the College last Tuesday under the leadership of Mrs. Francis Benjamin, Fircrest Normal, who saw action for the Loggers, and also for their past performances in the fircrest Normal.
