NYA Workers
Screen Cinder
For New Track

Twenty-nine NYA workers, under the direction of Mr. Reynolds, supervisor of outdoor NYA work at the College of Puget Sound, began last Friday to screen 500 cubic yards of cinders to be laid on the new quarter-mile track, grading of which was completed during Christmas vacation, according to Birtie Ed- wards, student member of the ath- letic improvement committee.

The cinders, half of which were already screened, were screened and laid to a depth of eight inches on the track. Coach Roy Brandfort interviewed several track coaches during his recent trip with the NYA group to the West. Washington, and found that a five-inch depth of cinders under a three-inch topping layer of fine cinders make the best combination for a track of this kind. Measurement of the new track by city engi- neers showed that it lacks only six feet when it was first built.

Rev. Beach asks for Highest Broadcast

Before the mid-west chapel, the Rev. King Beach, pastor of the First Methodist Episcopal church, pleaded for a ruler of individual personality, representing the highest entity in life and not the lowest. His message was introduced by duplicating the customary worship atmosphere by printing a program from the church's society in chairs.

Prof. John Paul Beckett during the Monday morning ceremony demonstrated the differing qualities of male voices by putting his students in short tone displays. Voice-different groups, such as the Professors Beckett, are the truly entitled to the structure and monody structure of the vocal cords, and are destined not to be confused with the so-called artistic, as it is frequently alleged.

Dr. Todd Leaves On Annual Trip

Plans include Conferences, And Alumni Reunions

In addition to a number of important conferences, Dr. Edward M. Todd plans to attend reunions of CPS alumni in New York city and Washington, D. C., during his annual tour.

Dr. Todd left Tacoma December 26 and remained in Brandon, Illinois, from December 26 to January 8 to attend the College of Preachers, a group of clergymen and other officials of Sunday schools, and ministerial conference, which meet annually in various parts of the U.S.

While in New York city, he is said to attend a meeting of the University Senate, which is the accrediting agency of the Methodist church, of which he is a member, and also several of the Methodist Educational association and the Association of American Colleges.

From New York, Dr. Todd journeyed to Washington, D. C. where the reunion of CPS alumni will be held at the American University Women's club, this time for the purpose of the board of trustees. At this time of his death he was engaged, in the request of Pres. E. H. Todd, in writing his recollections of the period.

Puget Sound's Varsity Hoop Quintet To Clash With Huskies This Weekend

College of Puget Sound's varsity basketball players will be the highly favored University of Washington five this evening Friday and Saturday. Allied to the CPS battling the St. John's Catholic College basketball team for the Catholic championship, Puget Sound will play the Huskies at 7:05 tonight and 12:05 tomorrow. Both games will be played in the University of Washington gymnasium.

Coach "Doc" Ed Edmiston's team is considered a serious contender for the Northwestern Conference title and this year's Husky quintet is regarded as the best that Edmiston has handled and that is saying plenty.

Edgar Star

The Huskies star player this season is Edgar Star, a 6-3 middle guard. Edgar is one of the best shots on the team. Recently against Stanford, the leading team in the southern division Wagner bucketed 21 points. At the other end forward Ed Lo-vecchio will probably start for the Logger guard, is a fine passer and ball handler although he too can shoot far and almost from anywhere.

The CPS front line of Carey Doerr, Sandvigen and McFadden will show against the Loggers.

Two with past sport history in college competition the Chi Nus and Wagner are out in front of all other organizations in the race for total points in ambitions. The Zeons were the basketball team. While the Zeon lead the pack under the wire in the volleyball.

One of the surprises of the season has been the fine shooting of the Swedes, the independent team, which came second in college basketball and which is sitting in fourth place in total points.

The Portland Hoop Squad To Meet Loggers Tonight

University of Portland, a strong basketball team, will furnish the opposition for the CPS varsity five to-night and tomorrow night on the Logger margin. Both games will get under way at eight o'clock.

The invaders who are coached by Ed Fidell have one of the strongest teams in recent years. They will be out to turn Coach Roy Findley's Loggers because the CPS five won both of last year's series which was played in Portland.

The Portland team has two stars in Leinweber and Harmon, the former a high scoring forward and captain of the squad while Harmon is an elogated center who is a hard man to stop from scoring under the basket.

Puget Sound will depend upon Vaughn Stoﬄe and Erling Toefﬂe both forwards, to match the veteran center pair of them. While he gets hot, Toefﬂe is hard to stop while Tarchios is not only a good scoring threat but is the key man in the Logger offense. He starts out and plays and is a fine ball handler.

Sport Shots

by Jack Burns

Basketball is the "King" of the CPS sport world at this writing with the Logger varsity playing four games this week. Three of them on our own court and the fourth with the University of Washington squad at Seattle Saturday night.

Intramural teams also begin work in earnest this week with games for Tuesday and Thursday afternoons of this week with two games also on tap for Wednesday night.

We have heard rumors that a delegation of Logger rooters are going to Saturday night's game in Seattle. This spirit is commendable but don't you make that trip you can make it up by attending the Basketball game with the Huskies here Friday night. All you have to do is show your student body card and walk in. Take your money's worth out of your ticket and come and see the Loggers take on the University of Washington, a squad which may repeat the University of Idaho in the Olympic games.

We also wish to see the gym packed for the games tonight and tomorrow night for our chance with the Portland University team. These games should be real All-American and every spectator will want to scrape the double decker that the Loggers have carried here in Portland last season.

Puget Sound Wins From Gonzaga And Ellensburg On Holiday Jaunt

Puget Sound's basketball quintet played five games during Christmas vacation on a barnstorming trip in Eastern Washington. All games were played with teams of major college caliber and while losing to Washington college and the University of Idaho, the Loggers showed plenty of gymnasium and Ellensburg Normal were successful.

The first game was played with Gonzaga which the Loggers was lost but only after a hard battle. The score was 21 to 20 in favor of the Bulldogs at half-time, but the Lumberjacks gained the lead in the second period and held on to win it by a score of 41 to 39. St. Philips guard, John McCreary, gained 10 points.

Choose Women's Casaba Teams

Women's basketball teams were picked Friday because as many girls dropped out of turnouts, there was not enough material left to compose two Tournament teams, as was done last year.

For this reason, Miss Collins asks the girls who made the team to be not discouraged since it was necessary to leave out some good possibilities which might have developed well with further practice. The following made the teams:

Frosh: Margaret O'Connor, Mary Elizabeth Turk, Elsie Larson.

Sophomores: Jenny Hall, Joan Harnier, Carol, Helen Ho­Rosewicz, Betty Wurton, Evelyn Red." Skee: Betty Kennedy, Max Morrison, Helen Nixol.

Freshmen: Pamina Kudrick, Kath­erine Nelson, Doris Helm, Helen Key, Doris Mcclymont, Mary Wal­ton, Katheryn Casey, Helen Williams, Mary Louise Rieken.

Women Hike

Isabelle Hudson led a women's hike Friday afternoon at four o'clock which resulted in a thrilling turn­ ing out: Ruth Delphon, Ida Larsen, Dorothy Newell and Mary Louise Wadsworth. The score was 18 to 16. Smith took this afternoon at 3:30 by Betty Ruhl.

Another women's hike will be led tomorrow evening by Dorothy Newell.
