First College Fall Campus Day This Thursday

Program Includes Planting, Bag Rush, Free Lunch, Football Game

All classes will be dismissed Thursday, October 15, for the First College Campus Day to be held at CPS, according to Horwood Baminger, general chairman of the affair. Originally held in the spring, an additional project this year takes place in the fall because of increased interest in spring planting. Inaugurating the new plan, the Central Board has set the traditional Freshman-Sophomore rivalry on fire.

Attendance is to be taken at 8:30 a.m. in Chapel, where the students will be divided into groups, captained by superintendents.

Beginning at 9 a.m., the meeting will be held making several advancements and repairs on the campus. A general visual survey is to be held, and a preliminary plan is to be made for the planting of trees and further landscaping of the large lawn west of the College building. The Metropolitan Park board cooperates in the project.

The day will conclude with a free lunch served by the United States, by the Alumni, and with buns surrounded by butcher knives and бесплатно картофель, will summon the campus shrubbery.

Bag Rush, the traditional athletic rivalry between the men of the two lower classes will be staged at 11:30 a.m., with Ed Blackland and the Letterman’s club in charge. Afterward, lunch will be served to all workers by the figure. In the evening, a football game between CPS and an All-State college will be held. Stadium will wind up the day’s activities with a scheduled football contest.

Trustees to Meet

Election of officers, reports from the officers of the corporation and plan of the year’s operations will be taken up. Applications for M. E. Loans Due This Week

All Methodist students who wish to apply for a loan from the Board of Education of the Methodist church during the year, should fill out the blanks for the loan application and submit them before October 12 to the second semester. It is necessary to make application at this time in order to receive the income of future months.

Applications are now being taken at the registrar’s office. Students wishing further information are requested to consult the Registrar.

Smokeys Smear Bread With Green Dye, But Russ Gets Lipstick

By Judd Day

All previous record-breaking the bag rush this year show that it will be far from a Sunday school picnic. The freshmen under the supervision of all chapters of Pi Kappa Delta of CPS will be assigned freshmen to freshmen.

“A Spy Glass” Address Is Matriculation Feature

Concluded by the first matriculation ceremony last Friday, President Edward F. Todd delivered an inspiring address. He spoke to the new students concerning the life they are entering and their obligations to the university.

The President begins by saying that this year is destined to be the first in the future. The freshman should have learned in the future what their obligations are. He stresses that the freshman should be prepared to meet the problems and it should be with which of the groups.

The President states that the freshman class will be the problem-solving class a little different in character because of the new duties.

“Spy Glass” is a new feature of the matriculation ceremony. The freshman who is the most successful in the math course is selected as the freshman class representative. The Freshman class is thus divided into three parts. The first part is the class with the highest grade point average. The second part is the class with the lowest grade point average. The third part is the class with the average grade point average.

Battin’s Old Jollop Finally Succumbs After Going 20,000 Miles for Debate

By Elizabeth Harrision

Chug, chug, put, put, what a plane! Did you guess it? In case you didn’t, it’s supposed to be Prof. Charles T. Battin’s old car, which has last ended in a week-end trip. For years, CPS students have looked forward to the time when they could have a car to spend tournaments with the few of Battin’s old car, which has last ended in a week-end trip.

Student Choices

Who represents the CPS student and faculty choice for the United States president? And who for governor? To answer these and several related questions, The Trail this week is conducting a straw-vote election.

The details are simple. On this page will be found a ballot, which, when clipped and properly filled in, is to be placed in the mail box of the Trail office as your vote. No one’s name is requested. All ballots should be in by the close of the submission of the deadline.

The results will appear in the following Tuesday editorial.

Lumberjacks Meet Albany Eleven In Conference Battle Thursday

Marson and White Given Decided Edge Over Weak Pirate Team

Top basketball backers score a solid win in their second tilt of the year, the Lumberjacks are drilling hard in order to unearth the Pirates of Albany under the floodlights of the Stadium Thursday night. The Pirate crew has yet to reveal its victory in a gridiron contest this year, and in view of the lack of capable veteran material little is expected of them. Last year, the Albany grid team tied the world record for consecutive losses at 27, and their prospects are little better this season. The Loggers scored a 16-0 victory in their last contest.

After their defeat at the hands of the Pacific Pirate last Thursday, the Marson and White are said to be in fine fettle for their clash, which they will need to win in order to stay in the running for the conference.pennant.

Coach Sandberg will drill the upstarts in every possible drillendum during the few days of training before the game. Pirate formations will also come in for concentration as the Logger head man was not at all satisfied with the way these plays functioned against Portland. No definite changes have been announced in the starting lineup, but in practice Sandberg did not state that the same will start against Albany that did against Portland.

The Pirates will pin their hopes on the returning Jordan. All of these are linemen including Jim Davis, captain and end. Other veterans the Loggers will have are Pete Larsen, Al Gebbard, Joe Rice, Pete D'Alema and Art Petersen.

Hold Turnout

Coach Joe Mack wants all basketball candidates to report to the gym tonight at 7:30 for a turnaround. Those who do not turnouts this time next week on Monday, Tuesday and Thursday nights.

All About!

Above is pictured the crack Pacific train which will take Chaps to the Willamette ball game in Salem, Oregon, October 30. If enough students support the trip as announced by Maurice Waterman.

P.S.—Portland highlights: Don McPherson, quarterback of John L. Sullivan in the third quarter— Sull's snappy, agile journey along the sidelines after he had snared a 30-yard throw from McClimon in the second quarter. The downfield backing of the entire Portland team. The pluckiness of Alkek Schwartz who was mauled and double-mashed all night. The Loggers sparkling midfield of Jim Davis, good for 11 first downs, one more than the Pirates.

A challenge to the Chi Nu to the Mu Chi to meet them on the field of battle in a touch football game. Both teams have some capable men who have been assigned to the already successful intra-class programs. Alkek Davis has definitely made for the contest instead of the "vagega" "some time next week," but the brotherly organizations are resolved that there will be a game.

From every angle, Albany looks like a pushover for Sandy's ranchers Thursday night. The larcenous Pirates don't know where to sink the Pirates of Albany last year.

The Logger headman looks 'em over in practice Pilots Win By Two Touchdowns

John L. Sullivan Stars for Portland; CPS Show Good Running Attack

Behind the interference provided by a powerful line, the Portland Pilots "penny express" backfield swept over and around the Loggers last Saturday night in the stadium, winning, 12-0.

Led by John L. Sullivan, fleet Portland half, the Pilot club used in an advantage that particular type of football known to the sporting world as "double-death." Forward and lateral aerial thrusts, coupled with deceptive reverses and spins, kept the Lumberjacks on the defensive most of the evening.

At times the Marson and White eleven showed offensive strength, as they carried the oval on sustained drives inside the 20 yard marker. All the damage was done in the first two periods of the contest, the first tally was run up when Crowley pumped across from the 4 yard stripe, culminating a long drive by the Pilots. Late in the final moments of the first half Sullivan intercepted a pass and was downed on the Loggers 30. On the next play Magnus completed a pass to Sullivan who had scooped and scampered through half a world under tackle and downed for a 2 point gain.

The Loggers headman looks 'em over in practice.
