The line-up of teams for Thursday is as follows: Dorothy Myrtle, Elizabeth Hendrie, Katherine McConnel, Barbara Byrd; Alice Pepe and Sara Louise Douh; Dorothy Cronin and Irene Smith. Then follow Florence Huntoon, Marie and Margaret Gilstrap, Virginia Leonard and Mary Maitland. Finally come Janet Hendrie and Helen Katrina Swinth.

Recognize

Soares and Jack Leik. Byrd and Valen Honeywell, Bruce Cowles and Stanley Nash. Robert Leik is an ace debater, which is reflected in his history. For this reason, he is going to be quite expected to win the second of its kind.

In the present situation, the Fellows are being given by the Class of 1937. They are ambitious to give a historic event.

Although attempts have been to the most successful campaign in many years, the present Community Chest drive and the aggressive leadership of Chuck Underhill will continue until the final day. Underhill, and the able and conscientious campaigning with the greatest dedication may be tapped, and the silent worker is a valuable asset. When the goal for the city of Tacoma at $125,000, CPS can hardly be shocked to reach its goal of $100.

ANONYMITY BLOODS CONTEND
A student of CPS, signing himself MHD, and asking for the cloak of anonymity, has made a stand to fight to publish each week a student editorial column—which he calls "The Trail Blazer." He wants to treat differential phases of school life in order "to present the students' viewpoint in editorials." The writer is unknown to the editor, and I presume to most of the students. The initials may or may not be authentic.

The Trail Blazer appreciates the rare interest shown by an enterprising student who has ideas he or she wisely wishes to express. We want student opinion in student editorials. We want The Trail to represent every group; to present the students' viewpoint in editorials."

Kappa Sigma Theta, Sigma Zeta Epsilon Pledges To Honor Members At Dance

Kappa Sigma Theta and Sigma Zeta Epsilon pledging members of the respective groups Saturday evening at a social affair to be held in the Elk's Temple, Miss Virginia Brown is general chairman and working with her on the committee are Miss Virginia Day, Miss Princess Tarr, Miss Princess Summers, Rodolfo Simpson, Robert Gregson and Harold Wilson. The motif and the theme for decorations for the dance, although having been completed are not being announced by the committee. Dates will be decided upon Wednesday evening.

Prof. and Mrs. Frederick McMillan and Mrs. M. M. Moody have been invited as honored guests. At the last meeting President R. M. Bennett appointed Henry Graham to manage the fraternity volley ball team and Bill Paine the basketball preparations. A few members of the group were trying to collect money for a new thing same time.

Back in the winter of 1931-32 the women's organizations of the campus were beset by difficulties because of duplication in activities. Each time an attempt was made to raise money for improvements about the campus and buildings, conflicts arose because the groups were trying to collect money for the same thing.

Lumberjacks Out to Stop Karamatic

Next Saturday in Stadium Game

Mike Pecarovich's Bulldogs Will Be Overwhelming Favorite; Karamatic Has Reputation as Sensational

Ball Packer and Punter

By Herbert Hite

In the grand finale of what has been the most successful grid season for CPS since the Sandberg-coached captured the conference title in 1982, the Zapier and Loggers, last Saturday in the stadium, will tangle with the Gonzaga Bulldogs. A victory for the Lumberjacks will give them the greatest grid glory they have had since the University of Washington squeezed out a 13-9 victory in 1923.

Mike Pecarovich's eleven will enter the fracas Saturday as the Aggies' only small forward this week are paying relative every offensive weapon at his disposal and concentrating mostly on pass plays and a "wide-open-offense" philosophy. George Karamatic, sophomore sensation, will be the second fullback of all coast rather that the Loggers will run up against this season. The first was Walter Page of Willamette. The former Aberdeen high school luminary made his debut to Pacific coast play in the St. Mary's game, and made the sensation of the day when he returned to the scoreboards through the entire eleven of the Galloping Gaels for a touchdown.

In the Portland tilt, Karamatic scored all of his team's points to almost single-handedly turn defeat into victory for the Spokane eleven.

MEET TODAY FOR

The Timber-toppers now repose in undisputed possession of the Gonzaga B ulldogs against our Loggers. Mr. Karamatic can look for offensive opposition from our own Alex Schwetz CPS's candidate for all-conference back laurels. Schwetz is one of the handsomest players on the field and a player who can run down either halfback or fullback.

In the Portland tilt, George Karamatic's fullback achieved the impossible in winning out of the fire for the Missions.

Alone Schwiets, after recovering from an attack of the flu, will be one of the Loggers main hopes next Saturday.

Thetas Top League in Volley Play

With the Thetas practically clinching the volleyball title, the last game of the season will be placed Wednesday. The first game will see the Zenos tackle the Lambdas and in the next session the Thetas meet the Independents.

Last Friday the Thetas overcame the Betas 23 to 14, while the Gammac continued on their way over the Megas with a victory of 62 to 17. The battle was ugly yesterday as the hard hitting Thetas and Gammac clashed. The volume was 55 to 33 in the Theta's favor, while the Lambda's set the bar in an exciting game 26 to 29.

CPS Wins 6-0 Over Whitman

First and Ten--

By Joe Mitchell

If George Karamatic feels this will stunt Saturday Tacoma football addicts will know the reason why pencil-pusher calls him the fullback's fellow west of the Rockies. The boy can really hop, skip and jump, so they say, and we'll certainly find out when he leads the rest of the Gonzaga Bulldogs against our Loggers. Mr. Karamatic can look for offensive opposition from our own Alex Schwetz CPS's candidate for all-conference back laurels. Schwetz is a nifty little steppie himself so it should be quite a thrilling watching these two backs strut it out a n o t h e r a i r-tight tussle is antic i p a t e d today.
