Jazz Piano Playing Contest Thursday

Thursday student chapel will literally begin with a bang this week, a jazz piano playing contest between all the piano players of the four classes; will come to a close on a high note, donated by an unknown music critic. Appraiser of the audience will determine the winner.

Banquet Openings Debate Season

Question Announced: New Members Initiated

Official opening of the debating season, the local chapter of Pi Kappa Delta has held its opening event, the first Presbyterian Church on Monday morning, Don Roberts acting as its leader. The federal relations board should be given the power to enforce arbitration in industrial disputes.

Several new members were initiated into Pi Kappa Delta. They are Barbara Redy, Stanley Nash, Margaret Glibbert, Marie Glibbert, Giae Robble, Ralph D. Simpson, George Fontane, and Yale Honeywell.

Expectations somewhat improbable this fall, several new debates will be held on Thursday, in room 206.

Tolo Party To Be November 10

That the annual Tolo Theater party will be held November 10 at the Rialto Theater, was announced by Miss Billie Actus, chairman of the committee which arranged the affair. The movie will be a musical and dramatic feature, starring Irene Dunne and Randolph Scott, in “High, Wide and Handsome.”

As a queen and king of the Tolo will be chosen from the student body. Nominations will be made in student chapel next Thursday, the four persons receiving the highest number of nominations will be the candidates. Votes will be cast one cent apiece, and will be cast in boxes in the lower hall. The winning king and queen will be presented from the stage of the Rialto theater on November 10. The committee consisting of Miss Actus are Misses Bonnie Perkins, Ruth Jansen, Ruth Raymond, Joan Roberts, Bertie Hardnes.

OCTOBER 12, 1937

Albany College
First and Ten

By Herbert Hite

At the annual conference meeting last spring, the circulars which had been rumored for many seasons took place, and Linfield dropped out of the seven-team league. At the time, many observers, observing that Linfield was losing all chances of holding his prestige by such a move. Where would Linfield find first rate competition in the class in the Northwest?

Now conference followers are wondering if Linfield wasn’t after all, making an intelligent move. As far as the conference title is concerned, there are just three teams in the league—Puget Sound, Whitman and Willamette. Year after year these three teams share most of the honors, and carry the other three teams along to make up the schedule. It will all be better then being independent.

Willamette, seriously campaigning for national recognition as a football school, seems to have realized the folly of playing along with the College of Idaho and Albany. How much of an asset are these schools on a football schedule? Willamette this year meets only three of those three clubs. These teams, the Loggers, the Mountaineers and the Bisons, are not the usual attitude of the conference, and are made up of schools that are not really comparable in talent to the Bearcats, who are considered college football teams, but find it necessary to play against the college schools to get their season started.

Football teams are judged by the company they keep.

There was a certain whisper going around we heard that Williamette was due to tackle their notable rivals for the remainder of the season. Saturday, in Portland, a lot of people changed their minds. Williamette walked all over one of the strongest independent teams in the Northwest—Portland U.

Willamette still has the services of one Richard Weiglesberger, two year all conference, little All-American, and the nation’s second highest scorer in the Bearcat backfield. Beard, last year, was second highest scorer in the league, and tied with Pug Sound’s Alec Schwetz as the coaches’ choice for All-Conference backfield. This year, however, we have to count against him, as he is the one man we have been counting on to give us that third man in the backfield. His name is Beeken, guard, who has brought nothing but trouble to Willamette opponents for two years.

“Sandy” turned his bag of tricks upside down Friday night, and the Mountaineers were felled, as the days for games. On Tuesday, Oct. 12, the Loggers also fell. On the same day, the Sigma Delta Epsilons will clash with the Independents at 1:15. Tuesday will see Sigma Chi versus Delta Pi Omicron at 12:20, and Alpha Chi Nu versus Independents at 1:15.

Each team competing in the league must furnish an umpire and have at least ten players on the field at game time. Teams falling to live up to these rules will forfeit their games.

These school games have been very exciting and competition is keen. Each team competing in the league must support their game by attending them on the upper floor of the gym, if the program is to be successful. Attendance at these games is free. Your interest in intramural sports will be greatly appreciated by all those in charge.

At Monday’s chapel, medals and certificates were awarded to Don Krumm, Don Teed and Robert Kemp, who are now in Munich, Germany. The trio came in third in the Military Patrol race across the Campus last week.

After taking second place in a Cookout of Mt. Tacoma, the trio proceeded to Journey to Stequallis, where they shaded themselves very comfortably by setting up his tent in a field of five. The leading man of the party, the linesman part, in this contest and much credit to the team from CPS who put up a great race despite lack of rest and other obstacles which prevented them.
