Nightshirt Parade, Big-time Football Games, Mark Homecomings of Past

By EDITH MAE HAMMOND

Way back in the dear dead days beyond recall, in 1932, to be exact, the College of Puget Sound had its first Homecoming. It was held at the old campus and a football game between C. P. S. and the University of Washington was the main attraction. Huskies was the home team, and the Mounteaters eating a meal in the gymnasium, closed the coming.

More echoes of the past. A new homecoming, those born with the first of our traditional homecoming traditions, Theater with a rally and a speech, that the first of the homecomings of 1924, which was the first on the new campus. Saturday morning a car parade preceded the game, which ended about noon, for a series of speeches.

The car parades in those days were not competitive, but each person decorated his car in ma- ners and while, to the delight of the football game. Ten years ago at homecoming the slim figure of Sigma Mu Chi were the champions, and the first Homecoming was 1912. To those who were present, this week-end, October 28, 29, 30. The balloting will continue until noon on November 15. C. P. S. Band

This year, for the first time, CPS has the nucleus of a real band. Incoming freshmen, who show more school spirit than any other group of students, immediately began playing faithfully under the able direction of Mr. Werner, and the band is now in a position to "blow its own horn".

However, we cannot stop here. Today, most colleges and even high schools have snazzy uniformed bands, which play and march at football games, give regular concerts, and play at chapel programs. Many schools go one better and have real band. Last Home Contest To Be Played
With Conference Title At Stake

In the most colorful and crucial Homecoming contest in the history of the College of Puget Sound Football, the Loggers of 1927 will meet Wilamette, the defending conference titlists, tonight at 8 o'clock, in the Tacoma Athletic Park.

A comparatively easy road to the conference title and even more important—sweet revenge for three consecutive heartbreaking losses at the hands of Spec Kenne's Bears—will be the reward of victory for the Maroon and White eleven.

Wilamette boasts one of the high-scoring backfields of the circuit in little All-America Rich Weigler, All-Conference Billy Beard and a bevy of other brilliant half-packers such as bunny Beamer and Bill Simco to name only a few. Arranged against this most publicized team is turned out by the Pacific Northwest conference will be the best Puget Sound eleven in recent years. The CPS threat is power, speed and what is something new in Logger offense, a wide-open razzle dazzle passing attack.

When you think of power at CPS, you think of the Logger line—Jordan Fielder playing along right on the heels of McLaughlin’s blocking.

Speed spells Schwartz and Beamer in the Logger backfield. The razzle-dazzle referred to is something on the order of that which scored at least two of the four Logger touchdowns against Whitman.

Stop Weigler—he’s the thing. The Marion and White haven’t been able to do for three seasons, and that’s something the Loggers have accomplished.

The football will be called high today, and you can be sure that neither squad will be able to put together a downward field of play.
