WANTED: A CRITICAL ATTITUDE

It is often said, "We can only teach what we know," and indeed we do. However, what most students know is that they do not know much about this school. The Puget Sound Trail is a publication that appears twice a year, making it necessary to skip an issue once in a while because we do not have enough holidays in the school year.

The Puget Sound Trail appears. We wish to correct this idea by saying that the Trail has been issued for the last five years. With the budget which is shown it. There are, of course, notable exceptions to this rule.

Some comment has been made concerning disorderly conduct. Wednesdays chapels are to build us up (we guess)—not to

HELEN ROSENSWING WINS SHOW CASES

Miss Helen Rosenwirg upheld the superiority (1) of the fairer sex by picking out several of the popular ones in the football team. Miss Rosenwirg's victory all the more gratifyingly so, as every contestant picked every prominent football player to relay to her.

One bright led picked Dustin to beat CIF by a score of 3:5 by 1. He also picked Fair and Harvard to the 133 to 135 and all brilliancy would be rewarded by handsomely but it is generally understood that this avege dropped his mathematics expert into the ballot box by mistake.

So, to the winner and fanatical as a general rule, we send our hearty good wishes in humble admiration "Life for me they can have, but I expect when picking a football coach."

WHAT IN SAM HILL IS WRONG WITH CPS ??

By DEBOROTH BITE

School spirit, a vague and undefined term at best, but without which no student body is worth a hoot, is strangely missing around all the campus activities of the College of Puget Sound.

We have the same extra-curricular programs other schools have... We have as good or better teams as the schools with which we compete geneously. True, three other questions about the value of the schedules which are arranged for the Marion and Tacoma athletic teams, and maybe the Varsity football team needed new utsa pretty badly, but on the whole we certainly had something to cheer about all at the home games on this year's football schedule.

But where was the crowd ?? At only one or two games during the whole home schedule was there more than a sprinkling of CPS students. Maybe we're wrong, but that certainty isn't our idea of school spirit. Remember the Caravan to Forest Grove ?? Four cars made that trip, and it wasn't the half of those to charge you can let your grandpa's ear teeth, Chuck McHenry and Paul Folling did everything but chashalot the student body down to Forest Grove, and when did it get them ??

Now basketball season is here, and if past records are any indication, the basketball teams will get about as much cheer as the student body as the football team. Last year a Maroon and White quintet thumped the University of Washington, and everybody thought that was pretty swell, but the student body did nothing about it. We can't see out to the following games than did before.

Part of the reason for that, of course, is there is no place to put a big crowd if some accident it happen to show up. Two rows of bleachers four deep can't accommodate enough of a crowd to put a big crowd if by some accident it did happen to show up.
