Finals were held Tuesday afternoon. Judges were advanced students in the department. Finals were held Wednesday afternoon, with Mrs. Locke Biehl judging. Those entering were: Garth Dickens, Norris, Jenson, Anderson, Norris, Jenson, and Sloat.

The annual Alumni College will be held on campus Saturday, June 4. The alumni will again attend classes, one session in the morning and two in the afternoon. The afternoon session will have a class in "Educational Progress," and the evening program will be a "Business Group." At 7:30, Dr. F. G. Willson will speak on "European Trends." In the third session, at 9:00 p.m., Dr. G. W. Wilson will speak on "The Dynamic of Civilization." There will also be athletic participation in softball, tennis, and sports events.

At noon the annual meeting and election of officers will be held.

Senior Classes

The Senior Class will make their annual speech and resign and present their class gift to the college. The senior class gift this year will be a "Lumber Industry" poster designed by Frances Cargill. The program begins at 8:15. The banquet will be held in the Color Post. The banquet will be in honor of the seniors, alumni, and representatives of the College.

President's Reception

Friday evening, June 3, the annual president's reception will be held in honor of the incoming and graduating seniors. The tea will be held from 4:15 to 6:15 in Miss Chubb's store. All students and their parents are cordially invited to attend. The program, the details of which are not yet available, will be announced later.
**STUDENT UNION**

The Student Union is open for business. Although it came rather late this year, represents to us the first glimmerings of a kind of student renaissance. In the past year the state of apathy in which we have found student participation has been so great as to wreak many a hopeless moan from our work-ravaged souls. The Tide has had its break through to publication, and only now it is a real effort in being made to bring it to the press.

The Student Union's proposed four-point program is in every respect admirable. It includes (1) the unification of the student body group, (2) a spirit of cooperation with the college administration, (3) a general orientation of student ends, (4) regular meetings with opportunity for free discussion of interests. We give a genuine expression of the decisions reached by this group, as expressed by a majority vote. It is, in short, an organization for the securing of student opinion and the provision of facilities for better and clearer expression on these three general points: local, national, and foreign.

We hope it is one which it hopes to use for this greater expression are The Trail and chapel committee.

The trail is ready to go on record as pledging its support to this organization, and already has plans to work on parallel lines with Union activities next year. Although the Student Union is in embryo, having a membership of 30 student leaders, who are believed to be representative of the student body's needs, it already has a potential for the making of an all-college organization. It will be open to everyone, and the students which it hopes to use for this greater expression are The Trail and chapel committee.

The Tide has had its break through to publication, and only now it is a real effort in being made to bring it to the press.

**THE END OF THE TRAIL**

There is a rather famous picture of a man on a horse called "The End of the Trail." Somehow we feel at this time like the man on the horse. It has been a ride of many experiences, some of them so pleasant that we will like to trust them all in our destination. Looking back, we are inclined to forget the hard times. We will have such good times with you in 6 years.

To the Graduating Seniors: Best of luck to all of you and don't forget that the success of The Trail was good enough for you. It ought to be good enough for your offsprings.

To Bob Boothton: Accept our sincerest sympathy as you are no longer with us. We will miss you, but you have gone to your reward. To all of you: Let's look forward to a bigger and better year. To those of you who won't be here remember to keep the old smiles smiling. We will have charge of social welfare cases and the need for a Student Union building. We will have some good times with you next year.

**IN APPRECIATION**

**To the Students and Faculty of CPS.**

Woods cannot express our thanks and appreciation to you for your kindnesses to me this past year. Your flowers, cards, and kindness at the funeral were greatly appreciated.

Especially do we appreciate the beautiful flowers brought to us by the Adelphian choral society. To all of you, to the Student body and faculty members.

Bob loved his college and would like to have taken a second year of college, but Woods bless you all throughout the coming years.

**IN THE PUGET SOUND TRAIL OF THE YEAR**

As this is the last issue of the Puget Sound Trail of the year it is only fitting that this last column be dedicated to putting out a few bouquets.

To the Athletes: You are the forerunners of CPS. When you work on your athletic journeys nobody encouraged you, when you won nobody cheered, and when you lost nobody heard about it. Thur all you were all the time giving your best trying to win for dear old Alma Mammy. If it is any consolation to you, your efforts and although your rewards here are few, some day in heaven you will receive the ultimate reward.

To Check McNary: A fine job of picture taking helping to make Tamanawas the best in its history.

To Dr. Bartels: For your splendid work in debate making CPS nationally famous. We do not appreciate the honor which you here, but are the only ones of CPS but the many times of tireless effort required in making this possible.

Margaret Jane and Jean Hartman: Congratulations on attaining Summa Cum Laude graduation honors which have made us all very proud.

To Bob Boothton: Accept our sincerest sympathy as you are no longer with us. We will miss you, but you have gone to your reward. To all of you: Let's look forward to a bigger and better year. To those of you who won't be here remember to keep the old smiles smiling. We will have charge of social welfare cases and the need for a Student Union building. We will have some good times with you next year.

**DISTINCTIVE GIFTS FOR THE GRADUATE JEWELRY BOOKENDS**

All with the official college crest.

**THE COLLEGE BOOKSTORE**

**OPEN FOR ERM**

Dear Open For'Em:

May I add my congratulations on the way The Trail has been presented this year? To a former staff member, I have seen The Trail drop to half tabloid size and rise again, this year's issues stand out as some of the best. Features such as this column are an asset to the college. The observatory hill keep student interest, and the rest of our columns are features such as the Ace of Clubs, W.A.A.Rom, and Music Notes are always a favorite with the students. All in all the editorials have been a joy to read. The art work of this year is a real cut. The editor and the staff have indicated '<? yearly proud of their work.

May I add that in the opinion of a number of the students there are two needs that we feel could be rather easily met? We need for the sound of a Student Union Bell Tower, and there is surely one for a women's dormitory, and again the need is apparent as we are able to find a room no larger than a little box. Please think about these features.

**CHUCK MACLEAN '37**

* * *

Dear Open For'Em:

Suggested for Parker's list of horrors: this business of calling certain things "Chaplins." As a religious student I am offended by the use of a term that has a specific meaning. The students should be educated to cover such a variety of aggregations as the various "Chaplins," the first superintendent for the Chicago Ferry, the first Chaplin, and the Chaplin of the Queen of the South Nation.

When you are, the word is used for every name of a man who is a religious leader. I object to the use of a non-religious word, just as we are allergic to a college which the school used the time for the name of Caltech.

In short, there are a variety of possibilities of other destination for the period; assembly, conference, program hour, etc. Who's not try one for a better J. M.

Dear Open For'Em:

To all students and faculty: Just a word of sincere thanks for your splendid cooperation and patience in waiting for me until now—first, the Spring semester. And you posed for various and sundry pictures for the 1938 Tamanawas. Your help and well wishes really developed and please you.

Thank you.

CHUCK MINARY, Snapshooter.

Chi Pi Sigma Eletes: Announced: Gamma Sigma, Edel and "Mad" Coffman as President of Chi Pi Sigma, the honorary chemisty fraternity. Other officers were announced at a special meeting were: Dick LeGend, vice-president, Mrs. Robert Rushfeldt, secretary; Bob Spring, treasurer; Paul Peterson, editor and alarums. Harold Wheelers will be National President Secretary and Robert Rushfeldt will act as editor.
DATE SET FOR SENIORS' BALL

WHAT: Senior Ball
WHERE: June 4
WHAT FOR: ALL OF US

Climaxing the season of the Collins student social affairs will be the Senior Ball which will be held Saturday evening, June 4. Copies of the formal card will be on the honor of the graduating students, sent forth all college dance.

Dirk Lemagie and his band will play for the ball which is to be a program dance. Tickets will cost $1.25, according to Gene O'Donnell, who is chairman of the committee arranging for the affair. Miss Jane Anderson, Miss Betty Worden and Miss Alkoff are on the committee.

MUSIC NOTES

By Paul Laut

Prof. D. Robert Smith leaves Tacoma for a vacation trip. While he is away he will visit his home at Terre Haute, Indiana, em-
marks on the Montclare at Mon-
treux, June 2, and will spend 10 weeks studying with the world-

amous Marcel Desre at his home in Paris which will be a REAL honor ... hopes to tour Europe and return to Germany if Desre isn't too busy making fireworks at his next door neighbor's.

The New York critic herald the Italian world premiere of "Casta Diva" (the raddled goddess), to be shown at next Tuesday's "Con-

inental Night" at Lakewood Theatre, "a musical and photographic holiday, a joy to both the eyes and ear."

Maria Rezert, Europe's most

outstanding film star, who was recently in Germany as a guest of the Germans at the first continental night at Lake-
wood, is lovely enough to justify that no-

thing is too experimental for "Casta Diva," the actress responsible for the popularity of the opera Norma.

The story is based on the divine life of Bellini; his compositions as those of Rossini and Paganini are freely used in "Casta Diva." The symphony orchestra of the world-renowned Scala Opera of Italy and the combined chorus of La Scala in Milan and San Carlo in Naples are making of this unusual picture which will only be two showings Tuesday night, at 7 and 9 p.m.

Olah Elects

Miss Dorothy Shaw was elected President of Olah for next year at the election of the "Continued Night" of last Tuesday noon. Other of-
ficers chosen were: vice-president, Belle Ruth Clayton; secretary-treasurer, Ardus Drury.

The Olah Club had scheduled a picnic dance for Wednesday, June 8.
