ASSOCIATION TO PREVIEW EXHIB. SUN.
Frederick Sweet to Lecture at College Before Leaving for Chicago
Starting its preview on Sunday instead of Monday, the Tacoma Art Association will sponsor a lecture, to be given by Mr. Frederick Sweet, director of the Portland Art Museum, and was instrumental in bringing numerous outstanding exhibitions to the Portland museum while he was director there. Among them was a collection of historic drawing and prints, and a reorganization of old silk from foreign sources.

The exhibition this month includes a group of family portraits from a local home in Tacoma, and a group of prints from the W. P. A. Federal Art Project in this state under the direction of R. Bruce Inverarity. Among the artists represented in the W. P. A. exhibition are Edward T. Wilson, Carroll Maitland, Robert Over, Howard Hede, and John Knowles. The print collection includes lithographs, etchings, collotypes, and woodblocks. The exhibit also includes a group of projects "just one part of a continuing program of consciousness." Miss Hede, director print making, is at present teaching in the new art center in Spokane. Mr. Roberts has been teaching art and history for his successful interpretation. Mr. Sweet is known more comparatively.

In connection with the lecture on Sunday afternoon, a group of pastel paintings by Ed Green will be shown in the studio gallery. Also in the studio will be shown the prints winning decided from the fourth annual contest of the architectural draftsmen of the state, held every year by the Washington State chapter of the American Institute of Architects. The fourteen winning designs were selected for the Tacoma Art Association exhibition through America's Press in Atlanta, and the local chapter.

Debaters Meet U. of Cal.
Three debaters from the University of California at Berkeley will visit CPS this week. They are members of a CPS team from the region in the College Debating League. Mrs. Warren and the board are arranging an $800 to all-year salary for the debaters. If some more ear and trumpet players wish to be a part of the band, the season, the band will be virtually double that size.

D Shell or twin, there will be very little, if any, machine work. The result depends on you.

Kappas Initiate 11 to Membership

Eleven of kappas PHi were initiated into full membership last Friday evening at the First Methodist Church. The ceremony was by candlelight, and refreshments were served. Table decorations were Ken Pix PHi flowers—stick rose corsages. The new members are the Misses Mary Jo Doyle, Annabel Latkin, Oregon Belling, Carolyn Ottawa, Louise Gibbs, Louisa Dorothy Howard, Darleen Irig, Margarette Grice, Ruth McColl, Mildred Miller and Anita Misener.

The latest on the Kappa PHi tradition, Miss Edith Allen surprised the ladies at the initiation by running around the table, thus augmenting her engagement to Kenneth Crumpton, of the University of Washington. Miss Haskins is an American perfectionist. For the engagement, the new Miss Pix PHi will continue to be the house mascot. Delta Pi Omron elected new officers for the coming semester at the regular meeting last Sunday night. They are: Margaret Gait, president; Kenneth C. Howard, vice-president; vice-president; Kenneith Cooper, secretary; and Kenneth S. Hunter, treasurers. They do not like any evident imitation jewelry. They do not like any evident imitation jewelry.

The sorority main was held which will be January 29. Epworth Heights at Redondo Beach will be the scene of the Alpha Beta Upsilon laughter the same week-end. Miss Barbara Reilly is chairman with Miss Grace Howard and Miss Bernadine Glass working with the latter's pledges will be required to provide midnight supper ahead of the festivities.

Kappa Sigma Theta has set February 4 and 5 for its dance which will be held right in Tacoma. A general election is announced by Miss Beverly Marshall in charge of the dinner. Mrs. Ove Atkinson holds the food. Second degree for this society with the members of this society that they can just as well to the pledges in town as in the country. So their fancy workkinds will take place right in Tacoma.
The students of CPS may be vitally interested in the athletic situation this week, but Monday's discussion concerning the "V"III certainly wouldn't prove it. Two people showed up at Monday's meeting when Tom Cross, who entered CPS as a transfer student from Western Washington College of Education at Bellingham, was in the Reserves with a total of 16 points. Henderson took runner-up honors with four.

Football is the only sport that has its ups and downs on the court sport, for instance. Who would have given a dime for the Congers' chance against the Ducks in that second game after they had dropped the first by such a large margin? The Ducks would have dashed the Buckle to the first game had they been able to sink their free throws. In the second, Blite hit the bids thus enabling to pull a short score. Down in Portland the Galaxy Pirates went into the lead of the Congers' game by running up the defending the Badgers. Frustration was the only feeling left in the game of one point by year one, 15-15, 15-17, 14-38. Tough a game to lose. Better luck next time, Ramsey.
