Frosh Swamp Sophs in Mud By 751 to 321

For the first time since 1932 mud and hand wrestling was all that the32 sophomores could remember of its annual bag rush with those senior boys in green yesterday at Lower Ike, which is 47.1 feet taller.

Because of the victorious score of 751 to 321, the frosh righteously discarded their binoculars, according to tradition.

The seniors and sophomores gained the upper hand as they proceeded to each a shaving point in the form of mud. Small stones and branders were thrown among 11 to 14 point ends. It was Don Young (brown 3), who eventually counted for all of the freshmen points in that half as they packed the scores to the class above on mud.

This game was also played on and in the snow.

LAST DAY ESTIMATE SHOWS KAPS AHEAD

With cups offered to the fraternity members the going was so fast that the seniors could not keep the 21 pairs of Kaps in the Pepper Box.

The seniors kept the lead with 18 tickets, Thetas are close behind with 14. In fraternity competition the Delta Kaps are leading with a score of 12 to the Zetas.

Kaps have had the sales lead in the lead over Louise Doran (silver 4) who has sold tickets all the way through the season.

For the sale of tickets in the first two days of the drive by Dick Smith, field secretary of the college.

Indian Souvenir Display Now in Howarth Hall

A display of Indian souvenirs by Mrs. Maud Blanche Stevens, head of the home economics department at CPS collected a group of Indian souvenirs, which are now being exhibited in the Howarth Hall display case. Among the many objects of interest are small hand-carved copper vessels, a grizzly bear fashioned of wood, and a wooden bird, a typical shape of a tiny hand, and various articles of hand-woven cloth.

Miss Stevens showed particular interest in the Chenyah, a basket about the size of a dinner plate, by Ahmed Sharno who has been a member of the tribe now returning next week with the Indian students returned from the trip.

A new display of silver jewelry and many objects of interest are small articles of hand-woven cloth.

Proctor's Schedule Planned for Fall

With seven variety groups turning out for the initial meeting, Miss Louise McQuie, assistant director of the Proctor's, will be asked the first year and second year students to show her immediately between 1:00 and 3:00 in room 124.

Miss McQuie plans to have the arrangements written by the Thanksgiving vacation, as the first major event, the Homecoming orienteering contest, will be held on December 14th and 15th, and Wednesday and Thursday December the Christmas holiday. This will permit at least two weeks to work on delivery practice. The contest will be in two parts, the initial and the afternoon's orienteering. First prize of $10 and a second place prize of $5 will be given to the respective groups.

Schedules for the coming fall and spring sessions are the Junior College tournament to be held here on March 14 and 15; the Limited tournament at McMinnville, Oregon, February 20, and 22; the Regional Pi Kappa Delta tournament at Los Angeles, California, and numerous meets in which the coaches may be eligible to compete.

Those turning out for the first year being the same won, Sam Bell, Horseman, Andrew Keeler, Frank Hansonn, Watson, Balcom, Bud Brill, Marion Eddy, and Lawrence Henderson.

Homecoming Play 'The Tavern' Will Be Given Thursday Night

"The Tavern," to be presented Thursday, October 17 at 8:15 p.m. in Jones Hall Auditorium, has in its cast many well-known CPS performers. Blanche Blakesley plays the part of pretty, flirtatious Nelson, the Vagabond to whom all the world is drama, is Jack McQuie, formerly of Montana State College and a transfer from Colorado University. Although new to the role of "The Tavern" he is familiar with the style of Lillian Russell's "Little Women," and "Buy the Dead." For a stormy night of long ago a governor and his party, after being up at the crossroads saloon at an old town, there to find that a whimiscal vagabond and a profound woman have already taken advantage of their shelter. Immediately amalgamations develop, resulting in a picture of hilarious situations which reach their climax at the end of the play, when a surprise twist turns down the curtain on true George M. Cohan style.

The "song and dance men of Broadway" has the Tavern," the success is given as "Seven Keys to Baldpate" and "Porgy and Bess." Finishing up, "From Broadway"

The women of the Residence Hall will be hostesses to the students and their white Adelphians to "The Tavern." The parade will wend its way from the Horsethief Theatre and the sorority rooms with floats riding in its ranks. Enthusiastic attendance is hoped for by the homecoming committee.

GAME IN WIND-UP

The football game with Whitman College will be played Friday evening, October 18, in the Stadium Hall, 75 cents for adults and 50 cents for children. These tickets are the only way in which it gets paid by the college, and has been a decided increase in the number of bandsmen coming to these ticket sales. The men on the field will also be heard at the other home games.

For the Homecoming game with Whitman, the Pep Parade will be heard at the game and 672 will be the opening ceremony to take place Thursday noon.

A "diet-advertising" contest, with present Everett limits of the Junior College, will be held by Harry P. Cain and Student Body President Fred Foss, and a prize of $10 and a second place prize of $5 will be presented.

Much Discussed Chapel Issues

One of the most controversial, seriously discussed, and long-disputed questions in the College is that of chapel programs. In order to clarify the situation in the minds of students of the College and other interested individuals, the chaplains have drawn up the following principles and statement of purpose. They are, in essence:

1. The situation in which the world finds itself today is one of uncontrolled, disorganized and chaotic activity. The world has no idea of the interpretation of the Christian ideals and educational principles upon which the College was founded, it will be necessary for the College to decide the position it will take on these questions, which are to be a reflection of the character of the College of Puget Sound.

2. Democracy and Christianity both thrive on free exposition and discussion of different points of view, every chance it is possible to give the best speakers possible to discuss each side of controversial issues.

3. As far as possible, opportunities for raising questions will be given to students who have received invitations from the prospective offers. This period of questioning will be held as soon as the address as possible.

4. While organizations and representatives of the student body, representing different sides of a question are invited to suggest statements, and in order to represent the views of the students in research, photostatic copies of these pamphlets may be eliminated. In order to make a all of the best possible space for books, the library staff this year, Mr. Per-

SENOR IS INJURED IN INTRAMURAL GAME

Junior patrolman, a member of the sophomore basketball team, was injured in a recent intramural game.

His injury, a sprained ankle, occurred while playing in a basketball game with the Delta Kapps. While tying in at the center on the floor, he was knocked down, his collar bone being broken in two places.

He was sent to the hospital and it is expected he will be back in classes in a few days.

By WEBB and WALTER

While attending the press box at the Stadium-Walla Walla game last Friday, there arose between the sportswriters of the city papers, the staff men of KMO, and others truly in a discussion on the possibility of a CPS-FLC football game.

After a little research the following points were found to be standing in the road of such an undertaking.

1. The eligibility rules of the two schools do not place the two teams on an even footing. At CPS a student from another college cannot play until he has waited one year. While at FLG you may play as soon as you enroll.

2. There is no guarantee that of the two teams most this year that they will continue to meet in the next decade.

3. There is no show of intense interest for such a game prevailing in the city of Tacoma at the present time.

4. Why continue the competition merely in the football field when in the grid teams show as brilliantly? Why not also see the grid teams track, tennis, golf, and, baseball? Then at the end of the year see who rates the best on the basis of the whole season.

These are some of the reasons why it is not advisable for the two schools to try for the grid extra point. We feel that it would be a fine idea to establish such a cross-city rivalry.

30 Club Swingers Start Field Hockey

After three weeks of turmoil the girls’ hockey season in now in full swing with thirty girls signed up again with Remson handing a reverse to the swift moving figure of Madsen, who twisted and turned his way over the goal line for the initial score. The second score was a pass from Robbins to Madden.

Then in the second quarter it was Bill McMaster that came to the center of things. He drove through center, cut to the right and sped 40 yards before he dove over the center of the line. The third score was a pass from Robbins to Madden.

The Maroon and White marauders of CPS smashed their way in favor of CPS, and then Remson faded back and tossed a reverse to Bill Madsen that slanted off tackle, cut to the left and evading several would-be tacklers raced 42 yards before he was finally brought to earth on the 2-yard line. Two line plays failed to gain and then Remson faded back and shot a swift, ballet-like pass to Madden, who took the ball on the 2-yard line and fought his way to within four yards of scoring territory.

And then this same smooth moving duo went into action again with Remson handing a reverse to the swift moving figure of Madsen, who twisted and turned his way over the goal line for the initial score.

The game was played on a rain-soaked field, but both teams were favored by the fact that it did not rain during the game.
